MOTION TO RECONSIDER FILED

MR. SPEAKER: I move that the vote by which House File 333 failed to pass the House on March 31st be reconsidered. FRANK S. LOVRIEN.

EXPLANATION OF VOTE

MR. SPEAKER: In explanation of my vote supporting the motion to table House File 333, if the Sours' amendment had carried, I would have voted against tabling the bill. CHAS. L. BECKLER.

state of Iowa as to reserve in the people of the state of Iowa the right and power to enact laws, to propose and adopt amendments to the constitution of Iowa, and to repeal any law or part thereof enacted by the General Assembly, was taken up for consideration.

Brown of Polk moved that the joint resolution be read a third time now and placed upon its passage, which motion prevailed and the joint resolution was read a third time.

House Joint Resolution 9, by committee on constitutional amendments, a joint resolution proposing to so amend article (III) and article ten (X) of the constitution of the state of Iowa as to reserve in the people of the state of Iowa the right and power to enact laws, to propose and adopt amendments to the constitution of Iowa, and to repeal any law or part thereof enacted by the General Assembly.

Be It Enacted by the General Assembly of the State of Iowa:

That the constitution of the state of Iowa be amended as follows:

Section 1. After the word "state" in line 2 of Section one (1) of article three (III) of the constitution of the state of Iowa relating to the legislative department, add the following:

"except as reserved to the people".

Sec. 2. That article three (III) of the constitution of the state of Iowa be further amended by adding thereto the following:

"Sec. 39. In addition to the legislative authority vested in the General Assembly consisting of a Senate and House of Representatives, the people reserve to themselves the power to propose laws and to enact or reject them at the polls, independent of the General Assembly, and also reserve power at their own option, to approve or reject at the polls any act, item, section or part of any act, passed by the General Assembly. The style of any law or amendment shall be: 'Be It Enacted by the People of the State of Iowa'."

(a) Initiative is First Power. The first power reserved by the people is the initiative whereby laws may be enacted by the people independently of the General Assembly. This power may be invoked by petition wherein the proposed measure shall be set forth at length. If the petition be for the enactment of a law, it shall be signed by not less than ten (10) per cent of the electors of the state. In all cases the electors signing such petition shall be so distributed as to include not less than ten (10) per cent of the electors of each Congressional District of the state and when thus signed the petition shall be addressed to and filed with the secretary of state, who shall submit the measure thus proposed to the electors of the state at the first general or special election held not less than four (4) months after such petition shall have been filed. The same measure, either in form or in essential substance, shall not be submitted to the people by initiative petition, either affirmatively or negatively, oftener than once in three years. If conflicting measures submitted to the people

at the same election be approved, the one receiving the highest number of affirmative votes shall thereby become law as to all conflicting provisions. The constitutional limitations as to the scope and subject matter of statutes enacted by the General Assembly shall apply to those enacted by the initiative.

(b) Referendum is Second Power. The second power reserved is the referendum which may be invoked by petition against any act or part of an act of the General Assembly, except those acts making appropriations for the support of the government and its various public agencies and acts for the preservation of the public health, safety and security.

When the referendum is invoked, as to any act or part of act, other than appropriation acts or emergency acts or those for the immediate preservation of the public peace, health or safety, by petition signed by not less than eight (8) per cent of the electors of the state, it shall suspend the taking effect of such act or part of act until the same has been approved by the electors of the state. In all cases the electors signing such petition shall be so distributed as to include not less than eight (8) per cent of the electors of each Congressional District of the state.

Referendum petitions shall be addressed to and filed with the Secretary of State not more than ninety (90) days after the final adjournment of the session of the General Assembly that passed the bill on which referendum is demanded. All elections on measures referred to the people of the state shall be held at the next general or special election.

(c) Basis of Votes for Iniative or Referendum, Veto by Governor, Returns of Election, Non-partisan Manner of Ballot. The whole number of votes cast for Governor at the general election next preceding the filing of an iniative or referendum petition shall be the basis on which the number of signatures to such petition shall be computed. The veto power of the Governor shall not extend to measures initiated by or referred to the people. A measure initiated shall become a law or part of the constitution, as the case may be, when a majority of the votes cast thereon are cast in favor thereof, and shall take effect upon proclamation by the Governor which shall be made within ten (10) days after the official canvass of such votes. The vote upon initiative and referendum measures shall be canvassed and returned in the manner which shall be prescribed by the General Assembly. The provisions with respect to the initiative and referendum shall be self-executing but legislation may be enacted to facilitate their operation. All propositions submitted in pursuance hereof shall be submitted in a non-partisan manner and without any indication or suggestion on the ballot that they have been approved or endorsed by any political party or organization. When such proposed laws or measures are submitted to the people for enactment or rejection by them the entire text of said proposed law or measure shall appear on the ballot, and when two or more measures have the same title, they shall be numbered consecutively in the order of filing with the secretary of state and the number shall be followed by the name of the first petitioner on the corresponding petition.

Sec. 3. That article ten (X) of the constitution of the state of Iowa be amended by adding thereto the following:

Digitized by Google

"Sec. 4. The people of the state of Iowa, without limiting the right and power of the General Assembly and constitutional conventions to propose amendments to the constitution and to revise and amend the same as hereinabove provided, reserve to themselves the right and power also to initiate and propose amendments to the constitution of the state of Iowa; that such constitutional amendments may be initiated and proposed by the people by securing the signatures of duly qualified electors of the state of Iowa, the total number of which shall not be less than fifteen (15) per cent of all the votes cast for Governor of the state at the last preceding general election. In all cases the electors signing such petition shall be so distributed as to include not less than fifteen (15) per cent of the electors of each congressional district of the state; that said petition, when signed by the above required number of electors and in the manner set forth, shall be addressed to and filed with the secretary of the state of Iowa and when so filed it shall be the duty of the secretary of state to prepare the ballots for the people to vote thereon at the first general or special election held thereafter, but not less than four months after such petition shall have been filed; that when such a proposed amendment to the constitution is submitted to the people for enactment by them the entire text of said proposed amendment shall appear upon the ballot; if the majority of qualified electors voting thereon at any such election, vote in favor of such proposed amendment, then the same shall become a part of the constitution of the state of Iowa upon the official declaration of the result of the election; that elections held for the purposes hereinabove set forth shall be called and conducted in accordance with all the laws of the state of Iowa relating to the holding of elections; the style of such proposed amendments shall be: 'Be It Enacted by the People of the State of Iowa:'"

Sec. 4. Be it further resolved that the foregoing proposed amendment be and the same is hereby referred to the legislature to be chosen at the next general election for members of the next General Assembly in accordance with article ten (X) of the constitution of the state of Iowa and that the secretary of the state of Iowa cause the same to be published for three months previous to the date of the said election as provided by law.

COMMUNICATION FROM THE WISCONSIN LEGISLATURE

The following communication was received from Lawrence R. Larsen, Chief Clerk of the Senate of the State of Wisconsin:

Wisconsin Legislature,
Senate Chamber
Madison Wisconsin,
March 30, 1937.

Clerk, House of Representatives
Des Moines, Iowa.
Dear Sir:—

I have the honor to transmit herewith an enrolled copy of a Joint Resolution of the Wisconsin Legislature, entitled, "A Joint Resolution relating to a proposed conference of Wisconsin and surrounding states to consider uniform truck and license laws for said states."

Yours very truly,
Lawrence R. Larsen,
Chief Clerk, Senate.

STATE OF WISCONSIN

(Jt.Res.No.38.S)

No....., 1937.

JOINT RESOLUTION

Relating to a proposed conference of Wisconsin and surrounding states

to consider uniform truck and license laws for said states.

Whereas, There is a lack of uniformity in the laws of these states pertaining to reciprocity rights of licenses of trucks engaged in interstate service; and

Whereas, This uncertainty of regulation and rigidity of license application has been restrictive of the free movement of farm products to out of state markets and otherwise creative of disturbances at the state boundary lines; and

Whereas, This lack of uniformity as to the proper and equitable plan of regulation and license has severely increased cost of transportation to the detriment of the consuming public; and

Whereas, This lack of peace and understanding between the states has penalized the carriers and producers of Wisconsin; and

Whereas, there is a wide-spread demand that there be an enactment of uniform regulation of motor trucks and licenses to eliminate the difficulties created by conflicting jurisdiction; now, therefore, be it

Resolved by the Senate, the assembly concurring, That it is the sense of the Wisconsin legislature that a conference be held as soon as possible of representatives from Wisconsin and the neighboring states of Illinois, Iowa, Minnesota, and Michigan to consider the providing of uniform licenses and motor vehicle regulations of such vehicles engaged in interstate service; that each of said neighboring states be respectfully requested to advise the legislature of this state as to whether it agrees to such proposed conference so that arrangements may be made therefor at the earliest possible occasion. Be it further

The bill having received a constitutional majority was declared to have passed the House.

Keefe of Webster moved that the vote by which Senate File 317 passed the House be reconsidered and the motion to reconsider be laid on the table. Motion prevailed.

EXPLANATION OF VOTE

MR. SPEAKER: This statement is written in explanation of my vote on Senate File 317. I believe such measure, as amended and passed, is patently unconstitutional. Senate File 317, as amended and passed, is not in harmony with the provisions of the Federal Constitution. MORGAN J. MCENANEY.

GOLDIE WELLS, *Secretary of State.*

AN ACT

ENTITLED, An Act to Establish an Unpaid Commission on Inter-state Cooperation.

Be It Enacted by the Legislature of the State of South Dakota:

Section 1. There is hereby established the South Dakota Commission on Interstate Cooperation, whose function it shall be to carry forward the participation of this state as a member of the council of state governments, both regionally and nationally, to confer with officials of other states and of federal government, to formulate proposals for cooperation between this state and the other state, and with the federal government, and to organize and maintain governmental machinery for such purposes.

EXPLANATION OF VOTE

MR. SPEAKER: I wish to have it made a matter of record that my only reason for supporting this bill is that we made some degree of arrangements for the state's share of its appropriations from revenue out of the used tax bill Senate File 317. Therefore the majority of the cost would not be a direct property tax on the people of the state.

