“Chiropractic intern” means a chiropractic student of an approved college of chiropractic in the student’s last academic quarter, semester, or trimester of study, who is eligible for graduation from the college of chiropractic and is eligible to complete a preceptorship program, as authorized by these rules.

“Chiropractic preceptor” means a chiropractic physician licensed and practicing in Iowa pursuant to Iowa Code chapter 151, who accepts a chiropractic intern or resident into the practice for the purpose of providing the chiropractic student with a clinical experience of the practice of chiropractic, and who meets the requirements of these rules.

“Chiropractic student” means a student of an approved college of chiropractic.

“Council on Chiropractic Education” or *“CCE”* means the organization that establishes the Educational Standards of Chiropractic Colleges and Bylaws. A copy of the standards may be requested from CCE.

“Preceptorship practice” means the chiropractic practice of a single chiropractic physician or group of chiropractic physicians in a particular business or clinic, into which a licensed practicing chiropractic physician has accepted a chiropractic intern or chiropractic resident for the limited purpose of providing the intern or resident with a clinical experience in the practice of chiropractic.

“60-minute hour” means at least 50 minutes of resident attendance with no more than 10 minutes for note taking and breaks.

The intern or resident will wear a badge identifying that person as an intern or resident at all times in the presence of preceptorship patients.

c. Exercising direct, on-premises supervision of the chiropractic intern or chiropractic resident at all times that the intern or resident is engaged in any facet of patient care in the chiropractic physician preceptor's clinic.

d. Directing the chiropractic intern or chiropractic resident only in treatment care that is within the educational background and experience of the preceptor.

e. Notifying the preceptorship program within 30 days of either of the following actions:
