

225.14 Finding and order.

Upon the filing of the report of a financial investigation made pursuant to an order issued under section 225.11, the judge of the district court as aforesaid shall review it and make a determination in the matter. If the judge finds that the respondent is an appropriate subject for referral to the state psychiatric hospital, and that the respondent and those legally responsible for the respondent are unable to pay the expenses thereof, the judge shall enter an order directing that the respondent shall be sent to the state psychiatric hospital at the state University of Iowa for observation, treatment, and hospital care as a committed public patient.
