2023 SUMMARY OF LEGISLATION

IOWA GENERAL ASSEMBLY REGULAR AND EXTRAORDINARY SESSIONS

**SUMMARY OF LEGISLATION
ENACTED IN THE YEAR 2023 BY THE FIRST REGULAR SESSION
AND THE EXTRAORDINARY SESSION OF THE NINETIETH GENERAL ASSEMBLY**

Prepared by the Legislative Services Agency

PURPOSE

This summary of legislation enacted by the 2023 General Assembly has been prepared for the use of legislators and other interested persons. The summary of each legislative enactment has been assigned to a major subject category. This compilation provides concise and objective information relating to the change in the law included in each legislative enactment without commenting upon the enactment's merits or editorializing. The publication of this summary of legislation by the Legislative Services Agency does not constitute an endorsement of the summary's contents by members of the General Assembly.

HOW TO FIND A SUMMARY

If you know the original file number of a particular bill, you may refer to the charts on pages v through x to locate the category in which the summary will be found. Otherwise, each subject category begins with a table of contents listing the file number and the chapter title from the 2023 Iowa Acts and a listing of related legislation directing the reader to the category in which the summary is located and briefly explaining how the Act relates to the category.

EFFECTIVE DATE

The effective date of the legislative enactments is July 1, 2023, unless otherwise specified in an individual summary.

FISCAL ANALYSIS

The Internet version of this summary of legislation provides links to fiscal information for certain legislation. Legislation linked to such information contains the words "Fiscal Analysis" following the title of the legislation.

FISCAL YEAR

For purposes of this summary of legislation, "fiscal year 2023-2024," "FY 2023-2024," and "FY 2024" for example, all describe the fiscal year beginning July 1, 2023, and ending June 30, 2024.

VETOED BILLS

Bills vetoed by the Governor are included and noted in this summary. Item vetoes by the Governor are specified in their particular summary.

RELATED LEGISLATION

- SENATE FILE 558 - Appropriations — Agriculture and Natural Resources
SEE APPROPRIATIONS. This Act makes appropriations for the fiscal year beginning July 1, 2023, and ending June 30, 2024, from the General Fund of the State, the Environment First Fund, and other sources for purposes of supporting a number of administrative entities, including the Department of Agriculture and Land Stewardship (DALs), the Department of Natural Resources, Iowa State University of Science and Technology, and the State University of Iowa. The Act appropriates moneys from these sources to DALs for purposes of supporting a number of regulatory and promotional programs associated with education, farmers' health, the production and sale of agricultural commodities and products, dairy innovation, soil and water conservation, and water quality.
- HOUSE FILE 185 - Butchery Innovation and Revitalization Program — Eligible Businesses
SEE ECONOMIC DEVELOPMENT. This Act requires a business to employ less than 75 full-time, nonseasonal individuals to be eligible to apply for the Butchery Innovation and Revitalization Program. Under prior law, the threshold for eligibility was less than 50 individuals. The Act applies to businesses that apply on or after July 1, 2023.
- HOUSE FILE 317 - Taking of Fur-Bearing Animals — Raccoons, Opossums, or Skunks on Agricultural Property
SEE NATURAL RESOURCES AND OUTDOOR RECREATION. This Act relates to the taking of fur-bearing animals without prior permission of the Natural Resource Commission. The Act allows an owner or tenant of agricultural property or an associated residence located outside the corporate limits of a city to take, capture using a cage trap or dog-proof trap, shoot, or temporarily possess, for the purpose of destroying or disposing of, a raccoon, opossum, or skunk on the property without receiving prior permission if the owner or tenant in good faith deems the animal to be a nuisance.
- HOUSE FILE 335 - Restricted Commercial Driver's Licenses for Designated Farm-Related Service Industry Employees
SEE TRANSPORTATION. This Act authorizes the Iowa Department of Transportation (DOT) to issue a restricted commercial driver's license (CDL) to qualified persons who are employed in a designated farm-related service industry, as authorized under federal law. The Act requires the DOT to issue a restricted CDL to an employee of any agri-chemical businesses, custom harvesters, farm retail outlets and suppliers, and livestock feeders. A restricted CDL authorizes a person to operate a commercial motor vehicle to the fullest extent authorized under federal regulations.

- HOUSE FILE 661** - Homemade Food Items and Licenses for Food Establishments and Food Processing Plants
SEE HEALTH AND SAFETY. This Act regulates the sale of food items by a food establishment, including a home food processing establishment, by allowing the sale of a food item made to order. The Act also provides for the issuance of an annual license to a temporary food establishment or farmers market on a statewide basis, and for calculating the amount of an annual license fee paid by a food processing plant.
- HOUSE FILE 714** - Construction Projects Involving Aboveground Electrical Lines or Water Drainage Lines
SEE ENVIRONMENT, ENERGY, AND PUBLIC UTILITIES. This Act relates to merchant line franchise petition requirements and levee and drainage districts. The Act defines “culvert” to include a drain, tile, or tile line in Iowa Code chapter 468, which relates to levee and drainage districts. The Act amends Iowa Code section 478.6A by specifying that if a proposed aboveground merchant line involving the use of eminent domain fails to be approved by the Iowa Utilities Board within three years following the submission of the franchise’s petition, the board shall reject the petition.

AGRICULTURE

SENATE FILE 315 - Regulation of Raw Milk and Associated Products

BY COMMITTEE ON STATE GOVERNMENT. This Act authorizes the production and processing of raw milk at a raw milk dairy, and regulates the processing and manufacture of a product using that raw milk when distributed and intended for human consumption.

TERMINOLOGY. “Raw milk” refers to fluid milk that is unpasteurized and ungraded. A “raw milk dairy” is the location where the raw milk is produced from 10 or fewer dairy animals (cows, sheep, or goats). Current law regulates products manufactured from milk by referring to a “milk product” as defined by the United States Department of Agriculture (USDA) and a closely related term “dairy product” defined by the United States Food and Drug Administration (FDA). The Act defines a “raw milk product” as a product processed and manufactured using raw milk as its exclusive ingredient and a “raw milk dairy product” as any other product manufactured using milk or a milk product as the primary ingredient if the product includes any quantity of raw milk.

BACKGROUND. Generally, the Department of Inspections, Appeals, and Licensing (DIAL), or a local authority under contract with DIAL, provides for the licensing and inspection of both a food processing plant and a commercial facility where food is sold to consumers, including a home food processing establishment (Iowa Code chapter 137D) and a food establishment and a food processing plant (Iowa Code chapter 137F). The Department of Agriculture and Land Stewardship (DALS) retains authority to regulate adulterated food, including state labeling laws (Iowa Code chapters 189, 190, and 191) to the extent that a state law is not preempted by regulations adopted by FDA. DIAL has deferred administrative responsibility to regulate milk production and processing, and the processing and manufacturing of milk products and dairy products at a milk plant or dairy plant where milk is manufactured into a food item. DALS adopted model regulations published by FDA, and specifically the “Grade ‘A’ Pasteurized Milk Ordinance” commonly referred to as the “PMO” (Iowa Code chapter 192). FDA prohibits the delivery of unpasteurized milk, or associated products manufactured using unpasteurized milk, into interstate commerce (21 C.F.R. pt. 1240). Voluntary standards governing the grading of milk are established by USDA (7 C.F.R. pt. 58). Grade “A” milk is the standard used for milk production, and Grade “B” milk is a less restrictive standard allowing milk to be used in manufacturing (Iowa Code chapter 194).

APPLICABILITY. New Iowa Code chapter 195, as enacted by the Act, allows a raw milk producer to elect to produce, process, market, or distribute raw milk; or to use the raw milk to manufacture, market, or distribute a raw milk product or raw milk dairy product. In order to make this election, the raw milk producer must comply with a number of requirements. The raw milk must be produced at the raw milk producer’s raw milk dairy. A licensed veterinarian must examine each dairy animal maintained at the raw milk dairy to determine the dairy animal’s health status. Each dairy animal must be tested to determine the dairy animal’s coliform count and standard plate count. Raw milk cannot be distributed, or used in manufacturing a raw milk product or raw milk dairy product, if the raw milk exceeds a recognized bacteria count limit. A dairy animal cannot be administered an antibiotic drug unless the drug has been approved by FDA and is stored and administered in accordance with the manufacturer’s instructions. The raw dairy producer must maintain records regarding the health status of the dairy animals for at least three years and consumers are provided the right to inspect such records. Any container holding raw milk, or a manufactured raw milk product or raw milk dairy product, must be labeled with a notice stating the container’s contents. The raw milk must be distributed not later than seven calendar days after it was produced by a dairy animal. The raw milk, or a raw milk product or raw milk dairy product, or any other item using raw milk as an ingredient, must be kept in refrigerated storage prior to distribution at not more than 45 degrees Fahrenheit. A raw milk producer can only distribute raw milk, or a raw milk product or raw milk dairy product, to the individual placing the order, subject to delivery requirements.

RESTRICTIONS ON ADMINISTRATION OR ENFORCEMENT. DALS is prohibited from adopting rules to administer or enforce a raw milk dairy, the distribution of raw milk, or a raw milk product or raw milk dairy product manufactured at the raw milk dairy. The Department of Health and Human Services or a local board of health may demand that a raw milk producer provide records of the dairy’s operations, but only if an affidavit is signed by a licensed physician certifying that an individual contracted an illness as a result of consuming raw milk produced at the raw milk dairy, or a raw milk product or a raw milk dairy product manufactured at the raw milk dairy.

SENATE FILE 473 - Livestock Health and Diseases — Advisory Council and Fund

BY COMMITTEE ON AGRICULTURE. This Act amends provisions in Iowa Code chapter 267, which establishes and provides for the administration of the Livestock Health Advisory Council (council). The council meets twice each year and provides recommendations to the Iowa State University of Science and Technology's College of Veterinary Medicine (college). The council includes members appointed by organizations of livestock producers (member organizations), including cattle, swine, sheep, poultry, and milk. One member is a practicing member of the Iowa Veterinary Medical Association. The college's research into diseases affecting livestock is supported by the Livestock Disease Research Fund (fund), which may be appropriated moneys by the General Assembly.

The Act changes the name of the member organization appointing a poultry producer and adds a member organization appointing a turkey producer. The Act requires the council to meet at Iowa State University of Science and Technology rather than the Department of Agriculture and Land Stewardship. A member is not entitled to receive compensation or expenses. The purpose of the council is to support research of livestock diseases, and it must make its recommendations to the college by the first day of the fiscal year. The college is expressly authorized to use moneys in the fund to conduct research of diseases affecting livestock.

HOUSE FILE 666 - Regulation by Department of Agriculture and Land Stewardship of Commercial Animal Establishments, Grain, Weights and Measures, Motor Fuel, and Water Quality

BY COMMITTEE ON WAYS AND MEANS. This Act relates to a number of regulations and programs administered and enforced by the Department of Agriculture and Land Stewardship (DALs). The Act regulates a commercial establishment housing animals (animals), other than agricultural animals, which includes an animal shelter, boarding kennel, commercial breeder, commercial kennel, dealer, pet shop, pound, public auction, or research facility required to be authorized to do business in this state (Iowa Code chapter 162). The Act regulates grain dealers (dealers) and warehouse operators (operators) required to be licensed pursuant to Iowa Code chapters 203 and 203C and amends provisions relating to the payment of fees by operators and dealers into the Grain Depositors and Sellers Indemnity Fund (fund) for purposes of indemnifying losses incurred by sellers and depositors under Iowa Code chapter 203D. The Act also regulates the commercial use of weights and measures, including motor fuel pumps (fuel pumps) and types of liquid motor fuel advertised for sale by licensed retail dealers in accordance with Iowa Code chapters 214, 214A, and 215, and also electric charging stations (stations) used to fuel electric vehicles under Iowa Code chapter 452A. Finally, the Act provides for the expenditure of moneys to support surface water quality initiatives (initiatives) in order to assess and reduce nutrients in this state's watersheds under Iowa Code chapter 466B.

COMMERCIAL ESTABLISHMENTS. The Act revises a provision exempting a pet shop from regulation based on either the amount generated from the sale of animals, or the number of animals transferred, during the prior 12-month period. Specifically, the Act doubles the amount of sales to less than \$1,000 and doubles the number of animals transferred to less than 12. In addition, a person applying to be issued or renewed an authorization is no longer required to provide an identification number.

GRAIN TRANSACTIONS — REGULATION AND FEES. The Act changes the name of certain terms to be consistent with Iowa Code provisions including "scale weight ticket" and "Grain Depositors and Sellers Indemnity Fund." An adjustment made to a scale weight of corn due to moisture content now applies to all grain subject to standards established by the United States Department of Agriculture. Unless requested, an operator is no longer required to issue a warehouse receipt to a depositor within one year of the grain's delivery date if the grain is retained in open storage (i.e., without having the price fixed and documented). The maximum period for the duration of a credit sale contract, which allows later payment to a seller for delivered grain, is extended from 12 to 15 months. The assessment year in which a per-bushel fee and participation fee is paid by operators and sellers into the fund is changed to begin on September 1 rather than July 1, and coordinating changes are made to the assessment year's quarters. The effective date of changes to these grain transaction regulations is June 1, 2023.

WEIGHTS AND MEASURES. The Act requires DALs to inspect pumps every two years rather than each year. An annual fee is now based on the issuance or renewal of a retail dealer's license rather than on the inspection of pumps. A new form of renewable diesel produced from nonfossil resources is regulated. A provision is eliminated requiring a bond be posted by a person engaged in repairing scales. Finally, DALs is required to inspect stations every two years.

WATER QUALITY. The Act provides that after moneys in the Water Quality Financial Assistance Fund have been expended to adequately support all water quality urban infrastructure program projects for a fiscal year, DALS may use any remaining moneys to support water quality agriculture infrastructure programs and associated projects. The Act also eliminates several dates referring to past expenditures that are now extraneous.

HOUSE FILE 670 - Practice of Veterinary Medicine — Veterinary Auxiliary Personnel

BY COMMITTEE ON WAYS AND MEANS. This Act amends the Iowa Veterinary Practice Act (Iowa Code chapter 169) regulating the practice of veterinary medicine by an individual receiving a doctor of veterinary medicine degree or equivalent (veterinarian) and licensed by the Iowa Board of Veterinary Medicine (board) by examination or endorsement (licensed veterinarian). The board is authorized to issue a temporary permit to a member of the College of Veterinary Medicine of Iowa State University of Science and Technology or a veterinarian waiting to be licensed.

DEFINITIONS. The Act amends the definition of “animal” to expressly include livestock, and rewrites the definition of “practice of veterinary medicine” to include performing complementary, alternative, or integrative therapies such as acupuncture, acuthery, acupressure, or manipulation. The term excludes performing animal massage. It also excludes providing authorized veterinary medical services to an animal patient by veterinary auxiliary personnel when performing certain delegated tasks under the supervision of a licensed veterinarian.

VETERINARY AUXILIARY PERSONNEL. The Act authorizes certain nonveterinarian individuals to perform delegated tasks under different levels of supervision by a licensed veterinarian. Such an individual is classified as a veterinary auxiliary personnel and includes (1) a registered veterinary technician (technician) who has graduated from an accredited or approved veterinary technology program, received a passing score on a national veterinarian technician examination, and is issued a certificate of registration by the board; (2) a veterinary technician student attending an accredited or approved veterinary technology program; (3) a veterinary assistant subject to qualifications established by the board; (4) a veterinary student attending an accredited or approved college of veterinary medicine; and (5) a graduate of a foreign college of veterinary medicine. The Act provides procedures to become certified as a technician, including application requirements and the payment of an application fee established by the board. The board may waive qualification requirements under certain conditions. Generally, certifications expire on a triennium cycle. In order to renew a certificate, a technician must attend a certain number of continuing education credit hours. A certification issued prior to July 1, 2024, remains in effect. A person who falsely uses a credential of a technician commits a simple misdemeanor. The levels of supervision allowing a supervising veterinarian to delegate tasks to veterinary auxiliary personnel include: (1) direct supervision in which the supervising veterinarian is on the premises where the animal patient is being cared for; (2) immediate supervision in which a supervising veterinarian is in the immediate area of the animal patient; and (3) indirect supervision in which a supervising veterinarian has given protocols or instructions to the veterinary auxiliary personnel and is available by telephone or other means of immediate communication. Veterinary auxiliary personnel cannot be delegated a task relating to making a diagnosis, issuing a prescription, or performing surgery. Veterinary auxiliary personnel may be employed by a person if a supervising veterinarian practices at the same place of business.

UNAUTHORIZED PRACTICE OF VETERINARY MEDICINE — PENALTIES. Pursuant to the Act, a person who practices veterinary medicine without a valid license or valid temporary permit issued by the board commits a fraudulent practice (Iowa Code section 714.8). The penalties for fraudulent practice range from a simple misdemeanor to a class “C” felony depending upon the amount of money or value of the property involved.

ADMINISTRATIVE RULES. The board is required to begin the process of adopting rules required to implement the Act by January 1, 2024.

EFFECTIVE DATES. The provision requiring the adoption of rules by the board took effect June 1, 2023. Otherwise, the Act takes effect July 1, 2024.

HOUSE FILE 700 - Dairy Innovation Fund and Program

BY COMMITTEE ON APPROPRIATIONS. This Act establishes the Dairy Innovation Fund (fund) and Dairy Innovation Program (program) to be administered by the Department of Agriculture and Land Stewardship (DALS).

The Act creates the fund in the State Treasury under the control of DALS. The fund consists of any moneys appropriated to the fund by the General Assembly and any other moneys available to DALS for deposit in the fund. Moneys in the fund are appropriated to provide financial assistance in the form of a grant, low-interest loan, or forgivable loan awarded to an eligible business participating in the program.

DALS must establish and administer the program for the purpose of awarding financial assistance to support projects that expand or refurbish an existing, or establish a new, milk plant; expand or refurbish an existing, or establish a new, mobile dairy processing unit; rent buildings, refrigeration facilities, freezer facilities, or equipment necessary to expand processing capacity, including a mobile dairy or refrigeration unit; or incorporate methods and technologies that reduce farm labor associated with milk production and storage.

A business seeking assistance under the program must make application to DALS, in the manner prescribed by DALS, during one or more annual application periods determined by DALS. A financial assistance award cannot exceed the amount of eligible project costs included in an eligible business's application. DALS must provide priority to an eligible business whose project as proposed in the application will create new jobs; create or expand opportunities for local small-scale milk producers to market pasteurized milk and milk products under private labels; or provide greater flexibility or convenience for local small-scale farmers to have milk processed.

DALS is required to adopt rules to administer the fund and program.

HOUSE FILE 711 - Levee and Drainage Districts — Levee Improvement Fund — Office of Levee Safety — Levee Improvement Program

BY COMMITTEE ON APPROPRIATIONS. This Act provides for the repair and restoration of levees constructed to divert and store water in a manner that allows land that would otherwise be saturated to instead be used for development, including agricultural production. A levee may be part of a district established and managed by different forms of local governing bodies, including a board of supervisors, a joint boards of supervisors governing intercounty districts, or a board of trustees elected by landowners in the district. The expenses associated with constructing, repairing, or reconstructing a levee is borne by the landowners. A special property tax assessment is imposed on a prorated basis allocated among the landowners based on their respective benefit (the relative increase in the value to their land due to the improvement).

LEVEE IMPROVEMENT FUND. The Act establishes the Levee Improvement Fund supported by moneys deposited in the Rebuild Iowa Infrastructure Fund, which includes moneys derived from wagering tax receipts (Iowa Code section 8.57(5)). The Act appropriates \$5 million to the Levee Improvement Fund for each of the next five fiscal years to support efforts by the Department of Homeland Security and Emergency Management (department) to repair or reconstruct levees in order to reduce and manage risks associated with hazardous events caused by a levee's uncontrolled or controlled release of surface water as a consequence of the levee's inadequate design, structural performance, or operational control.

LEVEE IMPROVEMENT PURPOSE — ADMINISTRATION. The Act creates an Office of Levee Safety (office) within the department and assigns new duties and powers to the Flood Mitigation Board (board). The office, in cooperation with the board, is required to assist communities, including levee districts, benefiting from levees. The office, in cooperation with the Iowa Geological Survey, is required to conduct a statewide analysis of the condition of the state's levees and the budget of levee districts required to finance the repair or reconstruction of those levees. The governing body of each levee district is required to assist the office in conducting its analysis. The board is required to administer a Levee Improvement Program. The purpose of the program is to finance, on a cost-share basis, the repair or reconstruction of levees based on criteria established by the board, including levees assigned a scale number by the office when conducting its analysis. The department is required to submit an annual report to the Governor and General Assembly regarding the status of the analysis and program.

EFFECTIVE DATE. The Act took effect June 1, 2023.

