The legislative services agency shall prepare a bill embodying a second plan of legislative and congressional districting prepared in accordance with section 42.4, and taking into account the reasons cited by the senate or house of representatives for its failure to approve the plan insofar as it is possible to do so within the requirements of section 42.4. If a second plan is required under this subsection, the bill embodying it shall be delivered to the secretary of the senate and the chief clerk of the house of representatives not later than May 1 of the year ending in one, or twenty-one days after the date of the vote by which the senate or the house of representatives fails to approve the bill submitted under subsection 1, whichever date is later. It is the intent of this chapter that, if it is necessary to submit a bill under this subsection, the bill be brought to a vote not less than seven days after the bill is printed and made available to the members of the general assembly, in the same manner as prescribed for the bill required under subsection 1.

3. If the bill embodying the plan submitted by the legislative services agency under subsection 2 fails to be approved by a constitutional majority in either the senate or the house of representatives, the same procedure as prescribed by subsection 2 shall be followed. If a third plan is required under this subsection, the bill embodying it shall be delivered to the secretary of the senate and the chief clerk of the house of representatives not later than June 1 of the year ending in one, or twenty-one days after the date of the vote by which the senate or the house of representatives fails to approve the bill submitted under subsection 2, whichever date is later. It is the intent of this chapter that, if it is necessary to submit a bill under this subsection, the bill be brought to a vote within the same time period after its delivery to the secretary of the senate and the chief clerk of the house of representatives as is prescribed for the bill submitted under subsection 2, but shall be subject to amendment in the same manner as other bills.

4. Notwithstanding subsections 1, 2 and 3 of this section:

a. If population data from the federal census which is sufficient to permit preparation of a congressional districting plan complying with article III, section 37 of the Constitution of the State of Iowa becomes available at an earlier time than the population data needed to permit preparation of a legislative districting plan in accordance with section 42.4, the legislative services agency shall so inform the presiding officers of the senate and house of representatives. If the presiding officers so direct, the legislative services agency shall prepare a separate bill establishing congressional districts and submit it separately from the bill establishing legislative districts. It is the intent of this chapter that the general assembly shall proceed to consider the congressional districting bill in substantially the manner prescribed by subsections 1, 2 and 3 of this section.

b. If the population data for legislative districting which the United States census bureau is required to provide this state under United States Pub. L. 94-171 and, if used by the legislative services agency, the corresponding topologically integrated geographic encoding and referencing data file for that population data, is not available to the legislative services agency on or before February 1 of the year ending in one, the dates set forth in this section shall be extended by a number of days equal to the number of days after February 1 of the year ending in one that the federal census population data and the

topologically integrated geographic encoding and referencing data file for legislative districting becomes available.

#### **42.4 Redistricting standards.**

1. Legislative and congressional districts shall be established on the basis of population.

a. Senatorial and representative districts, respectively, shall each have a population as nearly equal as practicable to the ideal population for such districts, determined by dividing the number of districts to be established into the population of the state reported in the federal decennial census. Senatorial districts and representative districts shall not vary in population from the respective ideal district populations except as necessary to comply with one of the other standards enumerated in this section. In no case shall the quotient, obtained by dividing the total of the absolute values of the deviations of all district populations from the applicable ideal district population by the number of districts established, exceed one percent of the applicable ideal district population. No senatorial district shall have a population which exceeds that of any other senatorial district by more than five percent, and no representative district shall have a population which exceeds that of any other representative district by more than five percent.

b. Congressional districts shall each have a population as nearly equal as practicable to the ideal district population, derived as prescribed in paragraph "a" of this subsection. No congressional district shall have a population which varies by more than one percent from the applicable ideal district population, except as necessary to comply with article III, section 37 of the Constitution of the State of Iowa.

c. If a challenge is filed with the supreme court alleging excessive population variance among districts established in a plan adopted by the general assembly, the general assembly has the burden of justifying any variance in excess of one percent between the population of a district and the applicable ideal district population.

2. To the extent consistent with subsection 1, district boundaries shall coincide with the boundaries of political subdivisions of the state. The number of counties and cities divided among more than one district shall be as small as possible. When there is a choice between dividing local political subdivisions, the more populous subdivisions shall be divided before the less populous, but this statement does not apply to a legislative district boundary drawn along a county line which passes through a city that lies in more than one county.

3. Districts shall be composed of convenient contiguous territory. Areas which meet only at the points of adjoining corners are not contiguous.

6. In order to minimize electoral confusion and to facilitate communication within state legislative districts, each plan drawn under this section shall provide that each representative district is wholly included within a single senatorial district and that, so far as possible, each representative and each senatorial district shall be included within a single congressional district. However, the standards established by subsections 1 through 5 shall take precedence where a conflict arises between these standards and the requirement, so far as possible, of including a senatorial or representative district within a single congressional district.

7. Each bill embodying a plan drawn under this section shall provide that any vacancy in the general assembly which takes office in the year ending in one, occurring at a time which makes it necessary to fill the vacancy at a special election held pursuant to section 69.14, shall be filled from the same district which elected the senator or representative whose seat is vacant.

8. Each bill embodying a plan drawn under this section shall include provisions for election of senators to the general assemblies which take office in the years ending in three and five, which shall be in conformity with article III, section 6 of the Constitution of the State of Iowa. With respect to any plan drawn for consideration in the year 2001, those provisions shall be substantially as follows:

a. Each odd-numbered senatorial district shall elect a senator in 2002 for a four-year term commencing in January 2003. If an incumbent senator who was elected to a four-year term which commenced in January 2001, or was subsequently elected to fill a vacancy in such a term, is residing in an odd-numbered senatorial district on February 1, 2002, that senator's term of office shall be terminated on January 1, 2003.

b. Each even-numbered senatorial district shall elect a senator in 2004 for a four-year term commencing in January 2005.

(1) If one and only one incumbent state senator is residing in an even-numbered senatorial district on February 1, 2002, and that senator meets all of the following requirements, the senator shall represent the district in the senate for the Eightieth General Assembly:

(a) The senator was elected to a four-year term which commenced in January 2001 or was subsequently elected to fill a vacancy in such a term.

(b) The senatorial district in the plan which includes the place of residence of the state senator on the date of the senator's last election to the senate is the same as the even-numbered senatorial district in which the senator resides on February 1, 2002, or is contiguous to such even-numbered senatorial district and the senator's declared residence as of February 1, 2002, was within the district from which the senator was last elected. Areas which meet only at the points of adjoining corners are not contiguous.

The secretary of state shall prescribe a form to be completed by all senators to declare their residences as of February 1, 2002. The form shall be filed with the secretary of state no later than five p.m. on February 1, 2002.

(2) Each even-numbered senatorial district to which subparagraph (1) of this paragraph is not applicable shall elect a senator in 2002 for a two-year term commencing in January 2003. However, if more than one incumbent state senator is residing in an even-numbered senatorial district on February 1, 2002, and, on or before February 15, 2002, all but one of the incumbent senators resigns from office effective no later than January 1, 2003, the remaining incumbent senator shall represent the district in the senate for the Eightieth General Assembly. A copy of the resignation must be filed in the office of the secretary of state no later than five p.m. on February 15, 2002.

#### **42.5 Temporary redistricting advisory commission.**

1. Not later than February 15 of each year ending in one, a five member temporary redistricting advisory commission shall be established as provided by this section. The commission's only functions shall be those prescribed by section 42.6.

a. Each of the four selecting authorities shall certify to the chief election officer the authority's appointment of a person to serve on the commission. The certifications may be made at any time after the majority and minority floor leaders have been selected for the general assembly which takes office in the year ending in one, even though that general assembly's term of office has not actually begun.

b. Within thirty days after the four selecting authorities have certified their respective appointments to the commission, but in no event later than February 15 of the year ending in one, the four commission members so appointed shall select, by a vote of at least three members, and certify to the chief election officer the fifth commission member, who shall serve as chairperson.

c. A vacancy on the commission shall be filled by the initial selecting authority within fifteen days after the vacancy occurs.

d. Members of the commission shall receive a per diem as specified in section 7E.6, travel expenses at the rate provided by section 70A.9, and reimbursement for other necessary expenses incurred in performing their duties under this section and section 42.6. The per diem and expenses shall be paid from funds appropriated by section 2.12.

2. No person shall be appointed to the commission who:

a. Is not an eligible elector of the state at the time of selection.

b. Holds partisan public office or political party office.

c. Is a relative of or is employed by a member of the general assembly or of the United States Congress, or is employed directly by the general assembly or by the United States Congress.

#### **42.6 Duties of commission.**

The functions of the commission shall be as follows:

1. If, in preparation of plans as required by this chapter, the legislative services agency is confronted with the necessity to make any decision for which no clearly applicable guideline is provided by section 42.4, the legislative services agency may submit a written request for direction to the commission.

2. Prior to delivering any plan and the bill embodying that plan to the secretary of the senate and the chief clerk of the house of representatives in accordance with section 42.3, the legislative services agency shall provide to persons outside the legislative services agency staff only such information regarding the plan as may be required by policies agreed upon by the commission. This subsection does not apply to population data furnished to the legislative services agency by the United States bureau of the census.

3. Upon each delivery by the legislative services agency to the general assembly of a bill embodying a plan, pursuant to section 42.3, the commission shall at the earliest feasible time make available to the public the following information:

*a.* Copies of the bill delivered by the legislative services agency to the general assembly.

*b.* Maps illustrating the plan.

*c.* A summary of the standards prescribed by section 42.4 for development of the plan.

*d.* A statement of the population of each district included in the plan, and the relative deviation of each district population from the ideal district population.

4. Upon the delivery by the legislative services agency to the general assembly of a bill embodying an initial plan, as required by section 42.3, subsection 1, the commission shall:

*a.* As expeditiously as reasonably possible, schedule and conduct at least three public hearings, in different geographic regions of the state, on the plan embodied in the bill delivered by the legislative services agency to the general assembly.

*b.* Following the hearings, promptly prepare and submit to the secretary of the senate and the chief clerk of the house a report summarizing information and testimony received by the commission in the course of the hearings. The commission's report shall include any comments and conclusions which its members deem appropriate on the information and testimony received at the hearings, or otherwise presented to the commission.

When the rules of a political party require the selection and reporting of delegates selected as part of the presidential nominating process, or the rules of a political party require the tabulation and reporting of the number of persons attending the caucus favoring each presidential candidate, it is the duty of a person designated as provided by the rules of that political party to report the results of the precinct caucus as directed by the state central committee of that political party. When the person designated to report the results of the precinct caucus reports the results, representatives of each candidate, if they so choose, may accompany the person as the results are being reported to assure that an accurate report of the proceedings is reported. If ballots are used at the precinct caucus, representatives of each candidate or other persons attending the precinct caucus may observe the tabulation of the results of the balloting.

Within fourteen days after the date of the caucus the county central committee shall certify to the county commissioner the names of those elected as party committee members and delegates to the county convention.

The fact that the candidate who receives the highest number of votes cast for any party's nomination for an office to which section 43.52 or 43.65 is applicable is a person whose name was not printed on the official primary election ballot shall not affect the validity of the person's nomination as a candidate for that office in the general election. If there have been no candidates from a political party for a seat in the general assembly since the most recent redistricting of the general assembly, a write-in candidate shall be considered nominated who receives a number of votes equal to at least thirty-five percent of the total votes cast, at the last preceding primary election in the precincts which currently constitute the general assembly district, for all of that party's candidates for representative in the Congress of the United States or who receives at least one hundred votes, whichever number is greater. When two or more nominees are required, the division procedure prescribed in section 43.52 shall be applied to establish the minimum number of write-in votes necessary for nomination. If the primary is inconclusive, the necessary nominations shall be made in accordance with section 43.78, subsection 1.

2. When an election is to be held as required by law or is called by a political subdivision of the state and the political subdivision is located in more than one county, the county commissioner of elections of the county having the greatest taxable base within the political subdivision shall conduct that election. The designation of a person as a deputy commissioner of elections pursuant to this section, once made, shall continue in effect until the designation is withdrawn by the commissioner.

4. The commissioner shall assign each local public measure a letter for identification purposes. The public measure on the ballot shall be identified by the letter.

The county commissioner who is responsible under subsection 2 for conducting the elections held for a political subdivision which lies in more than one county shall assign the letter to the public measure. The county commissioners of elections of the other counties in which the political subdivision is located shall not assign the same letter to a local public measure on the ballot in their counties during the same election.

5. The office of county auditor or county commissioner of elections in each county shall be open for at least eight hours on the Saturday preceding a general election, primary election, or special election called by the governor for the purpose of receiving absentee ballots and conducting other official business relating to the election.

Costs of registration and administrative and clerical costs shall not be charged as a part of the election costs.

If voting machines are used in any election, the county commissioner of elections shall not charge any political subdivision of the state a rental fee for the use of any voting machines.

#### **47.5 Purchasing by competitive bidding.**

1. Except for legal services and printing of ballots, the commissioner shall take bids for goods and services which are needed in connection with registration of voters or preparation for or administration of elections and which will be performed or provided by persons who are not employees of the commissioner under the following circumstances:

*a.* In any case where it is proposed to purchase data processing services. The commissioner shall give the registrar written notice in advance on each occasion when it is proposed to have data processing services, necessary in connection with the administration of elections, performed by any person other than the registrar or an employee of the county. Such notice shall be made at least thirty days prior to publication of the specifications.

*b.* In all other cases, where the cost of the goods or services to be purchased will exceed one thousand dollars.

2. When it is proposed to purchase any goods or services, other than data processing services, in connection with administration of elections, the commissioner shall publish notice to bidders, including specifications regarding the goods or services to be purchased or a description of the nature and object of the services to be retained, in a newspaper of general circulation in the county not less than fifteen days before the final date for submission of bids. When competitive bidding procedures are used, the purchase of goods or services shall be made from the lowest responsible bidder which meets the specifications or description of the services needed or the commissioner may reject all bids and readvertise. In determining the lowest responsible bidder, various factors may be considered, including but not limited to the past performance of the bidder relative to quality of product or service, the past experience of the purchaser in relation to the product or service, the relative quality of products or services, the proposed terms of delivery and the best interest of the county.

3. The procedure for purchasing data processing services in connection with administration of elections is the same as prescribed in subsection 2, except that the required copy of the bid specifications shall be filed with the registrar rather than the state commissioner. The specifications for data processing contracts relative to voter registration records shall be specified by the registration commission. The registrar shall, not later than the final date for submission of bids, inform the commissioner in writing whether the department of administrative services data processing facilities are currently capable of furnishing the services the county proposes to purchase, and if so the cost to the county of so obtaining the services as determined in accordance with the standard charges adopted by the registration commission. The commissioner, with approval of the board of supervisors, may reject all bids and enter into an arrangement with the registrar for the services to be furnished by the state. The commissioner may recommend and the board of supervisors may approve purchasing the needed services from the lowest responsible bidder; however, if the needed services could be obtained through the registrar at a lower cost, the board shall publish notice twice in a newspaper of general circulation in the county of its intent to accept such bid and of the difference in the amount of the bid and the cost of purchasing the needed services from the department of administrative services data processing facilities through the registrar. Each contract for the furnishing of data processing services necessary in connection with the administration of elections, by any person other than the registrar or an employee of the county, shall be executed with the contractor by the board of supervisors of the county purchasing the services, but only after the contract has been reviewed and approved by the registration commission. The contract shall be of not more than one year's duration. Each county exercising the option to purchase such data processing services from a provider other than the registrar shall provide the registrar, at the county's expense, original and updated voter registration lists in a form and at times prescribed by rules adopted by the registration commission.

4. Any election or registration data or records which may be in the possession of a contractor shall remain the property of the commissioner. Contracts with a private person relating to the maintenance and use of voter registration data, which were properly entered into in compliance with this section and with all other laws relating to bidding on such contracts, shall remain in force only until the most recently negotiated termination date of that contract. A new contract with the same provider may be entered into in accordance with subsection 3.

#### **47.6 Election dates — conflicts — public measures.**

1. The governing body of any political subdivision which has authorized a special election to which section 39.2 is applicable shall by written notice inform the commissioner who will be responsible for conducting the election of the proposed date of the special election. If a public measure will appear on the ballot at the special election the governing body shall submit the complete text of the public measure to the commissioner with the notice of the proposed date of the special election.

