## BUDGET UNIT BRIEF – FY 2022

Fiscal Services Division

July 1, 2021

---

Ground Floor, State Capitol Building

Des Moines, Iowa 50319

515.281.3566

## DPS Technology Projects

### Purpose

This appropriation will fund technology related to crime scene investigation. This includes a 3D imaging scanner that will create a permanent picture of a crime scene. This funding also supports the acquisition of associated software. The estimated cost of the equipment and software is \$100,000.

In addition, funding will allow the purchase of cameras used in crime scene documentation. The existing cameras are at least 15 years old, and not every agent in the Major Crimes Unit has a camera. The estimated cost of 30 cameras is approximately \$25,000.

### Funding

This is a one-time appropriation for \$125,000 in FY 2019. This funding was appropriated from the Technology Reinvestment Fund.