F. J. PINE.

MR. SPEAKER: This statement is written in explanation of my vote on House File 130.

This measure called for an appropriation of approximately $2,000,000.00 annually for a period of two years, and it is my judgment that we are not justified in voting an annual tax of $2,000,000.00 on the taxpayers of Iowa, at this time, considering conditions as they have been during the past four years. E. A. MOORE.

EXPLANATION OF VOTE

I write this statement in explanation of my vote on Senate File 89. I believe in local self-government. I believe in the centralization of government only in so far as such centralization is effected for the good of the masses of the people. The poor cannot take advantage of the alleged benefits to be derived under this measure. It is manifestly an act to aid those who least need such aid. I voted against Senate File 89 in the face of support of such measure by honest, good citizens and organizations of our state. But local self-government must be preserved without surrender to any far away appellate board. MORGAN J. MCENANEY.

STATEMENT BY REPRESENTATIVE KEPHART

MR. SPEAKER: I was unavoidably detained Thursday morning and did not arrive in the House Chamber until after the resolution by the Senior Gentleman from Polk had been prepared. I opposed the introduction

of this resolution. The facts stated in this resolution, however, are substantially correct as they are set forth.

I wish to state that I had no part in writing and introducing this resolution and it was introduced over my protest. I am sorry that this unfortunate affair happened but insist that I had a right to remain in the committee room for the discussion of matters pertaining to deliberations of this committee.

I strenuously objected to being ejected from the room especially by one who had not been authorized by the members of the committee, the same, as I would have objected to the ejection of any other member of the committee by an unauthorized party. THOMAS I. KEPHART.

EXPLANATION

MR. SPEAKER: Due to the fact that, as a member of the Appropriation Committee, I was on an inspection trip at the state institution at Mount Pleasant, Iowa, when the vote on the Teachers' Annuity Bill (H. F. 130) was cast my vote on that bill was not recorded.

I did not leave a sealed vote with the Speaker because the matter of accepting absentee votes is a courtesy extended by the legislative body, and, is not commonly used. Realizing that I was excused from participation in the activities of the House of Representatives, during the time of the trip, I was under the impression that lack of contact with legislation on that day eliminated the possibility of my voting on any matters, before the House, during my absence. JOHN KNIPPLING.

EXPLANATION OF VOTE

MR. SPEAKER: I desire that the following explanation of my vote on House File 130 be printed in the Journal.

I favor the principle of a teachers' annuity and should be glad to vote for a teachers' annuity which I felt was properly drafted. My objections to the present bill are as follows:

First. I feel that the present bill submitted for our consideration is unconstitutional and violates Article VII of the Constitution of the state of Iowa which prohibits the credit of the state being in any manner given or loaned to any individual or corporation. The bill submitted did both. The Constitution also prohibits the state from assuming or being responsible for the debts of any individual, association or corporation unless incurred in time of war. The bill submitted did make the state liable for the debts and liabilities of the corporation set up in House File 130.

Second. The bill submitted set up a system insuring the teachers against disability under certain conditions. Every life insurance company in the United States which had a disability clause in their policies has discontinued the writing of policies with a disability clause in them because these policies were found to be financially unsound.

Third. The system set up provides for the pension without regard to the need of the teachers and is an outright pension regardless of the financial resources of the recipient. It calls for approximately a million dollars for the benefit of approximately fourteen hundred teachers; whereas, the old age pension provides only five and a half million dollars of state funds for approximately sixty thousand people.

The proposed teachers' annuity bill appears to set up a system which requires a larger contribution from the state of Iowa than the state is able to pay for when the needs of many other groups in the state are considered in relation to the state's present income. My present information, which has not yet been verified, is that the revenues of the state have been approximately one and a half million dollars short and that the funds from the liquor commission have had to be used to meet this shortage. ROBERT D. BLUE.

13203-g6. Any person who shall operate any device or machine described in Section thirteen thousand two hundred three-g two (13202-g2), without having paid the tax and obtaining the permit herein provided for, and without having such permit firmly affixed to the device or machine so operated, shall be guilty of a misdemeanor and punished as provided for in Section thirteen thousand two hundred twenty (13220) of the Code of 1935, and the machine or device so operated shall be subject to seizure, forfeiture and the sale of conveyances under Chapter ninety-seven (97), Code, 1935.

Strickler of Polk and Johnson of Hancock offered the following resolution:

HOUSE CONCURRENT RESOLUTION 16

Whereas, it has been the custom and practice since the appointment of the sifting committees of the respective houses to submit acts passed by either house to the sifting committee of the second house, or the house to which the second passage of the said bill is sent or referred; and

Whereas, the sponsors of this resolution believe that such procedure is not only inconsistent, but tends to impede, hamper and prevent the due consideration of the said bills referred from one house to the other; and

Whereas, it has come to the attention of the sponsors of the bill that the said sifting committee of each house might defeat consideration of the said measure passed by the other house and that such a system is inconsistent with precedence and common sense; and

Whereas, the sponsors of this measure believe that any bill that warrants the passage in either house should be considered and given preference on the calendar in the subsequent house; now, therefore,

Be It Resolved by the House, the Senate Concurring: That any and all bills having passed one house and referred or sent to the other house shall be placed immediately on the calendar in the order in which the said bills are received by the subsequent house, and shall be considered by the house, either being passed or rejected, and that any and all bills having passed either house now in the sifting committee of said house, shall be immediately withdrawn and placed on the calendar of the respective house, and shall be considered by the said house and a disposition made of the said bill.

Laid over under Rule 34.

EXPLANATION OF VOTE

MR. SPEAKER: I believe that House File 130, known as the Teacher's Annuity Bill, is not a wise measure at the present time because of the following reasons: more pressing matters are facing us immediately, such as relief for thousands who are on the verge of absolute want. Old Age Assistance requires more funds than ever before and our state institutions, hospitals, etc., are overcrowded. Also, no definite funds have been specified to provide for the state contribution to the Teacher's Annuity without levying higher taxes, which are already burdensome.

Hickenlooper of Linn raised the point of order that the Alesch of Plymouth amendment was out of order for the reason that it applied to more than one sub-section, whereas the amendment by Mercer of Johnson applied to sub-section one (1), dealing with the State University.

The Speaker ruled that inasmuch as both amendments referred to salary increases, not only of employees of the State University but also of the State Hospital, the amendment was in order.

Peisen of Hardin offered the following substitute amendment and moved its adoption:

Amend substitute for House File 477 as a substitute for all pending amendments to subsection 1 of Section 48 by adding thereto the following: "That none of the said appropriation be used for the operation or maintenance of the engineering school thereof, and the amount included in the foregoing appropriation thereof be used to increase salaries of employes receiving $1500.00 or less."

HOUSE CONCURRENT RESOLUTION 17

Stimpson of Jones, Elliott of Woodbury, Morrow of Delaware, and Lookingbill of Story offered the following resolution:

Memorializing his Excellency, Franklin Delano Roosevelt, President of the United States, and the Congress of the United States, to have placed upon the statute books of the United States of America workable and enforceable anti-lynching laws.

Whereas, the American government is founded on the principle of equal justice under the law, and

Whereas, all religious doctrine taught and observed in the United States of America under the Constitutional guarantee of freedom of worship teaches that the salvation of every human soul depends upon the practice of charity, and

Whereas, it is generally recognized that anything causing human suffering is both un-American and irreligious, and

Whereas, in recognition of these basic principles, there has been considered in the Congress of the United States legislation known as the Gavagan bill, the purpose of which is to enact anti-lynching legislation of an effective nature, and

Digitized by Google

Whereas, Peter Russell, a highly respected colored employee of the Legislature of the State of Iowa, has called attention to the lynching by torturous and nearly-barbaric means of two colored men at Duck Hill, Mississippi, April 13, 1937, for the alleged murder of a white store keeper, and

Whereas, members of the Iowa General Assembly respect Mr. Russell and other colored men of good character interested in obtaining equal justice under the law for those of their racial extraction, now, therefore,

Be It Resolved by the House, the Senate concurring: That it is the sense of the Forty-seventh General Assembly of the State of Iowa that this body believes in the principle of equal justice under the law for all citizens of the United States of America regardless of race, color, or creed, and

That His Excellency, Franklin Delano Roosevelt, President of the United States of America, and the Congress of the United States of America be memorialized to take immediate and effective action to enact into workable law some form of anti-lynching legislation, and

Be It Further Resolved: That a copy of this resolution, duly effected, be delivered to the President of the United States; to the United States Senate; to the House of Representatives of the United States; and,

Be It Further Resolved: That copies of this resolution be delivered to the press and to each Senator and Representative from Iowa in the Congress of the United States.

Laid over under Rule 34.

Foster of Henry offered the following resolution:

HOUSE MEMORIAL RESOLUTION

Whereas, the Honorable Nels Peterson of Henry county, who was a member of the Thirty-ninth, Fortieth, and Fortieth Extra General Assembly, died on April 15, 1936, therefore,

Be It Resolved by the House of Representatives of the Forty-Seventh General Assembly: That a committee of three be appointed to draft suitable resolutions commemorating his life, character and service to the state.

Unanimous consent having been obtained for its immediate consideration, Foster of Henry moved the adoption of the resolution. The resolution was adopted and the Speaker appointed as members of such committee: Foster of Henry, Stewart of Washington, and Craven of Jasper.

Amend House File 249 by striking the title and all of that portion of said House File 249 which precedes the enacting clause, and inserting in lieu thereof, the following: "A bill for an act to provide for an appropriation to the State Conservation Commission for the construction of sewers and sewage diversion works in Dickinson County, Iowa, which will provide for the protection of the state waters, commonly known as the

Iowa Great Lakes System in said county, and providing for the construction, maintenance, and operation of said works in cooperation with Federal or other agencies.