If the proposed date of the special election coincides with the date of a regularly scheduled election or previously scheduled special election, the notice shall be given no later than five p.m. on the last day on which nomination papers may be filed with the commissioner for the regularly scheduled election or previously scheduled special election, but in no case shall notice be less than thirty-two days before the election. Otherwise, the notice shall be given at least thirty-two days in advance of the date of the proposed special election. Upon receiving the notice, the commissioner shall promptly give written approval of the proposed date unless it appears that the special election, if held on that date, would conflict with a regular election or with another special election previously scheduled for that date.

A public measure shall not be withdrawn from the ballot at any election if the public measure was placed on the ballot by a petition, or if the election is a special election called specifically for the purpose of deciding one or more public measures for a single political subdivision. However, a public measure which was submitted to the county commissioner of elections by the governing body of a political subdivision may be withdrawn by the governing body which submitted the public measure if the public measure was to be placed on the ballot of a regularly scheduled election. The notice of withdrawal must be made by resolution of the governing body and must be filed with the commissioner no later than the last day upon which a candidate may withdraw from the ballot.

2. For the purpose of this section, a conflict between two elections exists only when one of the elections would require use of precinct boundaries which differ from those to be used for the other election, or when some but not all of the registered voters of any precinct would be entitled to vote in one of the elections and all of the registered voters of the same precinct would be entitled to vote in the other election. Nothing in this subsection shall deny a commissioner discretionary authority to approve holding a special election on the same date as another election, even though the two elections may be defined as being in conflict, if the commissioner concludes that to do so will cause no undue difficulties.

The registrar shall maintain a log, which is a public record, showing all lists and reports which have been requested or generated or which are capable of being generated by existing programs of the data processing services of the registrar. In the execution of the duties provided by this chapter, the state registrar of voters shall provide the maximum public access to the electoral process permitted by law.

2. The registrar shall offer to each county in the state the opportunity to arrange for performance of all functions referred to in subsection 1 by the data processing facilities of the registrar, commencing at the earliest practicable time, at a cost to the county determined in accordance with the standard charges for those services adopted annually by the registration commission. A county may accept this offer without taking bids under section 47.5.

3. Any county may use its own data processing facilities for voter registration recordkeeping and utilization functions, if the system design and the form in which the registration records are kept conform to specifications established by rules promulgated by the registration commission. Each county exercising the option to maintain its own voter registration records under this subsection shall provide the registrar, at the county's expense, original and updated voter registration lists in a form and at times prescribed by the registrar.

4. Not later than July 1, 1984, information listed in section 48A.11 contained in a county's manual records but not on the county's computer readable records shall be provided to the registrar in a form specified by the registrar. The registrar shall require that any information supplied under section 48A.11, except the signature and attestation of the registrant, be provided to the registrar in a form specified by the registrar.

The registrar shall also provide to the commission at no charge statistical reports for planning and analyzing voter registration services in the state.

The commission may authorize the registrar to employ such additional staff personnel as it deems necessary to permit the duties of the registrar's office to be adequately and promptly discharged. Such personnel shall be employed pursuant to chapter 8A, subchapter IV.

4. The registration commission shall annually adopt a set of standard charges to be made for the services the registrar is required to offer to the several commissioners, and for furnishing of voter registration records which are requested by persons other than the registrar, the state commissioner or any commissioner pursuant to section 48A.38. These charges shall be sufficient to reimburse the state for the actual cost of furnishing such services or information, and shall be specified by unit wherever possible. **49.5 City precincts.**

The council of a city where establishment of more than one precinct is necessary or deemed advisable shall, at the time required by law, divide the city into the number of election precincts as will best serve the convenience of the voters while promoting electoral efficiency. As used in this section, the term "*the convenience of the voters*" refers to, but is not necessarily limited to, the use of precinct boundaries which can be readily described to and identified by voters and for which there is ease of access by voters to their respective precinct polling places by reasonably direct routes of travel. As used in this section, the term "*promoting electoral efficiency*" means reducing the cost of staffing election precincts by requiring cities to avoid creating more precincts than is reasonably necessary to provide voters access to voting.

The precinct boundaries shall conform to section 49.3 and shall be described in an ordinance adopted by the council within the time required by section 49.7. Before final adoption of any change in election precinct boundaries pursuant to this section or section 49.6, the council shall permit the commissioner not less than seven and not more than ten days' time to offer written comments to the council on the proposed reprecincting. If the commissioner recommends changes in the proposed reprecincting which the commissioner concludes could better serve the convenience of the voters or could promote electoral efficiency, including lowering election costs, the council shall, if no changes to the reprecincting are made, include reasons in the ordinance for not adopting the proposed changes of the commissioner. A public hearing shall be held before final adoption of the ordinance. Notice of the date, time, and place of the hearing shall be given as provided in chapter 21.

Each county board or the temporary county redistricting commission and city council shall certify to the state commissioner the populations of the new election precincts or retained election precincts as determined by the latest federal decennial census. Materials filed with the state commissioner shall be postmarked no later than the deadline specified in this section.

If the state commissioner determines that a county board or the temporary county redistricting commission or city council has failed to make the required changes by the dates specified by this section, the state commissioner shall make or cause to be made the necessary changes as soon as possible. The absentee ballot and unsealed envelope shall be enclosed in or with a carrier envelope which bears the same serial number as the unsealed envelope. The absentee ballot, unsealed envelope, and carrier envelope shall be enclosed in a third envelope to be sent to the registered voter. If the ballot cannot be folded so that all of the votes cast on the ballot will be hidden, the commissioner shall also enclose a secrecy envelope with the absentee ballot.

2. If an application is received so late that it is unlikely that the absentee ballot can be returned in time to be counted on election day, the commissioner shall enclose with the absentee ballot a statement to that effect. A leave of absence for a person regularly employed pursuant to chapter 8A, subchapter IV, is subject to section 8A.416.

An employee shall not be prohibited from returning to regular employment before the period expires for which the leave of absence was granted. This section applies only to employers which employ twenty or more full-time persons. The leave of absence granted by this section need not exceed six years. The leave of absence granted by this section does not apply to an elective office held by the employee prior to the election.

A person who is appointed to serve on a state board, upon written application to the person's employer, shall be granted leaves of absence from regular employment to attend the meetings of the state board, except if leaves of absence are prohibited by federal law. If the employee is under chapter 8A, subchapter IV, the employee may choose to use accrued vacation leave, accrued compensatory leave, or leave without pay to cover these periods. The appointing authority may authorize other employees to use accrued vacation leave or accrued compensatory leave instead of leave without pay to cover these periods. An employee who is a candidate for any elective public office shall not campaign while on duty as an employee.

## **SUBCHAPTER II**

### **COMMITTEE ORGANIZATION — DUTIES OF OFFICERS**

#### **68A.201 Organization statement.**

1. Every committee, as defined in this chapter, shall file a statement of organization within ten days from the date of its organization. Unless formal organization has previously occurred, a committee is deemed to have organized as of the date that committee transactions exceed the financial activity threshold established in section 68A.102, subsection 5 or 18.

2. The statement of organization shall include:

a. The name, purpose, mailing address, and telephone number of the committee. The committee name shall not duplicate the name of another committee organized under this section. For candidate's committees filing initial statements of organization on or after July 1, 1995, the candidate's name shall be contained within the committee name.

b. The name, mailing address, and position of the committee officers.

c. The name, address, office sought, and the party affiliation of all candidates whom the committee is supporting and, if the committee is supporting the entire ticket of any party, the name of the party. If, however, the committee is supporting several candidates who are not identified by name or are not of the same political affiliation, the committee may provide a statement of purpose in lieu of candidate names or political party affiliation.

d. Such other information as may be required by this chapter or rules adopted pursuant to this chapter.

e. A signed statement by the treasurer of the committee and the candidate, in the case of a candidate's committee, which shall verify that they are aware of the requirement to file disclosure reports if the committee, the committee officers, the candidate, or both the committee officers and the candidate receive contributions in excess of seven hundred fifty dollars in the aggregate, make expenditures in excess of seven hundred fifty dollars in the aggregate, or incur indebtedness in excess of seventy hundred fifty dollars in the aggregate in a calendar year to expressly advocate the nomination, election, or defeat of any candidate for public office. In the case of political committees, statements shall be made by the treasurer of the committee and the chairperson.

f. The identification of any parent entity or other affiliates or sponsors.

g. The name of the financial institution in which the committee receipts will be deposited.

3. Any change in information previously submitted in a statement of organization or notice in case of dissolution of the committee shall be reported to the board or commissioner not more than thirty days from the date of the change or dissolution.

4. A list, by office and district, of all candidates who have filed an affidavit of candidacy in the office of the secretary of state shall be prepared by the secretary of state and delivered to the board not more than ten days after the last day for filing nomination papers.

5. A committee or organization not organized as a committee under this section which makes a contribution to a candidate's committee or political committee organized in Iowa shall disclose each contribution to the board. A committee or organization not organized as a committee under this section which is not registered and filing full disclosure reports of all financial activities with the federal election commission or another state's disclosure commission shall register and file full disclosure reports with the board pursuant to this chapter, and shall either appoint an eligible Iowa elector as committee or organization treasurer, or shall maintain all committee funds in an account in a financial institution located in Iowa. A committee which is currently filing a disclosure report in another jurisdiction shall either file a statement of organization under subsections 1 and 2 and file disclosure reports, the same as those required of committees organized only in Iowa, under section 68A.402, or shall file one copy of a verified statement with the board and a second copy with the treasurer of the committee receiving the contribution. The form shall be completed and filed at the time the contribution is made. The verified statement shall be on forms prescribed by the board and shall attest that the committee is filing reports with the federal election commission or in a jurisdiction with

reporting requirements which are substantially similar to those of this chapter, and that the contribution is made from an account which does not accept contributions which would be in violation of section 68A.503. The form shall include the complete name, address, and telephone number of the contributing committee, the state or federal jurisdiction under which it is registered or operates, the identification of any parent entity or other affiliates or sponsors, its purpose, the name and address of an Iowa resident authorized to receive service of original notice and the name and address of the receiving committee, the amount of the cash or in-kind contribution, and the date the contribution was made.

#### **68A.203 Committee treasurer and chairperson — duties.**

1. *a.* Every candidate's committee shall appoint a treasurer who shall be an Iowa resident who has reached the age of majority. Every political committee, state statutory political committee, and county statutory political committee shall appoint both a treasurer and a chairperson, each of whom shall have reached the age of majority.

*b.* Every candidate's committee shall maintain all of the committee's funds in bank accounts in a financial institution located in Iowa. Every political committee, state statutory political committee, and county statutory political committee shall either have an Iowa resident as treasurer or maintain all of the committee's funds in bank accounts in a financial institution located in Iowa.

*c.* An expenditure shall not be made by the treasurer or treasurer's designee for or on behalf of a committee without the approval of the chairperson of the committee, or the candidate. Expenditures shall be remitted to the designated recipient within fifteen days of the date of the issuance of the payment.

2. An individual who receives contributions for a committee without the prior authorization of the chairperson of the committee or the candidate shall be responsible for either rendering the contributions to the treasurer within fifteen days of the date of receipt of the contributions, or depositing the contributions in the account maintained by the committee within seven days of the date of receipt of the contributions. A person who receives contributions for a committee shall, not later than fifteen days from the date of receipt of the contributions or on demand of the treasurer, render to the treasurer the contributions and an account of the total of all contributions, including the name and address of each person making a contribution in excess of ten dollars, the amount of the contributions, and the date on which the contributions were received. The treasurer shall deposit all contributions within seven days of receipt by the treasurer in an account maintained by the committee. All funds of a committee shall be segregated from any other funds held by officers, members, or associates of the committee or the committee's candidate. However, if a candidate's committee receives contributions only from the candidate, or if a permanent organization temporarily engages in activity which qualifies it as a political committee and all expenditures of the organization are made from existing general operating funds and funds are not solicited or received for this purpose from sources other than operating funds, then that committee is not required to maintain a separate account in a financial institution. The funds of a committee are not attachable for the personal debt of the committee's candidate or an officer, member, or associate of the committee.

3. The treasurer of a committee shall keep a detailed and exact account of:

a. All contributions made to or for the committee.

b. The name and mailing address of every person making contributions in excess of ten dollars, and the date and amount of the contribution.

d. The name and mailing address of every person to whom any expenditure is made, the purpose of the expenditure, the date and amount of the expenditure and the name and address of, and office sought by each candidate, if any, on whose behalf the expenditure was made. Notwithstanding this paragraph, the treasurer may keep a miscellaneous account for disbursements of less than five dollars which need only show the amount of the disbursement so long as the aggregate miscellaneous disbursements to any one person during a calendar year do not exceed one hundred dollars.

e. Notwithstanding the provisions of subsection 3, paragraph "d", of this section, when an expenditure is made by a committee in support of the entire state or local political party ticket, only the name of the party shall be given.

4. The treasurer and candidate in the case of a candidate's committee, and the treasurer and chairperson in the case of a political committee, shall preserve all records required to be kept by this section for a period of five years. However, a committee is not required to preserve any records for more than three years from the certified date of dissolution of the committee. For purposes of this section, the five-year period shall commence with the due date of the disclosure report covering the activity documented in the records.

2. The board shall retain filed statements and reports for at least five years from the date of the election in which the committee is involved, or at least five years from the certified date of dissolution of the committee, whichever date is later.

3. The commissioner shall retain statements and reports provided by the board for a county, city, school, or other political subdivision for at least three years from the date of the election in which the committee is involved. However, statements and reports provided by the board for county statutory political committees shall be retained for five years from the date of the election in which the committee is involved.

4. Political committees expressly advocating the nomination, election, or defeat of candidates for both federal office and any elected office created by law or the Constitution of the State of Iowa shall file statements and reports with the board in addition to any federal reports required to be filed with the board. **68A.402 Disclosure reports.**

1. *a.* Each treasurer of a committee shall file with the board disclosure reports of contributions received and disbursed on forms prescribed by rules as provided by chapter 17A. The reports from all committees, except those committees for municipal and school elective offices and for local ballot issues, shall be filed on the nineteenth day or mailed bearing a United States postal service postmark dated on or before the nineteenth day of January, May, July, and October of each year. The May, July, and October reports shall be current as of five days prior to the filing deadline. The January report shall be the annual report covering activity through December 31. However, a state, county, or city statutory political committee is not required to file the May and July reports for a year in which no primary or general election is held at the respective state, county, or city level. A candidate's committee, other than for municipal and school elective offices, for a year in which the candidate is not standing for election, is not required to file the May, July, and October reports. Reports for committees for a ballot issue placed before the voters of the entire state shall be filed at the January, May, July, and October deadlines.

b. A candidate's committee of a candidate for statewide office or the general assembly shall file a supplementary report in a year in which a primary, general or special election for that office is held if the committee of a candidate for governor receives ten thousand dollars or more, a committee of a candidate for any other statewide office receives five thousand dollars or more, or the committee of a candidate for the general assembly receives one thousand dollars or more after the close of the period covered by the last report filed prior to that primary, general or special election. The amounts of contributions causing a supplementary report under this paragraph shall include the estimated fair market value of in-kind contributions. The report shall be filed by the Friday immediately preceding the election and be current through the Tuesday immediately preceding the election.

c. A candidate's committee for a candidate for the general assembly at a special election shall file a report by the fourteenth day prior to the special election which is current through the nineteenth day prior to the special election.

d. Committees for municipal and school elective offices and local ballot issues shall file their first reports five days prior to any election in which the name of the candidate or the local ballot issue which they expressly advocate appears on the printed ballot and shall file their next report on the first day of the month following the final election in a calendar year in which the candidate's name or the ballot issue appears on the ballot. A committee expressly advocating the nomination, election, or defeat of a candidate for a municipal or school elective office or the passage or defeat of a local ballot issue shall also file disclosure reports on the nineteenth day of January and October of each year in which the candidate or ballot issue does not appear on the ballot and on the nineteenth day of January, May, and July of each year in which the candidate or ballot issue appears on the ballot, until the committee dissolves. These reports shall be current to five days prior to the filing deadline and are considered timely filed if mailed bearing a United States postal service postmark on or before the due date.

e. A state statutory political committee and congressional district committees as authorized by the constitution of the state statutory political committee are not subject to this subsection if the state statutory political committee and congressional district political committees file copies of campaign disclosure reports as required by federal law with the board at the times the reports are required to be filed under federal law, provided that the federal reports contain all information required by this chapter. A committee of a national political party is not required to file a disclosure report with the board if it is required by federal law to file a campaign disclosure report with a federal agency.