RELATED LEGISLATION

- SENATE FILE 514 - State Government Reorganization
SEE STATE GOVERNMENT. This Act relates to the organization, structure, and functions of state government. The Act is organized by divisions. Concerning alcohol regulation and substance abuse, the Act eliminates the Alcoholic Beverages Division of the Department of Commerce and transfers authority over the duties of the Alcoholic Beverages Division to the Department of Revenue and the director of the department. The Act eliminates the position of administrator of the Alcoholic Beverages Division and transfers those duties of the administrator to the Director of Revenue. In addition, the Act renames the Governor's Office of Drug Control Policy as the Office of Drug Control Policy and establishes the office within the Department of Public Safety. The Act provides that a drug policy director shall be appointed by the Commissioner of the Department of Public Safety and that the director shall direct the Office of Drug Control Policy.
- SENATE FILE 542 - Youth Employment and Permissible Work Activities — Minor Driver's License Interim Study Committee
SEE LABOR AND EMPLOYMENT. This Act allows a person 16 or 17 years of age to be employed in the sale or serving of alcoholic beverages for on-premises consumption by a person holding a retail alcohol license if the employer has on file written permission from the parent, guardian, or legal custodian of the person. The Act provides limitations and procedures for such employment.
- HOUSE FILE 128 - Regulation of Controlled Substances — Changes to Substance Schedules and Precursor Substances Reporting
SEE HEALTH AND SAFETY. This Act makes changes to controlled substance schedules I, IV, and V in Iowa's Uniform Controlled Substances Act (Iowa Code chapter 124) and to the precursor substances reporting requirement in Iowa Code chapter 124B to conform to the specific chemical designations of the substances contained in Title 21 of the Code of Federal Regulations, parts 1300, 1308, and 1310.
- HOUSE FILE 595 - Regulation of Controlled Substances — Criminal Offenses — Receipt, Provision, and Administration of Opioid Antagonists
SEE CRIMINAL LAW, PROCEDURE, AND CORRECTIONS. This Act provides that the manufacture, delivery, or possession of a controlled substance involving a mixture or substance containing a detectable amount of fentanyl or any fentanyl-related substance identified in Iowa Code section 124.204(9) shall be charged as follows: containing more than 50 grams is a class "B" felony, punishable by confinement for no more than 50 years and a fine of not more than \$1 million; containing more than 5 grams but not more than 50 grams is a class "B" felony, punishable by confinement for no more than 25 years and a fine of not less than \$5,000 nor more than \$100,000; and containing 5 grams or less is

a class "C" felony, punishable by confinement for no more than 10 years and a fine of not less than \$1,000 nor more than \$50,000.

The Act provides that a person participating in the manufacture, delivery, or possession of a controlled substance, and who is not entitled to protection under Iowa Code section 124.418 (Persons Seeking Medical Assistance for Drug-Related Overdose), who causes the death of another person shall be sentenced to three times the term otherwise imposed by law, and a person who causes serious bodily injury to another person shall be sentenced to two times the term otherwise imposed by law. No such judgment, sentence, or part thereof shall be deferred or suspended. The Act provides that a person's act of manufacturing or delivering a controlled substance that results in the death of another person shall be deemed to have caused the other person's death when the controlled substance contributed to the other person's death.

The Act provides that delivery to a minor or possession with intent to deliver to a minor a controlled substance includes the following: combining a controlled substance with a food or beverage product, marketing or packaging a controlled substance to appear similar to a food or beverage product, or modifying the flavor or color of a controlled substance to appear similar to a food or beverage product.

ALCOHOL REGULATION AND SUBSTANCE ABUSE

HOUSE FILE 158 - Regulation of Alcoholic Beverages — Product Placement and Inducements by Manufacturers and Wholesalers

BY COMMITTEE ON STATE GOVERNMENT. This Act requires the Department of Revenue to adopt as rules the substance of federal regulations concerning the placement of alcoholic beverage products and the offering of inducements by a manufacturer or a wholesaler of alcoholic liquor, wine, or beer.

HOUSE FILE 205 - Distribution of Barrel Tax Revenues — Brewpub Retail Sales

BY COMMITTEE ON WAYS AND MEANS. This Act requires barrel tax revenues from beer manufactured by a brewpub that is sold at retail at the manufacturing premises to be credited to the Barrel Tax Fund. Pursuant to Iowa Code, moneys in the Barrel Tax Fund are appropriated to the Economic Development Authority for the promotion of Iowa wine and beer.

HOUSE FILE 433 - Sales of Mixed Drinks or Cocktails for Consumption off Licensed Premises — Containers

BY COMMITTEE ON COMMERCE. This Act concerns the sale of mixed drinks or cocktails mixed on premises covered by a class “C” retail alcohol license for consumption off the licensed premises. Iowa law allows a mixed drink or cocktail sold in a sealed container to not be considered an open container for purposes of restrictions on drivers and passengers possessing a receptacle containing an alcoholic beverage in a motor vehicle. The Act modifies the definition of sealed container for purposes of mixed drinks or cocktails by providing that a cup made of plastic intended for one-time use, a cup made of paper or foam, a cup with a hole that includes a tamper-evident seal, or a vacuum or heat-sealed pouch is not considered a sealed container. The Act took effect April 28, 2023.

HOUSE FILE 478 - Alcoholic Beverage Control — Brewpubs and Beer Manufacturer Alternating Proprietorship Arrangements

BY COMMITTEE ON STATE GOVERNMENT. This Act concerns brewpubs and alternating proprietorship arrangements for beer manufacturers.

The Act allows a holder of a special class “C” retail alcohol license to also hold a special class “A” beer permit for purposes of operating a brewpub.

The Act also allows a manufacturer of beer in Iowa to use the space and equipment of another manufacturer of beer in Iowa for the purpose of manufacturing beer pursuant to an alternating proprietorship arrangement that is approved by the Alcohol and Tobacco Tax and Trade Bureau of the United States Department of the Treasury. The Act prohibits issuing more than one class “C” or special class “C” retail alcohol license to a premises with alternating proprietorships for beer. In addition, the Act provides that a person who manufactures beer under an alternative proprietorship arrangement may only sell beer for consumption on or off the premises where manufactured if that person is also a holder of a class “C” or special class “C” retail alcohol license issued for the premises where manufactured.

HOUSE FILE 677 - Native Winery and Native Brewery Retail Alcohol Licenses

BY COMMITTEE ON WAYS AND MEANS. This Act relates to native winery and native brewery licensees.

Concerning native wineries, the Act creates a new special class “C” retail native wine license that can be obtained by a person engaged in the business of manufacturing native wine. The license authorizes the holder to sell native wine purchased from native wineries holding class “A” wine permits and beer from class “A” beer permittees and class “B” and class “E” retail alcohol licensees only at retail for consumption on or off the premises. A container of beer or native wine that is sold and sealed in compliance with the requirements of the Act is not deemed an open container. The fee for the new license is \$125. The Act provides that a person engaged in the business of manufacturing wine may be granted not more than two special class “C” retail native wine licenses.

Concerning native breweries, the Act provides that a native brewery may be granted up to two special class “C” retail alcohol licenses. A special class “C” retail alcohol license allows the holder to purchase and sell wine and beer.

- HOUSE FILE 710** - Endow Iowa Tax Credit
SEE TAXATION. This Act makes changes relative to the Endow Iowa Tax Credit and appropriates \$7 million from the Sports Wagering Receipts Fund to the General Fund of the State for the fiscal year beginning July 1, 2022, for purposes of the Endow Iowa Tax Credit. The appropriation provision took effect June 1, 2023.
- HOUSE FILE 711** - Levee and Drainage Districts — Levee Improvement Fund — Office of Levee Safety — Levee Improvement Program
SEE AGRICULTURE. This Act establishes a Levee Improvement Fund supported by moneys deposited in the Rebuild Iowa Infrastructure Fund to support efforts to repair or reconstruct levees.
- HOUSE FILE 718** - Local Government Property Taxes, Financial Authority, Operations, and Budgets
SEE TAXATION. This Act relates to local government property taxes, financial authority, and budgets. Division VI of the Act increases the military service property tax exemption amount for all eligible veterans to \$4,000 for assessment years beginning on or after January 1, 2023, and eliminates state funding for the current property tax credit starting with the fiscal year beginning July 1, 2024.

APPROPRIATIONS

SENATE FILE 557 - Appropriations — Administration and Regulation **Fiscal Analysis**
 BY COMMITTEE ON APPROPRIATIONS. This Act makes appropriations to certain state departments, agencies, funds, and certain other entities for FY 2023-2024.

GENERAL APPROPRIATIONS. The Act relates to and appropriates moneys to various state departments, agencies, and funds for FY 2023-2024. The Act makes appropriations to state departments and agencies including the Department of Administrative Services; Auditor of State; Iowa Ethics and Campaign Disclosure Board; offices of Governor and Lieutenant Governor; Department of Inspections, Appeals, and Licensing (DIAL); Department of Insurance and Financial Services; Department of Management; Iowa Public Employees' Retirement System; Iowa Public Information Board; Department of Revenue; Secretary of State; Treasurer of State; and Iowa Utilities Board.

STANDING APPROPRIATIONS — LIMITATIONS. The Act limits a standing appropriation for FY 2023-2024 for enforcement relating to tobacco product manufacturers.

DEPARTMENT OF INSPECTIONS, APPEALS, AND LICENSING — LICENSING AND REGULATION FUND. The Act creates a licensing and regulation fund in the State Treasury under the control of DIAL. Moneys in the fund are appropriated to DIAL to fulfill administration and enforcement responsibilities for professional licensing. Various licensing fees and penalties are deposited in the fund from a variety of sources.

DEPARTMENT OF REVENUE — IOWA LOTTERY DIVISION — MAJOR PROCUREMENT CONTRACTS. The Act modifies provisions in 2023 Iowa Acts, Senate File 514 (see State Government), to provide that only major procurement contracts entered into by the Iowa Lottery Division of the Department of Revenue are subject to certain provisions.

SENATE FILE 558 - Appropriations — Agriculture and Natural Resources **Fiscal Analysis**
 BY COMMITTEE ON APPROPRIATIONS. This Act relates to agriculture, natural resources, and environmental protection by making appropriations for the fiscal year beginning July 1, 2023, and ending June 30, 2024, for purposes of supporting a number of administrative entities, and making changes to the Iowa Code. Specifically, the Act appropriates moneys to the Department of Agriculture and Land Stewardship (DALS), the Department of Natural Resources (DNR), and two entities under the control of the State Board of Regents, including Iowa State University of Science and Technology (ISU) and the State University of Iowa (UI). The Act makes appropriations based on the type of funding source and purpose of the appropriation. A funding source includes a major source that supports more than one entity or purpose and includes moneys from a number of revenue streams. This includes the General Fund of the State (GF) and the Environment First Fund (EFF). A funding source also includes a minor source that often supports a single entity or includes moneys from a dedicated fund established to further a specific purpose, such as the Special Snowmobile Fund, or that appropriates moneys that are otherwise capable of being segregated (e.g., unclaimed winnings retained by racetracks).

Division I — DALS — General, Designated, and Special Appropriations from a Major Source (GF) and Various Minor Sources — General and Specific Purposes

GENERAL APPROPRIATIONS FROM A MAJOR SOURCE (GF). The Act makes general appropriations from the GF to DALS for purposes of supporting its administrative units, including for purposes of administering and supporting additional meat and poultry inspectors and fuel inspectors. Moneys are also transferred to ISU for purposes of supporting its Midwest Grape and Wine Industry Institute.

DESIGNATED APPROPRIATIONS FROM VARIOUS MINOR SOURCES. The Act makes designated appropriations to DALS from various minor sources, which include moneys derived from unclaimed winnings paid from horse and dog races for the administration and enforcement of racing regulations and moneys credited to the Renewable Fuel Infrastructure Fund for purposes of supporting motor fuel inspection.

SPECIAL APPROPRIATIONS FROM A MAJOR SOURCE (GF). The Act makes special appropriations from the GF to DALs in order to provide for dairy regulation; for purposes of supporting the Local Food and Farm Program; to promote agricultural education; for deposit in the Foreign Animal Disease Preparation and Response Fund for purposes of supporting a Foreign Animal Disease Preparedness and Response Strategy, including vaccine development; for purposes of supporting farmers with disabilities; for the regulation of grain dealers selling grain and warehouse operators storing grain and other agricultural products; and for purposes of supporting the Value Added Agricultural Grant Program. The Act also requires DALs to deposit appropriated moneys into the Loess Hills Development and Conservation Fund for use by the Loess Hills Development and Conservation Authority and the Southern Iowa Development and Conservation Fund for use by the Southern Iowa Development and Conservation Authority. The Act appropriates moneys to the Choose Iowa Fund for purposes of supporting DALs's administration of the Choose Iowa Promotional Program that provides consumers a choice in purchasing a food item originating as an agricultural commodity produced on an Iowa farm. The Act appropriates moneys to the Dairy Innovation Fund as enacted in 2023 Iowa Acts, House File 700 (see Agriculture), for purposes of awarding financial assistance to eligible businesses engaged in certain projects relating to milk production.

Division II — DNR — General, Designated, and Special Appropriations from Various Major and Minor Sources — General and Specific Purposes

The Act makes a general appropriation from the GF to DNR for purposes of supporting its administrative divisions regulating and promoting natural resources and environmental protection. It also makes general appropriations to DNR from two other major sources, including the State Fish and Game Protection Fund and the Groundwater Protection Fund (GPF), to the extent that moneys are not otherwise statutorily allocated.

Current law creates an Agriculture Management Account within the GPF. A portion of the moneys in the Agricultural Management Account is appropriated to the Iowa Nutrient Research Fund. The Act requires the deposit of not less than \$500,000 or one-third of the moneys appropriated to the Iowa Nutrient Research Fund, whichever amount is higher, in the Water Quality Initiative Fund (WQIF) for purposes of supporting the Water Quality Initiative. The Act also strikes a provision requiring the Iowa Nutrient Research Center to facilitate collaboration among appropriate institutions of higher education governed by the State Board of Regents, including but not limited to institutes, departments, and centers.

DESIGNATED APPROPRIATIONS FROM SEVERAL MINOR SOURCES. The Act makes designated appropriations to DNR from several minor sources, including the Special Snowmobile Fund to administer and enforce state snowmobile programs and the Unassigned Revenue Fund for purposes of supporting administration of DNR's Underground Storage Tanks Section.

SPECIAL APPROPRIATIONS FROM A MAJOR SOURCE (GF). The Act makes a special appropriation from the GF to DNR for purposes of supporting floodplain management and dam safety programs, forestry health management programs, and state park operations.

Division III — ISU — Special and Designated Appropriations from Major and Minor Sources — Specific Purposes

SPECIAL APPROPRIATIONS FROM A MAJOR SOURCE (GF). The Act makes a special appropriation from the GF to ISU for purposes of supporting the operation of the Veterinary Diagnostic Laboratory by ISU's College of Veterinary Medicine. ISU is prohibited from reducing the amount that it allocated for purposes of supporting the college from any other source. The Act also appropriates moneys from the GF for deposit in the Livestock Disease Research Fund.

DESIGNATED APPROPRIATIONS FROM A MINOR SOURCE (IOWA NUTRIENT RESEARCH FUND). The Act makes a designated appropriation to ISU from the Iowa Nutrient Research Fund to support ISU's College of Veterinary Medicine for the operation of the Veterinary Diagnostic Laboratory.

Division IV — UI — Special Appropriations from a Major Source (GF) — Specific Purpose (Agricultural Safety and Health)

The Act makes a special appropriation from the GF to UI for purposes of supporting the operations of Iowa's Center for Agricultural Safety and Health, which is part of UI's College of Public Health. UI is required to use the appropriation, in cooperation with DALs, for purposes of anticipating, recognizing, and preventing occupational illness and injury among members of the agricultural community. The appropriation is conditional on the retention of the center's director.

Division V — DALs, DNR, and UI — Special Appropriations from a Major Source (EFF) — Specific Purposes (Soil and Water Conservation, Air and Water Quality Regulation, and Safety Programs)

The Act makes special appropriations from the EFF to DALs, DNR, and UI for purposes of supporting a number of programs. The purpose of the appropriation to DALs is to support soil and water conservation and water quality, watershed protection, and nutrient management. Moneys are transferred to the Hungry Canyons Account of the Loess Hills Development and Conservation Fund. The purpose of the appropriation to DNR is to support parks, geographic information systems, water quality monitoring, public water supplies, regulation of animal feeding operations, floodplain management and dam safety, and air quality. The purpose of the appropriation to UI is to support the operations of the Iowa Geological Survey; to measure, assess, and evaluate water quantity sources; and to assist DNR in regulating water quantity.

Prior law authorized a political subdivision to conduct an air pollution control program within the boundaries of its jurisdiction. If the Director of DNR deemed the air pollution control program to be consistent with the provisions of Iowa Code chapter 455B, subchapter II, the director was required to accept the program in lieu of state administration and regulation of air pollution within the political subdivision involved. In evaluating an air pollution control program, consideration was given to whether such program provided for ordinances, rules, and standards establishing requirements consistent with, or more strict than, those imposed by state law. Under the Act, consideration must be given to whether such a program provides for ordinances, rules, and standards establishing requirements consistent with those imposed by state law.

Division VI — DALs — Special Appropriation from a Major Source (EFF) — Specific Purpose (WQIF)

The Act makes a special appropriation from the EFF for deposit in the WQIF administered by DALs for purposes of supporting the Water Quality Initiative. This includes projects in watersheds, including high-priority watersheds identified by the Water Resources Coordinating Council. Specifically, appropriations must be used to implement demonstration projects, conduct evaluations, provide education and outreach, and implement soil and water conservation practices on a cost-share basis in conformance with the Iowa Nutrient Reduction Strategy.

Division VII — Special Appropriation from a Major Source (EFF) — General and Specific Purposes (REAP and State Parks)

The Act makes a general appropriation of \$12 million from the EFF to the Iowa Resources Enhancement and Protection (REAP) Fund in lieu of the \$20 million standing limited statutory appropriation from the GF (Iowa Code section 455A.18). The Act authorizes DNR to use moneys allocated to the Open Spaces Account of the REAP Fund for purposes of supporting state park maintenance, development, operations, and facility refurbishment. The Act strikes a provision requiring 10 percent of the state's land area to be included under some form of open space protection by the year 2000.

SENATE FILE 559 - Appropriations — Economic Development

Fiscal Analysis

BY COMMITTEE ON APPROPRIATIONS. This Act is organized by divisions.

Division I of the Act appropriates moneys for FY 2023-2024 from the General Fund of the State to the Iowa Economic Development Authority (IEDA), the Iowa Finance Authority (IFA), the Public Employment Relations Board, the Department of Workforce Development (IWD), Iowa State University of Science and Technology, the State University of Iowa, and the University of Northern Iowa.

The division appropriates moneys for FY 2023-2024 from the Iowa Skilled Worker and Job Creation Fund to the IEDA, IWD, and the State Board of Regents and regents institutions.

For FY 2023-2024, the division limits standing appropriations established in the Iowa Code for the World Food Prize, certain operational support grants, community cultural grants, and regional tourism marketing.

The division transfers \$100,000 of the moneys collected by the Insurance Division in excess of the anticipated gross revenues under Iowa Code section 505.7 to the IEDA.

The Act appropriates moneys for FY 2023-2024 from the Special Employment Security Contingency Fund and interest earned on the Unemployment Compensation Reserve Fund to IWD.

Moneys credited to the state by the U.S. Secretary of Treasury pursuant to section 903 of the federal Social Security Act are appropriated to IWD. Up to \$800,000 of the unemployment compensation modernization incentive payments made to the state's Unemployment Trust Fund account as a special transfer under section 903 of the federal Social Security Act are appropriated to IWD for modification of space for unemployment insurance administrative law judge offices and conference rooms for unemployment insurance appeal hearings.

The Auditor of State is requested to review the audit of IFA performed by the auditor hired by IFA.

The Act requires the IEDA, the Vocational Rehabilitation Services Division of IWD, the State Board of Regents, and Iowa State University to submit various reports to the General Assembly.

Division II of the Act authorizes the moneys appropriated to the IEDA for the Future Ready Iowa Volunteer Mentoring Program in FY 2022-2023 to remain available for use in FY 2023-2024 for the 1.15 full-time equivalent positions under the program.

Division III of the Act amends several provisions of the Housing Renewal Pilot Program (program) established in 2022 Iowa Acts, chapter 1148, section 20, and allows the \$500,000 appropriated in FY 2022-2023 for purposes of the program to be used for purposes of the program in FY 2023-2024. The program is repealed July 1, 2025.

Division IV of the Act authorizes IWD to adopt rules to implement regional industry sector partnerships.

