Health Care Professional Recruitment

Eligibility

The Health Care Professional Recruitment Program provides loan repayment for athletic trainers, occupational therapists, physicians, physician assistants, podiatrists, or physical therapists. Applicants for the program must graduate from an academic program at a Regents institution or an accredited private institution that leads to licensure as a health care professional and must complete four years of service in an eligible Iowa community.

Awards

After four years of service, the College Student Aid Commission can award up to \$50,000 to reduce an applicant's student loan debt. The State funding must be matched, dollar for dollar, by the local community or hospital.
