142C.5 Requirements acceptable donees and purposes for which anatomical gifts may be made.

- 1. The following persons may be donees of anatomical gifts for the purposes stated:
- a. A hospital, physician, organ procurement organization, or bank or storage organization for transplantation, therapy, medical or dental education, research, or advancement of medical or dental science.
- b. An accredited medical or dental school, college, or university for education, research, or the advancement of medical or dental science.
- c. A designated individual for transplantation or therapy needed by the individual.
- 2. An anatomical gift may be made to a designated donee or without designating a donee. If a donee is not designated or if the donee is not available or rejects the anatomical gift, the anatomical gift may be accepted by any person listed in subsection 1.
- 3. If the donee knows of the decedent's refusal or contrary indications to make an anatomical gift or that an anatomical gift by a member of a class having priority to act is opposed by a member of the same class or a prior class listed in section 142C.4, the donee shall not accept the anatomical gift.
