

321I.4 Registration with county recorder fee.

1. The owner of each all-terrain vehicle required to be numbered shall register it annually with the county recorder of the county in which the owner resides or, if the owner is a nonresident, the owner shall register it in the county in which the all-terrain vehicle is principally used. The commission has supervisory responsibility over the registration of all-terrain vehicles and shall provide each county recorder with registration forms and certificates and shall allocate registration numbers to each county.
2. The owner of the all-terrain vehicle shall file an application for registration with the appropriate county recorder on forms provided by the commission. The application shall be completed and signed by the owner of the all-terrain vehicle and shall be accompanied by a fee of fifteen dollars and a writing fee. An all-terrain vehicle shall not be registered by the county recorder until the county recorder is presented with receipts, bills of sale, or other satisfactory evidence that the sales or use tax has been paid for the purchase of the all-terrain vehicle or that the owner is exempt from paying the tax. An all-terrain vehicle that has an expired registration certificate from another state may be registered in this state upon proper application, payment of all applicable registration and writing fees, and payment of a penalty of five dollars.
3. Upon receipt of the application in approved form accompanied by the required fees, the county recorder shall enter it upon the records and shall issue to the applicant a registration certificate. The certificate shall be executed in triplicate, one copy to be delivered to the owner, one copy to the commission, and one copy to be retained on file by the county recorder. The registration certificate shall bear the number awarded to the all-terrain vehicle and the name and address of the owner. The registration certificate shall be carried either in the all-terrain vehicle or on the person of the operator of the all-terrain vehicle when in use. The operator of an all-terrain vehicle shall exhibit the registration certificate to a peace officer upon request, to a person injured in an accident involving an all-terrain vehicle, to the owner or operator of another all-terrain vehicle or the owner of personal or real property when the all-terrain vehicle is involved in a collision or accident of any nature with another all-terrain vehicle or the property of another person, or to the property owner or tenant when the all-terrain vehicle is being operated on private property without permission from the property owner or tenant.
4. If an all-terrain vehicle is placed in storage, the owner shall return the current registration certificate to the county recorder with an affidavit stating that the all-terrain vehicle is placed in storage and the effective date of storage. The county recorder shall notify the commission of each all-terrain vehicle placed in storage. When the owner of a stored all-terrain vehicle desires to renew the registration, the owner shall make application to the county recorder and pay the registration and writing fees without penalty. A refund of the registration fee shall not be allowed for a stored all-terrain vehicle.