2. If any committee, after having filed a statement of organization or one or more disclosure reports, dissolves or determines that it shall no longer receive contributions or make disbursements, the committee shall notify the board within thirty days following such dissolution by filing a dissolution report on forms prescribed by the board. Moneys refunded in accordance with sections 68A.302 and 68A.303 shall be considered a disbursement or expense but the names of persons receiving refunds need not be released or reported unless the contributors' names were required to be reported when the contribution was received.

3. Each report under this section shall disclose:

a. The amount of cash on hand at the beginning of the reporting period.

b. The name and mailing address of each person who has made one or more contributions of money to the committee including the proceeds from any fund-raising events except those reportable under paragraph "f" of this subsection, when the aggregate amount in a calendar year exceeds the amount specified in the following schedule:

- (1) For any candidate for school or township office ..... \$ 25
- (2) For any candidate for city office ..... \$ 25
- (3) For any candidate for county office ..... \$ 25
- (4) For any candidate for the general assembly..... \$ 25
- (5) For any candidate for the Congress of the United States..... \$ 100
- (6) For any candidate for statewide office ..... \$ 25
- (7) For any committee of a national political party ..... \$ 200
- (8) For any state statutory political committee ..... \$ 200
- (9) For any county statutory political committee ..... \$ 50
- (10) For any other political committee ..... \$ 25
- (11) For any ballot issue ..... \$ 25

c. The total amount of contributions made to the political committee during the reporting period and not reported under paragraph "b" of this subsection.

d. The name and mailing address of each person who has made one or more in-kind contributions to the committee when the aggregate market value of the in-kind contribution in a calendar year exceeds the amount specified in subsection 3, paragraph "b", of this section. In-kind contributions shall be designated on a separate schedule from schedules showing contributions of money and shall identify the nature of the contribution and provide its estimated fair market value.

e. Each loan to any person or committee within the calendar year in an aggregate amount in excess of those amounts enumerated in the schedule in paragraph "b" of this subsection, together with the name and mailing address of the lender and endorsers, the date and amount of each loan received, and the date and amount of each loan repayment. Loans received and loan repayments shall be reported on a separate schedule.

f. The total amount of proceeds from any fund-raising event. Contributions and sales at fund-raising events which involve the sale of a product acquired at less than market value and sold for an amount of money in excess of the amount specified in paragraph "b" of this subsection shall be designated separately from in-kind and monetary contributions and the report shall include the name and address of the donor, a description of the product, the market value of the product, the sales price of the product, and the name and address of the purchaser.

g. The name and mailing address of each person to whom disbursements or loan repayments have been made by the committee from contributions during the reporting period and the amount, purpose, and date of each disbursement except that disbursements of less than five dollars may be shown as miscellaneous disbursements so long as the aggregate miscellaneous disbursements to any one person during a calendar year do not exceed one hundred dollars. If disbursements are made to a consultant, the consultant shall provide the committee with a statement of disbursements made by the consultant during the reporting period showing the name and address of the recipient, amount, purpose, and date to the same extent as if made by the candidate, which shall be included in the report by the committee.

h. The amount and nature of debts and obligations owed in excess of those amounts stated in the schedule in paragraph "b" of this subsection by the committee. Loans made to a committee and reported under paragraph "b" of this

subsection shall not be considered a debt or obligation under this paragraph. A loan made by a committee to any person shall be considered a disbursement.

*i.* If a person listed under paragraph "b", "d", "e", or "f" as making a contribution or loan to or purchase from a candidate's committee is related to the candidate within the third degree of consanguinity or affinity, the existence of that person's family relationship shall be indicated on the report.

*j.* The name and mailing address of each person with whom a candidate's committee has entered into a contract during the reporting period for future or continuing performance and the nature of the performance, period of performance and total, anticipated compensation for performance. For a report filed under subsection 1, paragraph "b", this paragraph also requires the reporting of estimates of performance which the candidate's committee reasonably expects to contract for during the balance of the period running until thirty days after the election.

*k.* Other pertinent information required by this chapter, by rules adopted pursuant to this chapter, or forms approved by the board.

4. If the report is the first report filed by the committee, the report shall include all information required under subsection 3 covering the period from the beginning of the committee's financial activity, even if from a different calendar year, through the end of the current reporting period. If no contributions have been accepted nor any disbursements made or indebtedness incurred during that reporting period, the treasurer of the committee shall file a disclosure statement which shows only the amount of cash on hand at the beginning of the reporting period.

5. *a.* A committee shall not dissolve until all loans, debts and obligations are paid, forgiven, or transferred and the remaining money in the account is distributed according to sections 68A.302 and 68A.303. If a loan is transferred or forgiven, the amount of the transferred or forgiven loan must be reported as an in-kind contribution and deducted from the loans payable balance on the disclosure form. If, upon review of a committee's statement of dissolution and final report, the board determines that the requirements for dissolution have been satisfied, the dissolution shall be certified and the committee relieved of further filing requirements.

*b.* A statutory political committee is prohibited from dissolving, but may be placed in an inactive status upon the approval of the board. Inactive status may be requested for a statutory political committee when no officers exist and the statutory political committee has ceased to function. The request shall be made by the previous treasurer or chairperson of the committee and by the appropriate state statutory political committee. A statutory political committee granted inactive status shall not solicit or expend funds in its name until the committee reorganizes and fulfills the requirements of a political committee under this chapter.

6. A permanent organization temporarily engaging in activity which would qualify it as a political committee shall organize a political committee and shall keep the funds relating to that political activity segregated from its operating funds. The political committee shall file reports in accordance with this chapter. When the permanent organization ceases to be involved in the political activity, it shall dissolve the political committee.

A communication regarding any subject by a permanent organization, which is a nonprofit organization, to its dues-paying members is not political activity requiring the organization of a political committee, reporting, or disclosure pursuant to this chapter.

As used in this subsection, "*permanent organization*" means an organization which is continuing, stable, and enduring, and which was originally organized for purposes other than engaging in election activities.

1. As used in this section, "*independent expenditure*" means an expenditure for a communication that expressly advocates the election or defeat of a clearly identified candidate or the passage or defeat of a ballot issue that is made without the prior approval or coordination with a candidate, candidate's committee, or a ballot issue committee.

2. An individual who meets all of the following criteria shall file an independent expenditure statement:

a. The individual is not a candidate.

b. The individual is acting independently and not in coordination with another individual, organization, or committee.

c. The individual makes one or more independent expenditures in excess of seven hundred fifty dollars in the aggregate to advocate the election or defeat of one or more candidates or the passage or defeat of one or more ballot issues.

3. a. Any combination of two or more individuals, or a person other than an individual, that makes one or more independent expenditures in excess of seven hundred fifty dollars in the aggregate to advocate the election or defeat of one or more candidates or the passage or defeat of one or more ballot issues shall file an independent expenditure statement.

b. Sections 68A.201, 68A.202, 68A.402, and 68A.403 shall not apply to persons meeting the requirements of paragraph "a".

d. The dates on which the expenditure or expenditures took place or will take place.

f. The fair market value of the expenditure or expenditures.

6. Any person making an independent expenditure shall comply with the attribution requirements of section 68A.405.

#### **68A.405 Political material — yard signs.**

1. a. A person who causes the publication or distribution of published material designed to expressly advocate the nomination, election, or defeat of a candidate for public office or the passage or defeat of a constitutional amendment or public measure shall include conspicuously on the published material the identity and address of the person responsible for the material. If the person responsible is an organization, the name of one officer of the organization shall appear on the material. However, if the organization is a committee which has filed a statement of organization under this chapter, only the name of the committee is required to be included on the published material. Published material designed to expressly advocate the nomination, election, or defeat of a candidate for public office or the passage or defeat of a constitutional amendment or public measure which contains language or depictions which a reasonable person would understand as asserting that an entity which is incorporated or is a registered committee had authored the material shall, if the entity is not incorporated or a registered committee, include conspicuously on the published material a statement that the apparent organization or committee is not incorporated or a registered committee in addition to the attribution statement required by this section. For purposes of this section, "registered committee" means a committee which has an active statement of organization filed under section 68A.201.

b. This subsection does not apply to the editorials or news articles of a newspaper or magazine which are not political advertisements. For the purpose of this subsection, “*published material*” means any newspaper, magazine, shopper, outdoor advertising facility, poster, direct mailing, brochure, or any other form of printed general public political advertising; however, the identification need not be conspicuous on posters. This subsection does not apply to yard signs, bumper stickers, pins, buttons, pens, matchbooks, and similar small items upon which the inclusion of the attribution statement would be impracticable or to published material which is subject to federal regulations regarding an attribution requirement.

c. This subsection shall not be construed to require the inclusion on published material of information which discloses the identity or address of any individual who is acting independently and using the individual’s own modest resources to publish or distribute the material.

2. a. The placement or erection of yard signs shall be exempt from the requirements of chapter 480.

b. This subsection does not prohibit the placement of yard signs on agricultural land owned by individuals or by a family farm operation as defined in section 9H.1, subsections 8, 9, 10, and 18; does not prohibit the placement of yard signs on property owned by private individuals who have rented or leased the property to a corporation, if the prior written permission of the property owner is obtained; and does not prohibit the placement of yard signs on residential property owned by a corporation but rented or leased to a private individual if the prior permission of the renter or lessee is obtained. For the purposes of this chapter, “*agricultural land*” means agricultural land as defined in section 9H.1.

For the purpose of this section, a contribution or expenditure made by one person which is ultimately reimbursed by another person who has not been identified as the ultimate source or recipient of the funds is considered to be an illegal contribution or expenditure in the name of another.

**68A.503 Financial institution, insurance company, and corporation restrictions.**

1. Except as provided in subsections 3 and 4, it is unlawful for an insurance company, savings and loan association, bank, credit union, or corporation organized pursuant to the laws of this state, the United States, or any other state, territory, or foreign country, whether for profit or not, or an officer, agent, or representative acting for such insurance company, savings and loan association, bank, credit union, or corporation, to contribute any money, property, labor, or thing of value, directly or indirectly, to a committee, or to expressly advocate that the vote of an elector be used to nominate, elect, or defeat a candidate for public office, except that such resources may be so expended in connection with a utility franchise election held pursuant to section 364.2, subsection 4, or a ballot issue. All such expenditures are subject to the disclosure requirements of this chapter.

2. Except as provided in subsection 3, it is unlawful for a member of a committee, or its employee or representative, except a ballot issue committee, or for a candidate for office or the representative of the candidate, to solicit, request, or knowingly receive from an insurance company, savings and loan association, bank, credit union, or corporation organized pursuant to the laws of this state, the United States, or any other state, territory, or foreign country, whether for profit or not, or its officer, agent, or representative, any money, property, or thing of value belonging to the insurance company, savings and loan association, bank, or corporation for campaign expenses, or to expressly advocate that the vote of an elector be used to nominate, elect, or defeat a candidate for public office. This section does not restrain or abridge the freedom of the press or prohibit the consideration and discussion in the press of candidacies, nominations, public officers, or public questions.

3. It is lawful for an insurance company, savings and loan association, bank, credit union, and corporation organized pursuant to the laws of this state, the United States, or any other state or territory, whether or not for profit, and for their officers, agents, and representatives, to use the money, property, labor, or any other thing of value of the entity for the purposes of soliciting its stockholders, administrative officers, and members for contributions to a committee sponsored by that entity and of financing the administration of a committee sponsored by that entity. The entity's employees to whom the foregoing authority does not extend may voluntarily contribute to such a committee but shall not be solicited for contributions. All contributions made under this subsection are subject to the disclosure requirements of this chapter. A committee member, committee employee, committee representative, candidate, or representative referred to in subsection 2 lawfully may solicit, request, and receive money, property and other things of value from a committee sponsored by an insurance company, savings and loan association, bank, credit union, or corporation as permitted by this subsection.

4. The restrictions imposed by this section relative to making, soliciting or receiving contributions shall not apply to a nonprofit corporation or organization which uses those contributions to encourage registration of voters and participation in the political process, or to publicize public issues, or both, but does not use any part of those contributions to expressly advocate the nomination, election, or defeat of any candidate for public office. A nonprofit corporation or organization may use contributions solicited or received to expressly advocate the passage or defeat of ballot issues but the expenditures shall be disclosed by the nonprofit corporation or organization in the manner provided for a permanent organization temporarily engaged in a political activity under section 68A.402.

This section does not prohibit a family farm corporation, as defined in section 9H.1, from placing a yard sign on agricultural land, and does not prohibit the placement of yard signs, with the prior written permission of the individual property owner, on property rented or leased by a corporation from private individuals, subject to the requirements of section 68A.405. This section also does not prohibit the placement of a yard sign on residential property that is owned by a corporation, but rented or leased to a private individual, if the prior permission of the renter or lessee is obtained.

5. For purposes of this section, "committee" shall include statutory political committees organized under chapter 43, and nonparty political organizations organized under chapter 44.

6. Any person convicted of a violation of any of the provisions of this section shall be guilty of a serious misdemeanor.

A lobbyist or political committee, other than a state statutory political committee, county statutory political committee, or a national political party, shall not contribute to, act as an agent or intermediary for contributions to, or arrange for the making of monetary or in-kind contributions to the campaign of an elected state official, member of the general assembly, or candidate for state office on any day during the regular legislative session and, in the case of the governor or a gubernatorial candidate, during the thirty days following the adjournment of a regular legislative session allowed for the signing of bills. This section shall not apply to the receipt of contributions by an elected state official, member of the general assembly, or other state official who has taken affirmative action to seek nomination or election to a federal elective office.

The form shall inform the taxpayer of the consequences of the choices provided under this section, but this information may be contained in a footnote or other suitable form if the director of revenue finds it is not feasible to place the information immediately above the signature line. #### 68B.21 Legislative intent.

It is the goal of the general assembly that public officials and public employees of the state be extremely cautious and circumspect about accepting a gratuity or favor, especially from persons that have a substantial interest in the legislative, administrative, or political actions of the official or employee. Even where there is a genuine personal friendship, the acceptance of personal benefits from those who could gain advantage by influencing official actions raises suspicions that tend to undermine the public trust. It is therefore the intent of the general assembly that the provisions of this division be construed to discourage all gratuities, but to prohibit only those that create unacceptable conflicts of interest or appearances of impropriety.

3. Review the contents of all campaign finance disclosure reports and statements filed with the board and promptly advise each person or committee of errors found. The board may verify information contained in the reports with other parties to assure accurate disclosure. The board may also verify information by requesting that a candidate or committee produce copies of receipts, bills, logbooks, or other memoranda of reimbursements of expenses to a candidate for expenses incurred during a campaign. The board, upon its own motion, may initiate action and conduct a hearing relating to requirements under chapter 68A. The board may require a county commissioner of elections to periodically file summary reports with the board.

4. Receive and file registration and reporting from lobbyists of the executive branch of state government, client disclosure from clients of lobbyists of the executive branch of state government, and personal financial disclosure information from officials and employees in the executive branch of state government who are required to file personal financial disclosure information under this chapter. 6. Assure that the statements and reports which have been filed in accordance with this chapter and chapter 68A are available for public inspection and copying during the regular office hours of the office in which they are filed and not later than by the end of the day during which a report or statement was received. Rules adopted relating to public inspection and copying of statements and reports may include a charge for any copying and mailing of the reports and statements, shall provide for the mailing of copies upon the request of any person and upon prior receipt of payment of the costs by the board, and shall prohibit the use of the information copied from reports and statements for soliciting contributions or for any commercial purpose by any person other than statutory political committees.

7. Require that the candidate of a candidate's committee, or the chairperson of a political committee, is responsible for filing disclosure reports under chapter 68A, and shall receive notice from the board if the committee has failed to file a disclosure report at the time required under chapter 68A. #### **68B.32B Complaint procedures.**

1. Any person may file a complaint alleging that a candidate, committee, person holding a state office in the executive branch of state government, employee of the executive branch of state government, or other person has committed a violation of chapter 68A or rules adopted by the board. Any person may file a complaint alleging that a person holding a state office in the executive branch of state government, an employee of the executive branch of state government, or a lobbyist or a client of a lobbyist of the executive branch of state government has committed a violation of this chapter or rules adopted by the board. The board shall prescribe and provide forms for this purpose. A complaint must include the name and address of the complainant, a statement of the facts believed to be true that form the basis of the complaint, including the sources of information and approximate dates of the acts alleged, and a certification by the complainant under penalty of perjury that the facts stated to be true are true to the best of the complainant's knowledge.

2. The board staff shall review the complaint to determine if the complaint is sufficient as to form. If the complaint is deficient as to form, the complaint shall be returned to the complainant with a statement of the deficiency and an explanation describing how the deficiency may be cured. If the complaint is sufficient as to form, the complaint shall be referred for legal review.

3. Unless the chairperson of the board concludes that immediate notification would prejudice a preliminary investigation or subject the complainant to an unreasonable risk, the board shall mail a copy of the complaint to the subject of the complaint within three working days of the acceptance of the complaint. If a determination is made by the chairperson not to mail a copy of the complaint to the subject of the complaint within the three working days time period, the board shall approve and establish the time and conditions under which the subject will be informed of the filing and contents of the complaint.

4. Upon completion of legal review, the chairperson of the board shall be advised whether, in the opinion of the legal advisor, the complaint states an allegation which is legally sufficient. A legally sufficient allegation must allege all of the following:

a. Facts that would establish a violation of a provision of this chapter, chapter 68A, or rules adopted by the board.

b. Facts that would establish that the conduct providing the basis for the complaint occurred within three years of the complaint.

c. Facts that would establish that the subject of the complaint is a party subject to the jurisdiction of the board.

5. After receiving an evaluation of the legal sufficiency of the complaint, the chairperson shall refer the complaint to the board for a formal determination by the board of the legal sufficiency of the allegations contained in the complaint.

6. If the board determines that none of the allegations contained in the complaint are legally sufficient, the complaint shall be dismissed. The complainant shall be sent a notice of dismissal stating the reason or reasons for the dismissal. If a copy of the complaint was sent to the subject of the complaint, a copy of the notice shall be sent to the subject of the complaint. If the board determines that any allegation contained in the complaint is legally sufficient, the complaint shall be referred to the board staff for investigation of any legally sufficient allegations.

7. Notwithstanding subsections 1 through 6, the board may, on its own motion and without the filing of a complaint by another person, initiate investigations into matters that the board believes may be subject to the board's jurisdiction. This section does not preclude persons from providing information to the board for possible board-initiated investigation instead of filing a complaint.

8. The purpose of an investigation by the board's staff is to determine whether there is probable cause to believe that there has been a violation of this chapter or of rules adopted by the board. To facilitate the conduct of investigations, the board may issue and seek enforcement of subpoenas requiring the attendance and testimony of witnesses and subpoenas requiring the production of books, papers, records, and other real evidence relating to the matter under investigation. Upon the request of the board, an appropriate county attorney or the attorney general shall assist the staff of the board in its investigation.

9. If the board determines on the basis of an investigation by board staff that there is probable cause to believe the existence of facts that would establish a violation of this chapter, or of rules adopted by the board, the board may issue a statement of charges and notice of a contested case proceeding to the complainant and to the person who is the subject of the complaint, in the manner provided for the issuance of statements of charges under chapter 17A. If the board determines on the basis of an investigation by staff that there is no probable cause to believe that a violation has occurred, the board shall close the investigation, dismiss any related complaint, and the subject of the complaint shall be notified of the dismissal. If the investigation originated from a complaint filed by a person other than the board, the person making the complaint shall also be notified of the dismissal.

10. At any stage during the investigation or after the initiation of a contested case proceeding, the board may approve a settlement regarding an alleged violation. Terms of a settlement shall be reduced to writing and be available for public inspection. An informal settlement may provide for any remedy specified in section 68B.32D. However, the board shall not approve a settlement unless the board determines that the terms of the settlement are in the public interest and are consistent with the purposes of this chapter and rules of the board. In addition, the board may authorize board staff to seek informal voluntary compliance in routine matters brought to the attention of the board or its staff.

11. A complaint shall be a public record, but some or all of the contents may be treated as confidential under section 22.7, subsection 18, to the extent necessary under subsection 3 of this section. Information informally reported to the board and board staff which results in a board-initiated investigation shall be a public record but may be treated as confidential information consistent with the provisions of section 22.7, subsection 18. If the complainant, the person who provides information to the board, or the person who is the subject of an investigation publicly discloses the existence of an investigation, the board may publicly confirm the existence of the disclosed formal complaint or investigation and, in the board's discretion, make the complaint or the informal referral public, as well as any other documents that were issued by the board to any party to the investigation. However, investigative materials may be furnished to the appropriate law enforcement authorities by the board at any time. Upon the commencement of a contested case proceeding by the board, all investigative material relating to that proceeding shall be made available to the subject of the proceeding. The entire record of any contested case proceeding initiated under this section shall be a public record.

12. Board records used to achieve voluntary compliance to resolve discrepancies and deficiencies shall not be confidential unless otherwise required by law.

93 Acts, ch 163, §16; 94 Acts, ch 1092, §8

1. Contested case proceedings initiated as a result of the issuance of a statement of charges pursuant to section 68B.32B, subsection 9, shall be conducted in accordance with the requirements of chapter 17A. Clear and convincing evidence shall be required to support a finding that a person has violated this chapter or any rules adopted by the board pursuant to this chapter. A preponderance of the evidence shall be required to support a finding that a person has violated chapter 68A or any rules adopted by the board pursuant to chapter 68A. The case in support of the statement of charges shall be presented at the hearing by one of the board's attorneys or staff unless, upon the request of the board, the charges are prosecuted by another legal counsel designated by the attorney general. A person making a complaint under section 68B.32B, subsection 1, is not a party to contested case proceedings conducted relating to allegations contained in the complaint.

2. Hearings held pursuant to this chapter shall be heard by a quorum of the board, unless the board designates a board member or an administrative law judge to preside at the hearing. If a quorum of the board does not preside at the hearing, the board member or administrative law judge shall make a proposed decision. The board or presiding board member may be assisted by an administrative law judge in the conduct of the hearing and the preparation of a decision.

3. Upon a finding by the board that the party charged has violated this chapter or rules adopted by the board, the board may impose any penalty provided for by section 68B.32D. Upon a final decision of the board finding that the party charged has not violated this chapter or the rules of the board, the complaint shall be dismissed and the party charged and the original complainant, if any, shall be notified.

4. The right of an appropriate county attorney or the attorney general to commence and maintain a district court prosecution for criminal violations of the law is unaffected by any proceedings under this section.

5. The board shall adopt rules, pursuant to chapter 17A, establishing procedures to implement this section.

*g.* If the violation is a violation of this chapter or rules adopted by the board pursuant to this chapter and the violator is a lobbyist of the executive branch of state government, censure, reprimand, or impose other sanctions deemed appropriate by the board. A lobbyist may also be suspended from lobbying activities if the board finds that suspension is an appropriate sanction for the violation committed.

*h.* Issue an order requiring the violator to pay a civil penalty of not more than two thousand dollars for each violation of this chapter, chapter 68A, or rules adopted by the board.

*i.* Refer the complaint and supporting information to the attorney general or appropriate county attorney with a recommendation for prosecution or enforcement of criminal penalties.

## FINANCING SCHOOL PROGRAMS

**257.18 Instructional support program.**

1. An instructional support program that provides additional funding for school districts is established. A board of directors that wishes to consider participating in the instructional support program shall hold a public hearing on the question of participation. The board shall set forth its proposal, including the method that will be used to fund the program, in a resolution and shall publish the notice of the time and place of a public hearing on the resolution. Notice of the time and place of the public hearing shall be published not less than ten nor more than twenty days before the public hearing in a newspaper which is a newspaper of general circulation in the school district. At the hearing, or no later than thirty days after the date of the hearing, the board shall take action to adopt a resolution to participate in the instructional support program for a period not exceeding five years or to direct the county commissioner of elections to submit the question of participation in the program for a period not exceeding ten years to the registered voters of the school district at the next regular school election or at a special election. If the board submits the question at an election and a majority of those voting on the question favors participation in the program, the board shall adopt a resolution to participate and certify the results of the election to the department of management.

2. If the board does not provide for an election and adopts a resolution to participate in the instructional support program, the district shall participate in the instructional support program unless within twenty-eight days following the action of the board, the secretary of the board receives a petition containing the required number of signatures, asking that an election be called to approve or disapprove the action of the board in adopting the instructional support program. The petition must be signed by eligible electors equal in number to not less than one hundred or thirty percent of the number of voters at the last preceding regular school election, whichever is greater. The board shall either rescind its action or direct the county commissioner of elections to submit the question to the registered voters of the school district at the next following regular school election or a special election. If a majority of those voting on the question at the election favors disapproval of the action of the board, the district shall not participate in the instructional support program. If a majority of those voting on the question favors approval of the action, the board shall certify the results of the election to the department of management and the district shall participate in the program.

At the expiration of the twenty-eight day period, if no petition is filed, the board shall certify its action to the department of management and the district shall participate in the program.

3. Participation in an instructional support program is not affected by a change in the boundaries of the school district, except as otherwise provided in this section. If each school district involved in a school reorganization under chapter 275 has approved an instructional support program, and if the voters have not voted upon the question of participation in the program in the reorganized district, the instructional support program shall be in effect for the reorganized district that has been approved for the least amount and the shortest time in any of the districts.

**257.27 Continuation of instructional support program.**

At the expiration of the period for which the instructional support program was adopted, the program may be extended for a period of not exceeding five or ten years in the manner provided in section 257.18.

If the voters do not approve adoption of the instructional support program, the board shall wait at least one hundred twenty days following the election before taking action to adopt the program or resubmit the proposition.

89 Acts, ch 135, §27

**257.29 Educational improvement program.**

An educational improvement program is established to provide additional funding for school districts in which the regular program district cost per pupil for a budget year is one hundred ten percent of the regular program state cost per pupil for the budget year and which have approved the use of the instructional support program established in section 257.18. A board of directors that wishes to consider participating in the educational improvement program shall hold a hearing on the question of participation and the maximum percent of the regular program district cost of the district that will be used. The hearing shall be held in the manner provided in section 257.18 for the instructional support program. Following the hearing, the board may direct the county commissioner of elections to submit the question to the registered voters of the school district at the next following regular school election or a special election held not later than the following February 1. If a majority of those voting on the question favors participation in the program, the board shall adopt a resolution to participate and shall certify the results of the election to the department of management and the district shall participate in the program. If a majority of those voting on the question does not favor participation, the district shall not participate in the program.

The educational improvement program shall provide additional revenues each fiscal year equal to a specified percent of the regular program district cost of the district, as determined by the board but not more than the maximum percent authorized by the electors if an election has been held. Certification of a district's participation for a budget year, the method of funding, and the amount to be raised shall be made to the department of management not later than April 15 of the base year.

The educational improvement program shall be funded by either an educational improvement property tax or by a combination of an educational improvement property tax and an educational improvement income surtax. The method of raising the educational improvement moneys shall be determined by the board. Subject to the limitation in section 298.14, if the board uses a combination of an educational improvement property tax and an educational improvement income surtax, the board shall determine the percent of income surtax to be imposed, expressed as full percentage points, not to exceed twenty percent.

The department of management shall establish the amount of the educational improvement property tax to be levied or the amount of the combination of the educational improvement property tax to be levied and the amount of the school district income surtax to be imposed for each school year that the educational improvement amount is authorized. The educational improvement property tax and income surtax, if an income surtax is imposed, shall be levied and imposed, collected, and paid to the school district in the manner provided for the instructional support program in sections 257.21 through 257.26. Moneys received by a school district under the educational improvement program are miscellaneous income.

Once approved at an election, the authority of the board to use the educational improvement program shall continue until the board votes to rescind the educational improvement program or the voters of the school district by majority vote order the discontinuance of the program. The board shall call an election to vote on the proposition whether to discontinue the program upon the receipt of a petition signed by not less than one hundred eligible electors or thirty percent of the number of electors voting at the last preceding school election, whichever is greater.

Participation in an educational improvement program is not affected by a change in the boundaries of the school district, except as otherwise provided in this section. If each school district involved in school reorganization under chapter 275 has approved an educational improvement program, and if the voters have not voted upon the question of participation in the program in the reorganized district, the educational improvement program shall be in effect for the reorganized district that has been approved for the least amount and the shortest time in any of the districts.

Notwithstanding the requirement in the first unnumbered paragraph of this section that the regular program district cost per pupil for a budget year is one hundred ten percent of the regular state cost per pupil, the board of directors may participate in the educational improvement program as provided in this section if the school district had adopted an enrichment levy of fifteen percent of the state cost per pupil multiplied by the budget enrollment in the district prior to July 1, 1992, and upon expiration of the period for which the enrichment levy was adopted, adopts a resolution for the use of the instructional support program established in section 257.18. The maximum percent of the regular district cost of the district that may be used under this paragraph shall not exceed five percent.

a. All director district boundaries shall follow the boundaries of areas for which official population figures are available from the most recent federal decennial census and, wherever possible, shall follow precinct boundaries.

b. To the extent possible in order to comply with paragraph "a", all director districts shall be as nearly equal as practicable to the ideal population for the districts as determined by dividing the number of districts to be established into the population of the school district.

c. All districts shall be composed of contiguous territory as compact as practicable unless the school district is composed of marginally adjacent territory. A school district which is composed of marginally adjacent territory shall have director districts composed of contiguous territory to the extent practicable.

d. Consideration shall not be given to the addresses of incumbent officeholders, political affiliations of registered voters, previous election results, or demographic information other than population head counts, except as required by the Constitution and the laws of the United States.

e. Cities shall not be divided into two or more districts unless the population of the city is greater than the ideal size of a director district. Cities shall be divided into the smallest number of director districts possible.

2. Following each federal decennial census the school board shall determine whether the existing director district boundaries meet the standards in subsection 1 according to the most recent federal decennial census. In addition to the authority granted to voters to change the number of directors or method of election as provided in sections 275.35, 275.36, and 278.1, the board of directors of a school district may, following a federal decennial census, by resolution and in accordance with this section, authorize a change in the method of election as set forth in section 275.12, subsection 2, or a change to either five or seven directors after the board conducts a hearing on the resolution. If the board proposes to change the number of directors from seven to five directors, the resolution shall include a plan for reducing the number of directors. If the board proposes to increase the number of directors to seven directors, two directors shall be added according to the procedure described in section 277.23, subsection 2. If necessary, the board of directors shall redraw the director district boundaries. The director district boundaries shall be described in the resolution adopted by the school board. The resolution shall be adopted no earlier than November 15 of the year immediately following the year in which the federal decennial census is taken nor later than May 15 of the second year immediately following the year in which the federal decennial census is taken. A copy of the plan shall be filed with the area education agency administrator of the area education agency in which the school's electors reside. If the board does not provide for an election as provided in sections 275.35, 275.36, and 278.1 and adopts a resolution to change the number of directors or method of election in accordance with this subsection, the district shall change the number of directors or method of election as provided unless, within twenty-eight days following the action of the board, the secretary of the board receives a petition containing the required number of signatures, asking that an election be called to approve or disapprove the action of the board in adopting the resolution. The petition must be signed by eligible electors equal in number to not less than one hundred or thirty percent of the number of voters at the last preceding regular school election, whichever is greater. The board shall either rescind its action or direct the county commissioner of elections to submit the question to the registered voters of the school district at the next following regular school election or a special election. If a majority of those voting on the question at the election favors disapproval of the action of the board, the district shall not

change the number of directors or method of election. If a majority of those voting on the question does not favor disapproval of the action, the board shall certify the results of the election to the department of management and the district shall change the number of directors or method of election as provided in this subsection. At the expiration of the twenty-eight-day period, if no petition is filed, the board shall certify its action to the department of management and the district shall change the number of directors or method of election as provided in this subsection.