Division V of the Act amends Iowa Code section 15B.2 to strike the definition for "targeted industries."

Division VI of the Act authorizes a community college that entered into a new jobs training agreement (agreement) that was effective in April 2021 to enter into a new agreement with the same employer with an effective date of September 2023. The new jobs eligible under the agreement are determined as outlined in the Act.

SENATE FILE 560 - Appropriations — Education

Fiscal Analysis

BY COMMITTEE ON APPROPRIATIONS. This Act relates to and appropriates moneys for FY 2023-2024 from the General Fund of the State and other funds to the education system, including the Department for the Blind, the Department of Education (DE), and the State Board of Regents and its institutions.

Division I — FY 2023-2024 Appropriations — Department for the Blind

The Act appropriates moneys to the Department for the Blind for its administration.

Division II — FY 2023-2024 Appropriations — Department of Education

The Act appropriates moneys to DE for purposes of the department's general administration; career and technical education administration; Public Broadcasting Division; career and technical education reimbursement; school food service; expansion of the federal Individuals with Disabilities Education Improvement Act birth through age three services; Early Head Start projects; the Student Achievement and Teacher Quality Program; statewide student assessment; statewide clearinghouse to expand work-based learning; Postsecondary Summer Classes for High School Students Program; Jobs for America's Graduates specialists; attendance center performance/general

Internet site and data system support; successful progression for early readers; an early warning system for literacy; the Iowa Reading Research Center; Computer Science Professional Development Incentive Fund; children's mental health school-based training and support; for school districts for students with intellectual and developmental disabilities; distribution to the Midwestern Higher Education Compact to pay Iowa's member state annual obligation; community colleges; the Iowa School for the Deaf and Iowa Braille and Sight Saving School; the Science, Technology, Engineering, and Mathematics Collaborative Initiative; the Therapeutic Classroom Incentive Fund; the payment of claims for reimbursement submitted for therapeutic classroom transportation; and the LEAD-K Program.

The Act includes appropriations to DE for the College Student Aid Commission (CSAC) for general administrative purposes, administration of the Future Ready Iowa Skilled Workforce Last-Dollar Scholarship Program, the Health Care Professional Recruitment Program, the National Guard Service Scholarship Program, the All Iowa Opportunity Scholarship Program, the Teach Iowa Scholar Program, the Rural Iowa Primary Care Loan Repayment Program, the Health Care Loan Repayment Program, the Rural Veterinarian Loan Repayment Program, the Future Ready Iowa Skilled Workforce Grant Program, the Mental Health Professional Loan Repayment Program, and the Iowa Workforce Grant and Incentive Program.

The Act appropriates moneys from the Iowa Skilled Worker and Job Creation Fund to DE.

Division III — FY 2023-2024 Appropriations — State Board of Regents

The Act appropriates moneys to the State Board of Regents for the board office, universities' general operating budgets, the Western Iowa Regents Resource Center, the State University of Iowa, Iowa State University of Science and Technology, and the University of Northern Iowa.

The Act includes a \$2.8 million appropriation to the State University of Iowa for the College of Nursing, a \$2.8 million appropriation to the Iowa State University of Science and Technology for purposes of preparing Iowa's future ready workforce and fostering innovation, and a \$1.5 million appropriation to the University of Northern Iowa for purposes of recruiting additional students to participate in educational opportunities that lead to teacher licensure.

Division IV — Standing Appropriations

For FY 2023-2024, the Act limits the standing appropriation for at-risk children under Iowa Code section 279.51 and the Work-Study Program under Iowa Code section 261.85, reduces the standing appropriation for tuition grants for qualified students enrolled in eligible institutions under Iowa Code section 261.25(2), and increases the standing appropriation for tuition grants to qualified students enrolled in accredited private institutions under Iowa Code section 261.25(1).

Division V — Diversity, Equity, and Inclusion

The State Board of Regents is required to conduct a comprehensive study and review of the diversity, equity, and inclusion programs and efforts of each institution of higher learning under the board's control. The Act establishes the components the study and review are to include.

The State Board of Regents is required to prepare a report containing its findings and recommendations to be considered by the board during its November 2023 meeting. Additionally, the board is to submit a final report containing findings and recommendations to the Governor and the General Assembly no later than December 1, 2023.

The institutions of higher learning under the control of the State Board of Regents are to cease all associated hiring in FY 2023-2024.

Division VI — Iowa Workforce Grant and Incentive Program

The Act establishes the Iowa Workforce Grant and Incentive Program (WGIP) within CSAC. A full-time eligible student may receive an annual grant under the WGIP for not more than four semesters or until the eligible student completes the eligible program, whichever occurs first. A part-time eligible student may receive an annual grant under the WGIP for not more than eight semesters, on a prorated basis, or until the eligible student completes the eligible program, whichever occurs first. The maximum amount of a grant under the WGIP to a full-time eligible student shall not exceed \$2,000 per semester, and the maximum amount of a grant under the WGIP to a part-time eligible student shall be prorated based on the part-time eligible student's semester hour enrollment. If a grant recipient discontinues attendance before the end of any semester, the eligible institution is required to pay to CSAC the entire amount of any refund due to that recipient, up to the full amount of the grant payments made during the semester.

When making awards under the WGIP, CSAC is required to give priority to applicants who received an award in the prior academic year and applicants with the least financial ability to pay.

An individual who was an eligible student who received a grant under the WGIP in the academic year in which the eligible program is completed, and who accepts and begins employment in an aligned occupation in this state within six months of completing the eligible program, may apply to CSAC for one incentive payment of up to \$2,000.

The Iowa Workforce Development Board, in collaboration with the State Board of Regents, is required to create and periodically update a list of high-wage and high-demand jobs and corresponding academic majors offered by institutions of higher education governed by the State Board of Regents for purposes of the WGIP. The Act establishes the criteria for inclusion on the list.

Division VII — Department of Education — Task Force

The Act requires DE to convene and provide administrative support to a task force that is required to study certain specified issues related to programs for at-risk students and dropout prevention programs.

Division VIII — Future Ready Iowa Skilled Workforce Grant Program

The Future Ready Iowa Skilled Workforce Grant Program provides tuition support to eligible students who have completed more than two years of a four-year degree in a high-demand field. The program provides a minimum of \$1,000 in tuition support for eligible students who go back to school at eligible institutions to finish an eligible program.

The Act modifies the definition of "eligible institution" under the program to include approved virtual institutions, as defined in the Act. The Act also modifies the definition of "eligible institution" to remove the requirement that the eligible institution certify that prior to participating in the program an eligible student has earned at least half of the credits necessary for a bachelor's degree and is able to complete a bachelor's degree in an eligible program of study or academic major leading to a designated high-demand job in the prescribed grant time frame.

The Act modifies the definition of "eligible student" under the program to remove the requirement that the eligible student has earned at least half of the credits necessary for a bachelor's degree and is able to complete a bachelor's degree in an eligible program of study or academic major leading to a designated high-demand job in the prescribed grant time frame. Prior law required that an eligible student under the program must not have been enrolled in postsecondary education during the 24 months preceding the date on which CSAC received the individual's application to participate in the program. The Act strikes this requirement and replaces it with a requirement that the eligible student must be at least 25 years of age at the time the student enrolls in an eligible program.

The Act strikes a provision that prohibits new awards under the program.

Division IX — All Iowa Opportunity Scholarship Program

The Act modifies several provisions under the All Iowa Opportunity Scholarship Program, including modifying the definition of “eligible foster care student” and modifying eligibility requirements under the program. The Act provides that these provisions apply to applications submitted under the program before, on, or after July 1, 2023.

Division X — Education Savings Accounts — Corrections

The Act makes corrections to 2023 Iowa Acts, House File 68 (see Education). These provisions of the Act took effect June 1, 2023, and apply retroactively to January 24, 2023.

Division XI — Education Savings Accounts — Deposit of Moneys

Moneys in the Education Savings Account Fund may be deposited into an account at any financial institution, including financial institutions outside the state of Iowa, if such deposits are adequately protected and necessary for the effective administration of the program.

Division XII — Gap Tuition Assistance

The Act modifies the provisions of the Gap Tuition Assistance Program to eliminate certain requirements and make other changes related to coverage for tuition assistance and eligible certificate programs.

Division XIII — State Government Realignment — Modifications

The Act provides that certain provisions applicable to school district employees also apply to employees of the Iowa Educational Services for the Blind and Visually Impaired Program. The State Board of Regents is required to transfer all property and records in its custody related to the program to DE.

The Act modifies the definition of “approved career and technical education program” for purposes of the Career and Technical Education Program.

Division XIV — State Program Allocation — Fine Arts Beginning Teacher Mentoring Program

The Act allows DE to consider in-kind contributions received by an organization described in Iowa Code section 256.34 (Fine Arts Beginning Teacher Mentoring Program) for matching purposes.

Current Iowa Code section 284.13 establishes how moneys appropriated for purposes of the Student Achievement and Teacher Quality Program are to be allocated. The Act extends the allocations established pursuant to Iowa Code section 284.13 to FY 2023-2024, and increases the allocations for the Fine Arts Beginning Teacher Mentoring Program. The Act provides that beginning in FY 2024-2025 rather than FY 2023-2024, of the moneys appropriated for purposes of the Student Achievement and Teacher Quality Program, the final priority for the allocation is \$10 million for purposes of implementing the supplemental assistance for high-need schools provisions of Iowa Code section 284.11.

Division XV — Equipment Replacement and Program-Sharing Property Tax Levy

Under prior law, the board of directors of a community college was authorized to certify for a levy a tax on taxable property in the merged area at a rate not exceeding 3 cents per \$1,000 of assessed valuation for equipment replacement for the community college. Prior law also allowed the board to certify for a levy on taxable property in the merged area at a rate in excess of 3 cents per \$1,000 of assessed valuation if the excess tax levied did not cause the total rate certified to exceed 9 cents per \$1,000 of assessed valuation and if the revenue generated by the levy was used for, among other things, the purchase of instructional equipment. The Act modifies this provision to allow for the revenue generated by the levy to be used for the purchase of equipment. These provisions of the Act took effect June 1, 2023.

Division XVI — Online State Job Posting System — Repeal

The Act requires the Department of Workforce Development, in consultation with DE, to establish a system that allows DE, school districts, charter schools, area education agencies, and accredited nonpublic schools to post job openings on an Internet site. The Act establishes requirements related to the system and the Internet site. The Act repeals Iowa Code section 256.27, which provided for DE's operation of an online state job posting system.

SENATE FILE 561 - Appropriations — Health and Human Services **Fiscal Analysis**
 BY COMMITTEE ON APPROPRIATIONS. This Act relates to appropriations for veterans and health and human services for FY 2023-2024.

- Community capacity, including for continuation of a child vision screening program implemented through the University of Iowa Hospitals and Clinics; for continuation of the program to rotate intern psychologists, including providing more flexibility in the program for intern psychologists who serve urban and rural mental health professional shortage areas; for the Iowa Prescription Drug Corporation, free clinics and Free Clinics

of Iowa, the Iowa Association of Rural Health Clinics, and the Polk County Medical Society for increased access, health system integration, and engagement activities; for health care and public health workforce initiatives; for a matching dental education loan repayment program; for the Iowa Donor Registry; for continuation of a grant to a nationally affiliated volunteer eye organization; for the Medical Residency Training State Matching Grants Program; to Des Moines University for continuation of a provider education project to provide mental health training to primary care physicians; for rural psychiatric residencies; for psychiatric training for physician assistants and nurse practitioners; for continuation of a Center of Excellence Program to encourage innovation and collaboration among regional health care providers in a rural area; for the Family Medicine Obstetrics Fellowship Program; and for the Iowa Commission on Volunteer Service.

- Essential public health services to reduce risks and invest in promoting and protecting good health over the course of a lifetime with a priority given to older Iowans and vulnerable populations.
- Infectious diseases to reduce the prevalence of communicable diseases.
- Public protection, including emergency medical services, sexual violence prevention programming, the state Poison Control Center, and for childhood lead poisoning.
- Resource management to establish and sustain the overall ability of HHS to deliver services to the public.
- Miscellaneous provisions relating to the indirect costs and billings of the University of Iowa Hospitals and Clinics.
- Development of plans by the department for program enhancements in the Iowa Health Information Network.
- For problem gambling and substance-related disorder prevention, treatment, and recovery services.

Division V — Department of Health and Human Services — Human Services

This division appropriates funds for FY 2022-2023 from the General Fund of the State and other funds to HHS and includes other appropriations and provisions involving human services and health care, including the following:

TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF) BLOCK GRANT. Appropriations are made from the federal TANF Block Grant for a number of purposes, including the Family Investment Program (FIP); the Job Opportunities and Basic Skills (JOBS) Program; FIP agreements; the Family Development and Self-Sufficiency (FaDSS) Program; field operations; general administration; state child care assistance; child and family services; child abuse prevention grants; pregnancy prevention grants; technology needs and other resources; and for the Supplemental Nutrition Assistance Program (SNAP).

FAMILY INVESTMENT PROGRAM. Under federal TANF welfare reform provisions, federal funding is provided for FIP in the form of an annual block grant to the state. Consequently, the division includes combined FIP and FIP-related appropriations from the General Fund of the State and the TANF Block Grant. These appropriations are directed to HHS for the FaDSS Program; for the diversion subaccount of the FIP account; for the SNAP Employment and Training Program, including a directive to HHS to apply the state plan to maximize the state/federal match for the federal SNAP Employment and Training Program and to continue the categorical federal SNAP eligibility provisions at 160 percent of the federal poverty level; and for the JOBS Program. Funding is allocated for a contract to provide tax preparation assistance to low-income Iowans in order to expand the usage of the Earned Income Tax Credit. Funding is provided to continue the Parenting Program in which Child Support Services participates, to support a broad-based parenthood initiative that promotes child support obligations, improved family relationships, and full-time employment.

CHILD SUPPORT SERVICES. The division continues the Iowa Child Support Public Awareness Campaign located in the Office of the Attorney General and continues to direct HHS to issue federal access and visitation grant moneys directly to private not-for-profit agencies that provide services designed to increase compliance with child access provisions of court orders, including but not limited to neutral visitation site and mediation services.

HEALTH CARE TRUST FUND AND MEDICAID FRAUD FUND. The division provides that any funds remaining in either the Health Care Trust Fund or the Medicaid Fraud Fund for FY 2023-2024 are appropriated to HHS to supplement the Medicaid appropriation for the same fiscal year.

MEDICAL ASSISTANCE (MEDICAID PROGRAM). The division provides for appropriations from the General Fund of the State to HHS for the Medicaid program and continues provisions required in previous years, including the provision relating to the performance of abortions under the Medicaid program requiring the Office of the Governor to approve reimbursement for each abortion performed under the program. The division directs HHS to use a specified portion of the funding to maintain the reimbursement rates of eligible home and community-based services (HCBS) providers and to reduce the HCBS intellectual disabilities waiver waiting list. The division also provides that, notwithstanding any provision to the contrary, a specified amount of the funds appropriated are to be used to increase reimbursement rates for mental health and substance use disorder providers including for individual mental health therapy providers, for mental health providers, and for substance use disorder providers in accordance with a methodology determined by HHS.

HEALTH PROGRAM OPERATIONS. The division provides for an appropriation from the General Fund of the State to HHS for health program operations including for continuation of HCBS waiver quality assurance programs; for planning and development of a phased-in program to provide a dental home for children; for the Autism Support Program; and for continuation of a grant to provide support services for children with autism spectrum disorder and their families.

STATE SUPPLEMENTARY ASSISTANCE (SSA) AND CHILDREN'S HEALTH INSURANCE PROGRAM. The division provides an appropriation from the General Fund of the State for SSA and for the State Children's Health Insurance Program, known as the Healthy and Well Kids in Iowa (Hawki) Program, including supplemental dental services.

CHILD CARE ASSISTANCE. The division provides an appropriation from the General Fund of the State to HHS for child care programs. The State Child Care Assistance Program is allocated the majority of the amount appropriated. This program also receives federal funding through the federal Child Care and Development Block Grant. Funding is also allocated for early childhood Iowa programs and functions.

JUVENILE INSTITUTION. The division appropriates funds from the General Fund of the State for the State Training School at Eldora, including for continuation of a substance use disorder treatment program.

CHILD AND FAMILY SERVICES. The division appropriates funds from the General Fund of the State for child and family services. Major allocations include funding for group foster care maintenance and services, the Child Welfare and Juvenile Justice Funding Initiative, shelter care, court-ordered services for juveniles, the Child Protection Center Grant Program including for the establishment of satellite centers, the Preparation for Adult Living Program, system of care programs throughout the state, and child protection sites.

ADOPTION SUBSIDY. The division appropriates funds from the General Fund of the State for the Adoption Subsidy Program and provides that funds are to be used as authorized or allowed by federal law or regulation for adoption subsidy and post-adoption services and other purposes.

FAMILY SUPPORT SUBSIDY PROGRAM AND CONNER DECREE. The division appropriates funds from the General Fund of the State for the Family Support Subsidy Program and provides that a portion of the funding is to be used for the Family Support Center component of the Comprehensive Family Support Program. The division provides funding to continue coordination and training opportunities associated with disability services in accordance with the Conner Consent Decree.

MENTAL HEALTH INSTITUTES (MHIs) AND STATE RESOURCE CENTERS. The division provides appropriations to the state MHIs at Cherokee and Independence. Appropriations are also made for the state resource centers at Glenwood and Woodward utilizing a net General Fund of the State appropriation approach known as "net budgeting."

SEXUALLY VIOLENT PREDATORS. The division appropriates funding for payment of costs associated with the commitment and treatment of sexually violent predators at the State Mental Health Institute at Cherokee.

FIELD OPERATIONS, GENERAL ADMINISTRATION, AND VOLUNTEERS. The division includes appropriations for HHS field operations, general administration, and volunteers.

The appropriation for field operations provides an allocation for increasing compensation for child welfare case workers and to support case workers with complex cases in all services areas. In addition, prioritization is provided for the filling of full-time equivalent positions related to child protection services and eligibility determinations for low-income families.

The appropriation for general administration continues the allocation related to a program to provide technical assistance, support, and consultation to providers of HCBS services under the Medicaid program; provides for a transfer to the Iowa Finance Authority to be used for administrative support for the Council on Homelessness; provides an allocation to the Achieving a Better Life Experience Savings Plan Trust under Iowa Code chapter 12I; provides for transfer of funding to the Iowa Commission on Volunteer Service to continue the RefugeeRISE AmeriCorps Program; and provides funding to support the work of the Children's Behavioral Health System, the system state board, and implementation of regional Mental Health and Disability Services System services. The division also allocates funds to be used for the renovation and construction of certain nursing facilities, consistent with the provisions of Iowa Code chapter 249K (Nursing Facility Construction or Expansion), for the More Options for Maternal Support Program, and for the Child Advocacy Board for foster care review and the Court Appointed Special Advocate Program.

The division includes an appropriation for HHS to develop and coordinate volunteer services.

DEPARTMENT-WIDE DUTIES. The division includes an appropriation to HHS for salaries, support, maintenance, and miscellaneous purposes at facilities under the purview of HHS and requires HHS to submit a report to the General Assembly detailing the expenditure of the funds appropriated.

MEDICAL ASSISTANCE, STATE SUPPLEMENTARY ASSISTANCE, AND SOCIAL SERVICES PROVIDERS REIMBURSED UNDER THE DEPARTMENT OF HEALTH AND HUMAN SERVICES. The division addresses reimbursement for providers reimbursed under the purview of HHS. Reimbursement rates and methodologies for providers and services remain the same as the reimbursement in effect on June 30, 2023, with the following exceptions:

- For the fiscal period beginning July 1, 2023, and ending June 30, 2025, HHS must rebase case-mix nursing facility rates using the Medicaid cost reports for the period ending December 31, 2022, and applying a minimum occupancy factor of 70 percent to the extent possible within the \$15 million provided for this purpose. For FY 2023-2024, HHS must determine and adjust each nursing facility's case-mix index on a semiannual basis based on a specified methodology.
- For FY 2023-2024, reimbursement rates for outpatient hospital services must be rebased effective January 1, 2024, subject to Medicaid program upper payment rules and adjusted to maintain expenditures within the appropriation.

Division VI — Department of Health and Human Services — Human Rights

This division appropriates funding to HHS for programs and services related to human rights including central administration, community advocacy and services, and criminal and juvenile justice planning, and appropriates moneys from the Juvenile Detention Home Fund to HHS for support of county or multicounty juvenile detention homes.

Division VII — Health Care Accounts and Funds

PHARMACEUTICAL SETTLEMENT ACCOUNT. This division appropriates funds from the Pharmaceutical Settlement Account to HHS to supplement the appropriations for health program operations under the Medical Assistance Program.

