Notes:

- 1) The Environment First Fund appropriation to REAP was \$12.0 million for FY 2018. Statute requires 28.0% of REAP funds to be allocated for the purchase or development of land. There was a \$2.0 million allocation from the REAP appropriation for State park maintenance and operations. There was a second allocation of \$1.0 million for State park repairs.
- 2) The Pittman–Robertson Act is also known as the Federal Aid in Wildlife Restoration Act.
- 3) Data represents land approved for purchase. This may differ from land actually purchased. The Natural Resource Commission (NRC) approves the purchase of land before the Department of Natural Resources (DNR) can make the purchase.
- 4) Data does not include other public land owned by local governments or federally owned land.