3. The school board shall notify the state commissioner of elections and the county commissioner of elections of each county in which a portion of the school district is located when the boundaries of director districts are changed. The notices of changes submitted to the state commissioner shall be postmarked no later than the deadline for adoption of the resolution under subsection 2. The board shall provide the commissioners with maps showing the new boundaries and shall also certify to the state commissioner the populations of the new director districts as determined under the latest federal decennial census. If, following a federal decennial census a school district elects not to redraw director districts under this section, the school board shall so certify to the state commissioner of elections, and the school board shall also certify to the state commissioner the populations of the retained director districts as determined under the latest federal decennial census. If the state commissioner determines that a district board has failed to make the required changes by the dates specified by this section, the state commissioner of elections shall make or cause to be made the necessary changes as soon as possible. The state commissioner shall assess any expenses incurred to the school district. The state commissioner of elections may request the services of personnel of and materials available to the legislative services agency to assist the state commissioner in making any required boundary changes.

4. If more than one incumbent director resides in a redrawn director district, the terms of office of the affected directors expire at the organizational meeting of the board of directors following the next regular school election following the adoption of the redrawn districts.

5. The boundary changes under this section take effect July 1 following their adoption for the next regular school election.

When objections are filed notice shall forthwith be given to the candidate affected, addressed to the candidate's place of residence as given on the candidate's affidavit, stating that objections have been made to the legal sufficiency of the petition or to the eligibility of the candidate, and also stating the time and place the objections will be considered.

Objections shall be considered not later than two working days following the receipt of the objections by the president of the school board, the secretary of the school board, and one additional member of the school board chosen by ballot. If objections have been filed to the nominations of either of those school officials, that official shall not pass on the objection. Eligible electors residing within the proposed district in a number not less than five percent of those voting for president of the United States or governor, as the case may be, within the district at the last general election may petition the board of supervisors of the county, or the city council, for the establishment of the library district. ## COUNTY HOSPITALS

### 347.7 Tax levies.

If a county hospital is established, the board of supervisors, at the time of levying ordinary taxes, shall levy a tax at the rate voted not to exceed fifty-four cents per thousand dollars of assessed value in any one year for the erection and equipment of the hospital, and also a tax not to exceed twenty-seven cents per thousand dollars of value for the improvement, maintenance, and replacements of the hospital, as certified by the board of hospital trustees. However, in counties having a population of two hundred twenty-five thousand or over, the levy for taxes payable in the fiscal year beginning July 1, 2001, and for subsequent fiscal years, for improvements and maintenance of the hospital shall not exceed two dollars and five cents per thousand dollars of assessed value in any one year. The proceeds of the taxes constitute the county public hospital fund and the fund is subject to review by the board of supervisors in counties having a population of two hundred twenty-five thousand or over. However, the board of trustees of a county hospital, where funds are available in the county public hospital fund of the county which are unappropriated, may use the unappropriated funds for erecting and equipping hospital buildings and additions to the hospital buildings without authority from the voters of the county.

No levy shall be made for the improvement, maintenance, or replacements of the hospital until the hospital has been constructed, staffed, and receiving patients. If revenue bonds are issued and outstanding under section 331.461, subsection 2, paragraph "d", the board may levy a tax to pay operating and maintenance expenses in lieu of the authority otherwise contained in this section not to exceed twenty-seven cents per thousand dollars of assessed value or not to exceed one dollar and twenty-one and one-half cents per thousand dollars of assessed value for improvements and maintenance of the hospital in counties having a population of two hundred twenty-five thousand or over.

In addition to levies otherwise authorized by this section, the board of supervisors may levy a tax at the rate, not to exceed twenty-seven cents per thousand dollars of assessed value, necessary to raise the amount budgeted by the board of hospital trustees for support of ambulance service as authorized in section 347.14, subsection 14.

The tax levy authorized by this section for operation and maintenance of the hospital may be available in whole or in part to any county with or without a county hospital organized under this chapter, to be used to enhance rural health services in the county. However, the tax levied may be expended for enhancement of rural health care services only following a local planning process. The Iowa department of public health shall establish guidelines to be followed by counties in implementing the local planning process which shall require legal notice, public hearings, and a referendum in accordance with this section and section 347.30 prior to the authorization of any new levy or a change in the use of a levy. Enhancement of rural health services for which the tax levy pursuant to this section may be used includes but is not limited to emergency medical services, health care services shared with other hospitals, rural health clinics, and support for rural health care practitioners and public health services. When alternative use of funds from the tax levy authorized by this section is proposed in a county with a county hospital organized under this chapter, use of the funds shall be agreed upon by the elected board of trustees of the county hospital. When alternative use of funds from the tax levy authorized by this section is proposed in a county without a county hospital organized under this chapter, use of the funds shall be agreed upon by the board of supervisors and any publicly elected hospital board of trustees within the county prior to submission of the question to the voters. Moneys raised from a tax levied in accordance with this paragraph shall be designated and administered by the board of supervisors in a manner consistent with the purposes of the levy.

#### **347.9 Trustees — appointment — terms of office.**

When it has been determined by the voters of a county to establish a county public hospital, the board shall appoint seven trustees chosen from among the resident citizens of the county with reference to their fitness for office, and not more than four of the trustees shall be residents of the city at which the hospital is located. The trustees shall hold office until the following general election, at which time their successors shall be elected, two for a term of two years, two for four years, and three for six years, and they shall determine by lot their respective terms, and thereafter their successors shall be elected for regular terms of six years each. A person or spouse of a person with medical or special staff privileges in the county public hospital or who receives direct or indirect compensation in an amount greater than one thousand five hundred dollars in a calendar year from the county public hospital or direct or indirect compensation in an amount greater than one thousand five hundred dollars in a calendar year from a person contracting for services with the hospital shall not be eligible to serve as a trustee for that county public hospital. However, this section does not prohibit a licensed health care practitioner from serving as a hospital trustee if the practitioner's sole use of the county hospital is to provide health care service to an individual with mental retardation as defined in section 222.2.

(b) If at any time before the end of the thirty-day period after which a meeting may be held to take action to enter into the lease or lease-purchase contract, a petition is filed with the clerk of the city in the manner provided by section 362.4, asking that the question of entering into the lease or lease-purchase contract be submitted to the registered voters of the city, the governing body shall either by resolution declare the proposal to enter into the lease or lease-purchase contract to have been abandoned or shall direct the county commissioner of elections to call a special election upon the question of entering into the lease or lease-purchase contract. However, for purposes of this subparagraph, the petition shall not require signatures in excess of one thousand persons. The question to be placed on the ballot shall be stated affirmatively in substantially the following manner: Shall the city of ..... enter into a lease or lease-purchase contract in amount of \$..... for the purpose of .....? Notice of the election and its conduct shall be in the manner provided in section 384.26, subsections 2 through 4.

(c) If a petition is not filed or if a petition is filed and the proposition of entering into the lease or lease-purchase contract is approved at an election, the governing body may proceed and enter into the lease or lease-purchase contract.

f. The governing body may authorize a lease or lease-purchase contract payable from the net revenues of a city utility, combined utility system, city enterprise, or combined city enterprise by following the authorization procedures of section 384.83.

g. A lease or lease-purchase contract to which a city is a party or in which a city has a participatory interest is an obligation of a political subdivision of this state for the purposes of chapters 502 and 636, and is a lawful investment for banks, trust companies, building and loan associations, savings and loan associations, investment companies, insurance companies, insurance associations, executors, guardians, trustees, and any other fiduciaries responsible for the investment of funds.

h. Property that is lease-purchased by a city is exempt under section 427.1, subsection 2.

i. A contract for construction by a private party of property to be leased or lease-purchased by a city is not a contract for a public improvement under section 384.95, subsection 1, except for purposes of section 384.102. However, if a lease-purchase contract is funded in advance by means of the lessor depositing moneys to be administered by a city, with the city's obligations to make rent payments commencing with its receipt of moneys, a contract for construction of the property in question awarded by the city is subject to division VI of chapter 384.

1. A petition for incorporation, discontinuance, or boundary adjustment may be filed with the board by a city council, a county board of supervisors, a regional planning authority, or five percent of the registered voters of a city or territory involved in the proposal. Notice of the filing, including a copy of the petition, must be served upon the council of each city for which a discontinuance or boundary adjustment is proposed, the board of supervisors for each county which contains a portion of a city to be discontinued or territory to be incorporated, annexed or severed, the council of a city if an incorporation includes territory within the city's urbanized area, and any regional planning authority for the area involved.

2. Within ninety days of receipt of a petition, the board shall initiate appropriate proceedings or dismiss the petition. The board may combine for consideration petitions or plans which concern the same territory or city or which provide for a boundary adjustment or incorporation affecting common territory. The combined petitions may be submitted for consideration by a special local committee pursuant to section 368.14A.

3. The petition must include substantially the following information as applicable:

- a. A general statement of the proposal.
- b. A map of the territory, city or cities involved.
- c. Assessed valuation of platted and unplatted land.
- d. Names of property owners.
- e. Population density.
- f. Description of topography.
- g. Plans for disposal of assets and assumption of liabilities.
- h. Description of existing municipal services, including but not limited to water supply, sewage disposal, and fire and police protection.
- i. Plans for agreements with any existing special service districts.
- j. In a case of annexation or incorporation, the petition must state that none of the territory is within a city.
- k. In a case of incorporation or consolidation, the petition must state the name of the proposed city.
- l. Plans shall include a formal agreement between affected municipal corporations and counties for the maintenance, improvement and traffic control of any shared roads involved in an incorporation or boundary adjustment.
- m. In the discretion of a city council, a provision for a transition for the imposition of city taxes against property within an annexation area. The provision shall not allow a greater exemption from taxation than the tax exemption formula schedule provided under section 427B.3, subsections 1 through 5, and shall be applied in the levy and collection of taxes. The provision may also allow for the partial provision of city services during the time in which the exemption from taxation is in effect.
- n. In the case of an annexation, a plan for extending municipal services to be provided by the annexing city to the annexed territory within three years of July 1 of the fiscal year in which city taxes are collected against property in the annexed territory.

4. At least fourteen business days before a petition for involuntary annexation is filed as provided in this section, the petitioner shall make its intention known by sending a letter of intent by certified mail to the council of each city whose urbanized area contains a portion of the territory, the board of supervisors of each county which contains a portion of the territory, the regional planning authority of the territory involved, each affected public utility, and to each property owner listed in the petition. The written notification shall include notice that the petitioners shall hold a public meeting on the petition for involuntary annexation prior to the filing of the petition.

5. Before a petition for involuntary annexation may be filed, the petitioner shall hold a public meeting on the petition. Notice of the meeting shall be published in an official county newspaper in each county which contains a part of the territory at least five days before the date of the public meeting. The mayor of the city proposing to annex the territory, or that person's designee, shall serve as chairperson of the public meeting. The city clerk of the same city or the city clerk's designee shall record the proceedings of the public meeting. Any person attending the meeting may submit written comments and may be heard on the petition. The minutes of the public meeting and all documents submitted at the public meeting shall be forwarded to the county board of supervisors of each county where the territory is located and to the board by the chairperson of the meeting.

6. Within thirty days after receiving notice that a petition for involuntary annexation has been filed with the board, the board of supervisors of each county that contains all or a portion of the territory to be annexed shall, by resolution, state whether or not it supports the petition or whether it takes no position in support of or against the petition. If there is a comprehensive plan for the county, the board shall take the plan into account when considering its resolution. A copy of the resolution shall be immediately filed with the annexing city and with the city development board. Failure of a board of supervisors to adopt a resolution shall not delay the proceedings on the petition nor shall such failure be considered a deficiency either in the petition or in the annexing city's proceedings.

**372.4 Mayor-council form.**

1. A city governed by the mayor-council form has a mayor and five council members elected at large, unless the council representation plan is changed pursuant to section 372.13, subsection 11. The council may, by ordinance, provide for a city manager and prescribe the manager's powers and duties, and as long as the council contains an odd number of council members, may change the number of wards, abolish wards, or increase the number of council members at large without changing the form.

However, a city governed, on July 1, 1975, by the mayor-council form composed of a mayor and a council consisting of two council members elected at large and one council member from each of four wards, or a special charter city governed, on July 1, 1975, by the mayor-council form composed of a mayor and a council consisting of two council members elected at large and one council member elected from each of eight wards, may continue until the form of government is changed as provided in section 372.2 or section 372.9. While a city is thus operating with an even number of council members, the mayor may vote to break a tie vote on motions not involving ordinances, resolutions or appointments made by the council alone, and in a special charter city operating with ten council members under this section, the mayor may vote to break a tie vote on all measures.

2. The mayor shall appoint a council member as mayor pro tem, and shall appoint and dismiss the marshal or chief of police except where an intergovernmental agreement makes other provisions for police protection or as otherwise provided in section 400.13. However, the appointment and dismissal of the marshal or chief of police are subject to the consent of a majority of the council. Other officers must be selected as directed by the council. The mayor is not a member of the council and shall not vote as a member of the council.

3. In a city having a population of between five hundred and five thousand, the city council may, or shall upon petition of the electorate meeting the numerical requirements of section 372.2, subsection 1, submit a proposal at the next regular or special city election to reduce the number of council members to three. If a majority of the voters voting on the proposal approves it, the proposal is adopted. If the proposal is adopted, the new council shall be elected at the next regular or special city election. The council shall determine by ordinance whether the three council members are elected at large or by ward.

4. In a city having a population of less than five hundred, the city council may adopt a resolution of intent to reduce the number of council members from five to three and shall call a public hearing on the proposal. Notice of the time and place of the public hearing shall be published as provided in section 362.3, except that at least ten days' notice must be given. At the public hearing, the council shall receive oral and written comments regarding the proposal from any person. Thereafter, the council, at the same meeting as the public hearing or at a subsequent meeting, may adopt a final resolution to reduce the number of council members from five to three or may adopt a resolution abandoning the proposal. If the council adopts a final resolution to reduce the number of council members from five to three, a petition meeting the same requirements specified in section 362.4 for petitions authorized by city code may be filed with the clerk within thirty days following the effective date of the final resolution, requesting that the question of reducing the number of council members from five to three be submitted to the registered voters of the city. Upon receipt of a petition requesting an election, the council shall direct the county commissioner of elections to put the proposal on the ballot for the next regular city election. If the ballot proposal is adopted, the new council shall be elected at the next following regular city election. If a petition is not filed, the council shall notify

the county commissioner of elections by July 1 of the year of the regular city election and the new council shall be elected at that regular city election. If the council notifies the commissioner of elections after July 1 of the year of the regular city election, the change shall take effect at the next following regular city election. The council shall determine by ordinance whether the three council members are elected at large or by ward.

The mayor shall supervise the administration of all departments and report to the council all matters requiring its attention. The mayor is a member of the council and may vote on all matters before the council.

The council member elected to administer the department of accounts and finances is mayor pro tem.

**392.6 Hospital or health care facility trustees.**

If a hospital or health care facility is established by a city, the city shall by ordinance provide for the election, at a general, city, or special election, of three trustees, whose terms of office shall be four years. However, at the first election, three shall be elected and hold their office, one for four years and two for two years, and they shall by lot determine their respective terms. A candidate for hospital or health care facility trustee must be a resident of the hospital or health care facility service area within the boundaries of the state at the time of the election at which the person's name appears on the ballot. A board of trustees elected pursuant to this section shall serve as the sole and only board of trustees for any and all institutions established by a city as provided for in this section.