QUALITY ASSURANCE TRUST FUND. The division appropriates funds from the Quality Assurance Trust Fund to HHS to supplement the appropriations for the Medicaid program.

HOSPITAL HEALTH CARE ACCESS TRUST FUND. The division appropriates funds from the Hospital Health Care Access Trust Fund to HHS to supplement the appropriations for the Medicaid program.

Division VIII — Decategorization Carryover Funding

This division provides for the transfer of carryover decategorization funds that remained unencumbered or unobligated at the close of the fiscal year beginning July 1, 2020, to the Medicaid program for FY 2024-2025.

Division IX — Prior Appropriations and Other Provisions

This division provides that funds appropriated to HHS and credited to the Family Investment Program General Fund, for state child care assistance, for child and family services, for field operations, for the More Options for Maternal Support Program, and for general administration for FY 2022-2023, that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for the purposes designated until the close of the succeeding fiscal year. The division also increases the amount appropriated from the Quality Assurance Trust Fund to HHS for FY 2022-2023 for the Medical Assistance Program. The division took effect June 1, 2023.

Division X — Health and Human Services — Report on Nonreversion of Funds

This division requires HHS to report the expenditure of any moneys for which nonreversion authorization was provided for FY 2022-2023, to the General Assembly on a quarterly basis beginning October 1, 2023.

Division XI — Elimination of Repeal of Hospital Health Care Access Assessment Program

This division eliminates the repeal of the Hospital Health Care Access Assessment Program.

Division XII — Realignment Corrections — Buying and Selling of Real Estate

This division establishes a Health and Human Services Capital Reinvestment Fund under the control of HHS to be used for deposit of proceeds from the sale of real estate under the purview of HHS to be used for improvements to property that is owned by the state and utilized by HHS. The division also makes a correction to a provision of 2023 Iowa Acts, Senate File 514 (see State Government), relating to the School Ready Children Grants Account.

Division XIII — Administrator of Child and Family Services

This division repeals a section relating to the administrator of child and family services, which was eliminated under 2023 Iowa Acts, Senate File 514, in the realignment of HHS.

Division XIV — Health Policy Oversight Committee

This division provides that the Legislative Health Policy Oversight Committee may meet annually. Under prior law, the committee was required to meet at least two times annually during the legislative interim.

Division XV — Public Assistance Program Provisions

This division makes corrections to 2023 Iowa Acts, Senate File 514, and 2023 Iowa Acts, Senate File 494 (see Human Services), relating to public assistance program provisions. The division also creates a Public Assistance Modernization Fund. Moneys in the fund are to be used and appropriated for the purposes of modernizing information technology systems and other modernization initiatives related to delivery of public assistance programs. The division directs HHS to deposit in the fund for FY 2023-2024 a specified amount received from one-time Medicaid settlement funds.

Division XVI — HCBS Waiver Recipient Residences — Sprinkler Systems

This division prohibits cities, city councils, city zoning commissions, counties, county boards of supervisors, and county zoning commissions from classifying an HCBS waiver recipient residence as a residential group R-3

occupancy or as a care facility within a dwelling for the purpose of enforcement or inspection relating to compliance with sprinkler system provisions of international building or residential codes. The division took effect June 1, 2023.

Division XVII — State-Funded Family Medicine Obstetrics Fellowship Program and Fund

This division establishes a state-funded Family Medicine Obstetrics Fellowship Program to increase access to family medicine obstetrics practitioners in rural and underserved areas of the state. The division specifies the criteria for eligibility, and requires a participating fellow to enter into a program agreement with a participating teaching hospital that, at a minimum, requires the fellow to complete a one-year fellowship and to engage in full-time family medicine obstetrics practice in a rural or underserved area of the state for a period of at least five years within nine months following completion of the fellowship and receipt of a license to practice medicine in the state. The division specifies that the salary and benefits for the fellow including a stipend are to be determined by the participating teaching hospital, which shall be funded through the Family Medicine Obstetrics Fellowship Program Fund. The department must adopt administrative rules to administer the program, including defining rural and underserved areas for the purpose of the required full-time practice of a person following completion of the fellowship. The division establishes a Family Medicine Obstetrics Fellowship Program Fund. Moneys in the fund are appropriated to HHS to be used to fund fellowship positions. The division appropriates for deposit in the fund for the fiscal year beginning July 1, 2023, and each fiscal year beginning July 1 thereafter, from the General Fund of the State an amount sufficient to support the creation of four fellowship positions. The department and the participating teaching hospitals must regularly evaluate and document their experiences to facilitate increased access to family medicine obstetrics practitioners in rural and underserved areas of the state, and HHS must submit an annual report to the General Assembly by January 1 that includes the number of fellowships funded to date and any other information identified by HHS and the participating teaching hospitals as indicators of outcomes and the effectiveness of the program.

Division XVIII — Adoption Subsidy Program — Nonrecurring Adoption Expenses

This division provides that the maximum reimbursement provided to an adoptive parent under the Adoption Subsidy Program for nonrecurring adoption expenses, as defined in federal law, is \$1,000, rather than the existing \$500 limitation. The department must adopt administrative rules to administer this division.

Division XIX — Safe Haven Act Harmonization

This division provides for codification harmonization of the provisions relating to the Newborn Safe Haven Act due to enactment of 2023 Iowa Acts, House File 425 (see Children and Youth), and 2023 Iowa Acts, House File 474 (see Children and Youth), which included conflicting provisions.

SENATE FILE 562 - Appropriations — Justice System

Fiscal Analysis

BY COMMITTEE ON APPROPRIATIONS. This Act relates to and makes appropriations to the justice system, including by providing for payments associated with indigent defense and representation, the funding of activities related to consumer fraud and antitrust, a Corrections Capital Reinvestment Fund, and an Iowa law enforcement academy study, a human trafficking study, and the funding of peace officer retirement.

Division I — FY 2023-2024 Appropriations

The Act makes appropriations for FY 2023-2024 from the General Fund of the State to the departments of Justice, Corrections, Public Defense, Public Safety, and Homeland Security and Emergency Management, and the Iowa Law Enforcement Academy, Office of the State Public Defender, and Board of Parole.

The Act appropriates moneys from the Commerce Revolving Fund to the Office of Consumer Advocate of the Department of Justice; from the Gaming Enforcement Revolving Fund to the Department of Public Safety; from the 911 Emergency Communications Fund to the Department of Homeland Security and Emergency Management; and from the Consumer Education and Litigation Fund to the Department of Justice for farm mediation services and salaries, support, maintenance, and miscellaneous purposes for criminal prosecutions, criminal appeals, and performing certain duties.

Division II — Indigent Defense and Representation

The Act increases the hourly rates for court-appointed counsel by \$5 per hour and provides that for appointments made on or after July 1, 2023, compensation is calculated on the basis of \$83 per hour for class “A” felonies, \$78 per hour for class “B” felonies, and \$73 per hour for all other cases.

The Act provides that compensation for time spent by an attorney or guardian ad litem traveling outside of the attorney’s or guardian ad litem’s county of domicile is payable when the travel is reasonable and necessary to represent the indigent client and shall be calculated at a rate of \$35 per hour. Compensation for travel for a court proceeding other than a trial or other contested proceeding shall only be paid if the attorney or guardian ad litem files a motion for a remote hearing and the motion is denied. Under those circumstances, compensation paid for travel for an uncontested or nontestimonial proceeding must be reimbursed by the judicial branch.

Division III — Attorney General — Antitrust Fund — Consumer Education and Litigation Fund

The Act extends an increase in Iowa Code section 714.16C appropriations to the Department of Justice to June 30, 2025. The annual appropriations in Iowa Code section 714.16C are increased from \$1,250,000 to \$1,875,000 and \$75,000 to \$125,000, respectively.

The Act provides that any moneys not otherwise appropriated from the Antitrust Fund and the Consumer Education and Litigation Fund are appropriated to the Department of Justice for salaries, support, maintenance, and miscellaneous purposes. This provision took effect June 1, 2023, and is retroactively applicable to July 1, 2022.

Division IV — Department of Corrections

The Act provides that upon an approved sale of real estate by the Director of the Department of Corrections, the proceeds shall be deposited in a Corrections Capital Reinvestment Fund established by the Act. The Act transfers associated moneys remaining in the General Fund to the new fund. The funding source for costs incident to the acquisition and sale of real estate shall be reimbursed from the proceeds of the sale. These provisions took effect June 30, 2023.

Division V — Iowa Law Enforcement Academy — Study Committee

The Act requests the establishment of a legislative interim study committee on the Iowa Law Enforcement Academy to review and evaluate the following: minimum entrance requirements, the course of study, attendance requirements, and the sufficiency of current equipment and facilities; minimum basic training requirements; minimum standards of physical, mental, educational, and moral fitness; and additional locations for law enforcement training schools and other facility needs.

Division VI — Human Trafficking Study Committee

The Act requests the establishment of a legislative interim study committee on human trafficking to review and evaluate the following: current initiatives to eliminate the human trafficking of minors in the state; current services available for minor victims of human trafficking; laws of other states that focus on minor victims of human trafficking; a model of rehabilitative services for minor victims of human trafficking; barriers that prevent minor victims of human trafficking from seeking legal assistance or medical attention; a procedure to be followed if a law enforcement officer encounters a minor who may be a victim of human trafficking; the efficacy of safe harbor laws; potential routes to eliminate human trafficking of minors in the state; recommendations on appropriate human trafficking-related training for law enforcement officers, county attorneys, and juvenile service officers; and funding needs.

Division VII — Department of Public Safety Directive

The Act requires the Department of Public Safety to pay the Peace Officers’ Retirement, Accident, and Disability System, from moneys appropriated in the Act, the amount sufficient to fund the actuarial cost of the remaining transfer

due to the transition of motor vehicle enforcement duties to the Department of Public Safety from the Department of Transportation, after the required trustee-to-trustee lump sum transfer has been performed.

SENATE FILE 563 - Appropriations — Judicial Branch

Fiscal Analysis

BY COMMITTEE ON APPROPRIATIONS. This Act relates to and makes appropriations to the judicial branch, apportionment of district associate judges, video recordings, contracting authority, and noncontract attorney appointment.

FY 2023-2024 APPROPRIATIONS. The Act appropriates moneys from the General Fund of the State for FY 2023-2024 to the judicial branch for salaries, receipt and disbursement of child support payments, reimbursement of the Auditor of State, maintenance, equipment, miscellaneous purposes, deposit in the revolving fund created pursuant to Iowa Code section 602.1302(3) for certain purposes, payment of court-ordered juvenile services, and juvenile delinquent programs and services.

The Act provides that a civil trial including a jury trial may take place in a county contiguous to the county with proper jurisdiction, even if the contiguous county is located in an adjacent judicial district or judicial election district, if all the parties in a case agree. If a trial is moved to another county that is located in another judicial district or judicial election district, the judicial officers serving the judicial district or judicial election district receiving the case shall preside over the case.

The Act permits a judicial officer to waive travel reimbursement for any travel outside the judicial officer's county of residence to conduct official business.

The Act allows a judicial officer to be placed on unpaid leave on any day a court employee is required to furlough. The Act provides additional details.

The Act states legislative intent that the judicial branch utilize the Iowa Communications Network or other secure electronic communications in lieu of traveling.

APPORTIONMENT OF DISTRICT ASSOCIATE JUDGES. The Act provides for a new formula to be prescribed by the Iowa Supreme Court for apportioning district associate judges based upon a weighted workload. The Act provides that in judicial election districts that currently have more district associate judges than the new formula prescribes, vacancies shall not be filled, while districts having fewer or the same shall fill vacancies as they occur. In judicial districts that contain more than one judicial election district, a vacancy in a judicial election district shall not be filled if the total number of district associate judges in all judicial election districts within the judicial district equals or exceeds the aggregate number of judgeships to which all of the judicial election districts of the judicial district are authorized. Incumbents shall not be removed because of a reduction in number of authorized judgeships.

VIDEO RECORDINGS. The Act adds video recordings to Iowa Code section 602.3205 (certified shorthand reporter recordings). The Act provides that a certified shorthand reporter's audio and video recordings used solely for the purpose of providing a verbatim written transcript of a court proceeding or a proceeding conducted in anticipation of use in a court proceeding shall be considered the personal property and private work product of the certified shorthand reporter, except that an audio or video recording of a certified shorthand reporter shall be provided to the presiding judge or chief judge for an in camera review upon court order for good cause shown and an audio or video recording of a certified shorthand reporter shall be provided to the Board of Examiners of Shorthand Reporters upon request by the board if a disciplinary proceeding is pending regarding the certified shorthand reporter.

CONTRACTING AUTHORITY. The Act allows the State Court Administrator to enter into contracts with vendors that include limitations of liability for the vendors, after considering certain criteria set forth in the Act. The Act prohibits limitations of liability for any intentional torts, criminal acts, or fraudulent conduct by the vendor.

THE GOVERNOR ITEM VETOED THE FOLLOWING:

A provision that prohibited the appointment of a noncontract attorney without the attorney's consent in certain actions for FY 2023-2024.

SENATE FILE 576 - Appropriations — Transportation**Fiscal Analysis**

BY COMMITTEE ON APPROPRIATIONS. This Act makes appropriations from the Road Use Tax Fund and the Primary Road Fund to the Department of Transportation (DOT) for FY 2023-2024 for the DOT's ongoing operations, maintenance, and infrastructure projects, including the costs associated with participation in the Mississippi River Parkway Commission, administration of the Traffic and Criminal Software Program and the Mobile Architecture and Communications Handling Program, and the statewide interoperability network. The Act amends 2020 Iowa Acts, chapter 122, section 2, to keep previously appropriated moneys for renovations to the northwest wing of the DOT headquarters in Ames available to the DOT until the end of FY 2024-2025.

SENATE FILE 577 - Appropriations — Infrastructure and Capital Projects**Fiscal Analysis**

BY COMMITTEE ON APPROPRIATIONS. This Act relates to and makes appropriations from the Rebuild Iowa Infrastructure Fund (RIIF) and the Technology Reinvestment Fund (TRF) and provides for related matters. The Act is organized by divisions.

Division I — Rebuild Iowa Infrastructure Fund

This division appropriates project funding for FY 2023-2024 from the RIIF for projects for the departments of Administrative Services, Agriculture and Land Stewardship, the Blind, Corrections, Education, Health and Human Services, Natural Resources, Public Defense, Public Safety, and Transportation, and for the Economic Development Authority, Treasurer of State, Ethics and Campaign Disclosure Board, Iowa Communications Network, Board of Regents, and the judicial branch.

Division II — Technology Reinvestment Fund

This division appropriates project funding for FY 2023-2024 from the TRF for projects for the departments of Justice, Corrections, Education, Health and Human Services, Homeland Security and Emergency Management, Management, and Revenue, and for the Auditor of State, the Board of Parole, the Iowa Law Enforcement Academy, and the judicial branch.

Division III — Changes to Prior Appropriations

This division allows moneys appropriated from the RIIF to the Board of Regents for an industrial technology center at the University of Northern Iowa for FY 2022-2023 to also be expended for steam tunnel repairs at the University of Northern Iowa. The division also allows moneys appropriated from the RIIF to the Department of Public Defense for a readiness center in FY 2021-2022 and FY 2022-2023 to not revert but to remain available for expenditure until the project is completed. The division took effect June 1, 2023.

Division IV — Miscellaneous Provisions

Iowa Code section 8.57C, concerning the TRF, is amended to provide that the standing appropriation to the fund from the General Fund for fiscal years beginning on or after July 1, 2023, is changed to fiscal years beginning on or after July 1, 2024, and to provide for an appropriation to the fund from the RIIF for the fiscal year beginning July 1, 2023, of \$18.4 million.

Division V — Destination Iowa Fund

This division, in new Iowa Code section 15.281, establishes a Destination Iowa Fund under the control of the Economic Development Authority (authority). The division provides that moneys in the fund will be appropriated to the authority for providing grants to eligible cities, counties, and not-for-profit organizations to fund projects that increase tourism opportunities, development and enhancement of outdoor recreational opportunities, or otherwise contribute to quality of life in rural communities. The division defines "rural communities" as a community that has a population of fewer than 20,000 persons as determined by the most recent population estimate produced by the United States Bureau of Census or the most recent decennial census released by the United States Bureau of Census. The division further provides that projects must be primarily vertical infrastructure and available for year-round use by the public, and provides that the applicant for project moneys must intend to own the property

that is the subject of the project upon completion. The division also provides that the authority shall allocate 50 percent of the moneys available in the Destination Iowa Fund (fund) at the beginning of each fiscal year to projects in rural communities, but may reallocate any portion of the moneys allocated to rural communities for all eligible projects if moneys allocated for rural communities have not been awarded by April 1 of the fiscal year for which the allocation is made. The division establishes the application process for grants from the fund and provides that the authority board shall make final funding decisions. The division provides that interest or earnings on moneys deposited in the fund shall be credited to the fund and moneys credited to the fund shall not revert at the close of a fiscal year. The division provides that the authority shall not use more than 5 percent of the moneys in the fund each fiscal year for purposes of administrative costs and program support.

Division VI — On-Stream Impoundment Restoration

This division amends Iowa Code section 456A.33C, creating the On-Stream Impoundment Fund (fund), by eliminating the fund and creating an On-Stream Impoundment Restoration Program. Current requirements in Iowa Code section 456A.33C regarding funding projects from the fund are retained for purposes of the program.

SENATE FILE 578 - State and Local Government and Regulatory Matters — Appropriations and Corrective Code Provisions Fiscal Analysis

BY COMMITTEE ON APPROPRIATIONS. This Act relates to state finances and makes corrections.

Division I — Appropriations, Distributions, Transfers, and Expenditure Authority

The Act limits the standing appropriations for FY 2023-2024 for payment of claims for nonpublic school pupil transportation, instructional support state aid, state aid for area education agencies, and payments under Iowa Code section 441.21 relating to certain property assessment limitations. In addition, the Act authorizes salary adjustments to be funded as determined by the Department of Management (DOM) from unappropriated moneys in certain special funds.

For FY 2022-2023, moneys in excess of the maximum balance of the Iowa Economic Emergency Fund shall not be distributed as provided in Iowa Code section 8.55(2), but shall instead be distributed as provided in the Act. Under the Act, moneys are first transferred to the General Fund of the State in an amount equal to the difference in foundation property tax statewide resulting from 2023 Iowa Acts, SF 181 (see Taxation), to pay foundation aid under Iowa Code chapter 257 for FY 2023-2024. The amount that would be distributed to the Taxpayer Relief Fund under current law is reduced by the transferred amount. The transferred amount is to be determined by DOM. These provisions took effect June 1, 2023.

Division II — Corrective Provisions

The Act makes technical corrections to, or as the result of, legislation enacted or considered during the 2023 Legislative Session. Certain provisions took effect June 1, 2023, and apply retroactively to the effective date of the amended legislation.

- SENATE FILE 418** - Public Funds Investments — Companies Owned or Controlled by Chinese Military or Government Services — Review Requirements
SEE STATE GOVERNMENT. This Act restricts the Treasurer of State, the State Board of Regents, the Iowa Public Employees' Retirement System, the Public Safety Peace Officers' Retirement System, the Statewide Fire and Police Retirement System, and the Judicial Retirement System, defined as "public funds," from directly investing in publicly traded foreign companies that are owned or controlled by the Chinese military or government services.
- SENATE FILE 514** - State Government Reorganization
SEE STATE GOVERNMENT. This Act relates to the organization, structure, and functions of state government. Concerning business, banking, and insurance, the Act provides that the Department of Commerce shall be renamed the Department of Insurance and Financial Service and provides that the renamed Department of Insurance and Financial Services shall consist of the Insurance Division, the Banking Division, and the Credit Division. The Act provides that the Insurance Commissioner shall be the Director of the Department of Insurance and Financial Services and provides that the Superintendent of Banking and the Superintendent of Credit Unions shall serve at the pleasure of the Governor and not for a

four-year term. The Act also eliminates the Professional Licensing and Regulation Bureau of the Banking Division of the Department of Commerce and transfers those functions to the Department of Inspections, Appeals, and Licensing (DIAL). The Act generally consolidates most of the regulatory and licensing functions of state government within DIAL.