Whereas, there is situated in Dickinson County, Iowa, a chain of lakes consisting of Spirit, East Okoboji, West Okoboji, Upper and Lower Gar and Minnewashta Lakes; and the incorporated towns of Arnolds Park and Spirit Lake now have sewage disposal plants which outlet into said lake system and for which said towns have expended funds or indebted themselves for substantial sums in conforming with the requirements of the State Department of Health, and the emptying of such sewage into these lakes, which are great natural resources and assets of the state, tends to damage the recreational and biological value of these lakes and jeopardize the public health of the state wide users thereof; and other towns and districts adjacent to this lake system do not have sewage disposal systems at the present time, and hesitate to provide sewage systems of their own in view of the experience of Arnolds Park and Spirit Lake and the affect of these installations on the lake system; and

Whereas, it is physically possible to install a comprehensive system of sewage diversion which will provide an outlet serving the incorporated towns, residence districts and residences in the area surrounding these lakes whereby the sewage will have a common outlet remote from the lakes aforesaid, and will not further contaminate them; and the towns, residence districts and individuals in the area aforesaid are financially unable to provide such a system which will be adequate for the high summer population without aid from the state and other agencies; and it is urgent that positive relief be afforded at as early a date as possible to check the rapid increase in contamination of the said state waters, and there is an opportunity at this time to construct the sewage disposal system in cooperation with Federal and other agencies; and

Whereas, the State Conservation Commission is an agency of the state charged with the duties and responsibilities of maintaining and the conservation of the natural resources of the state, therefore,".

HOUSE CONCURRENT RESOLUTION 18

Whereas, the business of the state in its care of its institutions has become a matter of deep concern both to the taxpayer and to those having charge of said institutions; and,

Whereas, it has become apparent to many of the members of the General Assembly that the present method of obtaining the legislative viewpoint and securing a businesslike recommendation for appropriations for the state institutions is adequate; and,

Whereas, no rule has been incorporated to give direction for the selection of a committee whose duty it would be to make an intensive study of the demands and needs of the various state institutions and departments and to cooperate with the comptroller and various boards in arriving at a judicious proposal for expenditures, therefore,

Be It Resolved by the House of Representatives, the Senate Concurring: That a rule be added as follows: "Upon the organization of the appropriations committees of each of the House and the Senate, each in its own house, it shall select from its number five members, which ten members shall meet at the call of one of the Senate members who is chosen and proceed to organize as a joint committee. It shall be the duty and obligation of this committee to plan the itinerary of visitations to such institutions as it deems necessary, to determine in so far as possible the needs of repair, rebuilding or building, adequacies of salaries, adequacies of appropriations as made by the previous assembly and their use or misuse, anticipated balance at close of biennium, and any other matters which may be deemed necessary, and to present a composite report of such findings to each appropriation committee not later than the fortieth session day of the assembly unless further time be granted.

in the celebration of the Delaware Swedish Tercentenary in 1938.

Whereas, the year 1938 will mark the Three Hundredth Anniversary of the first permanent settlement upon Delaware soil, a settlement which was made by the Swedes on the banks of the Christiana River on the site of the present city of Wilmington at a place called "The Rocks" and which was the first settlement of the colony of New Sweden; and

Whereas, this settlement was the beginning of a permanent government for the earliest permanent inhabitants of the present State of Delaware as well as of the present State of Pennsylvania and western New Jersey; and

Whereas, the people of Delaware have always taken great pride in their history and traditions and have piously preserved for posterity their ancient landmarks; and

Whereas, it is proposed that a state, interstate, national and international celebration be held in 1938, commemorating the first permanent establishment of European civilization in the Delaware River Valley at "The Rocks" on the Christiana River, *Now Therefore*,

Be It Resolved by the House of Representatives of the State of Iowa, the Senate Concurring:

Section 1. That the Governor be and is hereby authorized and requested to appoint eleven (11) residents of this State, whom he has reason to believe are deeply interested in the history of Delaware, to form a commission to be known as the Delaware Swedish Tercentenary Commission of Iowa.

Sec. 2. That the duties of said Commission shall be to prepare plans for participating in the celebration by the State of Delaware on the occasion of the Three Hundredth Anniversary in 1938 of the founding of the first permanent settlement and the establishment of the first permanent government upon the soil of Delaware at Fort Christiana near "The Rocks" on the Christiana River; and to cooperate with other Commissions or committees representing the city of Wilmington; historical, patriotic, and other societies of the State of Delaware and other states; the governments of other states; and the national governments of the United States and Sweden.

Sec. 3. That the said commission be and it is hereby authorized to request and direct the Senators and Representatives of the State of Iowa in the United States Congress to urge and prepare proper legislation in order to enable the Director of the United States Mint to prepare and have minted United States half dollars suitably commemorating the anniversary. The number of such commemorative half dollars to be limited to twenty thousand in number, and the sale price to be set at $1.50 each. The profits from such sale shall be used at the discretion of the commission in defraying the expenses incidental to the celebration, and the remainder, if any, shall be paid into the general fund of the Historical Society of Delaware.

Sec. 4. That the said commission shall submit a report to the Governor of all of its acts in connection therewith.

Laid over under Rule 34.

poration, association or partnership in whatever capacity acting, including all officers and employees of the state or of any municipal corporation or political subdivision of the state, that is obligated to pay or has control of paying to any nonresident any "gross income", within the meaning of Section sixty-nine hundred forty-three-f eight (6943-f8), in excess of fifteen hundred (1500) dollars in any calendar year.

Sec. 2. Sec. 3. Section sixty-nine hundred forty-three-f eight (6943-f8), Code, 1935, is hereby amended by adding at the end thereof a new subsection four, which shall read as follows:

4. In the case of a nonresident, the term "gross income" shall only refer to such gross income, as herein defined, as is derived from any property, trust or other source within this state, including any business, trade, profession or occupation carried on within this state, but shall not include income received by a nonresident in the form of annuities, interest on bank deposits, interest on bonds, notes or other interest bearing obligations, or dividends from corporations, whether received by the nonresident directly or as beneficiary of a trust, except to the extent to which the same shall be a part of income from any business, trade, profession or occupation carried on in this state subject to taxation under this division.

If any income is received from a business, trade, profession or occupation carried on partly within and partly without the state, only such portion of such income as is fairly and equitably attributable to that part of the business, trade, profession or occupation carried on within the state of Iowa shall be included within such gross income, and such allocation shall be made under rules and regulations prescribed by the board, which shall, in any event, require the entire amount of such income and the allocation made, to be shown in the return which said nonresident shall, and must, file pursuant to Sections sixty-nine hundred forty-three-f thirteen (6943-f13) to sixty-nine hundred forty-three-f nineteen (6943-f19) inclusive, Code, 1935.

Sec. 4. Section sixty-nine hundred forty-three-f nine (6943-f9), Code, 1935, is hereby amended by adding at the end thereof a new subsection eight which shall read as follows:

8. A nonresident shall be allowed the deductions provided herein, excepting that the deductions provided in subsections one to five inclusive shall be allowed to a nonresident only if, and to the extent that, they are connected with income arising from sources within the state and taxable under this division; and the proper apportionment and allocation of the deductions with respect to income received from a business, trade, profession or occupation carried on partly within and partly without the

state shall be determined under rules and regulations to be prescribed by the board.

Sec. 5. Chapter three hundred twenty-nine-F one (329-F1), Code, 1935, is hereby amended by inserting after Section sixty-nine hundred forty-three-f fifteen (6943-f15) the following new sections:

6943-f15a. Withholding Agents and Nonresidents.

1. Excepting as provided herein and in Section 6943-f15b hereof, every withholding agent shall deduct and withhold in each calendar year five per cent of all gross income, in excess of fifteen hundred (1500) dollars, which such withholding agent pays, including the five per cent so withheld, to any nonresident during such calendar year. In case the nonresident files with the state board a verified statement, in such form and containing such information as the board shall prescribe, showing that any income described therein is derived from a source upon which the net income will be less than twenty per cent of the gross income, the board, if satisfied that statement is correct, shall give to such nonresident a certificate directing the withholding agent to withhold only one per cent of the described income. Upon receipt of such certificate, the withholding agent shall withhold only one per cent of the income described in such certificate in excess of seventy-five hundred (7500) dollars; and no part of the first seventy-five hundred (7500) dollars shall be withheld.

2. Withholding agents shall make returns upon the basis of each calendar year on such forms and at such times throughout the year as the board shall from time to time prescribe, and shall include therein such information as the board shall require. The board shall fix such times for the making of returns and the payment of the amounts withheld as in its judgment are necessary to insure payment of such amounts. Such returns may, in the discretion of the board, be consolidated with the returns required by Section sixty-nine hundred forty-three-f fifteen (6943-f15); and in the discretion of the board, a withholding agent may be required to make a separate withholding agent's return for every nonresident a portion of whose income is required to be withheld under Section one hereof.

3. At the time of making such returns, the withholding agent shall pay to the board the entire amount required to be withheld under subsection one hereof. Such amounts shall be paid to the board in the form of remittance payable to the treasurer of state and which shall be transmitted to the state treasurer to the credit of a special nonresident income tax fund, which is hereby created for such a purpose. That portion of remittances payable to the treasurer of state and which shall be transmitted to the state treasurer to be deposited in the state treasury to the credit of a special nonresident income tax fund, which is hereby created for such a purpose. That portion of such fund applicable to the payment of taxes pursuant to subsection five hereof shall from time to time be transferred by the state treasurer, upon order of the board, to the credit of the special tax fund created by Section sixty-nine hundred forty-three-f fifty-six (6943-f56). Any amounts in such nonresident income tax fund required by subsection five hereof to be paid to a nonresident shall be so paid by the state treasurer by means of

a warrant drawn by the comptroller at the direction of an authorized employee of the state board upon such fund to the order of such nonresident, without requiring the nonresident to file a claim for refund.

4. Each nonresident shall make his returns and pay his taxes upon the basis of the calendar year, unless permission is obtained from the board to report on a different taxable year in cases when he carries on a business of such a nature as to make it impracticable to report on the basis of the calendar year. That amount withheld from and paid for each nonresident by the withholding agent for any calendar year shall be credited pursuant to subsection five hereof upon the tax due from such nonresident for the same calendar year. In case a taxable year other than the calendar year is authorized the amount so withheld and paid for the calendar year shall be so credited upon the income tax due for the nonresident's first taxable year ending after the end of such calendar year.