Cities maintaining an institution as provided for in this section which have a board of trustees consisting of three or five members may by ordinance increase the number of members to five or seven. The ordinance shall provide for the immediate appointment of the additional members necessary to establish a five-member or seven-member board and shall provide that, of the additional members added to the board by appointment, one-half of the additional members added shall serve until the next succeeding general or city election, and the remaining additional members shall serve until the second succeeding general or city election. The ordinance shall also provide that the determination of which election an appointed additional member shall be required to seek election be determined by lot. Thereafter, the terms of office of such additional members shall be four years. However, if a city has adopted an ordinance which increases the number of members of the board of trustees to five or seven members and the terms of office of four of the five members or six of the seven members end in the same year, the date of expiration of the term of one of the four members or two of the six members, to be determined by lot, shall be extended by an additional two years.

Terms of office of trustees elected pursuant to general or city elections shall begin at noon on the first day in January which is not a Sunday or legal holiday. Terms of office of trustees appointed to fill a vacancy or elected pursuant to special elections shall begin at noon on the tenth day after appointment or the special election which is not a Sunday or legal holiday. The trustees shall begin their terms of office by taking the oath of office, and organize as a board by the election of one of their number as chairperson and one as secretary, but no bond shall be required of them. Terms of office of trustees shall extend to noon on the first day in January which is not a Sunday or legal holiday or until their successors are elected and qualified. Vacancies on the board of trustees may, until the next general or regular city election, be filled by appointment by the remaining members of the board of trustees, unless within fourteen days after the appointment is made, there is filed with the city clerk a petition which requests a special election to fill the vacancy. Trustees who are appointed to fill a vacancy or who are elected at special elections shall serve the unexpired terms of office or until their successors are elected and qualified.

The treasurer of the board of trustees shall receive and disburse all funds under the control of the board as ordered by it. The treasurer shall give bond in a form and amount as determined by the board in its discretion.

No trustee shall receive any compensation for services performed, but a trustee may receive reimbursement for any cash expenses actually made for personal expenses incurred as trustee, but an itemized statement of all expenses and moneys paid out shall be made under oath by each of the trustees and filed with the secretary and allowed only by the affirmative vote of the full board.

The board of trustees shall be vested with authority to provide for the management, control, and government of the city hospital or health care facility established as permitted by this section, and shall provide all needed rules for the economic conduct thereof and shall annually prepare a condensed statement of the total receipts and expenditures for the hospital or health care facility and cause the same to be published in a newspaper of general circulation in the city in which the hospital or health care facility is located. In the management of the hospital or health care facility no discrimination shall be made against practitioners of any school of medicine recognized by the laws of the state.

As a part of the board's authority it may accept property by gift, devise, bequest or otherwise; and, if the board deems it advisable, may, at public sale, sell or exchange any property so accepted upon a concurring vote of a majority of all members of the board of trustees, and apply the proceeds thereof, or property received in exchange therefor, to any legitimate hospital or health care facility purpose.

The trustees may in their discretion establish a fund for depreciation as a separate fund. Said funds may be invested in United States government bonds and when so invested the accumulation of interest on the bonds so purchased shall be used for the purposes of the depreciation fund; an investment when so made shall remain in United States government bonds until such time as in the judgment of the board of trustees it is deemed advisable to use the funds for hospital or health care facility purposes.

Boards of trustees of institutions provided for in this section are granted all of the powers and duties necessary for the management, control and government of the institutions, specifically including but not limited to any applicable powers and duties granted boards of trustees under other provisions of the Code relating to hospitals, nursing homes, and custodial homes irrespective of the chapter of the Code under which such institutions are established, organized, operated or maintained.

**422A.1 Hotel and motel tax.**

A city or county may impose by ordinance of the city council or by resolution of the board of supervisors a hotel and motel tax, at a rate not to exceed seven percent, which shall be imposed in increments of one or more full percentage points upon the gross receipts from the renting of sleeping rooms, apartments, or sleeping quarters in a hotel, motel, inn, public lodging house, rooming house, manufactured or mobile home which is tangible personal property, or tourist court, or in any place where sleeping accommodations are furnished to transient guests for rent, whether with or without meals; except the gross receipts from the renting of sleeping rooms in dormitories and in memorial unions at all universities and colleges located in the state of Iowa and the guests of a religious institution if the property is exempt under section 427.1, subsection 8, and the purpose of renting is to provide a place for a religious retreat or function and not a place for transient guests generally. The tax when imposed by a city shall apply only within the corporate boundaries of that city and when imposed by a county shall apply only outside incorporated areas within that county. "Renting" and "rent" include any kind of direct or indirect charge for such sleeping rooms, apartments, or sleeping quarters, or their use. However, the tax does not apply to the gross receipts from the renting of a sleeping room, apartment, or sleeping quarters while rented by the same person for a period of more than thirty-one consecutive days.

Within ten days of the election at which a majority of those voting on the question favors the imposition, repeal, or change in the rate of the hotel and motel tax, the county auditor shall give written notice by sending a copy of the abstract of votes from the favorable election to the director of revenue.

A local hotel and motel tax shall be imposed on January 1, April 1, July 1, or October 1, following the notification of the director of revenue. Once imposed, the tax shall remain in effect at the rate imposed for a minimum of one year. A local hotel and motel tax shall terminate only on March 31, June 30, September 30, or December 31. At least forty-five days prior to the tax being effective or prior to a revision in the tax rate, or prior to the repeal of the tax, a city or county shall provide notice by mail of such action to the director of revenue.

A city or county shall impose a hotel and motel tax or increase the tax rate only after an election at which a majority of those voting on the question favors imposition or increase. However, a hotel and motel tax shall not be repealed or reduced in rate if obligations are outstanding which are payable as provided in section 422A.2, unless funds sufficient to pay the principal, interest, and premium, if any, on the outstanding obligations at and prior to maturity have been properly set aside and pledged for that purpose. The election shall be held at the time of the regular city election or the county's general election or at the time of a special election.

The director of revenue shall administer a local hotel and motel tax as nearly as possible in conjunction with the administration of the state sales tax law. The director shall provide appropriate forms, or provide on the regular state tax forms, for reporting local hotel and motel tax liability. All moneys received or refunded one hundred eighty days after the date on which a city or county terminates its local hotel and motel tax shall be deposited in or withdrawn from the state general fund.

The director, in consultation with local officials, shall collect and account for a local hotel and motel tax and shall credit all revenues to a "local transient guest tax fund" established by section 422A.2.

No tax permit other than the state tax permit required under section 422.53 may be required by local authorities.

The tax levied shall be in addition to any state sales tax imposed under section 422.43. Section 422.25, subsection 4, sections 422.30, 422.48 to 422.52, 422.54 to 422.58, 422.67, 422.68, 422.69, subsection 1, and sections 422.70 to 422.75, consistent with the provisions of this chapter, apply with respect to the taxes authorized under this chapter, in the same manner and with the same effect as if the hotel and motel taxes were retail sales taxes within the meaning of those statutes. Notwithstanding this paragraph, the director shall provide for quarterly filing of returns as prescribed in section 422.51 and for other than quarterly filing of returns as prescribed in section 422.51, subsection 2. The director may require all persons, as defined in section 422.42, who are engaged in the business of deriving gross receipts subject to tax under this chapter, to register with the department.

f. A city or county acting on behalf of an unincorporated area may, in lieu of calling an election, institute proceedings for the issuance of bonds under this section by causing a notice of the proposal to issue the bonds, including a statement of the amount and purpose of the bonds, together with the maximum rate of interest which the bonds are to bear, and the right to petition for an election, to be published at least once in a newspaper of general circulation within the city or unincorporated area at least ten days prior to the meeting at which it is proposed to take action for the issuance of the bonds.

If at any time before the date fixed for taking action for the issuance of the bonds, a petition signed by eligible electors residing in the city or the unincorporated area equal in number to at least three percent of the registered voters of the city or unincorporated area is filed, asking that the question of issuing the bonds be submitted to the registered voters of the city or unincorporated area, the council or board of supervisors acting on behalf of an unincorporated area shall either by resolution declare the proposal to issue the bonds to have been abandoned or shall direct the county commissioner of elections to call a special election upon the question of issuing the bonds.

The proposition of issuing bonds under this section is not approved unless the vote in favor of the proposition is equal to a majority of the vote cast.

If no petition is filed, or if a petition is filed and the proposition of issuing the bonds is approved at an election, the council or board of supervisors acting on behalf of an unincorporated area may proceed with the authorization and issuance of the bonds.

Bonds may be issued for the purpose of refunding outstanding and previously issued bonds under this subsection without otherwise complying with this paragraph.

#### LOCAL OPTION TAXES

##### **422B.1 Authorization — election — imposition and repeal.**

1. A county may impose by ordinance of the board of supervisors local option taxes authorized by this chapter, subject to this section and subject to the exception provided in subsection 2.

2. *a.* A city whose corporate boundaries include areas of two counties may impose by ordinance of its city council a local sales and services tax if all of the following apply:

(1) At least eighty-five percent of the residents of the city live in one county.

(2) The county in which at least eighty-five percent of the city residents reside has held an election on the question of the imposition of a local sales and services tax and a majority of those voting on the question in the city favored its imposition.

(3) The city has entered into an agreement on the distribution of the sales and services tax revenues collected from the area where the city tax is imposed with the county where such area is located.

b. The city council of a city authorized to impose a local sales and services tax pursuant to paragraph "a" shall only do so subject to all of the following restrictions:

(1) The tax shall only be imposed in the area of the city located in the county where not more than fifteen percent of the city's residents reside.

(2) The tax shall be at the same rate and become effective at the same time as the county tax imposed in the other area of the city.

(3) The tax once imposed shall continue to be imposed until the county-imposed tax is reduced or increased in rate or repealed, and then the city-imposed tax shall also be reduced or increased in rate or repealed in the same amount and be effective on the same date.

(4) The tax shall be imposed on the same basis as provided in section 422B.8 and notification requirements in section 422B.9 apply.

(5) The city shall assist the department of revenue to identify the businesses in the area which are to collect the city-imposed tax. The process shall be ongoing as long as the city tax is imposed.

c. The agreement on the distribution of the revenues collected from the city-imposed tax shall provide that fifty percent of such revenues shall be remitted to the county in which the part of the city where the city tax is imposed is located.

d. The latest certified federal census preceding the election held by the county on the question of imposition of the local sales and services tax shall be used in determining if the city qualifies under paragraph "a", subparagraph (1), to impose its own tax and in determining the area where the city tax may be imposed under paragraph "b", subparagraph (1).

e. A city is not authorized to impose a local sales and services tax under this subsection after July 1, 2000. A city that has imposed a local sales and services tax under this subsection on or before July 1, 2000, may continue to collect the tax until such time as the tax is repealed by the city and the fact that the area acquires more than fifteen percent of the city's residents after the tax is imposed shall not affect the imposition or collection of the tax.

3. A local option tax shall be imposed only after an election at which a majority of those voting on the question favors imposition and shall then be imposed until repealed as provided in subsection 6, paragraph "a". If the tax is a local vehicle tax imposed by a county, it shall apply to all incorporated and unincorporated areas of the county. If the tax is a local sales and services tax imposed by a county, it shall only apply to those incorporated areas and the unincorporated area of that county in which a majority of those voting in the area on the tax favors its imposition. For purposes of the local sales and services tax, all cities contiguous to each other shall be treated as part of one incorporated area and the tax would be imposed in each of those contiguous cities only if the majority of those voting in the total area covered by the contiguous cities favors its imposition. For purposes of the local sales and services tax, a city is not contiguous to another city if the only road access between the two cities is through another state.

4. *a.* A county board of supervisors shall direct within thirty days the county commissioner of elections to submit the question of imposition of a local vehicle tax or a local sales and services tax to the registered voters of the incorporated and unincorporated areas of the county upon receipt of a petition, requesting imposition of a local vehicle tax or a local sales and services tax, signed by eligible electors of the whole county equal in number to five percent of the persons in the whole county who voted at the last preceding state general election. In the case of a local vehicle tax, the petition requesting imposition shall specify the rate of tax and the classes, if any, that are to be exempt. If more than one valid petition is received, the earliest received petition shall be used.

*b.* The question of the imposition of a local sales and services tax shall be submitted to the registered voters of the incorporated and unincorporated areas of the county upon receipt by the county commissioner of elections of the motion or motions, requesting such submission, adopted by the governing body or bodies of the city or cities located within the county or of the county, for the unincorporated areas of the county, representing at least one half of the population of the county. Upon adoption of such motion, the governing body of the city or county, for the unincorporated areas, shall submit the motion to the county commissioner of elections and in the case of the governing body of the city shall notify the board of supervisors of the adoption of the motion. The county commissioner of elections shall keep a file on all the motions received and, upon reaching the population requirements, shall publish notice of the ballot proposition concerning the imposition of the local sales and services tax. A motion ceases to be valid at the time of the holding of the regular election for the election of members of the governing body which adopted the motion. The county commissioner of elections shall eliminate from the file any motion that ceases to be valid. The manner provided under this paragraph for the submission of the question of imposition of a local sales and services tax is an alternative to the manner provided in paragraph "a".

5. The county commissioner of elections shall submit the question of imposition of a local option tax at a state general election or at a special election held at any time other than the time of a city regular election. The election shall not be held sooner than sixty days after publication of notice of the ballot proposition. The ballot proposition shall specify the type and rate of tax and in the case of a vehicle tax the classes that will be exempt and in the case of a local sales and services tax the date it will be imposed which date shall not be earlier than ninety days following the election. The ballot proposition shall also specify the approximate amount of local option tax revenues that will be used for property tax relief and shall contain a statement as to the specific purpose or purposes for which the revenues shall otherwise be expended. If the county board of supervisors decides under subsection 6 to specify a date on which the local option sales and services tax shall automatically be repealed, the date of the repeal shall also be specified on the ballot. The rate of the vehicle tax shall be in increments of one dollar per vehicle as set by the petition seeking to impose the tax. The rate of a local sales and services tax shall not be more than one percent as set by the governing body. The state commissioner of elections shall establish by rule the form for the ballot proposition which form shall be uniform throughout the state.

6. *a.* If a majority of those voting on the question of imposition of a local option tax favors imposition of a local option tax, the governing body of that county shall impose the tax at the rate specified for an unlimited period. However, in the case of a local sales and services tax, the county shall not impose the tax in any incorporated area or the unincorporated area if the majority of those voting on the tax in that area did not favor its imposition. For purposes of the local sales and services tax, all cities contiguous to each other shall be treated as part of one incorporated area and the tax shall be imposed in each of those contiguous cities only if the majority of those voting on the tax in the total area covered by the contiguous cities favored its imposition. The local option tax may be repealed or the rate increased or decreased or the use thereof changed after an election at which a majority of those voting on the question of repeal or rate or use change favored the repeal or rate or use change. The date on which the repeal, rate, or use change is to take effect shall not be earlier than ninety days following the election. The election at which the question of repeal or rate or use change is offered shall be called and held in the same manner and under the same conditions as provided in subsections 4 and 5 for the election on the imposition of the local option tax. However, in the case of a local sales and services tax where the tax has not been imposed countywide, the question of repeal or imposition or rate or use change shall be voted on only by the registered voters of the areas of the county where the tax has been imposed or has not been imposed, as appropriate. However, the governing body of the incorporated area or unincorporated area where the local sales and services tax is imposed may, upon its own motion, request the county commissioner of elections to hold an election in the incorporated or unincorporated area, as appropriate, on the question of the change in use of local sales and services tax revenues. The election may be held at any time but not sooner than sixty days following publication of the ballot proposition. If a majority of those voting in the incorporated or unincorporated area on the change in use favors the change, the governing body of that area shall change the use to which the revenues shall be used. The ballot proposition shall list the present use of the revenues, the proposed use, and the date after which revenues received will be used for the new use.

When submitting the question of the imposition of a local sales and services tax, the county board of supervisors may direct that the question contain a provision for the repeal, without election, of the local sales and services tax on a specific date, which date shall be as provided in section 422B.9, subsection 1.

*b.* Within ten days of the election at which a majority of those voting on the question favors the imposition, repeal, or change in the rate of a local option tax, the county auditor shall give written notice of the result of the election by sending a copy of the abstract of the votes from the favorable election to the director of revenue or, in the case of a local vehicle tax, to the director of the department of transportation.

7. More than one of the authorized local option taxes may be submitted at a single election and the different taxes shall be separately implemented as provided in this section.