- SENATE FILE 565** - Administration of Tax Laws by the Department of Revenue — Miscellaneous Changes
SEE TAXATION. This Act exempts a pass-through entity from remitting Iowa income or franchise tax on behalf of a nonresident member if either of the following apply: the pass-through entity is a financial institution subject to the franchise tax and files a franchise tax return and pays any franchise tax owed; or the pass-through entity wholly owns one or more financial institutions subject to the franchise tax, and at least 90 percent of the gross income of the pass-through entity for the tax year is also reportable income on the franchise tax return of the wholly owned financial institutions and any franchise tax owed is paid.
- HOUSE FILE 265** - Practice of Midwifery — Licensure
SEE HEALTH AND SAFETY. This Act requires a person providing certain types of insurance coverage, listed in the Act, to provide coverage for maternity services provided by a licensed midwife at no greater copayment, deductible, or coinsurance as is required for other similar benefits. The Act does not require payment for costs relating to the location at which midwifery services are provided.
- HOUSE FILE 352** - Pass-Through Entities — Entity-Level Taxation Election and Franchise and Corporate and Individual Income Taxes
SEE TAXATION. This Act allows a pass-through entity to elect to pay any tax due at the entity level and allows a partner or shareholder of the pass-through entity to claim a credit of their portion of any tax paid by the pass-through entity against the individual income tax or the franchise tax, as applicable. The Act allows a pass-through entity electing to be taxed at the entity level to claim the Franchise Tax Credit when filing an entity-level return. The Act took effect May 11, 2023, and applies retroactively to January 1, 2022, for tax years beginning on or after that date.
- HOUSE FILE 553** - Data Breaches and Business Cybersecurity Program Use — Tort Liability and Affirmative Defenses

- HOUSE FILE 661** - Homemade Food Items and Licenses for Food Establishments and Food Processing Plants
SEE HEALTH AND SAFETY. This Act regulates the sale of food items by a food establishment, including a home food processing establishment, by allowing the sale of a food item made to order. The Act also provides for the issuance of an annual license to a temporary food establishment or farmers market on a statewide basis, and for calculating the amount of an annual license fee paid by a food processing plant.

HOUSE FILE 666

- Regulation by Department of Agriculture and Land Stewardship of Commercial Animal Establishments, Grain, Weights and Measures, Motor Fuel, and Water Quality
SEE AGRICULTURE. This Act relates to a number of regulations administered and enforced by the Department of Agriculture and Land Stewardship, including commercial establishments housing nonagricultural animals; grain transactions and fees; and the commercial use of weights and measures such as motor fuel and dispensers, and electric charging stations.

BUSINESS, BANKING, AND INSURANCE

SENATE FILE 262 - Consumer Data — Consumer Rights and Controller and Processor Duties — Enforcement BY COMMITTEE ON TECHNOLOGY. This Act relates to consumer data protection.

The Act defines several terms, including: “controller” to mean a person that, alone or jointly with others, determines the purpose and means of processing personal data; “identified or identifiable natural person” to mean a person who can be readily identified, directly or indirectly; “personal data” to mean any information that is linked or reasonably linkable to an identified or identifiable natural person, not including de-identified data or publicly available information; “process” or “processing” to mean any operation or set of operations performed on personal data or on sets of personal data; “processor” to mean a person that processes personal data on behalf of a controller; “pseudonymous data” to mean personal data that cannot be attributed to a specific natural person without the use of additional information; “publicly available information” to mean information that is lawfully made available to the general public through certain records or information that a business has reasonable basis to believe is lawfully made available under certain conditions; and “targeted advertising” to mean displaying advertisements to a consumer where the advertisement is selected based on personal data obtained from that consumer’s activities over time and across nonaffiliated websites or online applications to predict such consumer’s preferences or interests, with exceptions. The Act contains other defined terms.

The Act provides that a person conducting business in Iowa, or producing products or services targeted to Iowans, whose business annually controls or processes personal data of over 99,999 consumers, or controls or processes personal data of 25,000 consumers with 50 percent of gross revenue derived from the sale of the personal data, is subject to the provisions of the Act. Certain specified entities are exempt from provisions in the Act.

Under the Act, consumers have personal data rights that may be invoked at any time. Consumers, or the parent of a child, may submit a request to a controller for a copy of the controller’s information relating to personal data. The controller must comply with such a request to confirm or deny whether the controller is processing the personal data, to provide the consumer with a copy of the consumer’s personal data, and to remove the consumer or child from personal data processing.

The Act requires a controller to provide responses to defined personal data requests within 90 days of a consumer initiating a request. A response to a personal data request must be provided to a consumer free of charge up to twice per year except when requests are overly burdensome or manifestly unfounded. A business may extend the deadline for good cause once after informing the consumer of the reason for the extension. However, a controller is not required to comply with a request for which a controller is unable through commercially reasonable efforts to verify the identity of the consumer submitting the request. The Act requires a controller to permit consumers to access an appeals process except in specified instances.

The Act requires a controller to disclose to the consumer the types of data being collected and obtain consent from the consumer regarding the collection of personal data and sensitive personal data processing. A controller must securely store personal data. A controller must not discriminate against a consumer who exercises consumer data rights as provided in the Act, with exceptions. Contract provisions that require a consumer to waive rights defined by the Act will be void and unenforceable.

The Act requires a controller to give consumers reasonably accessible and clear privacy notices. The Act provides that a controller selling personal data to third parties or using targeted advertising must clearly disclose such activity and the right for the consumer to opt out of such sales or use. A controller must create a method for private and secure processing of consumer requests.

The Act requires a processor, and any assign or subcontractor of the processor, to assist the controller in complying with duties created by the Act.

The Act includes personal data processing exemptions, including pseudonymous data and de-identified data as defined by the Act. The Act includes certain exceptions allowing a controller or processor to not comply with a

consumer rights request pursuant to the Act. The Act requires a controller disclosing pseudonymous or de-identified data to exercise reasonable oversight of contractual commitments regarding such data.

The Act does not restrict controller or processor abilities to improve business or function. A controller or processor sharing personal data with third parties is not liable for the noncompliance of third parties if the controller or processor did not have personal knowledge of the violation or intent to commit a violation, nor is a third party liable for violations of a controller or processor. A controller seeking certain exemptions bears the burden of demonstrating that the controller qualifies for the exemption and the exemption complies with the requirements in the Act.

The Act requires the Attorney General to investigate a controller or processor upon reasonable cause for a violation of the Act. The Attorney General must provide 90 days' notice to a controller or processor including the reason for which the entity is subject to an investigation and permit the entity to cure the defect prior to filing a civil action. A controller or processor found to be in violation of provisions of the Act is subject to a civil penalty of up to \$7,500 per violation. Moneys collected by the Attorney General under the Act must be paid into the Consumer Education and Litigation Fund.

The Act preempts any rule, regulation, Iowa Code section, ordinance, or other law adopted regarding processing of personal data.

The Act takes effect January 1, 2025.

SENATE FILE 549 - Taxation of Insurance Premiums and Captive Insurance Companies

BY COMMITTEE ON WAYS AND MEANS. This Act relates to captive companies, and the taxation on the gross amount of premiums received by certain insurance companies.

The Act reduces the insurance premium tax rates on the gross amount of premiums received by certain insurance companies under Iowa Code section 432.1, and establishes a tax on premiums of captive companies.

The Act specifies that Iowa Code chapter 507C (Insurers Supervision, Rehabilitation, and Liquidation) applies to captive companies. The process for a captive company to apply to the Commissioner of Insurance (commissioner) for a certificate of authority to provide certain types of insurance is detailed in the Act. A captive company is prohibited from adopting a name that is the same, deceptively similar, or likely to be confused with any other existing business name registered in Iowa. A captive company is required to possess and maintain unimpaired paid-in capital and surplus meeting the requirements detailed in the Act, and is also required to be formed or organized as a business entity. Requirements for dividends and distributions are detailed in the Act. Captive companies must file an annual report with the commissioner. The commissioner may examine a captive company's affairs, transactions, accounts, records, assets, and compliance with the Act. A captive company's certificate to conduct the business of insurance may be suspended or revoked by the commissioner for reasons detailed in the Act.

A captive company may provide excess workers' compensation insurance to the captive company's parent and affiliated companies unless prohibited by law. A captive company may reinsure workers' compensation of a qualified self-insured plan of the captive insurance company's parent and affiliated companies.

A merger between captive stock insurers, and a merger between captive mutual insurers, must meet the applicable requirements of Iowa Code chapter 521 and of the Act, except that the commissioner may provide notice to the public of the proposed merger prior to the commissioner's approval or disapproval of the merger.

The Act establishes the Captive Insurance Regulatory and Supervision Fund (fund) in the State Treasury, consisting of all moneys deposited in or appropriated to the fund. All fees, assessments, fines, and administrative penalties collected under the Act must be deposited in the fund. Moneys in the fund are appropriated to the Insurance Division to administer the Act, including for the maintenance of staff, associated expenses, and necessary contractual services, and for reasonable expenses incurred by the division to promote captive insurance in Iowa.

The Act requires industrial insured captive companies and captive risk retention groups to comply with the investment requirements as established by the commissioner by rule. Legal investments are detailed in the Act. Subject to the

prior approval of the commissioner, a captive company may provide reinsurance on risks ceded by any other insurer. Requirements related to reinsurance, rating organizations, and compulsory organizations are detailed in the Act.

One or more sponsors, as defined in the Act, may form a protected cell captive company (protected cell) and are subject to certain requirements, including sponsor qualifications and requirements related to delinquency.

Individuals, business entities, and sponsors may be participants in a protected cell. A participant is not required to be a shareholder of the protected cell or a shareholder of the protected cell's affiliate. Investments of combined assets and requirements related to dormant captive companies are detailed in the Act.

The Act does not exempt a captive company, a captive company's parent, or a captive company's affiliated companies from compliance with applicable state and federal laws governing workers' compensation insurance; and does not divest the Division of Workers' Compensation of any jurisdiction, as authorized by law, over workers' compensation self-insurance plans.

Unless otherwise approved by the commissioner, a captive company must maintain the company's original books, records, documents, accounts, vouchers, and agreements in Iowa and make such available for examination and inspection by the commissioner.

The commissioner may adopt rules establishing standards to ensure that a parent or affiliated company is able to exercise control of the risk management function of any controlled unaffiliated business to be insured by a captive company. If rules are not adopted to establish standards, the commissioner may approve the coverage of such risks on a case-by-case basis.

The Act repeals Iowa Code chapter 521G (Protected Cell Companies) effective January 1, 2025. The section of the Act enacting Iowa Code section 521J.17 applies to protected cells formed, authorized, or continued on or after January 1, 2025.

HOUSE FILE 133 - Prepayment of Retail Installment Contracts for Purchase of Motor Vehicles — Voluntary Debt Cancellation Coverage — Refunds

BY COMMITTEE ON COMMERCE. This Act relates to motor vehicle debt cancellation coverage refunds.

The Act provides that the sole responsibility of a financial institution that buys retail installment contracts with voluntary debt cancellation coverage is to notify the relevant motor vehicle dealer within 30 days of receiving payment in full for an installment contract. The dealer must determine whether the consumer is entitled to a refund of voluntary debt cancellation coverage and, if so, issue the refund within 60 days of notice.

HOUSE FILE 136 - Regulation of Banking

BY COMMITTEE ON COMMERCE. This Act relates to matters under the purview of the Banking Division of the Department of Insurance and Financial Services, including permissible investments, notice requirements, and requirements for a person obtaining control of a state bank.

The Act removes requirements for notice to be delivered personally or by mail for specified meetings of shareholders and directors of state banks, and for claimants in dissolution proceedings, and instead allows notice to be given by any method allowed under the Iowa Business Corporation Act (Iowa Code chapter 490).

The Act prohibits a person obtaining control of a state bank from jeopardizing the interests of the bank, including the state bank's plans to accept deposits, lend money, and process payments in the area that the state bank primarily serves.

The Act transfers the content of Iowa Code section 524.901(12), relating to tax credit investments and economic development projects, to Iowa Code section 524.901(7)(a). The Act modifies the limitation of a state bank's total investment in such projects from 15 percent of the bank's aggregate capital to 20 percent of the bank's aggregate capital.

HOUSE FILE 247 - Disposition of Unclaimed Property — Notice by Financial Institution — Electronic Messaging
BY COMMITTEE ON COMMERCE. This Act relates to electronic communication regarding unclaimed property held by a banking association or financial institution.

Iowa Code section 556.1 requires a banking association or a financial institution to notify an account owner that, because there has been no activity on the account, it will be deemed unclaimed and transferred to the custody of the Treasurer of State. The Act authorizes such notice to be delivered by electronic messaging.

The Act defines “electronic messaging” to mean electronic mail, text messaging, or other electronic means of communication, including an online banking website application.

The Act applies to electronic messaging sent or received on or after July 1, 2023.

HOUSE FILE 271 - Regulation of Life Insurance Companies — Investments
BY COMMITTEE ON COMMERCE. This Act strikes and replaces Iowa Code section 511.8 and changes the investments that life insurance companies organized under Iowa Code chapter 508 are allowed to acquire. The Commissioner of Insurance may adopt rules to administer and enforce compliance with the Act. The Act makes conforming changes to related Iowa Code sections.

HOUSE FILE 316 - Value-Added Products or Services Offered by Insurers or Insurance Producers
BY COMMITTEE ON COMMERCE. This Act excludes value-added products or services (product or service) offered or provided (offered), at no or reduced cost, by an insurer or producer (insurer) from the definition of “unfair discrimination” and the definition of “rebate” under Iowa Code section 507B.4, if the product or service relates to a policy that is offered and designed primarily to accomplish any of the criteria detailed in the Act.

The cost of offering the product or service must be reasonable in comparison to the customer’s premiums and insurance coverage for the policy class. If an insurer provides the product or service, the insurer must give the customer the contact information for customer service or technical support personnel. The availability of the product or service must be based on documented objective criteria and must be offered to all customers in a nondiscriminatory manner. If an insurer does not have sufficient objective criteria, but has a good-faith belief that the product or service meets the criteria in the Act, the insurer may offer or provide the product or service to customers as part of a pilot program for up to one year. Prior to launching the pilot program, the insurer must notify the Commissioner of Insurance. If the commissioner does not object within 21 days, the insurer may proceed with the program.

HOUSE FILE 320 - Group Capital Calculation Filings by Insurance Holding Company Systems
BY COMMITTEE ON COMMERCE. This Act relates to group capital calculation filings by certain insurance holding company systems (holding company). Under current law, certain insurers that are members of a holding company must annually register with the Commissioner of Insurance by March 31. Prior law required those insurers to concurrently file a group capital calculation with the registration. The Act eliminates the concurrent filing requirement and extends the annual filing deadline for the group capital calculation to June 30.

HOUSE FILE 423 - 340B Drug Program — Contract Pharmacies and Covered Entities — Discrimination by Health Insurers, Third-Party Administrators, and Pharmacy Benefits Managers Prohibited
BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act relates to contract pharmacies and covered entities that participate in the 340B program. The Act defines “340B program,” “contract pharmacy,” and “covered entity.”

The Act prohibits group health plans (plans), health carriers that offer group or individual health insurance coverage (carriers), third-party administrators (administrators), and pharmacy benefits managers (PBMs) from discriminating against a covered entity or a contract pharmacy by reimbursing the covered entity or the contract pharmacy for a prescription drug or a dispensing fee in an amount less than they reimburse a similarly situated entity or pharmacy, as defined in the Act, that is not a covered entity or a contract pharmacy. Plans, carriers, administrators, and PBMs shall not, on the basis that an entity is a covered entity or that a pharmacy is a contract pharmacy, or on the basis that a covered entity or contract pharmacy participates in the 340B program, impose certain contractual terms and

conditions, as described in the Act, on the covered entity or contract pharmacy that differ from those imposed on a similarly situated entity or pharmacy that is not a covered entity or a contract pharmacy; place restrictions or impose requirements on individuals who obtain a covered outpatient drug from a covered entity or a contract pharmacy; refuse to contract with a covered entity or a contract pharmacy based on criteria that is not applied equally to a contract with a similarly situated entity or pharmacy that does not participate in the 340B program; or impose any restriction or condition on a covered entity that interferes with the covered entity's ability to maximize the value of the discounts obtained through its participation in the 340B program.

The Commissioner of Insurance (commissioner) is authorized to enforce the Act. After notice and hearing, the commissioner may issue any order or impose any penalty pursuant to Iowa Code section 507B.7 upon a finding that a plan, a carrier, an administrator, or a PBM violated the Act. A violation of the Act is an unfair or deceptive act or practice in the business of insurance pursuant to Iowa Code section 507B.4(3).

The Act applies to covered entities, contract pharmacies, plans, carriers, administrators, and PBMs, but does not apply to their operations under a contract with the state Medicaid agency or a Medicaid managed care organization, as defined in the Act, regardless of whether the covered entity or contract pharmacy is eligible to retain the 340B discounts generated by the covered entities and contract pharmacies.

HOUSE FILE 465 - Elections of Directors for County and State Mutual Insurance Associations

BY COMMITTEE ON COMMERCE. This Act relates to the election of directors for county and state mutual insurance associations. Under prior law, an individual was required to be a member of the respective county or the state mutual insurance association to be elected as a director. The Act allows the Commissioner of Insurance to approve the election of an individual as a director of either a county or state mutual insurance association regardless of whether the individual is a member of the respective county or the state mutual insurance association.

The Act took effect on June 1, 2023.

HOUSE FILE 607 - Real Estate Licensees and Clients' Real Estate — Duties and Liability

BY COMMITTEE ON COMMERCE. This Act relates to real estate licensee liability.

The Act prohibits a licensee providing brokerage services to a client from possessing the client's real estate. The Act authorizes a licensee to enter upon the premises of a client's real estate to fulfill certain obligations, as described in the Act. Additionally, a licensee has no duty of care concerning a client's real estate with regard to a person entering, viewing, or traversing upon the premises of the real estate except to fulfill certain obligations.

Under the Act, a licensee providing brokerage services generally is not liable for damage to a client's real estate or any injury, accident, or harm to a person entering, viewing, or traversing the real estate, except if the licensee is the direct and proximate cause of such.

The Act provides that a client is responsible for the care, maintenance, and safety of the client's real estate that is being offered on the market.

HOUSE FILE 609 - Limitations on Loan Charges — Exception for Loans Made by Mortgage Bankers That Meet Federal Points and Fees Restrictions

BY COMMITTEE ON COMMERCE. This Act relates to specified loans provided by a mortgage banker.

Under the Act, a loan, made by a licensed or registered mortgage banker, in which the points and fees the borrower is charged cumulatively do not exceed the amounts specified in 12 C.F.R. §1026.43(e)(3) is not subject to Iowa Code section 535.8(5) (loans and interest reduction fees).

HOUSE FILE 648 - Investment Advisers and Investment Adviser Representatives — Expungement of Information in the Investment Adviser Registration Depository

BY COMMITTEE ON JUDICIARY. This Act applies to a person who is an investment adviser (adviser), or an investment adviser representative (representative) connected to an adviser, authorized to do business in this state under Iowa's Blue Sky Law, including by satisfying certain registration requirements under Iowa Code section

502.403 or 502.404. The adviser or representative may petition the district court sitting in equity for relief to order the expungement of information in a record in the Investment Adviser Registration Depository controlled by the Financial Industry Regulatory Authority (FINRA). The respondents in the case must include the Commissioner of Insurance and any party to a judicially enforceable arbitration proceeding who reported the information to FINRA. The district court may order the expungement of the information under certain conditions. The information must have arisen out of a dispute involving a client of the adviser or representative; and the adviser must have been doing business in this state, or the representative must have been a resident of this state, when the information was included in the record or the petition was filed. In addition, the petitioner must not have been involved in the event that resulted in the creation of the record; the information must be erroneous, impossible to be true, or defamatory; a decision in an administrative, judicial, or arbitration proceeding must have found that the petitioner was not liable for acting in a manner described in the record; or the court must determine that equitable principles require such relief. The statute of limitations and the doctrine of laches do not apply.

HOUSE FILE 655 - Uniform Limited Liability Company Act — Miscellaneous Changes

BY COMMITTEE ON JUDICIARY. This Act rewrites almost every section of Iowa Code chapter 489 (chapter), formerly known as the Revised Uniform Limited Liability Company Act (RULLC), and renamed the Uniform Limited Liability Company Act, with changes based on proposed legislation approved and recommended by the National Conference on Commissioners on Uniform State Laws, also named the Uniform Law Commissioners (ULC), which includes commissioners appointed by the Governor (Iowa Code chapter 5). The Act converts all of the chapter's articles identified with Arabic numerals to subchapters with Roman numerals, and makes corresponding changes.

BACKGROUND. A limited liability company (LLC), or simply “company,” is a type of unincorporated business entity formed for the acquisition of capital (contributions) from, and the payout of receipts (distributions) to, its investors (members). Although an LLC is sometimes compared to other types of unincorporated entities, and specifically a limited partnership (Iowa Code chapter 488) or general partnership (Iowa Code chapter 486A), it also resembles a corporation (Iowa Code chapter 490). A domestic LLC must be formed by filing a certificate of organization and accompanying fee with the Secretary of State (SOS). An LLC is usually perpetual in duration. An LLC's member owns a percentage of the entity based on the member's contribution, referred to as a membership interest, which is transferable, with the right to receive distributions. An LLC may be organized with passive members electing to delegate business decision making to one or more managers in a manager-managed structure. Alternatively, an LLC may be organized using a member-managed structure in which decisions are made collectively by members. A manager or member making business decisions owes a duty of care to the LLC. An LLC is governed by a document, in the form of a contract, referred to as an operating agreement that controls the scope, structure, functions, and rights of members, which may supersede so-called default provisions in the chapter. A foreign entity organized as an LLC must be issued a certificate of authorization and pay a filing fee with the SOS who stands in to accept service of process.

REORGANIZATION. The Act amends, enacts, strikes and replaces, or repeals a large number of sections within every subchapter, often accompanied by a large number of sections transferred within or between subchapters. In subchapter I, providing for rules of general applicability and construction, almost all of the sections are amended, enacted, or repealed with a large number transferred within the subchapter. In subchapter II, providing for the formation of an LLC and filing requirements, almost all of the sections are amended, enacted, stricken and replaced, or repealed, with a large number transferred within the subchapter. In subchapter III and subchapter IV, providing for business relationships involving members or managers, several sections in subchapter III, and all sections in subchapter IV, are amended but none transferred. In subchapter V, providing for transferable member interests, almost all of the sections are amended but none transferred. In subchapter VI, providing for a member's dissociation from an LLC, all of the sections are amended but none transferred. In subchapter VII, providing for an LLC's dissolution and the winding up of its activities and affairs, all of the sections are amended or enacted as new sections with a large number transferred within the subchapter. In subchapter VIII, providing for foreign LLCs, almost all of the sections are repealed, and the remaining are amended and transferred to subchapter IX, providing for legal actions brought against the LLC by its members. In subchapter IX, almost all of the sections are amended and transferred together with unamended sections to subchapter VIII. Subchapter IX also includes a number of new sections that have been transferred within the subchapter. Subchapter X is divided into a number of parts, providing for mergers, conversions, and domestications. Of the sections in that subchapter, all are stricken and replaced or repealed.

A number of new sections are enacted in the subchapter's parts without transfer. In subchapter XI, providing for professional limited liability companies, a limited number of the sections are amended, one section is enacted, and no sections are transferred. All of the sections in subchapter XII were previously repealed. In subchapter XIII, providing for miscellaneous matters, all of the sections except one are transferred to subchapter XII, and the remaining section is repealed. In subchapter XIV, providing for a protected series in which a unit of the LLC functions as a separate legal entity, a limited number of the sections are amended and none are transferred.

CHANGES DUE TO HARMONIZATION. A number of changes in the Act are due to efforts by the ULC to harmonize the language and structure of the chapter with other uniform Acts, such as the Iowa Business Corporation Act (Iowa Code chapter 490).

DUTY OF LOYALTY AND CARE. The Act amends subchapters I and IV by providing that while an operating agreement cannot eliminate a contractual obligation of loyalty or of good faith and fair dealing by a member or manager, the entity's operating agreement may prescribe how those standards are to be measured. An operating agreement may allow conduct that would otherwise violate a standard of conduct, if authorized by one or more disinterested and independent persons. A member or manager engaged in winding up an LLC's activities and affairs cannot act in a manner that constitutes gross negligence, recklessness, or knowing illegal action. This standard of conduct replaces the business judgment rule, which had applied to shield a member or manager when making a business decision in good faith using a level of care exercised by a reasonably prudent person acting in the best interest of the LLC.

CHARGING ORDER. The Act amends subchapter IV, which provides for a charging order issued by a district court to a manager that places a lien on a membership interest. The Act includes a new provision that applies during a foreclosure involving a lien against the sole member of an LLC. The purchaser at the foreclosure sale obtains the member's entire interest in the LLC, rather than the member's transferable interest.

ADDITION OF NEW MEMBER. The Act amends subchapter IV by providing that if an LLC ceases to have members, the transferees holding a majority of transferable interests may either consent to admit a new specified member, or proceed with dissolution and winding up the LLC's activities and affairs.

DISTRIBUTIONS. The Act amends subchapter VII by providing that if an LLC is winding up its activities and affairs, members holding a transferable interest are entitled to a distribution of an amount of their unreturned contribution. The Act replaces a default provision that required further distributions be made to members in equal shares, with a provision that requires distributions be made among persons owning transferable interests in proportion to their respective rights to share in distributions immediately before dissolution.

IOWA LLC PROVISIONS. The Act retains a number of sections that were not proposed by the ULC when the RULLC was enacted. The Act amends subchapter I by changing terms used in a section to identify documents to be filed and assessed an accompanying fee; subchapter II, by making corresponding changes to a section requiring the filing of biennial reports; subchapter IV, by making conforming changes to a section providing for the transfer of an interest in real estate; and subchapter VI, by making corresponding changes to a section providing for a member's power to dissociate from an LLC under certain circumstances. The Act also eliminates a provision in subchapter X that provided for the merger of a cooperative into an LLC, which is instead addressed in other sections of the Act. The Act amends subchapter XI, which includes special provisions regulating a professional LLC, by providing for its dissolution as a professional corporation while retaining its status as an ordinary LLC.

The Act takes effect January 1, 2024.

HOUSE FILE 675 - Regulation of Money Transmission

BY COMMITTEE ON WAYS AND MEANS. This Act amends provisions in Iowa Code chapter 533C by replacing the Uniform Money Services Act with the Uniform Money Transmission Act based on model legislation recommended by the Conference of State Bank Supervisors.

The Act relates to bank transmission services that electronically transfer items of value as a substitute for currency to persons within or outside of the United States. The Act is administered and enforced by the Superintendent of

Banking (superintendent). The Act updates the licensing processes for persons engaged in money transmission services seeking to do business in Iowa, and encourages the superintendent to collaborate with multistate licensing regulators. The Act authorizes uniform requirements for licensing across states to ensure multistate compliance for a money transmission services business in compliance with regulations adapted under the federal Bank Secrecy Act.

The Act defines new terms and modifies existing definitions for “control,” “money,” “money transmission,” “payment instrument,” “person,” and “stored-value.” The Act deletes various definitions.

The Act requires a person engaged in a money services business to be issued a money transmission license (license) by the superintendent. The superintendent may require a person to provide documentation demonstrating their exemption from licensing requirements. Under the Act, exemptions are expanded to include additional activities and entities, including a person appointed as an agent of a payee under certain conditions.

The Act authorizes the superintendent to enter into agreements or relationships with other regulatory entities to improve efficiencies, utilize software or other processes for investigation purposes, accept reports from other government entities, and accept audit reports. The superintendent has the authority to enforce the Act and promulgate related rules. The Act requires the superintendent to coordinate and effectively participate in relevant multistate networks.

The Act requires certain financial, identification-related, investigation-related, and other relevant information to remain confidential, with exceptions, including protection of the public.

The Act allows for the superintendent to supervise and conduct examinations or investigations regarding the acquisition of a license for conducting money transmission services. A licensee, or authorized delegate, must provide the superintendent with relevant documents regarding that examination or investigation.

The Act recognizes that federal law preempts the Act’s provisions where there are inconsistencies between the two.

The Act prohibits a person from engaging in the business of money transmission, or advertising, soliciting, or holding one’s self out as providing money transmission, unless the person is a licensee, an authorized delegate, or falls under an exception.

The Act encourages consistent state licensing and utilization of the Nationwide Multistate Licensing System or “NMLS.” The superintendent is authorized and encouraged to implement licensing provisions in a manner that is consistent with other states or multistate licensing processes and to participate in national licensing cooperation protocols.

The Act provides an application process for the issuance of a license. The superintendent must create an application form that contains specified information. An applicant must pay a \$1,000 application fee. An applicant is charged an additional fee of \$10 for each location in Iowa where business is conducted.

The Act requires any individual in control of a licensee, applicant, or individual seeking to acquire control of a licensee, and each related key individual, to provide the superintendent with specified information. A key individual is ultimately responsible for establishing and directing policies and procedures of the licensee.

The Act provides for the issuance of licenses. The superintendent may rely on other multistate license application procedures. The superintendent must provide a written notice of the denial of an application and include specific reasons for the denial. The Act allows a license to be renewed annually. The renewal fee is \$500 plus an additional fee for each location where a business is located.

The Act provides for acquisition of control of a licensee. An individual seeking to acquire control of a licensee must obtain written approval of the superintendent prior to acquisition and complete an application on a form created by the superintendent. An individual seeking acquisition must submit a \$1,000 fee with an application for acquisition, which the superintendent must approve or deny.

The Act requires a licensee to notify the superintendent regarding a change of key individuals.

The Act requires a licensee to conduct a background check, provide written policies, and comply with requirements of the Act before an authorized delegate may act on the licensee's behalf.

The Act prohibits a person from engaging in money transmission services on behalf of an unlicensed person.

The Act requires the filing of a quarterly report with the superintendent by a licensee regarding the licensee's financial condition, and an audited financial statement for the licensee's prior fiscal year prepared by an independent public accountant.

The Act requires a licensee to file a report and submit a payment of \$1,000 regarding an event relating to the licensee's bankruptcy, receivership, dissolution, reorganization, revocation, or suspension. A licensee is also required to file a report in the event of a felony charge or conviction of the licensee, a key individual, person in control of the licensee, or an authorized delegate.

The Act requires a licensee, and any authorized delegate, to comply with federal recordkeeping and reporting requirements, and requires a licensee to maintain records of banking statements and money transactions for three years for compliance determination.

The Act includes prohibitions on disclosure and disclosure allowances. The Act provides exceptions when information may be disclosed to certain parties.

The Act requires a licensee to transmit money in a timely manner unless there is a valid reason to abstain, and requires a licensee to make a refund to a sender within 10 days of receipt of a written request for a refund, unless an exception applies, including a transmission made pursuant to an agreement between the licensee and payee.

The Act requires a licensee or authorized delegate to provide a sender a receipt for money received for a transmission.

The Act provides that a licensee providing payroll processing services must issue a report to a client with details of client payroll obligations and make pay stubs available to a worker. A licensee providing these services may be exempt from this requirement when the client designated the intended recipient to the licensee.

The Act requires a licensee to maintain a tangible amount of net worth at all times. The amount must be the greater of \$100,000 or 3 percent of total assets for the first \$100 million, 2 percent of additional assets for \$100 million to \$1 billion, and 0.5 percent of additional assets for over \$1 billion. Net worth may be demonstrated by the applicant's most recent audit or unaudited financial statements for the most recent fiscal quarter. The superintendent may exempt an applicant or licensee for good cause shown.

The Act requires an applicant for a license to maintain a surety bond of 100 percent of the licensee's average daily money transmission liability for a three-month period, or \$100,000, whichever is greater, with a maximum amount of \$500,000. A licensee may exceed the maximum amount.

The Act requires a licensee to maintain permissible investments of not less than the total amount of all of its outstanding money transmission obligations. Permissible investments must be held in a trust for the benefit of the purchaser and holder of the licensee's outstanding money transmission obligation in case of certain financial events. Funds drawn on a letter of credit requires the superintendent to notify applicable regulators under specific circumstances.

The Act allows the superintendent to designate the types of permissible investments. The Act provides a list of permissible investments by a licensee, including cash, cash equivalents, certain money markets, certificates of deposit, and government securities. Investments that have a market value computed in accordance with United States generally accepted accounting principles of not less than the aggregate amount of all of a licensee's outstanding money transmission obligations are also included. The list of permissible investments includes a

specific letter of credit for which the stated beneficiary is the superintendent subject to requirements. Such a letter of credit must be irrevocable, unconditional, issued by a federally insured depository financial institution or an authorized foreign bank, not contain reference to other writings or entities, and contain an issue date, expiration date, and an automatic extension subject to change. Upon the expiration or lack of extension, a licensee is required to demonstrate sufficient permissible investments. If the licensee cannot show acceptable permissible investments, the superintendent may draw on the letter of credit. The letter of credit must provide that the issuer of the letter of credit will honor the letter and a written statement from the beneficiary stating that certain significant financial events have occurred. The superintendent may designate an agent to serve as beneficiary to a letter of credit. The Act provides limits for certain permissible investments.

The Act eliminates Iowa Code sections 533C.206, 533C.503, 533C.504, 533C.505, 533C.506, 533C.507, 533C.705, 533C.706, 533C.707, 533C.708, 533C.901, 533C.902, 533C.903, and 533C.904.

The Iowa Code Editor is directed to change the names of Articles 2 through 8 of Iowa Code chapter 533C.

HOUSE FILE 719 - Rental of Motor Vehicles — Unfair or Deceptive Acts or Practices — Credit Card Block or Charge for Estimated Charges and Rental Deposits

BY COMMITTEE ON WAYS AND MEANS. This Act relates to unfair or deceptive acts or practices in the rental of vehicles.

Prior law provided that placing a block or charge against a customer's credit card in excess of the estimated total daily or weekly charges stated in the rental agreement multiplied by the number of days of the estimated rental if rented on a daily basis or, if rented on a weekly basis, multiplied by the number of weeks of the estimated rental was an unfair or deceptive act or practice in the rental of vehicles. The Act modifies this calculation of rental deposits in the amount of the estimated total charges.

A violation of the Act constitutes unlawful practice under Iowa Code section 714.16 relating to consumer fraud. Several types of remedies are available if a court finds that a person has committed an unlawful practice, including injunctive relief, disgorgement of moneys or property, and a civil penalty not to exceed \$40,000 per violation.

- Regulation of Gender Transition Procedures — Minors — Prohibitions
SEE HEALTH AND SAFETY. This Act prohibits a health care professional from knowingly engaging in or causing, or knowingly engaging in conduct that aids or abets, specified practices to be performed on a minor if the practice is performed for the purpose of attempting to alter the appearance of, or affirm the minor's perception of, the minor's gender or sex, if that appearance or perception is inconsistent with the minor's sex. The Act specifies services to which the prohibitions do not apply. A violation of the prohibitions by a health care professional is considered unprofessional conduct and subject to licensee discipline. The Act provides for appropriate civil relief for an action brought in violation of the Act. Compliance with, or enforcement or implementation of, the Act does not constitute a violation of the Iowa Civil Rights Act of 1965 (Iowa Code chapter 216).

The Act took effect March 22, 2023. The provisions of the Act prohibiting certain practices by a health care professional are applicable 180 days after March 22, 2023.

This Act provides that a person 18 years of age or older commits continuous sexual abuse of a child when the person engages in any combination of three or more acts of sexual abuse with the same child, and at least 30 days have elapsed between the first and last acts of sexual abuse. Each act of sexual abuse is a lesser included offense of continuous sexual abuse of a child. "Sexual abuse" is defined in Iowa Code section 709.1 to include any sex act between persons when the act is performed with a child. "Child" is defined in Iowa Code section 702.5 as any person under the age of 14.

- HOUSE FILE 216** - Actions to Overcome Establishment of Paternity — Authority of Juvenile Court
SEE CIVIL LAW, PROCEDURE, AND COURT ADMINISTRATION. This Act relates to actions to overcome paternity during a child in need of assistance (CINA) proceeding or a termination of parental rights proceeding, and the jurisdiction of the juvenile court to initiate an action to overcome paternity. The Act authorizes the juvenile court during a CINA proceeding or termination of parent-child relationship proceeding under Iowa Code chapter 232, on its own motion or that of any party, to require the child and established father to submit to blood or genetic testing to challenge the paternity of the child. The Act specifies the criteria to be met before the juvenile court may enter an order overcoming paternity of an established father. The Act provides that when the criteria for overcoming paternity are met, the juvenile court shall enter an order overcoming paternity, and shall send a copy of the order to the clerk of the district court. The Act specifies the process upon receipt of the order by the district court, and provides for the confidentiality of the records contained in the district court case file that were copied or transferred from the juvenile court file concerning the case. If paternity testing is completed and the established father is not excluded as the biological father of the child, the court shall find the established father to be the biological father of the child and a necessary party to the action. The provisions of the Act are not to be construed to require appointment of counsel for the parties in the district court action.
- The Act also establishes the criteria under Iowa Code section 600B.41A (Actions to Overcome Paternity — Applicability — Conditions) specific to an action under the jurisdiction of the juvenile court to overcome paternity in a CINA proceeding.

HOUSE FILE 425 - Newborn Safe Haven Act — Release of Custody at Fire Stations or Emergency Medical Care Locations

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act, as amended by 2023 Iowa Acts, Senate File 561 (see Appropriations), relates to the release of custody of a newborn infant under the Newborn Safe Haven Act. The Act provides that, in addition to current provisions that allow a parent of a newborn infant to voluntarily relinquish physical custody of the newborn infant directly or indirectly at an institutional health facility or to a first responder in response to a 911 call, a parent may relinquish physical custody of a newborn directly or indirectly at a fire station. A parent may relinquish physical custody of the newborn infant to medical staff of a hospital or other facility following delivery of the newborn infant in the hospital or other facility by notifying the medical staff that the parent is voluntarily relinquishing physical custody of the newborn infant, and may relinquish physical custody of the newborn infant at a hospital, fire station, or an emergency medical care provider location, through a newborn safety device. The Act also provides that a person may request custody of a newborn infant by using DNA profiling to show, by clear and convincing evidence, that the person is the parent of the newborn infant. The Act makes conforming changes throughout Iowa Code chapter 233 (Newborn Safe Haven Act) consistent with the changes in the Act.

HOUSE FILE 474 - Newborn Safe Haven Act — Placement of Custody of Newborn Infants

BY COMMITTEE ON JUDICIARY. This Act relates to the placement of custody of a child under the Newborn Safe Haven Act, Iowa Code chapter 233.

The Act defines, among other terms, “adoption service provider” (ASP) as a state-licensed private agency which is recognized as exempt under section 501(c)(3) of the Internal Revenue Code and which represents itself as placing children permanently or temporarily in private family homes, receiving children for placement in private family homes, and actually engaging in placement of children in private family homes for adoption.

The Act amends the provisions relating to newborn infant custody release procedures to provide that physical custody of a newborn infant may be relinquished to an ASP in addition to other entities identified in the Newborn Safe Haven Act. As a result, an ASP is authorized to request that the parent, or other person relinquishing the child, provide the name of the parent or parents and information on the medical history of the newborn infant and the newborn infant’s parent or parents, and perform reasonable acts necessary to protect the physical health or safety of the newborn infant. An ASP is immune from criminal or civil liability for any acts or omissions made in good faith to comply with the Newborn Safe Haven Act, and must transport the newborn infant to the nearest institutional health facility and provide any parental identification or medical history information to the institutional health facility. An ASP must require and verify that all employees of the ASP who respond to a relinquishment of physical custody of a newborn infant are trained and maintain certification in cardiopulmonary resuscitation and first aid for infants and adults.

The Act requires that, as soon as possible after assuming physical custody of and transporting the newborn infant to the nearest institutional health facility, if applicable, the entity that initially took physical custody of the child notify either an ASP or the Department of Health and Human Services (HHS). Iowa Code chapter 233 directs HHS, once notified, to follow a process for HHS to take care, custody, and control of the newborn infant and then, if appropriate, proceed through child in need of assistance and termination of parental rights proceedings. The Act requires an ASP that initially assumes physical custody of a newborn infant, rather than HHS, to assume care, custody, and control of the newborn infant and proceed through the remainder of the process. If an ASP takes custody of a newborn infant, the ASP must notify HHS of that fact, in writing, within 24 hours of taking custody that the ASP will comply with the requirements of Iowa Code chapter 233.

The Act specifically includes ASPs and prospective adoptive homes in those entities who may have access to the record developed relating to release of the newborn infant. The Act also provides that the information, materials, announcements, and other resources developed regarding the Newborn Safe Haven Act include ASPs as distributors of the resources and include information about the involvement of ASPs under the Newborn Safe Haven Act, and identify ASPs to whom a newborn infant may be relinquished.

The Act makes other conforming changes in the Iowa Code to include the involvement of ASPs under the Newborn Safe Haven Act as provided under the Act.

See 2023 Iowa Acts, Senate File 561 (Appropriations), for amendments to the Act.

SEE CRIMINAL LAW, PROCEDURE, AND CORRECTIONS. This Act prohibits a person from doing any of the following with the intent to cause the malfunction or interruption of the operation of, or alter, damage, or destroy, all or any part of a computer, computer network, computer control language, computer software, computer system, computer service, or computer data: intentionally, willfully, and without authorization accessing, attempting to access, causing to be accessed, or exceeding the person's authorized access to all or a part of a computer network, computer control language, computer, computer software, computer system, or computer database; or copying, attempting to copy, possessing, or attempting to possess the contents of all or part of a computer database. A person shall not commit a prohibited act with the intent to interrupt or impair the function of any of the following: the state government; a service, device, or system related to the production, transmission, delivery, or storage of electricity or natural gas in the state that is owned, operated, or controlled by a person other than a public utility; a service provided in the state by a public utility; a hospital or health care facility; a public elementary or secondary school, community college, or area education agency; or a city, city utility, or city service.

