

**137.11 Request reviewed by state department.**

The state department shall review requests submitted under [section 137.10](#). The state department, upon finding that all necessary conditions are met, shall approve the formation of a district health department and shall so notify the local boards from whom the request was received.

[C71, 73, 75, 77, 79, 81, §137.11]  
Referred to in [§137.14](#)