5. In addition to all other income subject to the tax herein imposed, each nonresident shall report in his return all income a portion of which is required to be withheld pursuant to this section, including the portion so withheld. Any amount of the income withheld and paid to the board by any and all withholding agents shall be credited against the total amount of income tax required to be paid by such nonresident for such year as is provided in subsection four hereof. If the amount so withheld and paid to the board is in excess of the amount of income tax due by such nonresident for such year, the excess shall be paid to the nonresident taxpayer. If the nonresident taxpayer fails to file a return within the time required by law, the board may consider as the net income of such nonresident the entire gross income of such nonresident, as shown by the returns of all withholding agents, and may assess the tax accordingly pursuant to subsection two of Section sixty-nine hundred forty-three-f twenty-one (6943-f21).

6. All of the provisions of Section sixty-nine hundred forty-three-f seventeen (6943-f17), Section sixty-nine hundred forty-three-f eighteen (6943-f18), Section sixty-nine hundred forty-three-f nineteen (6943-f19) and Sections sixty-nine hundred forty-three-f twenty-one (6943-f21) to sixty-nine hundred forty-three-f twenty-seven (6943-f27) inclusive, Code, 1935, shall apply to returns and payments by withholding agents and to determination and collection of amounts required to be withheld by withholding agents, and to penalties therefor, as well as to the "taxes" to which such sections expressly relate.

6943-f15b. Bonds and Securities.

1. Any nonresident whose income is subject to the provisions of the preceding section may file with the board a bond issued by a surety company authorized to transact business in this state and approved by the insurance commissioner as to solvency and responsibility, in the amount hereinafter provided, conditioned upon the payment of any tax, interest, and/or penalties which may become due for a named taxable year from such nonresident under the provisions of this division. Such bond shall be made payable to the state of Iowa, and shall be for a term expiring four years after the termination of the taxable year for which it is given. In any action on said bond a certificate signed by the chairman

of the board certifying that a certain amount of taxes, interest, and/or penalties are due and owing by the principal for the taxable year fixed in the bond shall be prima facie evidence that such amount is due, and the burden of proof shall be upon the principal and/or surety to prove that such amount is not due. The attorney general shall, upon direction of the board, bring and prosecute actions on said bond in the name of the state of Iowa. The venue for all such actions shall be in Polk County, Iowa.

2. In lieu of such bond, the nonresident may deposit with the board securities approved by the board, in the amount hereinafter provided, under a deposit agreement in such form as the board may prescribe, which agreement shall make such securities collateral security for the payment of any tax, interest and/or penalties which may become due from such nonresident under the provisions of this division and shall authorize the sale of such securities by the board at public or private sale without notice to the depositor thereof, if it becomes necessary to do so in order to recover any tax and/or penalties due.

3. The amount of such bond or the value of such securities shall not be less than the total amount which would be required by subsection one of Section 6943-f15a to be withheld from the income for which certificates are sought pursuant to subsection three hereof.

4. Any nonresident who has so filed with the board such bond or securities may, upon making application in such form and containing such information as the board shall prescribe, obtain a certificate from the board directed to a named withholding agent authorizing such withholding agent during a specified period to pay to such nonresident without withholding any percentage thereof, any sums which may be due such nonresident not in excess of the amount fixed in such certificate. The board shall not issue any such certificate unless the amount of the bond and/or the value of the securities deposited with the board is not less than the total amount which would be required by subsection one of Section 6943-f15a to be withheld from the aggregate income fixed in such certificate and all certificates theretofore issued.

6943-f15c. Credit for tax payable in state of residence. Whenever a nonresident taxable under the provisions of this division has become liable to pay an income tax to the state where he resides upon his net income for the taxable year derived from sources within this state and subject to taxation under this division, the board shall credit the amount of income tax payable by him under this division with such proportion of the tax so payable by him to the state wherein he resides (before deducting any credit therefrom for the income tax payable to this state) as his income subject to taxation under this division bears to his entire income upon which the tax so payable to such other state was imposed; provided that such credit shall be allowed only if the laws of said state (1) grant a substantially similar credit to resident of this state subject to income tax under such laws or (2) impose a tax upon the personal incomes of its residents derived from sources in this state and exempt from taxation the personal incomes of residents of this state. No credit shall be allowed against the amount of the tax on any income taxable

under this division which is exempt from taxation under the laws of such other state.

Sec. 6. Section sixty-nine hundred forty-three-f fifteen (6943-f15), Code, 1935, is hereby amended by striking from lines fourteen and fifteen thereof the words "resident of this state" and by inserting in lieu thereof the following: "individual, whether a resident of this state or not,".

Sec. 7. Section sixty-nine hundred forty-three-f twenty-five (6943-f25), Code, 1935, is hereby amended by inserting after the comma following the word "located" in line four of subdivision one thereof the following "or in the case of a nonresident not maintaining a place of business in this state either in any county in which the income involved was earned or derived or in Polk County,".

Sec. 8. The tax herein imposed upon certain income of nonresidents shall apply to all such income actually received by such nonresident on or after January 1, 1937, regardless of when such income was earned. If the nonresident is reporting on the accrual basis it shall apply to all such income which first became available to the nonresident so that he might demand payment thereof on or after January 1, 1937, regardless of when such income was earned. The duty to withhold herein imposed upon withholding agents shall apply only to amounts paid after June 30, 1937, but all amounts paid between January 1, 1937, and the expiration of thirty days from the effective date of this act shall be included in calculating the fifteen hundred (1500) dollars or seventy-five hundred (7500) dollars, as the case may be, which must be paid before the duty to withhold arises.

Sec. 9. If any section, subsection, clause, sentence, or phrase of this act or the application thereof to any person or set of circumstances is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portions of this act, or its application to any other person or set of circumstances. The legislature hereby declares that the provisions of this act are severable, and that it would have passed this act and each section, subsection, clause, sentence, or phrase hereof, irrespective of whether any one or more of the sections, subsections, clauses, sentences, or phrases be declared unconstitutional, and irrespective of whether it be declared unconstitutional or invalid as applied to any person or set of circumstances.

Sec. 10. Section sixty-nine hundred forty-three-f-sixty-three, (6943-f63), Code, 1935, as amended, is hereby amended by striking the period at the end of sub-section one and inserting in lieu thereof a semicolon and by adding after said semicolon the following: "and in addition thereto, after June 30, 1937, thirty thousand (30,000) dollars shall be transferred to the general fund for each fiscal year, provided that after June 30, 1938, said thirty thousand (30,000) dollars shall be so transferred only from funds derived from the income tax imposed upon nonresident individuals."

Sec. 11. Section sixty-nine hundred forty-three-f-sixty-five, (6943-f65), Code, 1935, as amended, is hereby amended by inserting before the semicolon in line nine thereof the following: ", and in addition thereto

thirty thousand (30,000) dollars for the year commencing July 1, 1937, and thirty thousand (30,000) dollars annually thereafter, provided that for the years commencing after June 30, 1938, only such part of said thirty thousand (30,000) dollars is appropriated as is transferred to the general fund in addition to three per cent (3%) as provided by Section sixty-nine hundred forty-three-f-sixty-three (6943-f63), as amended".

Sec. 12. This act, being deemed of immediate importance, shall be in full force and effect from and after its passage and publication in the Allerton News, a newspaper published at Allerton, Iowa, and in the Marcus News, a newspaper published at Marcus, Iowa.

Alesch of Plymouth, on behalf of the members of the House, presented Speaker Foster with a watch as a token of the high esteem in which he is held by the members of this House, prefacing the presentation with the following remarks:

I have been honored by the members of the House this morning to make a presentation of a gift to our Speaker. This is a great personal pleasure because the Speaker of the House has become a very dear and respected friend.

The Speaker of the House of this session was put in a very difficult position and I am convinced that all the members of the House realize today that he has served in this important position with honor to him-

self. We know he has been governed by his mind and has to the best of his ability, fairly and impartially presided over the deliberations of the House.

As a token of the appreciation of the members of the House, with a full heart of gratitude, I present this watch to him and may it ever correct the tick of the passing time and be a reminder to the Speaker of the present relationships which have existed during this session between the Speaker and the members of the House.

REMARKS OF APPRECIATION BY SPEAKER FOSTER

The gentleman from Plymouth and members of the House:

This places me in another difficult position. I can see no reason why you should have chosen to heap this additional burden upon me. However, I most certainly do appreciate this gift and will keep it as an ever reminding thought of what has happened here, of the fine relationships which I have learned to enjoy with each and every one of you.

It has been a distinct pleasure to preside over this session and I sincerely trust that all of our labors and deliberations will be of value to our commonwealth.

I have at all times endeavored without fear or favor to be impartial and fair. Mistakes which I have made have been made with clear conscience that I was doing the best I knew how.

Again permit me to express my deepest appreciation and to you I extend my best wishes and personal regards.

EXPLANATIONS OF VOTE

MR. SPEAKER: We wish to have recorded in the Journal the following explanation of our votes on House File 504.

In voting for House File 504, we wish to make it clear that our votes do not indicate any sympathy for alcoholic liquors, or any system of distribution and sale. We are unalterably opposed to the legalization of alcoholic liquor and its sale and consumption. We voted for the bill because it contained a group of proposals to place more strict regulations upon the beer business. We cannot logically refrain from voting for a measure which holds promise of improving an established governmental set-up which now exists.

H. E. MORROW.
J. R. GARDNER.
E. L. STEWART.
HARLAN C. FOSTER.

MR. SPEAKER: I wish to have recorded in the Journal the following explanation of my vote on House File 504.

In voting for House File 504 I wish to make it clear that my vote was cast under protest. Commanded to vote I chose of the two evils the lesser one in my opinion and voted for House File 504. It does not indicate that I am in favor of liquor in any form or administered in any way. Realizing it is a step in favor of better legislation in House File 504, for the controlling of the beer evil is my reason for voting for same. I strictly opposed liquor being sold where dancing is permitted.

