Divisions with a Fiscal Impact

Description and Background

Division IX (Elimination and Mergers)

Eliminates and merges various boards and commissions and transfers their authority accordingly. This includes the elimination of the Public Employment Relations Board (PERB) whose duties are being transferred to the Employment Appeals Board. This includes the elimination of the Executive Director of the PERB, who has a salary that ranges from \$73,000 to \$112,000.

Assumptions

- Costs associated with eliminated boards and commissions will not continue in the future.
- There will be a reduction in expenses to the State from the elimination of the Executive Director of the PERB of up to \$112,000.
- There will be increase in expenses to the State from mileage and per diem paid to the Technology and Commercialization Committee, but the increase is unknown.

Fiscal Impact

The elimination of the PERB Executive Director will result in a reduction in expenses to the State of up to \$112,000.

The elimination of the remaining boards and commissions throughout the various divisions of the Bill are estimated to have a minimal decrease in expenses to the State.