A person who has suffered a specific and direct injury because of a violation of the Act may bring a civil action in a court of competent jurisdiction, and the court may award actual damages, reasonable attorney fees, and court costs. A conviction for an offense under the Act is not a prerequisite for the filing of a civil action.

- State Mental Health and Disability Services and Governance — Child in Need of Assistance Proceedings, Adoption Notices and Hearings, and Confinement of Persons Found Incompetent to Stand Trial ***SEE HUMAN SERVICES.*** This Act requires an adoption petitioner to provide a copy of the order setting the adoption hearing to siblings of the person to be adopted at least 20 days prior to the adoption hearing when there is either an existing relationship between the sibling and the person to be adopted or a court makes certain findings.

The Act allows a copy of the order setting the adoption hearing to be provided to a sibling via ordinary mail if the sibling's address is known. A copy of an order setting a hearing sent to a sibling under 10 years of age must be addressed to the sibling's custodian or guardian.

The Act provides certain exemptions to the requirement to send a copy of an order setting an adoption hearing.

The Act requires the MHDS region for the county of a defendant's residency to pay for the costs of mental health treatment the defendant receives as a condition of pretrial release.

The Act allows a psychiatrist, or licensed doctorate-level psychologist, evaluating the progress of a defendant's outpatient competency restoration treatment, or the director of the facility where the defendant is being held and treated, to provide a written status report to the court regarding the defendant's mental disorder.

The Act requires a written status report prepared for an incompetent defendant to include the methods used to restore competency to the defendant, the defendant's current abilities related to competency, and whether it appears the defendant's competency can be restored within a reasonable amount of time. The Act requires a psychiatrist, psychologist, or director to submit an initial report to the court no later than 30 days after the defendant's placement by the court for treatment, and subsequent reports every 60 days or less after submission of the initial report until the defendant's competency is restored or the placement of the defendant is terminated.

The Act requires a psychiatrist, or licensed doctorate-level psychologist, evaluating the progress of a defendant's outpatient competency restoration treatment or the director of the facility where the defendant is being held and treated to notify a court if there is a substantial probability, or there is no substantial probability, that a defendant formerly deemed incompetent either has since acquired the ability to appreciate the charge against

the defendant, understand the proceedings, and effectively assist in the defendant's defense or will be restored to competency in a reasonable amount of time.

CIVIL LAW, PROCEDURE, AND COURT ADMINISTRATION

SENATE FILE 228 - Tort Liability in Civil Actions Involving Commercial Motor Vehicles — Employers and Vehicle Owners or Operators

BY COMMITTEE ON JUDICIARY. This Act relates to tort liability. The Act makes an employer liable under respondeat superior in a civil action involving a commercial motor vehicle (CMV) for damages caused by negligence of an employee acting within the scope and course of employment, if the employer makes certain stipulations. On motion of an employer, a trial court is required to dismiss from the action any claim of the employer's direct negligence in hiring, training, supervising, or trusting an employee, or other claim of direct negligence by the employer for the employee's harmful conduct, or other similar claims, if the employer stipulates that, at the time of the event that caused the damages, the person whose negligence is the basis of the action was employed by the employer and the employee was acting within the course and scope of such employment.

The Act limits an award of noneconomic damages against the owner or operator of a CMV for personal injury or death to \$5 million regardless of the number of derivative claims, theories of liability, or defendants in the civil action. Upon motion by any plaintiff and prior to entry of judgment, the trial court cannot apply the \$5 million limitation if the court finds that the negligent act leading to the plaintiff's harm involved any of the following: operating a CMV with an alcohol concentration, as defined in Iowa Code section 321J.1, of .04 or more; operating a CMV under the influence of a prohibited drug; a refusal to submit to chemical testing required under Iowa Code chapter 321J; a felony involving the use of a motor vehicle; the use of a CMV involving the manufacturing, distributing, or dispensing of a controlled substance as defined in Iowa Code section 124.101; not including the lawful transport for hire of a controlled substance; knowingly operating a CMV without a proper license, or while the person's commercial driver's license (CDL) is revoked, suspended, or canceled, or while the person is otherwise disqualified from operating a CMV; operating a CMV without the possession of a CDL or commercial learner's permit valid for the vehicle operated; operating a CMV involving an act or practice of human trafficking as defined in Iowa Code section 710A.1; reckless driving, as described in Iowa Code section 321.277; use of an electronic communication device while driving, as described in Iowa Code section 321.276; speeding 15 miles per hour or more over the legal speed limit; or violating any state or local law or ordinance restricting or prohibiting the use of a mobile telephone, computer, tablet, or other device that is not a part of the vehicle while operating the vehicle. The limitation on damages does not apply to a civil action involving an operation of a CMV serving as a common carrier of passengers.

The Act requires the Secretary of State to adjust the noneconomic damages award limitation on a biannual basis to account for inflation beginning on January 1, 2028, and every even-numbered year thereafter.

The Act provides for the distribution of punitive or exemplary damages awards for a civil action involving the operation of a CMV in accordance with Iowa Code section 668A.1.

The Act defines the term "commercial motor vehicle" to mean the same as defined in Iowa Code section 321.1, subsection 11, paragraph "f," subparagraphs (1), (2), and (4), and also includes a glider kit vehicle as defined in Iowa Code section 321.1, subsection 28A; a road tractor as defined in Iowa Code section 321.1, subsection 64A; a towing or recovery vehicle as defined in Iowa Code section 321.1, subsection 83A; and a truck tractor as defined in Iowa Code section 321.1, subsection 88.

HOUSE FILE 111 - Real Estate Transfer Tax Exceptions — Deeds Transferring Asset Distributions to Trust Beneficiaries

BY COMMITTEE ON JUDICIARY. This Act creates an exception to the real estate transfer tax for deeds that transfer distributions of assets to beneficiaries of a trust when conveyed without consideration. By operation of law, a declaration of value is not required to be submitted to the county recorder for such transfers under Iowa Code sections 428A.1(2) and 428A.4(2).

HOUSE FILE 161 - Damage Awards Against Health Care Providers — Medical Error Task Force

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act relates to noneconomic damage awards against health care providers. The Act provides that damages for loss of dependent care due to death of or severe injury to a spouse or parent who is the primary caregiver are considered economic damages.

The Act limits the amount of noneconomic damages that a jury can award a plaintiff if there is a substantial or permanent loss or impairment of a bodily function, substantial disfigurement, loss of pregnancy, or death to \$1 million, or \$2 million if the action involves a hospital. The Act does not amend the current exception to the cap for cases in which the defendant's actions constitute actual malice.

The Act provides for a 2.1 percent increase in damage awards cap beginning January 1, 2028, and each January 1 thereafter. The Commissioner of Insurance is required to publish and update the amount of the limitations on damages on the Insurance Division's Internet site annually.

The Act provides for distribution of punitive or exemplary damages awarded for a civil action claim against any physician and surgeon, osteopathic physician and surgeon, dentist, podiatric physician, optometrist, pharmacist, chiropractor, physician assistant, or nurse, licensed under Iowa Code chapter 147, or a hospital licensed under Iowa Code chapter 135B, arising out of patient care, in accordance with Iowa Code section 668A.1 (Punitive or Exemplary Damages).

These provisions of the Act took effect February 16, 2023, and apply to causes of action accrued on or after that date.

The Act directs the Department of Health and Human Services (HHS) to convene a task force to review medical error rates of licensed physicians in this state and to make recommendations to the General Assembly and the Director of HHS including recommendations that address options for reducing medical error rates, improvements in education and training to minimize medical errors, and whether applicable penalties for medical errors and physician licensure review measures are sufficient.

The Act specifies the membership of the task force, authorizes the Director of HHS to add members as necessary to complete the work of the task force, and directs HHS to provide administrative support to the task force. The Director of HHS or the director's designee shall serve as chairperson of the task force and schedule meetings as necessary to complete the work of the task force.

The task force shall dissolve upon submission of the report to the General Assembly and the Director of HHS no later than January 8, 2024.

HOUSE FILE 216 - Actions to Overcome Establishment of Paternity — Authority of Juvenile Court

BY COMMITTEE ON JUDICIARY. This Act relates to actions to overcome paternity during a child in need of assistance (CINA) proceeding or a termination of parental rights proceeding, and the jurisdiction of the juvenile court to initiate an action to overcome paternity. The Act provides that for the purposes of Iowa Code chapter 232 (Juvenile Justice), "parent" does not include a father whose paternity has been overcome.

The Act authorizes the juvenile court during a CINA proceeding or termination of parent-child relationship proceeding under Iowa Code chapter 232, on its own motion or that of any party, to require the child and established father to submit to blood or genetic testing to challenge the paternity of the child. The juvenile court may enter an order overcoming paternity of an established father if: the child has been adjudicated a CINA in an active juvenile court case and a dispositional order in that case is in place; paternity of the child has been legally established; the conclusion of the expert as disclosed by the evidence based upon blood or genetic testing demonstrates that the established father is not the biological father of the child; and the established father agrees that his paternity should be overcome or the established father objects to having his paternity overcome but the court finds that it is in the best interest of the child to overcome his paternity. The Act provides that when the criteria for overcoming paternity are met, the juvenile court shall enter an order overcoming paternity, and shall send a copy of the order to the clerk of the district court. The juvenile court shall designate the petitioner and respondent for the purposes of the order. Upon receipt of the order by the district court, the clerk of the district court shall docket the case. Filing fees and other court costs shall not be assessed against the parties.

The district court shall take judicial notice of the juvenile file in any hearing related to the case. Records contained in the district court case file that were copied or transferred from the juvenile court file concerning the case are subject

to the confidentiality provisions of Iowa Code chapter 232 for cases not involving juvenile delinquency, and shall be disclosed, upon request, to the child support recovery unit without a court order.

If paternity testing is completed and the established father is not excluded as the biological father of the child, the court shall find the established father to be the biological father of the child and a necessary party to the action. The provisions of the Act are not to be construed to require appointment of counsel for the parties in the district court action.

The Act also establishes the criteria under Iowa Code section 600B.41A (Actions to Overcome Paternity — Applicability — Conditions) specific to an action under the jurisdiction of the juvenile court to overcome paternity in a CINA proceeding.

The Act makes conforming changes relating to legally establishing paternity, and under Iowa Code section 602.6306 (Jurisdiction, Procedure, Appeals) relating to the jurisdiction of district associate judges when designated as a judge of the juvenile court, to include the overcoming of paternity proceedings created in the Act.

HOUSE FILE 232 - Probate Proceedings and Fiduciary and Trustee Powers and Duties
BY COMMITTEE ON JUDICIARY. This Act relates to probate proceedings.

The Act allows a fiduciary to present a written request to any person for the purpose of obtaining information about the property owned by the decedent or protected person that has passed or will pass by beneficiary designation or joint tenancy ownership. The written request needs to be dated and affirmed under penalty of perjury to be true and correct.

The Act changes the production of a certified copy of a will to an executor upon admittance into probate. The Act requires the executor to request a certified copy of a will.

The Act requires that a party claiming that the decedent's will was procured by tortious interference with inheritance must join the claims in a timely will contest.

The Act changes the procedure in lieu of a conservatorship for a minor by increasing the aggregate amount of money from \$25,000 to \$50,000 under which the amount may be paid or delivered to the following: a uniform transfer to minor account, a uniform custodial trust account, an account owner or participant under a college savings plan account, an account owner under an ABL account, or a structured settlement obligor of a structured settlement established for the benefit of the protected person for which the protected person will not begin receiving payments from the structured settlement prior to reaching age 18. An amount over \$50,000 may be paid or delivered in this manner only if authorized by the court.

The Act provides that the cost of a trial transcript for an indigent respondent shall be assessed against the county in which the probate proceedings are pending.

The Act creates a procedure for a trustee's written request and third-party protection. A trustee may present a written request to any person for the purpose of obtaining information needed to perform the trustee's duties or regarding property owned by the trust for which the trustee is acting as fiduciary, for which a living or deceased settlor is entitled, or owned by the deceased settlor at the time of death. The request must include a certification of trust. A person to whom a request is presented may require that the trustee presenting the request provide proof of the trustee's identity.

The Act provides that a person who in good faith provides the property or information a trustee requests shall not be liable to any person for so acting and may assume without inquiry the existence of the facts contained in the request. If a person refuses to provide the requested property or information within 10 business days after receiving a request, the trustee may bring an action to recover the property or information or compel its delivery. In an action against a person for unreasonably withholding property, the court may award damages sustained by the trust or by a living or deceased settlor's estate, costs of the action, a penalty set forth in the Act, and reasonable attorney fees.

Under the Act, certain provisions do not limit or change the right of beneficiaries, heirs, or creditors of a living or deceased settlor to estate or trust property to which they are otherwise entitled.

The Act allows an agent of a protected person to establish a medical assistance special needs trust and a medical assistance income trust for the benefit of the principal.

Certain provisions of the Act apply to estates, trusts, and conservatorships in existence on or after July 1, 2023, that were opened or created before, on, or after July 1, 2023, as set forth in the Act.

HOUSE FILE 359 - Child in Need of Assistance Cases — Modification of Bridge Orders

BY COMMITTEE ON JUDICIARY. Current law allows a juvenile court to close a child in need of assistance (CINA) case by issuing a bridge order that transfers jurisdiction of the case to the district court. Under prior law, if the child was subject to a subsequent CINA case, the juvenile court would have to issue a new order and the district court would have to rescind the previous bridge order. This Act allows a juvenile court to close a CINA case by modifying a bridge order issued in a previous CINA case when certain criteria are met.

The Act limits bridge modification orders to only address matters of legal custody, physical care, and parenting time. All other matters are reserved for the district court.

The Act requires the clerk of court to docket bridge modification orders and prohibits the clerk of court from assessing any filing fees or other court costs related to the bridge modification order.

The Act requires the district court to take judicial notice of the CINA case related to the bridge modification order as well as any CINA case related to the bridge modification order.

The Act requires records related to bridge modification orders to be subject to confidentiality provisions for cases not involving juvenile delinquency, but also requires such documents to be disclosed, upon request, to the Child Support Recovery Unit without a court order.

HOUSE FILE 397 - Notarial Acts — Remotely Located Individuals and Identity Proofing — Execution of Remote Wills or Codicils

BY COMMITTEE ON JUDICIARY. This Act relates to remote presence for purposes of notarial acts and executing wills and codicils. The Act requires that if a notary elects to use identity proofing for purposes of performing notarial acts for remotely located individuals, the identity proofing must conform to the standards established by the Secretary of State.

For purposes of executing wills and codicils, the Act defines the term “presence” to mean any manner, physical or electronic, in which the witness and testator can see and hear the acts of each other in real time. The Act provides when a will or codicil is executed using remote signing, the original document may be executed in one or more counterparts by parties located in different locations, which may be aggregated to comprise the complete will or codicil.

The Act provides that any will or codicil executed using remote signing procedures between April 2, 2020, and February 15, 2022, shall be deemed to satisfy the presence requirements, pursuant to the Governor’s proclamation of disaster emergency. This provision of the Act is retroactively applicable to April 2, 2020.

HOUSE FILE 398 - Adoption Proceedings — Public Defender Representation of Adoptive Parents and Service as Guardians Ad Litem — Provision of Birth Certificates or Records — Notice Requirements

BY COMMITTEE ON JUDICIARY. This Act relates to adoption proceedings including provisions relating to representation of the parties and provision of a guardian ad litem for a child in certain adoption proceedings, attachments to an adoption petition, and requirements for notice of an adoption hearing.

Regarding the powers and duties of local public defenders, the Act provides for the representation of certain parties and for provision of a guardian ad litem for a child in certain adoption proceedings. Under current law, a local public defender office shall represent an indigent party, upon order of the court, in child in need of assistance, family in

need of assistance, delinquency, and termination of parental rights proceedings pursuant to Iowa Code chapter 232 (Juvenile Justice) when designated by the state public defender to represent the indigent party in the type of case for that county. Additionally, under current law, a local public defender office shall represent, in a subsequent adoption proceeding, an indigent party who files an adoption petition to adopt a child who was the subject of a termination of parental rights proceeding pursuant to Iowa Code chapter 232 in which the local public defender office was involved. If a conflict of interest arises, the representation shall be provided through referral of the indigent party to outside counsel with whom the state public defender has contracted, subject to the fees for legal services incorporated in the contract. The Act amends the provisions relating to representation by the local public defender office in the specified type of subsequent adoption proceeding by providing that the local public defender office or designee shall represent in any such subsequent adoption proceeding both indigent and nonindigent parties who file an adoption petition. The Act also makes a conforming change to provide that a referral for representation in the case of a conflict of interest applies to both indigent and nonindigent parties, as applicable.

Under current law, a local public defender office shall serve as guardian ad litem for each child in all cases in which a local public defender office is the state public defender's designee. The local public defender is responsible for determining who shall serve as guardian ad litem pursuant to Iowa Code chapter 232 and for assuring that the duties are fulfilled. The Act requires, additionally, that a local public defender office shall be appointed to serve as guardian ad litem in a subsequent adoption proceeding to adopt a child who was the subject of a termination of parental rights proceeding pursuant to Iowa Code chapter 232 in which the local public defender office was involved. If a conflict of interest arises, the guardian ad litem for the child shall be provided through retention of outside counsel with whom the state public defender has contracted, subject to the fees for guardian ad litem services incorporated in the contract.

The Act also amends provisions relating to the contents of an adoption petition. Current law requires an adoption petition to have attached a certified copy of the birth certificate showing the parentage of the person to be adopted or, if such certificate is not available, a verified birth record. The Act provides that if the Department of Health and Human Services (HHS) is the guardian of the child being adopted, HHS shall provide a certified copy of a birth certificate or a verified birth record, as applicable, to the person adopting the child.

The Act amends provisions relating to the notice of adoption hearing to distinguish between whether the person to be adopted is a child or an adult. Under current law, in all adoptions, at least 20 days before the adoption hearing, a copy of the petition and its attachments and a notice of the adoption hearing shall be given by the adoption petitioner to a guardian, guardian ad litem if appointed for the adoption proceedings, and custodian of, and a person in a parent-child relationship with, the person to be adopted, not including a person whose parental rights have been terminated with regard to the person to be adopted; the person to be adopted who is an adult; any person who is designated to make an investigation and report by law; any other person who is required to consent to the adoption under law; a person who has been granted visitation rights with the child to be adopted pursuant to Iowa Code section 600C.1 (Grandparent and Great-Grandparent Visitation); a person who is ordered to pay support or a postsecondary education subsidy; and any siblings of the person to be adopted under certain conditions. These current notice of adoption hearing provisions still apply, unless the person to be adopted is an adult. Alternatively, the Act provides that if the person to be adopted is an adult, at least 20 days before the adoption hearing, a copy of the petition and its attachments and a notice of the adoption hearing shall be given by the adoption petitioner only to the person to be adopted and any other person who is required to consent to the adoption.

HOUSE FILE 400 - Vacation of Termination of Parental Rights Orders — Time Frame and Procedure if Rights of Both Parents Not Terminated

BY COMMITTEE ON JUDICIARY. This Act relates to the vacation of certain termination of parental rights orders.

Under the Act, if a court issues an order granting the termination of parental rights petition of a biological parent who indicated as the grounds for termination that the parent has signed a release of custody and the release has not been revoked, but the court has not issued an order granting the termination of parental rights of any other putative biological parent nor has the other putative biological parent consented to the adoption in lieu of termination of the parent's parental rights thereby prohibiting the filing of an adoption petition, the court shall allow the parent for whom the court issued an order terminating parental rights to request a vacation of the order within 30 days of issuance

of the granting of the order. The period for the request cannot be waived or extended and a vacation cannot be granted after the expiration of the period. The juvenile court shall grant the vacation request only if it is in the best interest of the child. The Supreme Court shall prescribe rules to establish a period of 30 days in which a terminated parent may request a vacation of a termination order under the Act.

HOUSE FILE 432 - Unit Owners Association Records and Documents — Access

BY COMMITTEE ON COMMERCE. This Act relates to access by certain entities to specific records and documents maintained by a unit owners association. “Unit owners association” is defined in the Act.

A unit owners association, a unit owners association’s designee, or a unit owners association’s management company (association) must make certain records and documents, as detailed in the Act, available to a unit owner (owner) or the owner’s authorized agent (agent) within 10 business days of a request by the owner or the agent.

An association may make the records and documents available via paper copy, electronically to an electronic mail address provided by the owner or the agent, or by posting the records and documents to an Internet site maintained by the association to which the owner or agent has reasonable access.

An association may charge a reasonable fee that does not exceed the estimated cost of production or reproduction of the records or documents for records and documents provided under the Act.

