PREFACE

This Tables and Indexes volume contains the tables and indexes described below.

CONVERSION TABLES OF SENATE AND HOUSE FILES AND JOINT RESOLUTIONS. These tables contain all Senate and House files and Joint Resolutions enacted by the General Assembly during the 2019 regular session and their corresponding Acts chapter numbers.

TABLES OF DISPOSITION OF ACTS. These tables show the disposition in the 2020 Iowa Code of all sections of the 2019 Iowa Acts and prior Iowa Acts which had effective dates delayed for publication in the 2020 Iowa Code. The tables include Acts sections that were codified in the 2020 Iowa Code or that repealed codified language; Acts sections or parts of sections that were omitted, item vetoed, or superseded; Acts sections that amended or repealed other Acts sections; Acts sections that contain a future codification or repeal; and Acts sections that were footnoted under a Code chapter or Code section.

TABLE OF CODE SECTIONS ALTERED. This table lists all Code sections that have been altered from the 2019 Iowa Code to the 2020 Iowa Code which include sections that are new or have been amended, transferred, or repealed. The table also includes Code sections in which future text, amendments, strikes or repeals, or the making of editorial changes were footnoted.

TABLE OF CORRESPONDING SECTIONS. This table traces the movement or documents the elimination of subject matter from the 2019 Iowa Code to the 2020 Iowa Code. The table accounts for each section or part of a section that is stricken or repealed, stricken and rewritten, transferred, or renumbered, by citing the former location and, if the subject matter appears elsewhere in the Code, the new location.

INDEXES. The Iowa Constitution Index lists in alphabetical order standardized terms describing subject matters and law concepts and the locations of these subject matters and law concepts in the codified version of the Constitution of the State of Iowa. The General Index similarly lists standardized terms describing subject matters and law concepts and the locations of these subject matters and law concepts in the 2020 Iowa Code. The Skeleton Index lists a small number of broad subject matters and law concepts and the locations of these subject matters and law concepts in the 2020 Iowa Code.

ELECTRONIC SEARCHES. To electronically search content by keyword, citation, and other criteria, the Legislative Services Agency recommends the use of the Iowa Law Infobase and the online Legislative Document Research search engine. The Iowa Law Infobase is included with the purchase of Iowa Code hardbound volumes and is also available for purchase as a separate item. The online Legislative Document Research search engine is available free of charge at www.legis.iowa.gov/publications/search.

DESIGNATION OF GENERAL ASSEMBLY — OFFICIAL LEGAL PUBLICATIONS — CITATIONS

2.2 Designation of general assembly.

1. Each regular session of the general assembly shall be designated by the year in which it convenes and by a number with a new consecutive number assigned with the session beginning in each odd-numbered year.

2. A special session of the general assembly shall be designated as an extraordinary session in the particular year of a numbered general assembly.

2B.17 Official legal publications — citations.

1. A legal publication designated as official by the legislative services agency as provided in sections 2.42 and 2A.1 is the authoritative and official electronic or print version of the statutes, administrative rules, or court rules of the state of Iowa.

2. *a.* The codified state constitution shall be known as the Constitution of the State of Iowa.

b. For statutes, the official versions of publications shall be known as the Iowa Acts, the Iowa Code, and the Code Supplement for supplements for the years 1979 through 2011.

c. For administrative rules, the official versions of the publications shall be known as the Iowa Administrative Bulletin and the Iowa Administrative Code.

d. For court rules, the official legal publication shall be known as the Iowa Court Rules.

3. The legislative services agency may adopt a style manual providing a uniform system of citing the codified Constitution of the State of Iowa and the official versions of publications listed in subsection 2, including by reference to commonly accepted legal sources. The legislative services agency style manual may provide for a different form of citation for electronic and printed versions of the same publication. Nothing in this section affects rules for style and format adopted pursuant to section 2.42.

4. The codified Constitution of the State of Iowa, and statutes enacted and joint resolutions enacted or passed by the general assembly shall be cited as follows:

a. The codified Constitution of the State of Iowa shall be cited as the Constitution of the State of Iowa, with a reference identifying the preamble or boundaries, or article, section, and subunit of a section. Subject to the legislative services agency style manual, the Constitution of the State of Iowa may be cited as the Iowa Constitution.

b. The Iowa Acts shall be cited as the Iowa Acts with a reference identifying the year of the publication in conformance with section 2.2, and the chapter of a bill enacted or joint resolution enacted or passed during a regular session, or in the alternative the bill or joint resolution chamber designation, and the section of the chapter or bill or subunit of a section. A bill or joint resolution enacted or passed during a special session shall be cited by the extraordinary session designation in conformance with section 2.2. If the Iowa Acts have not been published, a bill or joint resolution may be cited by its bill or joint resolution chamber designation.

c. The Iowa Code shall be cited as the Iowa Code. Supplements to the Iowa Code published for the years 1979 through 2011 shall be cited as the Code Supplement. Subject to the legislative services agency style manual, the Iowa Code may be cited as the Code of Iowa or Code and the Code Supplement may be cited as the Iowa Code Supplement, with references identifying parts of the publication, including but not limited to title or chapter, section, or subunit of a section. If the citation refers to a past edition of the Iowa Code or Code Supplement, the citation shall identify the year of publication. The legislative services agency style manual shall provide for a citation form for any supplements to the Iowa Code published after the year 2013.

5. Administrative rules shall be cited as follows:

a. The Iowa Administrative Bulletin shall be cited as the IAB, with references identifying the volume number which may be based on a fiscal year cycle, the issue number, and the ARC number assigned to the rulemaking document by the administrative rules coordinator pursuant to section 17A.4. Subject to the legislative services agency style manual, the citation may also include the publication's page number.

b. The Iowa Administrative Code shall be cited as the IAC, with references to an agency's identification number placed at the beginning of the citation and with references to parts of the publication, including but not limited to chapter, rule, or subunit of a rule.

6. The Iowa Court Rules shall be cited as the Iowa Court Rules, with references to the rule number and to subunits of the publication, which may include but are not limited to the Iowa Rules of Civil Procedure, the Iowa Rules of Criminal Procedure, the Iowa Rules of Evidence, the Iowa Rules of Appellate Procedure, the Iowa Rules of Professional Conduct, and the Iowa Code of Judicial Conduct. Subject to the legislative services agency style manual, the names of the rules may be abbreviated.

Chapters of the Code are cited as whole numerals; as chapter 135 or chapter 135A.

Sections are cited as decimal numerals; as section 135.101 or section 135A.2. Sections are often divided into subunits. The following is an example of the hierarchical structure of a Code section:

Section: 8C.7A	Subparagraph division: (a)
Subsection: 3	Subparagraph subdivision: (iv)
Paragraph: *c*	Subparagraph part: (A)
Subparagraph: (3)	Subparagraph subpart: (I)

The above Code section example may be abbreviated as 8C.7A(3)(c)(3)(a)(iv)(A)(I).
