Tuition Grant Program — Standing

Eligibility

Iowa Tuition Grants (ITGs) are awarded to Iowa residents enrolled at eligible private nonprofit colleges and universities in Iowa. Priority is given to applicants demonstrating the greatest need, as reported on the Free Application for Federal Student Aid (FAFSA). Grants are available for up to four years of full-time undergraduate study. Part-time students may be eligible for adjusted amounts.

Nonprofit Awards

The annual award is limited to the amount of the student's financial need, and cannot exceed the lesser of the student's tuition and mandatory fees for the year or an amount equivalent to the average resident tuition and mandatory fees for two semesters at a State university. The maximum award in any academic year may be less, depending on the amount of State funding appropriated and the number of expected applicants.

Funding

The Tuition Grant Program is funded by a standing appropriation set in statute. However, in practice, the General Assembly frequently notwithstanding or amends the statute to provide increased or decreased funding in any given year.
