

124.308 Prescriptions.

1. Except when dispensed directly by a practitioner, other than a pharmacy, to an ultimate user, no controlled substance in schedule II may be dispensed without the written prescription of a practitioner or without the electronic or facsimile prescription of a practitioner in accordance with subsection 2.

2. A practitioner, other than a pharmacy, or a practitioner's authorized agent may transmit an electronic prescription or facsimile prescription to a pharmacy for a schedule II controlled substance, provided that the prescription complies with section 155A.27 and provided that the original signed prescription is presented to the pharmacist prior to the dispensing of the schedule II controlled substance. If permitted by federal law, and in accordance with federal requirements, the electronic or facsimile prescription shall serve as the original signed prescription and the practitioner shall not provide the patient or the patient's authorized representative with a signed, written prescription.

3. In emergency situations, as defined by rule of the board, schedule II drugs may be dispensed upon electronic, facsimile, or oral prescription of a practitioner, reduced promptly to writing and filed by the pharmacy. Prescriptions shall be retained in conformity with the requirements of section 124.306. No prescription for a schedule II substance may be refilled.

4. Except when dispensed directly by a practitioner, other than a pharmacy, to an ultimate user, a controlled substance included in schedule III or IV, which is a prescription drug as determined under chapter 155A, shall not be dispensed without a written or oral prescription of a practitioner or without an electronic or facsimile prescription in accordance with subsection 5. The prescription may not be filled or refilled more than six months after the date thereof or be refilled more than five times, unless renewed by the practitioner.

5. A practitioner, other than a pharmacy, or the practitioner's authorized agent may transmit an electronic prescription or a facsimile prescription to a pharmacy for a schedule III, IV, or V controlled substance, provided that the prescription complies with section 155A.27, and provided that the original signed prescription is presented to the pharmacist prior to the dispensing of the controlled substance, or if the prescription is electronic, an oral prescription or a facsimile prescription is provided. If permitted by federal law, and in accordance with federal requirements, the electronic or facsimile prescription shall serve as the original signed prescription and the practitioner shall not provide the patient or the patient's authorized representative with a signed, written prescription.

6. A controlled substance included in schedule V shall not be distributed or dispensed other than for a medical purpose.