C. E. LOOKINGBILL.

MR. SPEAKER: I voted against House File 504, the so-called "beer bill", because it fails to correct the two greatest evils of the beer problem; namely,

1. The sale of beer and food in the same room.
2. The sale of beer in dance halls or so-called clubs.

EXPLANATIONS OF VOTE

MR. SPEAKER: If I read history correctly liquor by the drink—the open saloon—was one of the steps leading toward prohibition. Far be it from me to stand in the way of the march back to eradication of the whole alcoholic beverage business. It has no place in society today and any impetus my vote can give to the achievement of prohibition I believe is worth while. JOHN KNUDSON.

MR. SPEAKER: I wish to have recorded in the Journal the following explanation of my vote on House File 100.

After making a thorough study and investigation of the liquor situation under the present set-up, I felt there were some improvements over the present liquor system embedded in House File 100, but after an amendment was introduced taking local option away from the cities with a population of less than 12,500 it off-set the good merits of the rest of the bill. Therefore I could see no great advantage over the system which we have at present. Taking this into consideration I voted no, against House File 100. C. E. LOOKINGBILL.

AN INVITATION

To the Governor, the Lieutenant Governor, the elected State officials, the members of the Senate and the House of Representatives of the State of Iowa:

It was for a number of years the custom for the State officials and the members of the General Assembly to have a get-together picnic in the early summer following the session of the General Assembly.

A number of these picnics were held at Storm Lake and were well attended and highly enjoyed by those who participated.

It has come to our attention that many State officials and members of the General Assembly desire to hold such a gathering here this year. Therefore, the Storm Lake Chamber of Commerce hereby extends to the Governor, the Lieutenant Governor, elected State officials, the members of the Board of Conservation, Senators and Representatives and their wives, an invitation to attend a legislative convention and picnic to be held at Storm Lake, Iowa, June 14. There will be a full day's program of entertainment, including golf, a ball game, and other outdoor sports.

Yours sincerely

MOTION BY KEEFE OF WEBSTER CALLED UP

Bruene of Tama called up the motion by Keefe of Webster found on page 1574 of the Journal, that the rules be suspended and House File 529 be considered at this time.

Goode of Davis raised the point of order that this motion could not be considered at this time for the reason that the Speaker had previously ruled a motion designed to bring the same result out of order.

The Speaker held the point of order not well taken.

Goode of Davis offered as a substitute motion that the House consider only committee reports and details in connection with the completion of the session.

Moore of Harrison moved to amend the substitute so as to include the consideration of House File 529.

Hickenlooper of Linn raised the point of order that the amendment by Moore of Harrison was out of order for the reason that the same result would be accomplished by defeating the substitute motion and adopting the original motion.

The Speaker held the point of order well taken.

Blue of Wright moved that the House do now adjourn.

Gallagher of Iowa raised the point of order that the motion by Blue of Wright was out of order for the reason that the time of final adjournment had already been fixed by concurrent resolution, duly adopted.

HONORABLE JOHN M. BIXLER

MR. SPEAKER: Your committee, appointed to prepare resolutions commemorative of the life, character and public services of the late Honorable John M. Bixler, of Adams, county, Iowa, beg leave to submit the following report:

John M. Bixler was born on a farm near Brooks, Adams county, Iowa, December 23, 1867. He grew up at the farm home, attended public country school, and began teaching in country schools when quite young. He attended Western Normal School at Shenandoah, and was graduated from Highland Park College, Des Moines, in 1891. That fall he was elected county superintendent of schools of Adams county, was re-elected and served four years. He then removed to the farm which continued to be his home until the time of his death, which occurred on May 26, 1936.

Mr. Bixler was united in marriage on March 13, 1892, to Miss Fannie L. Day, who with six children, Fern, Marjorie, Mary, Carl, Neal and Blanche, mourn the death of their beloved husband and father.

In politics, Mr. Bixler was a republican and served as journal clerk of the House of Representatives of the Twenty-sixth and Twenty-sixth Extra General Assemblies, and as representative from Adams county in the Forty-first, Forty-second, Forty-second Extra, and Forty-third General Assemblies. He was a member of the Masonic lodge and of a community church. He was at all times a perfect gentleman, genial, kind-hearted, and devoted to his family and friends.

Therefore, Be It Resolved, That in the passing of the Honorable John M. Bixler, the state has lost a valuable and honored citizen, and the House would tender by this resolution its sincere sympathy to the surviving members of his family in their sorrow, and

Be It Further Resolved, That a cpoy of this resolution be spread upon the House Journal, and that the Chief Clerk be instructed to send an enrolled copy to the family of the deceased.

HONORABLE GEORGE W. CLARKE

MR. SPEAKER: Your committee, appointed to prepare suitable resolutions commemorating the life, character and public service of the late Honorable George W. Clarke, of Dallas county, Iowa, beg leave to submit the following report:

Digitized by Google

George W. Clarke was born on a farm in Shelby county, Indiana, October 24, 1852, and died in Adel, Iowa, November 28, 1936. Burial was in Oakdale Cementery, Adel. His parents, John and Eliza J. Clarke, removed in October, 1856, to a farm a mile and a half southeast of Drakeville, Davis county, Iowa. There George grew to manhood, helped on the farm, and attended local public school. He taught school for about a year, first in the country, then in Drakeville, and in Bloomfield. In 1874 he entered Oskaloosa College and was graduated in 1877. He read law for a brief time in the offices of Lafferty and Johnson at Oskalcosa, then entered the law school of the State University of Iowa, from which he was graduated in 1878.

On June 25, 1878, Mr. Clarke was united in marriage with Miss Arletta Greene, who survives him. To this union were born four children; Charles F. Clarke, Fred G. Clarke, Mrs. Nile Kinnick, and Portia, who preceded him in death.

In 1878 Mr. Clarke established himself in the practice of law at Adel. He was soon elected Justice of the Peace and served four years. In 1882 he joined with John B. White of Adel in the firm of White and Clarke, which in the course of time came to be regarded as one of the leading law firms of that part of Iowa. It existed for nearly half a century, and when Mr. Clarke's other interests required his retirement he turned his work over to his son Charles F. Clarke.

In 1899 George W. Clarke was elected representative from Dallas county and served in the Twenty-eighth, Twenty-ninth, Thirtieth and Thirty-first General Assemblies. He was elected Speaker of the Thirtieth and Thirty-first General Assemblies.

In 1908 he was a candidate for the Republican nomination for Lieutenant Governor and was nominated in the first primary election in the history of the state, and was elected in the general election in the fall. For re-election as Lieutenant-Governor in 1910 he had no opposition for the nomination, and in the general election was again successful.

Mr. Clarke became a candidate for Governor in 1912, winning his party nomination over Perry G. Holden and Aaron V. Proudfoot and was elected at the polls in the general election. For re-election as Governor in 1914 he won the nomination over C. G. Lee and John W. Rowley, and in the general election, his plurality was 25,845. On retiring from the governorship in January, 1917, he served one year as Dean of Drake University College of Law and soon thereafter returned to Adel and resumed the practice of law for a few years. He engaged in no further actitivies in politics except that in 1926 he was chairman of a committee managing A. B. Cummins' campaign for re-election to the United States Senate.

As a member of the House of Representatives, Mr. Clarke at once took high rank as a man of judgment and knowledge. Both as Speaker of the House and as President of the Senate while Lieutenant Governor, he won encomiums for his fairness and skill as presiding officer. In the office of Governor he exhibited qualities of statesmanship and courage. The reorganization of rural schools, the development of permanent roads, workmen's compensation, and capitol grounds extension were outstanding

subjects and achievements during his administration. He constantly conferred with officials he believed were aware of conditions intended to be corrected, and those to be accounted for in the phases of finance, legislation, litigation and construction. He carried his own conviction into the minds of those he consulted and so created his most conspicuous contribution to his state in his time. He was a man of strong convictions, high ideals, a lover of nature and of the beautiful, and a lover of his fellow man—a clean conscientious Christian gentleman.

Therefore, Be It Resolved by the House of Representatives of the Forty-seventh General Assembly, That in the passing of the Honorable George W. Clarke, the state has lost a valuable and honored citizen, and the House would tender by this resolution its sincere sympathy to the surviving members of his family in their sorrow, and

Be It Further Resolved, That a copy of this resolution be spread upon the Journal of the House, and that the Chief Clerk be instructed to send an enrolled copy to the family of the deceased.

Unanimously adopted, April 19, 1937.

HONORABLE JOHN CUNNINGHAM

MR. SPEAKER: Your committee, appointed to prepare resolutions commemorative of the life, character and public services of the late Honorable John Cunningham, of Humboldt county, Iowa, beg leave to submit the following report:

John Cunningham was born February 28, 1870, in Illinois. He came to Humboldt county in 1881. His boyhood days were spent on the farm, and in his early life he was a rural school teacher. He was always active in public affairs and held nearly every office of public trust that could be bestowed upon him by the citizens of his county, having held the office of township trustee, assessor and a member of the board of education, while living upon the farm. He was elected county auditor of Humboldt county and served in this capacity from January 1900 until January 1, 1909. While in the auditor's office he studied law and was admitted to the bar in June, 1907. He was elected county attorney in the fall of 1908 and served in this capacity for several terms. During the time that he was practicing law in Humboldt, from January 1909 to the date of his death on July 10, 1935, he served as a member of the city council of the city of Humboldt, as mayor, as a member of the board of education and as president of the board of education. He was a member of the Forty-sixth General Assembly from Humboldt county. He discharged the duties of his various offices with fidelity and ability.

No citizen of his community was held in higher esteem. He was beloved by his friends and neighbors, and reared a family of eight children for whom he willingly and gladly made every sacrifice.

In his passing the community in which he lived suffered a distinct loss and his place as a citizen and a public officer is difficult to fill. As county attorney he was a courageous prosecutor and was notably just and fair. To the mind of the writer, the salvation of this nation is dependent upon citizens of the type and character of John Cunningham.

