Adopted and Filed

Rulemaking related to scope of title

The Environmental Protection Commission (Commission) hereby rescinds Chapter 20, “Scope of Title—Definitions,” Iowa Administrative Code.

Legal Authority for Rulemaking

This rulemaking is adopted under the authority provided in Iowa Code section 455B.133(3).

State or Federal Law Implemented

This rulemaking implements, in whole or in part, Iowa Code section 17A.7 and Executive Order 10 (January 10, 2023).

Purpose and Summary

The Commission hereby rescinds Chapter 20. This chapter set forth the scope of title and the definitions applicable to air quality rules in Chapters 20 through 35. After a review consistent with Executive Order 10, the Department of Natural Resources (Department) determined that the scope of title is no longer needed because the information is generally covered in Chapters 1 through 19. Further, the Department concluded that the relevant definitions would be more appropriately placed in the subject matter chapters, specifically new Chapters 21, 22, and 23. Adopted and Filed rulemakings to rescind and adopt new Chapters 21, 22, and 23 that include the appropriate definitions are filed concurrently with this rulemaking.
