The EIP is a payment from the federal treasury to eligible U.S. citizens and U.S. resident aliens and was provided by Congress in the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The EIP, which is subject to income limits, is equal to \$1,200 per adult and \$500 per qualifying child.

Nationally, 127.5 million payments totaling \$216.675 billion have been issued for an average payment of \$1,699. For Iowa recipients, 1,230,814 payments totaling \$2.212 billion have been issued for an average payment of \$1,798.

The \$2.212 billion Iowa amount equals:
