5. *Effect.*

a. For purposes of a release or partial release of the mortgage, a certificate of release executed under this section that contains the information and statements required under subsection 3 is prima facie evidence of the facts contained in such release or partial release, is entitled to be recorded with the county recorder where the mortgage is recorded, operates as a release or partial release of the mortgage described in the certificate of release, and may be relied upon by any person who owns or subsequently acquires an interest in the property released from the mortgage. The county recorder shall rely upon the certificate of release to release the mortgage.

b. Recording of a wrongful or erroneous certificate of release by the division shall not relieve the mortgagor, or the mortgagor's successors or assigns on the debt, from personal liability on the loan or on other obligations secured by the mortgage.

c. In addition to any other remedy provided by law, if the division wrongfully or erroneously records a certificate of release under this section, the division is liable to the mortgagee and mortgage servicer for actual damages sustained due to the recording of the certificate of release.

d. Upon payment of a claim relating to the recording of a certificate of release, the division is subrogated to the rights of the claimant against all persons relating to the claim.

6. *Recording.* If a mortgage is recorded in more than one county and a certificate of release or partial release is recorded in one of them, a certified copy of the certificate of release may be recorded in another county with the same effect as the original. In all cases, the certificate of release or partial release shall be entered and indexed in the manner that a satisfaction of mortgage is entered and indexed.

7. *Prior mortgages.*

a. If the real estate lender or closer has notified the division that a mortgage has been paid in full by someone other than the real estate lender or closer, or was paid by the real estate lender or closer under a previous transaction, and an effective release has not been filed of record, the division may execute and record a certificate of release without certification by the real estate lender or closer that payment was made pursuant to a payoff statement and the date payment was received by the mortgagee. A certificate of release filed pursuant to this subsection is subject to the requirements of subsection 2, paragraph "c".

b. For purposes of this subsection, an effective release has not been filed of record if it appears that a mortgagee in the record chain of title to the mortgage has not, either on the mortgagee's own behalf or by the mortgagee's duly appointed servicer or attorney in fact as established of record by a filed servicing agreement or power of attorney, filed of record either an assignment of the mortgage to another mortgagee in the record chain of title to the mortgage or a release of the mortgagee's interest in the mortgage. For the purposes of this

subsection and subsection 2, paragraph "c", "*mortgage servicer*" includes a mortgagee for which an effective release has not been filed of record as provided in this paragraph.

8. *Application.* This section applies only to a mortgage in an original principal amount of five hundred thousand dollars or less.
