Modernization of Readiness Centers — RIIF

Purpose and History

Appropriations for construction improvements and modernization efforts of readiness centers (armories) for the Iowa Army National Guard are provided in the infrastructure budget. The Iowa National Guard has 41 readiness centers around the State. Of the 41 readiness centers, 35 were constructed at least 25 years ago.

Readiness Center Projects

Funds are used for various improvements, including renovations to classrooms, training areas, and administrative offices; upgrades to heating, ventilation, and air conditioning (HVAC) systems; and upgrades for electrical systems and roofs, as well as improvements to kitchens, latrines, and other areas of the readiness centers.

State Funding

Since FY 2009, appropriations have been made from the Rebuild Iowa Infrastructure Fund (RIIF). Generally, the State appropriations act as a match to draw down federal funding.
