257.9 State cost per pupil.

1. *Regular program state cost per pupil for 1991-1992.* For the budget year beginning July 1, 1991, for the regular program state cost per pupil, the department of management shall add together the sum of the products of each district's regular program district cost per pupil for the base year, as regular program district cost per pupil would have been calculated under section 442.9, Code 1989, multiplied by its budget enrollment as budget enrollment would have been calculated under section 442.4, Code 1989, for the base year, plus the sum of the amounts added to the district cost of school districts pursuant to section 442.21, Code 1989.

The total calculated under this subsection shall be divided by the total of the budget enrollments of all school districts for the budget year beginning July 1, 1990, calculated under section 257.6, subsection 4, if section 257.6, subsection 4, had been in effect for that budget year. The regular program state cost per pupil for the budget year beginning July 1, 1991, is the amount calculated by the department of management under this subsection plus an allowable growth amount that is equal to the state percent of growth for the budget year multiplied by the amount calculated by the department of management under this subsection.

2. *Regular program state cost per pupil for 1992-1993 and succeeding years.* For the budget year beginning July 1, 1992, and succeeding budget years, the regular program state cost per pupil for a budget year is the regular program state cost per pupil for the base year plus the regular program allowable growth for the budget year.

3. *Special education support services state cost per pupil for 1991-1992.* For the budget year beginning July 1, 1991, for the special education support services state cost per pupil, the department of management shall divide the total of the approved budgets of the area education agencies for special education support services for that year approved by the state board of education under section 273.3, subsection 12, by the total of the weighted enrollment for special education support services in the state for the budget year. The special education support services state cost per pupil for the budget year is the amount calculated by the department of management under this subsection.

4. *Special education support services state cost per pupil for 1992-1993 and succeeding years.* For the budget year beginning July 1, 1992, and succeeding budget years, the special education support services state cost per pupil for the budget year is the special education support services state cost per pupil for the base year plus the special education support services allowable growth for the budget year.

5. *Combined state cost per pupil.* The combined state cost per pupil is the sum of the regular program state cost per pupil and the special education support services state cost per pupil.
