Voter Registration Licenses Maintenance & Storage — RIIF

Purpose

This appropriation supports updates to the voter registration and business services data systems operated by the Secretary of State. Through the business services system, the Secretary of State administers filings of business, the Uniform Commercial Code, mechanics' liens, and a number of other documents. Through the voter registration system, the Secretary oversees elections and maintains voter registrations data for the State.

Funding

The General Assembly appropriated \$234,000 from the Rebuild Iowa Infrastructure Fund (RIIF) for this purpose in FY 2016, and \$300,000 for this purpose in FY 2017.