Costs of local option tax elections shall be apportioned among jurisdictions within the county voting on the question at the same election on a pro rata basis in proportion to the number of registered voters in each taxing jurisdiction and the total number of registered voters in all of the taxing jurisdictions.

8. Local option taxes authorized to be imposed as provided in this chapter are a local sales and services tax and a local vehicle tax. The rate of the tax shall be in increments of one dollar per vehicle for a vehicle tax as set on the petition seeking to impose the vehicle tax. The rate of a local sales and services tax shall not be more than one percent as set by the governing body.

9. In a county that has imposed a local option sales and services tax, the board of supervisors shall, notwithstanding any contrary provision of this chapter, repeal the local option sales and services tax in the unincorporated areas or in an incorporated city area in which the tax has been imposed upon adoption of its own motion for repeal in the unincorporated areas or upon receipt of a motion adopted by the governing body of that incorporated city area requesting repeal. The board of supervisors shall repeal the local option sales and services tax effective on the later of the date of the adoption of the repeal motion or the earliest date specified in section 422B.9, subsection 1. For purposes of this subsection, incorporated city area includes an incorporated city which is contiguous to another incorporated city.

10. Notwithstanding subsection 9 or any other contrary provision of this chapter, a local option sales and services tax shall not be repealed or reduced in rate if obligations are outstanding which are payable as provided in section 422B.12, unless funds sufficient to pay the principal, interest, and premium, if any, on the outstanding obligations at and prior to maturity have been properly set aside and pledged for that purpose.

#### **422B.9 Administration.**

1. *a.* A local sales and services tax shall be imposed either January 1 or July 1 following the notification of the director of revenue but not sooner than ninety days following the favorable election. However, a jurisdiction which has voted to continue imposition of the tax may impose that tax without repeal of the prior tax.

*b.* A local sales and services tax shall be repealed only on June 30 or December 31 but not sooner than ninety days following the favorable election if one is held. However, a local sales and services tax shall not be repealed before the tax has been in effect for one year. At least forty days before the imposition or repeal of the tax, a county shall provide notice of the action by certified mail to the director of revenue.

*c.* If a local sales and services tax has been imposed prior to April 1, 2000, and at the time of the election a date for repeal was specified on the ballot, the local sales and services tax may be repealed on that date, notwithstanding paragraph "b".

2. *a.* The director of revenue shall administer a local sales and services tax as nearly as possible in conjunction with the administration of state gross receipts tax laws. The director shall provide appropriate forms or provide on the regular state tax forms for reporting local sales and services tax liability.

b. The ordinance of a county board of supervisors imposing a local sales and services tax shall adopt by reference the applicable provisions of the appropriate sections of chapter 422, division IV, and chapter 423. All powers and requirements of the director to administer the state gross receipts tax law and use tax law are applicable to the administration of a local sales and services tax law and the local excise tax, including but not limited to, the provisions of section 422.25, subsection 4, sections 422.30, 422.48 to 422.52, 422.54 to 422.58, 422.67, 422.68, 422.69, subsection 1, sections 422.70 to 422.75, 423.6, subsections 2 to 4, and sections 423.11 to 423.18, and 423.21. Local officials shall confer with the director of revenue for assistance in drafting the ordinance imposing a local sales and services tax. A certified copy of the ordinance shall be filed with the director as soon as possible after passage.

c. Frequency of deposits and quarterly reports of a local sales and services tax with the department of revenue are governed by the tax provisions in section 422.52. Local tax collections shall not be included in computation of the total tax to determine frequency of filing under section 422.52.

3. a. The director, in consultation with local officials, shall collect and account for a local sales and services tax. The director shall certify each quarter the amount of local sales and services tax receipts and any interest and penalties to be credited to the "local sales and services tax fund" established in the office of the treasurer of state.

b. All local tax moneys and interest and penalties received or refunded one hundred eighty days or more after the date on which the county repeals its local sales and services tax shall be deposited in or withdrawn from the state general fund.

#### **422B.12 Issuance of bonds.**

1. For purposes of this section unless the context otherwise requires:

a. "*Bond issuer*" or "*issuer*" means a city, a county, or a secondary recipient.

b. "*Designated portion*" means the portion of the local option sales and services tax revenues which is authorized to be expended for one or a combination of purposes under an adopted public measure.

c. "*Secondary recipient*" means a political subdivision of the state which is to receive revenues from a local option sales and services tax over a period of years pursuant to the terms of a chapter 28E agreement with one or more cities or counties.

2. An issuer of public bonds which is a recipient of revenues from a local option sales and services tax imposed pursuant to this chapter may issue bonds in anticipation of the collection of one or more designated portions of the local option sales and services tax and may pledge irrevocably an amount of the revenue derived from the designated portions for each of the years the bonds remain outstanding to the payment of the bonds. Bonds may be issued only for one or more of the purposes set forth on the ballot proposition concerning the imposition of the local option sales and services tax, except bonds shall not be issued which are payable from that portion of tax revenues designated for property tax relief. The bonds may be issued in accordance with the procedures set forth in either subsection 3 or 4.

3. The governing body of an issuer may authorize the issuance of bonds which are payable from the designated portion of the revenues of the local option sales and services tax, and not from property tax, by following the authorization procedures set forth for cities in section 384.83. Bonds may be issued for the purpose of refunding outstanding and previously issued bonds under this subsection without otherwise complying with the provisions of this subsection.

4. To authorize the issuance of bonds payable as provided in this subsection, the governing body of an issuer shall comply with all of the procedures as follows:

a. A bond issuer may institute proceedings for the issuance of bonds by causing a notice of the proposal to issue the bonds, including a statement of the amount and purpose of the bonds, together with the maximum rate of interest which the bonds are to bear, and the right to petition for an election, to be published at least once in a newspaper of general circulation within the political subdivision or unincorporated area at least ten days prior to the meeting at which it is proposed to take action for the issuance of the bonds.

If at any time before the date fixed for taking action for the issuance of the bonds, a petition signed by eligible electors residing within the jurisdiction seeking to issue the bonds in a number equal to at least three percent of the registered voters of the bond issuer is filed, asking that the question of issuing the bonds be submitted to the registered voters, the governing body shall either by resolution declare the proposal to issue the bonds to have been abandoned or shall direct the county commissioner of elections to call a special election upon the question of issuing the bonds. The proposition of issuing bonds under this subsection is not approved unless the vote in favor of the proposition is equal to at least sixty percent of the vote cast. If a petition is not filed, or if a petition is filed and the proposition of issuing the bonds is approved at an election, the governing body acting on behalf of the issuer may proceed with the authorization and issuance of the bonds. Bonds may be issued for the purpose of refunding outstanding and previously issued bonds under this subsection without otherwise complying with the provisions of this subsection.

b. The provisions of chapter 76 apply to the bonds payable as provided in this subsection, except that the mandatory levy to be assessed pursuant to section 76.2 shall be at a rate to generate an amount which together with the receipts from the pledged designated portion of the local option sales and services tax is sufficient to pay the interest and principal on the bonds. All amounts collected as a result of the levy assessed pursuant to section 76.2 and paid out in the first instance for bond principal and interest shall be repaid to the bond issuer which levied the tax from the first available designated portion of local option sales and services tax collections received in excess of the requirement for the payment of the principal and interest of the bonds and when repaid shall be applied in reduction of property taxes. The amount of bonds which may be issued under section 76.3 shall be the amount which could be retired from the actual collections of the designated portions of the local option sales and services tax for the last four calendar quarters, as certified by the director of revenue. The amount of tax revenues pledged jointly by other cities or counties may be considered for the purpose of determining the amount of bonds which may be issued. If the local option sales and services tax has been in effect for less than four calendar quarters, the tax collected within the shorter period may be adjusted to project the collections of the designated portion for the full year for the purpose of determining the amount of the bonds which may be issued. The provisions of this section constitute separate authorization for the issuance of bonds and shall prevail in the event of conflict with any other provision of the Code limiting the amount of bonds which may be issued or the source of payment of the bonds. Bonds issued under this section shall not limit or restrict the authority of the bond issuer to issue bonds under other provisions of the Code.

5. A city or county, jointly with one or more other political subdivisions as provided in chapter 28E, may pledge irrevocably any amount derived from the designated portions of the revenues of the local option sales and services tax to the support or payment of bonds of an issuer, issued for one or more purposes set forth on the ballot proposition concerning the imposition of the local option sales and services tax or a political subdivision may apply the proceeds of its bonds to the support of any such purpose.

6. Bonds issued pursuant to this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and shall not be subject to the provisions of any other law or charter relating to the authorization, issuance, or sale of bonds. Bonds issued pursuant to this section are declared to be issued for an essential public and governmental purpose. Bonds issued pursuant to this section shall be authorized by resolution of the governing body and may be issued in one or more series and shall bear the date or dates, be payable on demand or mature at the time or times, bear interest at the rate or rates not exceeding that permitted by chapter 74A, be in the denomination or denominations, be in the form, have the rank or priority, be executed in the manner, be payable in the medium of payment, at the place or places, be subject to the terms of redemption, with or without premium, be secured in the manner, and have the other characteristics, as may be provided by the resolution authorizing their issuance. The bonds may be sold at public or private sale at a price as may be determined by the governing body.

## OPTIONAL TAXES FOR EMERGENCY MEDICAL SERVICES

**422D.1 Authorization — election — imposition and repeal — use of revenues.**

1. A county board of supervisors may offer for voter approval any of the following taxes or a combination of the following taxes:

- a. Local option income surtax.
- b. An ad valorem property tax.

Revenues generated from these taxes shall be used for emergency medical services as provided in section 422D.6.

2. The taxes for emergency medical services shall only be imposed after an election at which a majority of those voting on the question of imposing the tax or combination of taxes specified in subsection 1, paragraph "a" or "b", vote in favor of the question. However, the tax or combination of taxes specified in subsection 1 shall not be imposed on property within or on residents of a benefited emergency medical services district under chapter 357F. The question of imposing the tax or combination of the taxes may be submitted at the regular city election, a special election, or state general election. Notice of the question shall be provided by publication at least sixty days before the time of the election and shall identify the tax or combination of taxes and the rate or rates, as applicable. If a majority of those voting on the question approve the imposition of the tax or combination of taxes, the tax or combination of taxes shall be imposed as follows:

- a. A local option income surtax shall be imposed for tax years beginning on or after January 1 of the fiscal year in which the favorable election was held.
- b. An ad valorem property tax shall be imposed for the fiscal year in which the election was held.

Before a county imposes an income surtax as specified in subsection 1, paragraph "a", a benefited emergency medical services district in the county shall be dissolved, and the county shall be liable for the outstanding obligations of the benefited district. If the benefited district extends into more than one county, the county imposing the income surtax shall be liable for only that portion of the obligations relating to the portion of the benefited district in the county.

3. Revenues received by the county from the taxes imposed under this chapter shall be deposited into the emergency medical services trust fund created pursuant to section 422D.6 and shall be used as provided in that section.

4. Any tax or combination of taxes imposed shall be for a maximum period of five years.

The reason for imposing the tax and the amount needed shall be set out on the ballot. The rate shall be set so as to raise only the amount needed. The levy is repealed for subsequent fiscal years as provided in section 422D.1, subsection 4.

92 Acts, ch 1226, §21

## SCHOOL INFRASTRUCTURE FUNDING

**422E.1 Authorization — rate of tax — use of revenues.**

1. A local sales and services tax for school infrastructure purposes may be imposed by a county on behalf of school districts as provided in this chapter.

If a local sales and services tax for school infrastructure is imposed by a county pursuant to this chapter, a local excise tax for school infrastructure at the same rate shall be imposed by the county on the purchase price of natural gas, natural gas service, electricity, or electric service subject to tax under chapter 423 and not exempted from tax by any provision of chapter 423. The local excise tax for school infrastructure is applicable only to the use of natural gas, natural gas service, electricity, or electric service within those incorporated and unincorporated areas of the county where it is imposed and, except as otherwise provided in this chapter, shall be collected and administered in the same manner as the local sales and services tax for school infrastructure. For purposes of this chapter, "*local sales and services tax for school infrastructure*" shall also include the local excise tax for school infrastructure.

2. The maximum rate of tax shall be one percent. **422E.2 Imposition by county.**

1. *a.* A local sales and services tax shall be imposed by a county only after an election at which a majority of those voting on the question favors imposition. The effective date shall be either January 1 or July 1 but not sooner than ninety days following the favorable election. A local sales and services tax approved by a majority vote shall apply to all incorporated and unincorporated areas of that county.

*b.* A local sales and services tax shall be repealed on either June 30 or December 31 but not sooner than ninety days following the favorable election, if one is held.

*c.* If a local sales and services tax has been imposed prior to April 1, 2000, and at the time of the election a date for repeal was specified on the ballot, the local sales and services tax may be repealed on that date, notwithstanding paragraph "*b*".

2. *a.* Upon receipt by a county board of supervisors of a petition requesting imposition of a local sales and services tax for infrastructure purposes, signed by eligible electors of the whole county equal in number to five percent of the persons in the whole county who voted at the last preceding state general election, the board shall within thirty days direct the county commissioner of elections to submit the question of imposition of the tax to the registered voters of the whole county.

*b.* Alternatively, the question of imposition of a local sales and services tax for school infrastructure purposes may be proposed by motion or motions, requesting such submission, adopted by the governing body of a school district or school districts located within the county containing a total, or a combined total in the case of more than one school district, of at least one-half of the population of the county, or by the county board of supervisors. Upon adoption of such motion, the governing body of a school district shall notify the board of supervisors of the adoption of the motion. The county board of supervisors shall submit the motion to the county commissioner of elections, who shall publish notice of the ballot proposition concerning the imposition of the local sales and services tax. A motion ceases to be valid at the time of the holding of the regular election for the election of members of the governing body which adopted the motion.

3. The county commissioner of elections shall submit the question of imposition of a local sales and services tax for school infrastructure purposes at a state general election or at a special election held at any time other than the time of a city regular election. The election shall not be held sooner than sixty days after publication of notice of the ballot proposition. The ballot proposition shall specify the rate of tax, the date the tax will be imposed and repealed, and shall contain a statement as to the specific purpose or purposes for which the revenues shall be expended. The content of the ballot proposition shall be substantially similar to the petition of the board of supervisors or motions of a school district or school districts requesting the election as provided in subsection 2, as applicable, including the rate of tax, imposition and repeal date, and the specific purpose or purposes for which the revenues will be expended. The dates for the imposition and repeal of the tax shall be as provided in subsection 1. The rate of tax shall not be more than one percent. The state commissioner of elections shall establish by rule the form for the ballot proposition which form shall be uniform throughout the state.

4. *a.* Each school district located within the county may submit a revenue purpose statement to the county commissioner of elections no later than sixty days prior to the election indicating the specific purpose or purposes for which the local sales and services tax for school infrastructure revenue and supplemental school infrastructure amount revenue will be expended. The revenues received pursuant to this chapter shall be expended for the purposes indicated in the revenue purpose statement. The revenue purpose statement may include information regarding the school district's use of the revenues to provide for property tax relief or debt reduction. A copy of the revenue purpose statement shall be made available for public inspection in accordance with chapter 22, shall be posted at the appropriate polling places of each school district during the hours that the polls are open, and be published in a newspaper of general circulation in the school district no sooner than twenty days and no later than ten days prior to the election.

b. If a revenue purpose statement is not submitted sixty days prior to the election or revenues remain after fulfilling the purpose specified in the revenue purpose statement, the revenues shall be used to reduce the following levies in the following order:

- (1) Bond levies under sections 298.18 and 298.18A and all other debt levies, until the moneys received or the levies are reduced to zero.
- (2) The regular physical plant and equipment levy under section 298.2, until the moneys received or the levy is reduced to zero.
- (3) The voter-approved physical plant and equipment levy and income surtax, if any, under section 298.2, until the moneys received or the levy and income surtax, if any, are reduced to zero.
- (4) The public educational and recreational levy under section 300.2, until the moneys received or the levy is reduced to zero.
- (5) The schoolhouse tax levy under section 278.1, subsection 7, Code 1989, until the moneys received or the levy is reduced to zero.

