Notes:

1. Enrollments reflect certified enrollment reported as of October 1 of the previous year (or the first Monday in October if October 1 falls on a weekend).
2. "Other" refers primarily to special education students not associated with a given grade level. This is not a count of the number of special education students in the State.
3. Special education enrollments are based on special education weightings from the Department of Management's Aid and Levy worksheet.
