Notes:

ARRA = American Recovery and Reinvestment Act

AEA = Area Education Agency

FY 2010 Combined District Cost represents the school finance formula funding for school districts and includes property tax, State aid, and ARRA Education Stabilization funding.

FY 2010 State aid including ARRA Education Stabilization funding includes State school aid, State preschool aid, State categorical supplement funding (Teacher Salary Supplement, Professional Development Supplement, and Early Intervention Supplement), and State aid for AEA's.

The FY 2010 State aid shortfall is based on the capped State aid appropriation for school aid. The school district portion of the shortfall totals \$30.3 million and the AEA portion is \$1.4 million. School districts maintain spending authority on their portion of the shortfall and that amount is included in the combined district cost.
