

**147.28A Scope of practice review committees future repeal.**

1. The department shall utilize scope of practice review committees to evaluate and make recommendations to the general assembly and to the appropriate examining boards regarding all of the following issues:

*a.* Requests from practitioners seeking to become newly licensed health professionals or to establish their own examining boards.

*b.* Requests from health professionals seeking to expand or narrow the scope of practice of a health profession.

*c.* Unresolved administrative rulemaking disputes between examining boards.

2. A scope of practice review committee established under this section shall evaluate the issues specified in subsection 1 and make recommendations regarding proposed changes to the general assembly based on the following standards and guidelines:

*a.* The proposed change does not pose a significant new danger to the public.

*b.* Enacting the proposed change will benefit the health, safety, or welfare of the public.

*c.* The public cannot be effectively protected by other more cost-effective means.

3. A scope of practice review committee shall be limited to five members as follows:

*a.* One member representing the profession seeking licensure, a new examining board, or a change in scope of practice.

*b.* One member of the health profession directly impacted by, or opposed to, the proposed change.

*c.* One impartial health professional who is not directly or indirectly affected by the proposed change.

*d.* Two impartial members of the general public.

4. The department may contract with a school or college of public health to assist in implementing this section.

5. The department shall submit an annual progress report to the governor and the general assembly by January 15 and shall include any recommendations for legislative action as a result of review committee activities.

6. The department shall adopt rules in accordance with chapter 17A to implement this section.

7. This section is repealed July 1, 2007.
