University of Northern Iowa — General Education

Purpose and History

Iowa has three public universities under the authority of the Iowa Board of Regents. Each university provides a broad array of programs and degrees while maintaining its own cultural heritage.

University of Northern Iowa (UNI) was formed as a normal school, a college for teacher preparation, and held its first class in 1876. While maintaining an emphasis on teacher training, the University has grown to nearly 12,000 students enrolled in more than 120 majors offered by 40 departments. The departments are organized into six colleges: Business Administration, Education, Humanities and Fine Arts, Natural Sciences, Social and Behavioral Sciences, and the Graduate College.

Funding

The annual General Fund appropriation to UNI has been at \$93.7 million since FY 2018. For FY 2019, the General Assembly gave the Board of Regents a lump sum appropriation of \$8.3 million to be allocated to provide the three universities with an increase in funding at the discretion of the Board. The Board allocated \$2.0 million of the appropriation to UNI, bringing total State funding for General Education at UNI to \$95.7 million for FY 2019.
