The State of Iowa has established a trust fund to provide certain services to veterans. Currently, funds are used for unemployment or underemployment assistance due to service-related causes; assistance with vision, hearing, dental care, or medical care; counseling and substance abuse services; emergency vehicle repairs; housing repair; and transitional housing in an emergency. Trust fund programs are a funding of last resort and are approved through the Iowa Veterans Commission. For more information on the balance of the fund, please visit: www.legis.iowa.gov/docs/publications/BL/971112.pdf.