Therefore, Be It Resolved by the House of Representatives of the Forty-seventh General Assembly of the State of Iowa, That in the passing of the Honorable John Cunningham, the state has lost a valuable and honored citizen, and the House would tender by this resolution, its sincere sympathy to the surviving members of his family in their sorrow, and

Be It Further Resolved, That a copy of these resolutions be spread upon the Journal of the House, and that the Chief Clerk be directed to forward an enrolled copy to the family of the deceased.

HONORABLE JOHN HAMMILL

MR. SPEAKER: Your committee appointed to prepare suitable resolutions commemorating the life and service of Hon. John Hammill, late of Hancock county, beg leave to submit the following:

Digitized by Google

John Hammill was born at Linden, Wisconsin, October 14, 1875, and passed away on April 6, 1936, at Minneapolis, Minn. His parents, John and Mary Hammill, with their family moved to Britt, Iowa, in 1889. Little did the parents dream, as they traveled over the fertile prairies of Iowa, that their son John, then only fourteen year of age, would some day be one of Iowa's most beloved Governors.

John Hammill was graduated from Britt High School in 1895, and it is interesting to know that John spoke on "Good Citizenship" at commencement. He followed out the idea of good citizenship throughout his entire life. Mr. Hammill entered the State University of Iowa, and was graduated from the college of law in 1897. He immediately returned to Britt and set up a law practice. He married Miss Fannie Richards of Garner, on June 7, 1899. They established a home at Britt, and except for the time he served in office at Des Moines, he maintained a law office at Britt.

Mr. Hammill was a thirty-second degree Mason, belonging to the consistory at Des Moines, and because of his knowledge of affairs held various offices in this lodge, including that of Most Worthy Grand Patron for three years. He was Past Patron of the O. E. S., and Past Worthy Grand Patron of Iowa.

John Hammill always took a keen interest in public affairs. He served as County Attorney of Hancock County from 1902 to 1904, then as State Senator from the forty-third district. In 1920 he was elected Lieutenant Governor of Iowa and reelected in 1922, thus serving four years with the late Nate Kendall. He was elected Governor of Iowa in 1924 and reelected twice in 1926 and 1928, being one of two Governors of Iowa to serve three terms. His administration was outstanding in Iowa history. He was known as the good roads Governor and fought the farmers' battles for agriculture.

John Hammill was endowed with a genial personality and his loyalty to friends knew no bounds. His business integrity was above reproach. In politics, his opinion weighed heavy in the policies of his party. His demise is mourned deeply by a host of friends and compatriots throughout the State.

Therefore, Be It Resolved by the House of Representatives of the Forty-seventh General Assembly, That the State has lost a valued and beloved citizen, and the House of Representatives would tender, by this Resolution, its sincere and heartfelt sympathy to his beloved wife in her sorrow,

Be It Further Resolved, That a copy of this Resolution be spread upon the Journal of the House and that the Chief Clerk be instructed to send an enrolled copy to the wife of the deceased.

HONORABLE NATHAN E. KENDALL

MR. SPEAKER: Your committee appointed to prepare a resolution commemorating the life, character and public services of the late Honorable Nathan E. Kendall of Monroe county, Iowa, beg leave to submit the following:

Nathan E. Kendall was born in Greenville, Lucas county, Iowa, March 17, 1868. As a boy he worked on his father's farm near Greenville, and attended rural school. Possessed of a keen and receptive mind, as a youth, he read and reread eagerly such books as he could obtain. His environment as a boy was that of the pioneers who immediately after the Civil War peopled the prairies and forests of southern Iowa. They were a strong and resourceful people among whom leaders in the law and politics attained special prominence.

To this youth, fired with ambition and blessed with a pleasing personality, it was thus natural that he turned to the profession of the law. He had the good sense to see that his career would be advanced by learning shorthand, in which he early became proficient. He entered the law office of T. B. Perry, then a leading attorney at Albia. There he studied and in 1887, was admitted to the bar. He began in Albia, and, aside from his absences while holding public office, continued the practice there until his removal to Des Moines. At his home city, his fine presence, genial personality and evident ability made him popular everywhere. Everyone soon called him "Nate" with democratic familiarity. He served one term as City Attorney, was elected County Attorney in 1893, and served thus until 1897.

In 1896, he was married to Miss Belle Wooden, of Centerville, Iowa. Mrs. Kendall died in Naples, Italy, March 18, 1926, from a stroke of apoplexy, while on a tour of Europe with her husband. She was a woman of rare beauty and charm. In her memory, Mr. Kendall gave to the Little Theatre Group of Des Moines, what is known as the Belle Kendall Community Playhouse on 35th Street. He was a man of generous impulses and made various gifts, notably his present later of his private library of over 7,000 volumes to the City of Albia, together with the funds for the enlargement of the library to twice its previous capacity.

In 1899, Mr. Kendall was first elected to the Iowa House of Representatives, and was returned again and again. He served in the Twenty-eighth, Twenty-ninth, Thirtieth, Thirty-first, and Thirty-second General Assemblies, and the Thirty-second Extra Session. He was elected Speaker at the Thirty-second Session. In 1908, he was elected to the Congress of the United States, where he promptly took rank as an orator and debater. He was re-elected in 1910. He was renominated for a third term, but withdrew following a heart attack. He was not again an aspirant for office until his nomination for Governor of the state in 1920, and was re-elected in 1922. As Governor, he was a popular and able executive. He retired at the end of his second term with a record that met the hearty approval of the citizenship of the state. In the meantime, he had taken up his residence in Des Moines, having purchased what had been the home of the late Senator Albert B. Cummins.

On June 28, 1928, he was married to the widow of William F. Bonnell, of Cleveland, Ohio. Mrs. Bonnell was the former Miss Mabel Fry. The wedding was solemnized at the home of Mrs. Bonnell's parents at Point Chautauqua, New York.

Mr. Kendall retired from active participation in politics at the completion of his second term as Governor. He died at his home in Des Moines November 4, 1936.

Nate Kendall was one of the most brillant orators in the history of the state. He had a remarkable command of English. His addresses were rich in historic references, his voice especially pleasing, and his presence as a speaker magnetic. His ability to respond brilliantly to an unexpected demand for an address has been a matter of frequent comment.

Nate Kendall's career was the fruit of a keen mind, a gift for oratory, ceaseless reading and study of history, and worthy ambition. Up from the soil to be twice elected Governor of his native state was no freak of political manipulation in his case, but the natural result of his fine equipment and seizure of the opportunity that in one form or another has marked the lives of distinguished American leaders. His life is a challenge to the young manhood of the state—an illustration of the preeminence that is possible to youth in America who have the brains, the ambition, the character, the ability to work, out of which success in a democracy is born.

Be It Resolved by the House of Representatives of the Forty-Seventh General Assembly of the State of Iowa, That in the passing of Honorable Nathan E. Kendall the state has lost an outstanding citizen, a brilliant orator, and one who served the state with fidelity and marked distinction; that we would here express our great grief and sense of loss at his passing, and extend to the members of his family our profound sympathy.

HONORABLE JOHN P. KENNEDY

MR. SPEAKER: Your committee appointed to prepare suitable resolutions commemorating the life and service of the Honorable John P. Kennedy, late of Lee county, Iowa, beg leave to submit the following memorial:

John P. Kennedy was born on September 8th, 1860 in Keokuk, Iowa, and died at Graham Hospital, Keokuk, Iowa on the 11th day of November, 1936. He had lived in Lee county all his life. He was born of Irish parentage. By reason of the death of his father when he was still a boy he was early confronted with the responsibility of supporting his mother and his brothers, he being the oldest of the children. His care of others made it impossible to procure for himself the college education that he longed for, although he assisted the other children in obtaining more than he had. Still his craving for knowledge stimulated in him fondness for reading in a wide and varied field and he early became one of the best informed men of his locality.

He studied law entering the Law Department of the State University of Iowa and from which he graduated in 1892. He never became active in the practice of law, although unusually well fitted for it, as he preferred to devote his time to educational work and to the care of a nursery business which had been acquired by him and his next younger brother C. A. Kennedy, the latter at one time a member of the Iowa Legislature and later for 14 years Congressman from the First District of Iowa.

John P. Kennedy early became interested in education and in politics

and held important positions. He was for many years principal of the Montrose High school. He was Mayor of Montrose and later for years its postmaster.

He took great interest in all public questions and for long was an important factor in politics of his part of the State as well as in the politics of the First District, and was in all conferences among leaders in Republican Party conferences. He was generous and unselfish in helping others. Throughout his life he often gave up things that he had planned for himself that others might not be disappointed, or might have what he thought they needed. He had great goodness of heart. He loved children and was tender with old persons, and enjoyed the doing of kindly acts.

Innocent humor had a strong place in his makeup and his vast store of Irish anecdotes and jokes, mixed with a worldly wisdom, which he told in an inimitable way, made companionship with him delightful.

However, his nature was also of a serious turn and to the vital problems of the day he gave much time and serious study. The hard problems of his neighbors were brought to him often and received his careful thought and assistance from the sheer goodness of his heart and without thought of reward. In his family life he was a model of kindliness and he devoted himself with unswerving affection to those he loved.

Late in life he stood as a candidate for Representative from Lee County in the Forty-second General Assembly, was elected and served with honor.

On June 14th, 1894 he was united in marriage with Margaret Ballon who survived him as did also three daughters, Katharyn Kennedy, Mrs. Margaret King and Mrs. George Benner, and much of his life and constant effort was in the care of his family and the education of his daughters of whom he was very proud.

His death left a gap in his community that is not likely to be soon filled. His great good nature and uniform friendliness to people brings to a wide circle in Iowa a sense of personal loss.

Therefore, Be It Resolved by the House of Representatives of the Forty-seventh General Assembly, That the state has lost a valued and beloved citizen, and the House of Representatives would tender, by this Resolution, the sincere and heartfelt sympathy to his beloved wife in her sorrow.

Be It Further Resolved, That a copy of these resolutions be spread upon the Journal of the House, and that the Chief Clerk be directed to forward an enrolled copy to the family of the deceased.

Mr. Mowery attended local schools and then entered Exline college at Fairfield, Iowa. He taught school for a number of years, then resumed farming on the home place where he spent his entire life except two and one-half years spent in Fairfield, Iowa, and Des Moines, Iowa.