Any money remaining after the reduction of the levies specified in this paragraph "b" may be used for any authorized infrastructure purpose of the school district.

c. Counties holding an election on the local sales and services tax for school infrastructure purposes on or after April 1, 2003, but before July 1, 2003, which approve the imposition of the tax at the election shall expend the revenues for any authorized infrastructure purpose of the school district.

5. a. The tax may be repealed or the rate increased, but not above one percent, or decreased, or the use of the revenues changed after an election at which a majority of those voting on the question of repeal, rate change, or change in use favored the repeal, rate change, or change in use. The election at which the question of repeal, rate change, or change in use is offered shall be called and held in the same manner and under the same conditions as provided in this section for the election on the imposition of the tax. However, an election on the change in use shall only be held in the school district where the change in use is proposed to occur. The election may be held at any time but not sooner than sixty days following publication of the ballot proposition. However, the tax shall not be repealed before it has been in effect for one year.

b. Within ten days of the election at which a majority of those voting on the question favors the imposition, repeal, or change in the rate of the tax, the county auditor shall give written notice of the result of the election by sending a copy of the abstract of the votes from the favorable election to the director of revenue. Election costs shall be apportioned among school districts within the county on a pro rata basis in proportion to the number of registered voters in each school district who reside within the county and the total number of registered voters within the county.

c. A local option sales and services tax shall not be repealed or reduced in rate if obligations are outstanding which are payable as provided in section 422E.4, unless funds sufficient to pay the principal, interest, and premium, if any, on the outstanding obligations at and prior to maturity have been properly set aside and pledged for that purpose. However, this paragraph does not apply to the repeal of the tax on December 31, 2022, as specified in section 422E.1, subsection 2.

**422E.3 Collection of tax.**

1. If a majority of those voting on the question of imposition of a local sales and services tax for school infrastructure purposes favors imposition of the tax, the tax shall be imposed by the county board of supervisors within the county pursuant to section 422E.2, at the rate specified for a ten-year duration on the gross receipts taxed by the state under chapter 422, division IV.

2. The tax shall be imposed on the same basis as the state sales and services tax or in the case of the use of natural gas, natural gas service, electricity, or electric service on the same basis as the state use tax and shall not be imposed on the sale of any property or on any service not taxed by the state, except the tax shall not be imposed on the gross receipts from the sale of motor fuel or special fuel as defined in chapter 452A which is consumed for highway use or in watercraft or aircraft if the fuel tax is paid on the transaction and a refund has not or will not be allowed, on the gross receipts from the rental of rooms, apartments, or sleeping quarters which are taxed under chapter 422A during the period the hotel and motel tax is imposed, on the gross receipts from the sale of equipment by the state department of transportation, on the gross receipts from the sale of self-propelled building equipment, pile drivers, motorized scaffolding, or attachments customarily drawn or attached to self-propelled building equipment, pile drivers, and motorized scaffolding, including auxiliary attachments which improve the performance, safety, operation, or efficiency of the equipment, and replacement parts and are directly and primarily used by contractors, subcontractors, and builders for new construction, reconstruction, alterations, expansion, or remodeling of real property or structures, and on the gross receipts from the sale of a lottery ticket or share in a lottery game conducted pursuant to chapter 99G and except the tax shall not be imposed on the gross receipts from the sale or use of natural gas, natural gas service, electricity, or electric service in a city or county where the gross receipts from the sale of natural gas or electric energy are subject to a franchise fee or user fee during the period the franchise or user fee is imposed.

3. The tax is applicable to transactions within the county where it is imposed and shall be collected by all persons required to collect state gross receipts or local excise taxes. However, a person required to collect state retail sales tax under chapter 422, division IV, is not required to collect local sales and services tax on transactions delivered within the area where the local sales and services tax is imposed unless the person has physical presence in that taxing area. The amount of the sale, for purposes of determining the amount of the tax, does not include the amount of any state gross receipts or excise taxes or other local option sales or excise taxes. A tax permit other than the state tax permit required under section 422.53 or 423.10 shall not be required by local authorities.

4. The director of revenue shall credit tax receipts and interest and penalties from the local sales and services tax for school infrastructure purposes to an account within the secure an advanced vision for education fund, as provided in section 422E.3A, maintained in the name of the school district or school districts located within the county. If the director is unable to determine from which county any of the receipts were collected, those receipts shall be allocated among the possible counties based on allocation rules adopted by the director.

5. *a.* The director of revenue by August 15 of each fiscal year shall send to each school district where the tax is imposed an estimate of the amount of tax moneys each school district will receive for the year and for each month of the year. At the end of each month, the director may revise the estimates for the year and remaining months.

*b.* The director shall remit ninety-five percent of the estimated tax receipts for the school district to the school district on or before August 31 of the fiscal year and on or before the last day of each following month.

*c.* The director shall remit a final payment of the remainder of tax moneys due for the fiscal year before November 10 of the next fiscal year. If an overpayment has resulted during the previous fiscal year, the November payment shall be adjusted to reflect any overpayment.

*d.* (1) If more than one school district, or a portion of a school district, is located within the county, tax receipts shall be remitted to each school district or portion of a school district in which the county tax is imposed in a pro rata share based upon the ratio which the actual enrollment for the school district that attends school in the county bears to the total combined actual enrollments for all school districts that attend school in the county.

(2) The combined actual enrollment for a county, for purposes of this section, shall be determined for each county by the department of management based on the actual enrollment figures reported by October 1 to the department of management by the department of education pursuant to section 257.6, subsection 1. The combined actual enrollment count shall be forwarded to the director of revenue by March 1, annually, for purposes of supplying estimated tax payment figures and making estimated tax payments pursuant to this section for the following fiscal year.

*e.* Notwithstanding the amount of tax receipts credited to the account within the secure an advanced vision for education fund maintained in the name of a school district, the amount of tax receipts the school district shall receive from the tax imposed in the county shall be determined as provided in section 422E.3A, subsection 2.

6. The local sales and services tax for school infrastructure purposes shall be administered as provided in section 422B.9.

7. Construction contractors may make application to the department for a refund of the additional local sales and services tax paid under this chapter by reason of taxes paid on goods, wares, or merchandise under the conditions specified in section 422B.11. The refund shall be paid by the department from the appropriate school district's account in the secure an advanced vision for education fund. The penalty provisions contained in section 422B.11, subsection 3, shall apply regarding an erroneous application for refund of local sales and services tax paid under this chapter.

A school district in which a local option sales tax for school infrastructure purposes has been imposed shall be authorized to enter into a chapter 28E agreement with one or more cities or a county whose boundaries encompass all or a part of the area of the school district. A city or cities entering into a chapter 28E agreement shall be authorized to expend its designated portion of the local option sales and services tax revenues for any valid purpose permitted in this chapter or authorized by the governing body of the city. A county entering into a chapter 28E agreement with a school district in which a local option sales tax for school infrastructure purposes has been imposed shall be authorized to expend its designated portion of the local option sales and services tax revenues to provide property tax relief within the boundaries of the school district located in the county. A school district where a local option sales and services tax is imposed is also authorized to enter into a chapter 28E agreement with another school district, a community college, or an area education agency which is located partially or entirely in or is contiguous to the county where the tax is imposed. The school district or community college shall only expend its designated portion of the local option sales and services tax for infrastructure purposes. The area education agency shall only expend its designated portion of the local option school infrastructure sales tax for infrastructure and maintenance purposes.

The governing body of a city may authorize the issuance of bonds which are payable from its designated portion of the revenues of the local option sales and services tax, and not from property tax, by following the authorization procedures set forth for cities in section 384.83. A city may pledge irrevocably any amount derived from its designated portions of the revenues of the local option sales and services tax to the support or payment of such bonds.

**602.6107 Reorganization of judicial districts and judicial election districts.**

1. The supreme court shall, beginning January 1, 2012, and at least every ten years thereafter, review the division of the state into judicial districts and judicial election districts in order to determine whether the composition or the total number of the judicial districts and judicial election districts is the most efficient and effective administration of the district court and the judicial branch.

2. If the supreme court determines that the administration of the district court and the judicial branch would be made more efficient and effective by reorganizing the judicial districts and judicial election districts, which may include expanding or contracting the total number of judicial districts and judicial election districts, the supreme court shall develop and submit to the general assembly by November 15 a plan that reorganizes the judicial districts and judicial election districts. The legislative services agency shall draft a bill embodying the plan for submission by the supreme court to the general

assembly. The general assembly shall bring the bill to a vote in either the senate or the house of representatives within thirty days of the bill's submission by the supreme court to the general assembly, under a procedure or rule permitting no amendments by either house except those of a purely corrective nature. If both houses pass the bill, the bill shall be presented as any other bill to the governor for approval. The bill shall take effect upon the general assembly passing legislation, which is approved by the governor including an effective date for the reorganization of the judicial districts and judicial election districts.

3. The composition of the judicial districts in section 602.6107, Code 2003, and judicial election districts in section 602.6109, Code 2003, shall remain in effect until a new division of the state into judicial districts and judicial election districts is enacted.

4. It is the intent of the general assembly that the supreme court prior to developing a plan pursuant to this section consult with and receive input from members of the general public, court employees, judges, members of the general assembly, the judicial departments of correctional services, county officers, officials from other interested political subdivisions, and attorneys. In submitting a plan pursuant to this section, the supreme court shall also submit to the general assembly a report stating the reasons for developing the plan and describing in detail the process used in developing the plan.

5. Nothing in this section or other provision of the Code shall be construed to preclude the general assembly or the judicial branch from proposing or considering a plan reorganizing the judicial districts and judicial election districts at any time.

1. The reorganized judicial election districts established pursuant to section 602.6107 shall be used solely for purposes of nomination, appointment, and retention of judges of the district court.

2. If the judicial election districts are reorganized under section 602.6107, the state court administrator shall reapportion the number of judgeships to which each judicial election district is entitled. The reapportionment shall be determined according to section 602.6201, subsection 3.

83 Acts, ch 186, §7109, 10201; 2003 Acts, ch 151, §35

#### **602.6201 Office of district judge — apportionment.**

1. District judges shall be nominated and appointed and shall stand for retention in office as provided in chapter 46. District judges shall qualify for office as provided in chapter 63.

2. A district judge must be a resident of the judicial election district in which appointed and retained. Subject to the provision for reassignment of judges under section 602.6108, a district judge shall serve in the district of the judge's residence while in office, regardless of the number of judgeships to which the district is entitled under subsection 3.

3. *a.* A judicial election district containing a city of fifty thousand or more population is entitled to the number of judgeships equal to the average, rounded to the nearest whole number, of the following two quotients, each rounded to the nearest hundredth:

(1) The combined civil and criminal filings in the election district divided by five hundred fifty.

(2) The election district's population divided by forty thousand.

However, the seat of government is entitled to one additional judgeship.

b. All other judicial election districts are entitled to the number of judgeships equal to the average, rounded to the nearest whole number, of the following two quotients, each rounded to the nearest hundredth:

(1) The combined civil and criminal filings in the election district divided by four hundred fifty.

(2) The election district's population divided by forty thousand.

However, the judicial election district in which the Iowa state penitentiary at Fort Madison is located is entitled to one additional judgeship.

c. The filings included in the determinations to be made under this subsection shall not include small claims or nonindictable misdemeanors, and shall not include either civil actions for money judgment where the amount in controversy does not exceed five thousand dollars or indictable misdemeanors or felony violations of section 321J.2, which were assigned to district associate judges and magistrates as shown on their administrative reports, but shall include appeals from decisions of magistrates, district associate judges, and district judges sitting as magistrates. The figures on filings shall be the average for the latest available previous three-year period and when current census figures on population are not available, figures shall be taken from the Iowa department of public health computations.

4. For purposes of this section, a vacancy means the death, resignation, retirement, or removal of a district judge, or the failure of a district judge to be retained in office at the judicial election, or an increase in judgeships under this section.

5. In those judicial election districts having more district judges than the number of judgeships specified by the formula in subsection 3, vacancies shall not be filled.

6. In those judicial election districts having fewer or the same number of district judges as the number of judgeships specified by the formula in subsection 3, vacancies in the number of district judges shall be filled as they occur.

7. In those judicial districts that contain more than one judicial election district, a vacancy in a judicial election district shall not be filled if the total number of district judges in all judicial election districts within the judicial district equals or exceeds the aggregate number of judgeships to which all of the judicial election districts of the judicial district are authorized.

8. An incumbent district judge shall not be removed from office because of a reduction in the number of authorized judgeships.

9. During February of each year, and at other times as appropriate, the state court administrator shall make the determinations required under this section, and shall notify the appropriate nominating commissions and the governor of appointments that are required.

10. Notwithstanding the formula for determining the number of judgeships in this section, the number of district judges shall not exceed one hundred sixteen during the period commencing July 1, 1999.

11. Notwithstanding any other provision of the Code to the contrary, if a vacancy in a judgeship occurs, and the chief justice of the supreme court makes a finding that a substantial disparity exists in the allocation of judgeships and judicial workload between judicial election districts, the chief justice may apportion the judgeship from the judicial election district where the vacancy occurs to another judicial election district based upon the substantial disparity finding. However, a judgeship shall not be apportioned pursuant to this section unless a majority of the judicial council approves the apportionment.

12. Notwithstanding any other provision of the Code to the contrary, if the chief justice of the supreme court determines a substantial disparity exists in

the allocation of judgeships and judicial workload between judicial election districts, the chief justice may authorize a voluntary permanent transfer of a district judge from one judicial election district to another upon approval by a majority of the judicial council. After approval by the judicial council, the chief justice shall notify all eligible district judges of the intent to seek applicants for a voluntary permanent transfer and the terms of such a transfer. A district judge is not eligible for a voluntary transfer unless the judge has served a regular term of office as specified in section 46.16. Upon approval of the judge's application, the chief justice may transfer a district judge who consents to the transfer within six months of the notification. The transfer of a district judge shall take effect within sixty days of the official announcement of the transfer by the chief justice. A district judge transferred pursuant to this subsection shall have six months from the date of the announcement of the transfer to establish residency in the judicial election district where the district judge is transferred. A district judge who has been transferred shall stand for retention in the judicial election district to which the district judge has been transferred as provided in chapter 46. For purposes of subsection 3, the judgeship shall be apportioned to the judicial election district where the judge is transferred. A voluntary transfer pursuant to this subsection shall not cause a vacancy of a judgeship in the judicial election district from which the district judge was transferred.

If there are three or fewer applicants the commission shall certify all applicants who meet the statutory qualifications. Nominees shall be chosen solely on the basis of the qualifications of the applicants, and political affiliation shall not be considered.

**602.11110 Judgeships for election districts 5A and 5C.**

As soon as practicable after January 1, 1985, the supreme court administrator shall recompute the number of judgeships to which judicial election districts 5A and 5C are entitled. Notwithstanding section 602.6201, subsection 2, the seventeen incumbent district judges in judicial election district 5A on December 31, 1984 may reside in either judicial election district 5A or 5C beginning January 1, 1985. The supreme court administrator shall apportion to judicial election district 5C those incumbent district judges who were appointed to replace district judges residing in Polk county or who were appointed to fill newly created judgeships while residing in Polk county. The incumbent district judges residing in Polk county on January 1, 1985 who are not so apportioned to judicial election district 5C shall be apportioned to judicial election district 5A but shall be reapportioned to judicial election district 5C, in the order of their seniority as district judges, as soon as the first vacancies occur in judicial election district 5C due to death, resignation, retirement, removal, or failure of retention. Such a reapportionment constitutes a vacancy in judicial election district 5A for purposes of section 602.6201. Notwithstanding section 602.6201, subsection 2, the seventeen incumbent district judges in judicial election district 5A on December 31, 1984 shall stand for retention in the judicial election district to which the district judges are apportioned or reapportioned under this section. Commencing on January 1, 1985, vacancies within judicial election districts 5A and 5C shall be determined and filled under section 602.6201, subsections 4 through 8. For purposes of the recomputations, the supreme court administrator shall determine the average case filings for the latest available three-year period by reallocating the actual case filings during the three-year period to judicial election districts 5A and 5C as if they existed throughout the three-year period.
