Administration Division — Department of Inspections and Appeals

Description

The Administration Division of the Department of Inspections and Appeals (DIA) provides centralized support services for the Department. The Director's office staff oversees all strategic planning, legislative affairs, administrative rulemaking, personnel, and public information activities for the Department. The Division also includes the Food and Consumer Safety Bureau, and the Social and Charitable Gambling Program.

- **Food and Consumer Safety Bureau.** The Bureau is responsible for administering and enforcing the Iowa Food Code (Iowa Code chapter [137F](#)) by conducting food safety inspections to prevent foodborne illnesses at grocery stores, restaurants, convenience stores, food processing plants, and mobile food trucks. The Iowa Food Code is based on food safety recommendations developed by the Food and Drug Administration (FDA), in consultation with representatives from the food industry and regulators. The DIA also contracts with local health agencies to conduct inspections. Enacted in May 2016, [Senate File 2314](#) (FY 2017 Administration and Regulation Subcommittee Appropriations Act) amended the process of collecting fees associated with food inspections by permitting the DIA to keep fee revenue collected from inspections completed for FY 2017. Fees collected on behalf of a municipal corporation are not retained by the Department. The Department is required to deposit \$800,000 in collected fees into the General Fund and permitted to retain the remainder in its operating budget.

The Food and Consumer Safety Bureau also maintains a [restaurant inspection website](#) where visitors can view or download inspection reports for Iowa food establishments, including restaurants, grocery stores, and convenience stores.

- **Social and Charitable Gambling Program.** This Program administers Iowa Code chapter [99B](#) to regulate games of skill or chance, raffles, bingo, social gambling, and amusement devices. Qualified organizations may obtain a social or charitable gambling license to conduct fundraising activities benefiting educational, civic, public, charitable, patriotic, or religious purposes. Gambling receipts, including receipts of nonprofit organizations, are subject to Iowa sales tax. A social gambling license authorizes gambling on small-stakes card and parlor games (such as cribbage, euchre, hearts, checkers, chess, dominoes, etc.) between individuals.
- **Indian Gaming Compacts.** The DIA serves as Iowa's lead contact for Indian gaming compacts. The Director is authorized to enter into and implement agreements or compacts between the State of Iowa and Native American tribes located in the State as per the authority of the Indian Gaming Regulatory Act ([25 U.S.C section 2701 et seq.](#)). This ensures that the agreements or compacts contain provisions intended to implement the policies and objectives of the Indian Gaming Regulatory