He was an active member of the Abingdon Masonic Lodge No. 104 for 62 years consecutively and was always alert in promoting the welfare of his community.

He never lacked the highest esteem in the community he bettered by having lived in it during his entire life. MR. SPEAKER: Your committee, appointed to prepare suitable resolutions commemorating the life, character and public service of the Honorable W. F. Oehmke, member of the Forty-sixth General Assembly of Iowa, begs leave to submit the following:

W. F. Oehmke was born in Champaign, Illinois on January 8, 1872. He died March 21, 1937. He was preceded in death by his wife.

Mr. Oehmke received his education in the public schools of Illinois. He came to Iowa in 1893, and he was married to Miss Anna Boll, of Pomeroy, Iowa, in December, 1897. Little Rock, Ia.; Fred Oehmke, in the naval service of his country and stationed at Coronado, Calif.; and William Oehmke, of Chicago.

Mr. Oehmke was a citizen whose first thought was for others. Unselfish in his devotion to family and friends, he counted his friends by the hundreds. He was a farmer until 1903, when he moved to Larchwood to give his children the benefits of the educational facilities of that town. In Larchwood he served as assessor; and was postmaster for two years. Mr. Oehmke served the public in many ways: namely, as a member of the county board of supervisors, as secretary of the Larchwood school district for many years, and as town councilman.

In 1934 he accepted the call of his party as a candidate for State Representative. He was elected and served in that capacity during the Forty-sixth regular and special sessions of the General Assembly. He rendered a full measure of service to his county and state in this position.

Mr. Oehmke was a member of the Evangelical church of North America, but had affiliated himself with the Community Church of Larchwood and was active in its affairs. He was a member of Larch lodge, A. F. & A. M. of Larchwood. Few were the calls of charity or fraternalism that passed unheeded by him.

Mr. Oehmke served his community and state well and Iowa has lost a most valuable citizen, therefore,

Be It Resolved by the House of Representatives of the Forty-seventh Assembly, That in the passing of the Honorable W. F. Oehmke the state has lost a valuable citizen, a man of character and generosity.

HONORABLE ROBERT M. PEET

MR. SPEAKER: Your committee appointed to prepare suitable resolutions commemorative of the life, character and public services of the late Honorable Robert Melvin Peet of Jones county, Iowa, beg leave to submit the following report:

Robert Melvin Peet was born in Fairview Township, Jones county, Iowa, the son of James M. and Anna Dallas Peet. Gideon Peet, his grandfather, entered five hundred sixty acres of land in Fairview Township at the land office in Dubuque in 1840. He lived only a few years after that and his sons assumed management of the place. Mrs. Gideon Peet died in 1847. Soon after James M. Peet purchased the interest of the seven brothers and one sister and became the sole owner of the farm. James M. Peet was the father of Robert M. Peet, better known as Mel, and Mel assumed control of the land in 1877 when James M. Peet retired and moved to Anamosa. Since 1877 Robert Peet added to the original acreage of the farm through sane investments and hard work until the place is listed at twelve hundred acres all in one farm in addition to large acreages in other localities. It is one of the largest farms in this part of the state and one of the finest—a beautiful monument to a man whose greatest joy in the success he attained was in the happiness it enabled him to bring to his family and friends.

On Thanksgiving day of 1878, Robert Peet was married to Miss Carrie Belle Carbee, daughter of William and Harriet Smith Carbee, and they

have lived on the home place ever since. In 1888, Mr. Peet built the fine brick house across the road from the old farmstead.

Therefore, Be It Resolved, That in the passing of the Honorable Robert Melvin Peet, Jones county and the state of Iowa have lost a valuable and honored citizen and that this General Assembly bear unanimous witness of his upright life and his honorable service to his state. He was a man honored and trusted, of sterling quality and irreproachable character.

until August 15, 1861, when he enlisted in Company "L", 3rd Volunteer Cavalry. In January, 1864, he re-enlisted for three years as a Veteran, and on the eleventh of June of that year was wounded at the battle of Guntown. He returned home on furlough, but as soon as possible, rejoined the army although the wound in his leg was not yet healed. He was honorably discharged on the 26th of February, 1865, on account of wounds after serving for almost four years. He was with the army of the Tennessee, and participated in the campaigns in Tennessee and Mississippi. Twenty years after the close of the war it was necessary to have his left leg amputated about eight inches from the thigh joint, as a result of the wound received at Guntown.

Upon return home from the front, Mr. Sankey purchased a farm in Franklin Township in Decatur county, and turned his attentions to the operation of his farm. In 1867 he was elected sheriff of Decatur county, and two years later was re-elected to that office, having proved able and fearless in the discharge of his duties. At the expiration of his second term he again resumed his farming operations until January 1, 1878, when he returned to Leon to take up his duties as County Treasurer. Since that time he resided in Leon, and contributed much to the development of that city. From 1885 until 1889 he was clerk of the district and circuit courts. In 1903 he was chosen to represent his district in the lower house of the State Legislature, and served throughout the Thirtieth and Thirty-first General Assemblies. In 1908 he was again elected as State Representative.

Mr. Sankey was married on the 6th of May 1866 to Miss Mary M. Gillham, who passed away in 1907, leaving eight children, of whom four are now living: namely, Kate, wife of T. J. Smith, of Lamoni, Iowa; Lois, who married James A. Lea, of Pocatello, Idaho; Cleora, a trained nurse now living in California; and Carlisle, a resident of Davis City, Iowa, who is married.

Honorable E. J. Sankey played a very important part in local and state affairs. He was a member of one of the pioneer families of this state, and his interest in the welfare of Iowa and her citizens continued throughout his long useful life. He gave the credit for whatever success in life he achieved to his mother whose energy, ability, and unswerving integrity were an inspiration to him to perform every duty to the best of his ability. He always held the confidence of his fellow citizens who repeatedly elected him to offices of trust and responsibility, and he at all times proved worthy of the honor. There were few, if any, better known men in Decatur county, and none were held in greater respect and esteem than he.

Therefore Be It Resolved by the House of Representatives of the Forty-seventh General Assembly of the state of Iowa, That in the passing of the Honorable E. J. Sankey, the state has lost a valued and honored citizen, and the House of Representatives of Iowa, by this resolution, tenders its sympathy to the surviving family.

Be It Further Resolved, That a copy of these resolutions be spread

A few years later he became fireman, then engineer, later retiring to engage in the real estate business in Creston. He also became interested in banking, being a stockholder and director in several banks in his community.

HONORABLE CLINTON D. SMITH

MR. SPEAKER: Your committee appointed to prepare a resolution commemorating the life, character and public services of the Honorable Clinton D. Smith, a former member of the General Assembly of Iowa, begs leave to submit the following:

Clinton D. Smith, for seventy-two years a resident of Lucas county, Iowa, passed away at the Methodist hospital in Des Moines on September 10, 1936, at the age of seventy-nine years.

Clinton DeWitt Smith, son of Jacob and Emmaline Vogel Smith, was born in Muskingum county, Ohio, on August 5, 1857. In 1862 he came with his parents in a covered wagon to Blakesburg, Wapello county, Iowa, where they lived two years, and in 1864 came to Washington township, Lucas County, Iowa, where he obtained his common school education, having attended the Hawkeye District during its first term. Later he served for forty-five continuous years to the time of his death, as treasurer of this same school.

When he grew to manhood, he, in partnership with his brother, Eugene, operated a farm five miles south of Russell, for a number of years. Afterward he moved to the farm home east of Russell, where he resided until his death.

Mr. Smith was a member of the Methodist Episcopal church at Russell, and served on the official board for a number of years. He was always conscientious when given a task to do.

Mr. Smith took a keen interest in public and civic affairs and was liberal in his views. In 1922 he was elected to represent Lucas county in the Fortieth and Fortieth Extra General Assemblies and was long a leader in southern Iowa democratic circles. He was a pioneer advocate of good roads. As a legislator he was influential in the organization of the farm bloc.

For twenty-eight years he was interested in the banking business, having been a stockholder and officer in the Russell State Bank since its beginning, and serving as president at the time of his death.

Therefore Be It Resolved by the House of Representatives of the Forty-seventh General Assembly of the state of Iowa, in Regular Session, That the foregoing memorial be adopted as its appreciation of the life and character and public service of the Honorable Clinton D. Smith.

Be It Further Resolved, That a copy of this resolution be spread upon the Journal of the House and that the Chief Clerk be instructed to send an enrolled copy to the family of the deceased.

HONORABLE ARTHUR SPRINGER

MR. SPEAKER: Your committee appointed to prepare resolutions commemorative of the life, character and public services of the late Honorable Arthur Springer, of Louisa county, Iowa, beg leave to submit the following report:

Arthur Springer, the son of Judge Francis Springer and Nancy Colman Springer, was born near Columbus Junction, Louisa county, Iowa, on September 30, 1855, and passed away at his home in Wapello, Iowa, on December 9, 1936. The son of a distinguished pioneer family, he was the last to go, having been preceded in death by a brother, Charles, a brother, Frank, and a sister Nellie S. Letts, widow of Hilton Letts. A third brother, Warren C. Springer met death as a youth.

He received his early education in the schools of Columbus City township and later attended the law school at the State University of Iowa, where he graduated in the class of 1877.

After leaving the law school, Mr. Springer came back to Louisa county where he lived at Columbus Junction and entered the practice of law. His father being one of the important men of the state, Mr. Springer was early introduced into the activities and politics of the community. Being of a brilliant and retentive mind, he has been able to pass down to other generations much interesting lore, not only of the actual happenings of the early history of the county, but also anecdotes and commentaries upon the lives and characters of the sturdy pioneer people who were still here and active during his young manhood.

Shortly afterwards, he established himself at Fort Worth, Texas, which was then a frontier place, and remained there in his profession until the year 1899, when he returned to Wapello and continued actively to practice law until the time of his death.

Upon his return he was associated with Mr. H. W. Baker, now deceased, until Mr. Baker's election to the office of County Auditor, after which time Mr. Springer practiced law by himself.

During his long and active career, many positions of honor and trust came to Mr. Springer. He represented his county in the State Legislature as a member of the House of Representatives of the Thirty-eighth and Thirty-ninth General Assemblies; he served as Mayor of the city of Wapello and for more than twenty-five years was a member of the school board and was many times its president.

He has left behind him, in addition to his splendid influence, two imperishable monuments of his life. One of these is in the form of a written history of his native county, in which, by painstaking research, he preserved and handed down facts and records previous to this generation which, but for his efforts, would have been lost. But greater in his honor there stands as a part of the permanent body of the laws of this state pertaining to the subject of education and the public schools, the finest effort of his mind. Arthur Springer, distinguished son of his distinguished father, Francis Springer, who presided at the Constitutional Convention of the state of Iowa, also left his imperishable contribution to the structure of his commonwealth in the form of wise and liberal school laws. The betterment of education was more than a hobby with

him, it was a passion—and his legislative career was crowned by his being recognized as one of the outstanding authorities upon, and benefactors of this cause, in the state. Through its championship, he found his greatest contribution to humanity, for he knew that without better understanding, and therefore better education, there could not be for succeeding generations better law, better government or better living.

The fullness of this lifetime of eighty years has been shared with us and it has left us with a feeling of gratitude therefor; in his departure we know an irreplaceable loss.

Therefore, Be It Resolved by the House of Representatives of the Forty-seventh General Assembly, That in the passing of the Honorable Arthur Springer, the state of Iowa has lost a valued and honored citizen, a man of great character and worth, and the House of Representatives of Iowa, by this resolution, tenders its sympathy to the family of the deceased.

Be It Further Resolved, That a copy of this resolution be spread upon the Journal of the House, and that the Chief Clerk be directed to forward an enrolled copy to the family of the deceased.

E. L. STEWART,
Committee.

HONORABLE JOHN SPRINGER

MR. SPEAKER: Your committee appointed to prepare a resolution commemorating the life, character and public services of the late Honorable John Springer of Johnson county, Iowa, beg leave to submit the following:

John Springer was born on November 27, 1850, in Mercersburg, Pennsylvania. He died on March 22, 1937, at Iowa City, Iowa, at the age of eighty-six years.

At an early age Mr. Springer came to Iowa City, Iowa, where he remained until his death. It was here that he established a reputation as a master printer. He made Iowa newspaper history and the history of printing his hobby. He was co-owner of the Iowa State Press of Iowa City for twelve years. Later he was associated with the Economy Advertising Company. Mr. Springer assembled a large collection of volumes illustrative of fine printing and the history of printing. This collection he presented to the State University Library before his death. In 1891 Mr. Springer was elected State Representative and served as a member of the Twenty-fourth General Assembly.

As a public servant, Mr. Springer was actuated only by a sense of duty to the trust that was committed to him. He served his community and his state, and served them well. Iowa has lost a valuable citizen.

Therefore, Be It Resolved by the House of Representatives of the Forty-seventh General Assembly, That the state has lost a valued and

beloved citizen, and the House of Representatives would tender, by this resolution, the sincere and heartfelt sympathy to his beloved family in their sorrow.

Be It Further Resolved, That a copy of this resolution be spread upon the Journal of the House, and that the Chief Clerk be directed to forward an enrolled copy to the family of the deceased.

He moved to Keokuk with his parents in 1856, where he resided a short time, later moving to St. Louis, Missouri, then to McGregor, Iowa in 1861, where he resided until the time of his death, July 17, 1936.

During his early manhood he clerked in wholesale and retail dry goods stores, later purchasing one of the clothing stores in which he was employed. He continued in this business until his retirement in 1895.

He was united in marriage on November 23, 1879, to Miss Anna Korte, who preceded him in death. Two children, Raymond Sullivan, an attorney at New Hampton, Iowa, and Marie Sullivan McDevitt of McGregor, Iowa, mourn the death of their beloved father.

Mr. Sullivan served as a representative from Clayton county in the Twenty-sixth General Assembly. Later serving the city of McGregor as Mayor, member of the board of education, councilman, and justice of the peace.

He was a member of the Catholic church.

HONORABLE WILL C. WHITING

MR. SPEAKER: Your committee, apponted to prepare suitable resolutions commemorating the life, character and public service of the Honorable Will C. Whiting, a former member of the Twenty-ninth, Thirtieth, and Thirty-first General Assembly of Iowa, beg leave to submit the following:

Will C. Whiting was born in Whiting Monona county, Iowa, August 13, 1857, and was the first white child born in West Fork, Township.

He was the son of former Judge Charles E. Whiting, a native of New York, who became a state senator, then Democratic candidate for governor in 1885. His mother was a native of Alabama.

Will C. Whiting was a member of a family whose name long has been linked in the history of Iowa. The town of Whiting was named after the Whiting family.

The first store ever to do business in Whiting was opened in 1880 by E. M. Cassaday and Will C. Whiting, and in 1882 they organized what was known for many years as the Cassady & Whiting Lumber Company. Mr. Cassady operated the store and Mr. Whiting devoted his time to operating the lumber yard. Although this partnership was strongly different in politics, Mr. Cassady being a rock-ribbed Republican while Mr. Whiting held up the light of faith for the other party just as strong, being a life long Democrat, politics were never allowed to enter business with these two splendid pioneers and their associations were always almost like two lovable brothers.

October 4, 1883, he married Miss Mary Elliott at Onawa, Iowa. Two children blessed this union. Chas. E. who resides on the Whiting farm east of Whiting and a daughter, Mrs. Woodson Peisen, who died of influenza February 12, 1920. On April 30, 1927, after more than forty-three years of married life he lost his wife in death.

From 1901 to 1907 he served as State Representative and was later honored by being elected State Senator, which office he held with great honor from 1907-1911, at that time being the 34th District including Crawford, Harrison and Monona counties. When he became a member of the State Senate an honor was bestowed upon him by that body by giving to him the chair occupied by his father many years before.

He was one of the Commissioners of the Louisiana Exposition and had charge of the agricultural department for the state of Iowa.

The name of Will C. Whiting will live forever in Whiting where one may point to many things that, due to his money and efforts, were made possible. He was not only one of the five donors of the Whiting library, but many other things.

For many years he was one of the most widely known stock raisers of that vicinity, and was regarded one of the superiors of the cattle raisers because of the fine grade that was developed on his farms, and sent to the markets. For twenty-five years the Whiting cup which is now in Ames college was awarded the farmer who would produce the best ten ears of corn. This cup was known as the Whiting cup and was eagerly sought after by corn raisers. As his father before him, he was

Digitized by Google

a great lover of trees of which fact the many beautiful trees and tree lined avenues on the Whiting land bear mute evidence.

Many worthy and laudable things could be said about the kind and loving spirit of this splendid citizen and pioneer. He was a man true to his convictions and above all he was a real Christian.

The house where he was born still stands and is on the farm of Arthur C. Pike east of Whiting.

Tuesday, December 1, 1936 he suffered injuries when he fell in the barn at the country home resulting in three broken ribs, one of the ribs puncturing his lungs and causing infection which was the cause of his death Friday, December 4, 1936.

Funeral services were held on Monday, December 7, at two o'clock in the afternoon at the Whiting family home east of Whiting, with the Rev. Raymond Swisher, pastor of the First Congregational church at Whiting officiating. Interment was made in the Whiting cemetery.

His life span was seventy-nine years. The town of Whiting, Monona county and western Iowa has been made better because Will C. Whiting lived. His memory will go on down to the generations as a man who helped to build and build well this great country of ours. Surviving are his son, Elliott, with whom he made his home during his later years. Four sisters, Mrs. E. M. Cassady of Des Moines; Mrs. Ella M. Holmes, Mrs. Julia Pullen and Mrs. Woodson Cozine, all of Whiting, and many other relatives. A brother, Edwin M. Whiting, died last year.

Therefore, Be It Resolved by the House of Representatives of the Forty-seventh General Assembly of the State of Iowa in regular session, That in the death of Will C. Whiting the people of Monona county and the people of the entire state of Iowa have sustained a great loss. Everywhere he was known as a man honored and trusted, a man of sterling quality and irreproachable character.

Be It Further Resolved, That a copy of these resolution be spread upon the Journal of the House, and that the Chief Clerk be directed to forward an enrolled copy to the family of the deceased.

MATT B. RIDDLE,
DEAN W. PEISEN,
R. G. MOORE,

Committee.

Unanimously adopted, April 19, 1937.

HONORABLE LOUIS H. WIESE

MR. SPEAKER: Your committee, appointed to prepare resolutions commemorative of the life, character and public services of the late Honorable Louis H. Wiese, former member of the General Assembly of Iowa, beg leave to submit the following memorial:

Louis H. Wiese was born near Tipton in Cedar county, Iowa, December 9th, 1890. He received his education in the public schools in Cedar and Scott counties and also attended the Brown Business College. On November 7th, 1923, he married Jennie Leindrud in Minneapolis, Minnesota.

Mr. Wiese was a member of the Lutheran church, and also belonged to the Fraternal Order of Eagles, the Elks, and the Masons. He was also a member of the Northwest Turner Society and of the American Legion, having served in the army in the World War.

In the early part of his life, Mr. Wiese was engaged in mercantile business. He had lived in Davenport prior to his election to the State Legislature, which election occurred in 1932. He served in the Forty-fifth General Assembly and also the Extra Session, and was re-elected in November, 1934, and served in the session of the Legislature in 1935. He was active in legislation and rendered excellent service to his constituents in Scott county. He was an honest, conscientious man and a gentleman. He gained many friends in his contact with members of the Legislature while serving as a member.

He was especially active in assisting in clarifying laws governing drugs and pharmacists, being chairman of that committee during one of the sessions.

Therefore, Be It Resolved by the House of Representatives of the Forty-seventh General Assembly of the State of Iowa, That in the passing of the Honorable Louis H. Wiese, the state has lost an honored and valuable citizen, a man of high ideals in brotherly living and useful citizenship.

Be It Further Resolved, That a copy of these resolutions be spread upon the Journal of the House, and that the Chief Clerk be directed to forward an enrolled copy to the family of the deceased.