HOUSE FILE 466 - Involuntary Civil Commitment Proceedings — Televised or Telephone Appearances, Testimony, and Hearings

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act provides a court with the authority to allow televised testimony from certain persons in a hearing relating to a person’s involuntary commitment for a substance-related disorder or mental illness. The Act allows an applicant, respondent, or respondent’s attorney in an involuntary commitment hearing to waive the televised appearance of a mental health professional who examined the respondent in connection with the commitment hearing. The Act also allows involuntary commitment hearings to take place telephonically at the discretion of the court.

HOUSE FILE 475 - Unfair Residential Real Estate Service Agreements

BY COMMITTEE ON COMMERCE. This Act relates to unfair residential real estate service agreements (agreement). An agreement is considered unfair under the Act if a service that is covered by the agreement is not required to be completely performed within one year after the date the agreement is executed, and the agreement has any of the characteristics detailed in the Act. “Service agreement” and “residential real estate” are defined in the Act.

If an agreement is unfair, the agreement is unenforceable. If a person enters into an unfair agreement with a consumer, the person commits an unlawful practice under Iowa Code section 714.16. If a court finds that a person has committed an unlawful practice, remedies may include injunctive relief, disgorgement of moneys or property, and a civil penalty not to exceed \$40,000 per violation. A person is prohibited from causing an unfair agreement, or a notice or memorandum of an unfair agreement, to be recorded. A person who violates this prohibition commits an aggravated misdemeanor.

A county recorder may refuse to record an unfair agreement. If an unfair agreement is recorded, the recorded agreement shall not provide actual or constructive notice against an otherwise bona fide purchaser or creditor, or an heir or other successors-in-interest to the real estate that is the subject of the agreement, and any person with an interest in the real estate may apply to a district court in the county in which it is recorded for an order declaring the agreement unenforceable. Any person with an interest in the real estate may also recover actual damages, costs, and attorney fees against the person that caused the agreement or memo to be recorded.

The Act does not apply to the agreements, commitments, or utility providers detailed in the Act. The Act shall not be construed to impair a person’s rights established by a mechanics’ lien.

HOUSE FILE 553 - Data Breaches and Business Cybersecurity Program Use — Tort Liability and Affirmative Defenses

BY COMMITTEE ON ECONOMIC GROWTH AND TECHNOLOGY. This Act creates affirmative defenses for entities using cybersecurity programs. The Act provides that a covered entity seeking an affirmative defense must use a cybersecurity program for the protection of personal information and restricted information. The cybersecurity program must reasonably conform to an industry-recognized cybersecurity framework. A cybersecurity program must continually evaluate and mitigate reasonably anticipated threats, periodically evaluate the maximum probable loss attainable from a data breach, and communicate to affected parties the risk posed and actions the affected parties could take to reduce damages if a data breach has occurred. The scale and scope of a cybersecurity program is appropriate if the cost to operate the program is no less than the covered entity's maximum probable loss value. A covered entity that satisfies these requirements and that reasonably conforms to an industry-recognized cybersecurity framework is entitled to an affirmative defense to a tort claim that alleges that the failure to implement reasonable information security controls resulted in a data breach concerning personal information or restricted information.

The Act details industry-recognized cybersecurity frameworks that the covered entity may follow and reasonably comply with in order to qualify for the affirmative defense.

The Act does not provide a private right of action, including a class action.

HOUSE FILE 583 - Decedents and Transfers of Motor Vehicle Ownership — Affidavits — Odometer Disclosure Statements

BY COMMITTEE ON TRANSPORTATION. This Act relates to the transfer of certain motor vehicles by operation of law, including associated odometer disclosure statements.

Under current law, a certificate of title cannot be issued for a motor vehicle equipped with an odometer by the manufacturer unless an odometer statement, in compliance with federal law and regulations, has been made by the transferor of the vehicle and is furnished with the application for certificate of title, or unless an exemption applies under federal regulations.

The Act makes a person who is entitled to the possession and ownership of a vehicle under the laws of descent and distribution, and who files an affidavit under Iowa Code section 321.47(2), an agent of the owner of the vehicle solely for the purpose of completing the odometer disclosure statement required under Iowa Code section 321.71 and federal regulations. Any required odometer disclosure statement may be submitted together with the affidavit required by Iowa Code section 321.47(2).

SEE STATE GOVERNMENT. This Act provides for the transition of certain employees within the Department of Transportation (DOT) Motor Vehicle Enforcement (MVE) Division to the Department of Public Safety (DPS). Effective July 1, 2023, DPS peace officers will assume the responsibilities and duties of MVE officers so transferred. On or before July 1, 2023, the DOT and DPS, in consultation with the Department of Administrative Services, must identify and transfer affected positions and incumbent civilian and MVE officer employees from the DOT to DPS. Transferred MVE peace officers will become peace officers in the Division of State Patrol (state patrol) within DPS.

The Act transfers to the state patrol responsibility for, among other duties, conducting enforcement activities that ensure the safe and lawful movement and operation of commercial motor vehicles (CMVs) and vehicles transporting loads. The state patrol is tasked with enforcing motor vehicle laws relating to the operating authority, registration, size, weight, and load of motor vehicles and trailers, and is authorized to enter a motor carrier's place of business to perform a safety audit or compliance review or inspect motor carrier records.

Finally, the Act requires DPS to adopt rules relating to the enforcement of rules regarding the safe operation of CMVs and the movement of loads.

- SENATE FILE 514** - State Government Reorganization
SEE STATE GOVERNMENT. This Act relates to the organization, structure, and functions of state government. The Act allows the Attorney General to prosecute a criminal proceeding without first receiving a request from a county attorney to act as a county attorney and grants the Attorney General exclusive jurisdiction to prosecute election-related crimes. The provisions of the Act concerning the Attorney General took effect April 4, 2023.
- The Act provides that responsibility for the community-based correction program established in each judicial district of the state shall be transferred to the Department of Corrections. The Act provides that all employees of a judicial district department of correctional services shall be employees of the Department of Corrections, and that the Director of the Department of Corrections shall appoint, subject to the approval of the Board of Corrections, a director for each judicial district department of correctional services. The Act also converts the district board of each former judicial district department of correctional services to a district advisory board. Duties that were formerly those of the district board are transferred to the director.
- Concerning the Board of Parole, the Act eliminates the three alternate board members and provides that all five members of the board, and not just the chairperson, shall be full-time, salaried employees. The Act also provides that the Governor shall appoint a chairperson and vice chairperson from the membership of the board who shall serve at the pleasure of the Governor subject to Senate confirmation.
- SENATE FILE 562** - Appropriations — Justice System
SEE APPROPRIATIONS. The Act increases the hourly rates for court-appointed counsel by \$5 per hour and provides that for appointments made on or after July 1, 2023, compensation is calculated on the basis of \$83 per hour for class “A” felonies, \$78 per hour for class “B” felonies, and \$73 per hour for all other cases.
- The Act provides that compensation for time spent by an attorney or guardian ad litem traveling outside of the attorney’s or guardian ad litem’s county of domicile is payable when the travel is reasonable and necessary to represent the indigent client and shall be calculated at a rate of \$35 per hour. Compensation for travel for a court proceeding other than a trial or other contested proceeding shall only be paid if the attorney or guardian ad litem files a motion for a remote hearing and the motion is denied. Under those circumstances, compensation paid for travel for an uncontested or nontestimonial proceeding must be reimbursed by the judicial branch.

CRIMINAL LAW, PROCEDURE, AND CORRECTIONS

SENATE FILE 84 - Sexual Exploitation of a Minor and Utilizing a Technological Device While Stalking BY COMMITTEE ON JUDICIARY.

Division I — Sexual Exploitation of a Minor

This Act provides that a person commits a class “C” felony when, without authority and with the intent to commit sexual abuse or sexual exploitation upon a minor under the age of 13, the person entices or attempts to entice a person reasonably believed to be under the age of 13 including a law enforcement officer or agent posing as a minor under the age of 13. A person commits a class “D” felony when, without authority and with the intent to commit an illegal sex act upon or sexual exploitation of a minor under the age of 16, the person entices or attempts to entice a person reasonably believed to be under the age of 16 including a law enforcement officer or agent posing as a minor under the age of 16. A person commits a class “D” felony when, without authority and with the intent to commit an illegal act upon a minor under the age of 16, the person entices a person reasonably believed to be under the age of 16 including a law enforcement officer or agent posing as a minor under the age of 16. A person commits an aggravated misdemeanor when, without authority and with the intent to commit an illegal act upon a minor under the age of 16, the person attempts to entice a person reasonably believed to be under the age of 16 including a law enforcement officer or agent posing as a minor under the age of 16.

The Act provides that it is unlawful to employ, use, persuade, induce, entice, coerce, solicit, knowingly permit, or otherwise cause or attempt to cause a minor under the age of 18 or a law enforcement officer or agent posing as a minor under the age of 18 to engage in a prohibited sexual act or in the simulation of a prohibited sexual act. A violation of this provision is a class “C” felony. Notwithstanding Iowa Code section 902.9 (Maximum Sentence for Felons), the court may assess a fine of not more than \$50,000 for each offense in addition to imposing any other authorized sentence.

The Act increases the penalty for knowingly promoting any material visually depicting a live performance of a minor engaging in a prohibited sexual act or in the simulation of a prohibited sexual act from a class “D” felony to a class “C” felony.

Under prior law, knowingly purchasing or possessing a visual depiction of a minor engaging in a prohibited sexual act or the simulation of a prohibited sexual act was an aggravated misdemeanor for a first offense and a class “D” felony for a second or subsequent offense. The Act increases the penalty to a class “D” felony for a first offense, and a class “C” felony for a second or subsequent offense. The Act provides that an offense is considered a subsequent offense if the person has previously been convicted of knowingly purchasing or possessing a visual depiction of a minor engaging in a prohibited sexual act or the simulation of a prohibited sexual act or the person has a prior conviction in another jurisdiction for a substantially similar offense.

The Act provides that a person serving a sentence for a conviction of sexual exploitation of a minor that is a class “B” felony shall be denied parole or work release until the person has served between one-half and seven-tenths of the maximum term of the person’s sentence. At the time of sentencing, the court shall determine when a person convicted of sexual exploitation of a minor shall first become eligible for parole or work release based upon all pertinent information including the person’s criminal record, a validated risk assessment, and the negative impact the offense has had on the victim or other persons.

The Act provides that a court shall not defer judgment if the offense is a conviction of sexual exploitation of a minor.

The Act provides that in cases in which the offender was convicted of sexual exploitation of a minor involving causing or attempting to cause a minor to engage in a prohibited sexual act or the simulation of a prohibited sexual act, or in knowingly promoting any material visually depicting a live performance of a minor engaging in a prohibited sexual act or in the simulation of a prohibited sexual act, the court shall order restitution as provided in the Act. The legal guardian of the victim or representative of the victim’s estate, another family member, or any other person appointed

as suitable by the court, may assume the crime victim's rights, but in no event shall the offender be named as a representative or guardian.

Division II — Stalking Utilizing a Technological Device

The Act provides that a person who commits stalking commits a class "C" felony if any of the following apply: the person commits stalking while subject to a criminal or civil protective order or injunction, or any other court order that prohibits contact between the person and the victim or between the person and another person against whom the person has committed a public offense; the person commits stalking while in possession of a dangerous weapon; the person commits stalking by directing a course of conduct at a specific person who is under 18 years of age; or the person utilizes a technological device while committing stalking. A third or subsequent stalking offense remains a class "C" felony.

A person who commits stalking commits an aggravated misdemeanor if the offense is a first offense and if none of the elements making the offense a class "C" felony are present. The Act provides that a person who commits stalking commits a class "D" felony if the offense is a second offense and if none of the elements making the offense a class "C" felony are present.

SENATE FILE 359 - Weight Limits on Vehicles or Axles — Scheduled Violations — Charging Procedure

BY COMMITTEE ON TRANSPORTATION. This Act modifies the citation and complaint procedures for vehicle weight limit violations designated as scheduled violations.

An excessive weight violation of Iowa Code section 321.463 results in a scheduled fine ranging from \$12 to \$2,200 plus 10 cents per pound in excess of 20,000 pounds over the limit. Prior law required weight limit violations resulting in a fine exceeding \$1,000, when the violation was admitted, to be chargeable upon uniform citation and complaint, indictment, or county attorney's information. However, if the violation was not admitted, the violation was chargeable only upon indictment or county attorney's information.

The Act makes all vehicle weight limit violations a scheduled violation subject to the uniform citation and complaint provisions, procedures, and exceptions, irrespective of the amount of the scheduled fine and regardless of whether the violation is admitted. The Act makes conforming changes to Iowa Code section 805.8A(12)(e), but does not change the scheduled fine amount for any violation.

SENATE FILE 362 - Fraud in Assisted Reproduction — Statutes of Limitations

BY COMMITTEE ON JUDICIARY. This Act makes conforming changes to reflect in other Iowa Code sections the statute of limitations provisions under Iowa Code chapter 714I (Fraud in Assisted Reproduction Act).

The Act amends Iowa Code section 802.3 (Felony — Aggravated or Serious Misdemeanor) to include in the exceptions to the requirement that an indictment or information for a felony or aggravated or serious misdemeanor shall be found within three years after its commission, an information or indictment for sexual abuse in the fourth degree under Iowa Code section 802.2E, which is a crime established under Iowa Code chapter 714I, which may instead be commenced at any time after the commission of the offense.

The Act amends Iowa Code section 802.10 (DNA Profile of Accused) to include sexual abuse in the fourth degree in the exceptions to the requirement that an indictment or information shall be found against a person within three years from the date the person is identified by the person's DNA profile. The Act instead provides that the indictment or information shall be found as provided in Iowa Code section 802.2E at any time after the commission of the offense, if the person is identified by the person's DNA profile.

HOUSE FILE 112 - Domestic Abuse Assault — Consideration of Prior Offenses

BY COMMITTEE ON JUDICIARY. This Act relates to criminal charges for domestic abuse assault.

Prior law provided that a conviction for, deferred judgment for, or plea of guilty to domestic abuse assault that occurred more than 12 years prior to the date of the violation charged could not be considered in determining that

the violation charged is a second or subsequent offense. The Act eliminates this look-back provision in determining whether a violation of domestic abuse assault should be charged as a second or subsequent offense.

HOUSE FILE 143 - Ransomware — Prohibitions and Penalties

BY COMMITTEE ON ECONOMIC GROWTH AND TECHNOLOGY. This Act defines “ransomware” as a computer or data contaminant, encryption, or lock that is placed or introduced without authorization into a computer, computer network, or a computer system that restricts access by an authorized person to a computer, computer data, a computer network, or a computer system in a manner that results in the person responsible for the placement or introduction of the contaminant, encryption, or lock making a demand for payment of money or other consideration to remove the contaminant, encryption, or lock.

The Act does not apply to situations involving the nonpayment or a violation of the terms of a legal contract with the owner or operator or when complying with federal, state, and local law enforcement requests.

The Act prohibits a person from doing any of the following with the intent to cause the malfunction or interruption of the operation of, or alter, damage, or destroy, all or any part of a computer, computer network, computer control language, computer software, computer system, computer service, or computer data: intentionally, willfully, and without authorization accessing, attempting to access, causing to be accessed, or exceeding the person’s authorized access to all or a part of a computer network, computer control language, computer, computer software, computer system, or computer database; or copying, attempting to copy, possessing, or attempting to possess the contents of all or part of a computer database.

The Act provides that a person shall not intentionally, willfully, and without authorization possess, identify, or attempt to identify a valid access code or publicize or distribute a valid access code to an unauthorized person.

The Act provides that a person shall not commit a prohibited act with the intent to interrupt or impair the function of any of the following: the state government; a service, device, or system related to the production, transmission, delivery, or storage of electricity or natural gas in the state that is owned, operated, or controlled by a person other than a public utility as defined in Iowa Code chapter 476; a service provided in the state by a public utility as defined in Iowa Code chapter 476; a hospital or health care facility; a public elementary or secondary school, community college, or area education agency under the supervision of the Department of Education; or a city, city utility, or city service. The Act does not apply to the use of ransomware for research purposes by a person who has a bona fide scientific, educational, governmental, testing, news, or other similar justification for possessing ransomware.

The Act provides that a person who has suffered a specific and direct injury because of a violation of the Act may bring a civil action in a court of competent jurisdiction, and the court may award actual damages, reasonable attorney fees, and court costs. A conviction for an offense under the Act is not a prerequisite for the filing of a civil action.

The Act provides that a person who commits a violation of the Act and who causes pecuniary losses involving less than \$10,000 to a victim of the unlawful act is guilty of an aggravated misdemeanor. A person who commits a violation of the Act and who causes pecuniary losses involving at least \$10,000 but less than \$50,000 to a victim of the unlawful act is guilty of a class “D” felony. A person who commits a violation of the Act and who causes pecuniary losses involving at least \$50,000 to a victim of the unlawful act is guilty of a class “C” felony.

The Act provides that for the purpose of determining venue, a violation of the Act shall be considered to have been committed in any county where the defendant performed the unlawful act, where the defendant resides, or where the accessed computer is located.

HOUSE FILE 176 - Continuous Sexual Abuse of a Child

BY COMMITTEE ON JUDICIARY. This Act relates to continuous sexual abuse of a child.

The Act removes specific references to Iowa Code sections 709.3 (Sexual Abuse in the Second Degree) and 709.4 (Sexual Abuse in the Third Degree) and provides that a person 18 years of age or older commits continuous sexual abuse of a child when the person engages in any combination of three or more acts of sexual abuse with the same child, and at least 30 days have elapsed between the first and last acts of sexual abuse.

A person who commits continuous sexual abuse of a child is guilty of a class “B” felony and shall be confined for not more than 50 years. If a jury is the trier of fact, the jury must unanimously agree that three or more acts of sexual abuse were committed with the same child and that at least 30 days have elapsed between the first act and the last act, but the jury need not unanimously agree which specific acts were committed, and on which exact dates the acts occurred. Each act of sexual abuse is a lesser included offense of continuous sexual abuse of a child. A person serving a sentence for a conviction of continuous sexual abuse of a child shall be denied parole or work release unless the person has served at least seven-tenths of the maximum term of the person’s sentence. “Sexual abuse” is defined in Iowa Code section 709.1 to include any sex act between persons when the act is performed with a child. “Child” is defined in Iowa Code section 702.5 as any person under the age of 14.

HOUSE FILE 202 - Possession and Use of Explosive Materials and Destructive Devices

BY COMMITTEE ON PUBLIC SAFETY. This Act relates to explosive materials including blasting agents, detonators, and destructive devices.

IOWA CODE CHAPTER 101A (EXPLOSIVE MATERIALS) — DEFINITIONS. The Act amends the definition of “blasting agent” to include any material or mixture intended for blasting that meets the requirements of 49 C.F.R. pt. 173, subpt. C (federal regulations relating to the transportation of hazardous materials). The definition of “explosive materials” is amended to include detonators. “Detonator” is defined as any device containing an initiating or primary explosive that is used for initiating detonation and includes an electric detonator of instantaneous or delay type, a detonator for use with safety fuses, a detonating cord delay connector, and a nonelectric detonator or instantaneous or delay type that consists of a detonating cord, shock tube, or any other replacement for electric leg wires. “Destructive device” is defined as any explosive, incendiary, chemical or biological poison, or poison gas that is any of the following: a bomb, a grenade, a rocket having a propellant charge of more than four ounces, a missile having an explosive or incendiary charge of more than one-quarter ounce, a mine, a booby trap, a Molotov cocktail, a bottle bomb, a vessel or container intentionally caused to rupture or mechanically explode, and any similar device, the primary or common purpose of which is to explode and to be used as a weapon against any person or property. The Act provides that a destructive device does not include a device that is neither designed nor redesigned for use as a weapon to be used against person or property; a device, originally designed for use as a weapon, that is redesigned for use as a signaling, pyrotechnic, line-throwing, safety, or similar device; a surplus ordnance sold, loaned, or given by the Secretary of the Army; any device that the State Fire Marshal finds is not likely to be used as a weapon or that is an antique; or any device possessed under circumstances negating an intent that the device be used as a weapon against any person or property.

RECKLESS USE OF FIRE, EXPLOSIVES, OR DESTRUCTIVE DEVICES. The Act provides that any person who uses fire, explosives, or destructive devices as defined in the Act to recklessly endanger the property or safety of another is guilty of a serious misdemeanor.

EXPLOSIVE MATERIALS OR DESTRUCTIVE DEVICES — PENALTIES. The Act provides that a person who possesses any explosive material or destructive device with the intent to commit a public offense commits a class “C” felony. A person who possesses any explosive material or destructive device commits an aggravated misdemeanor. A person who, with the intent to intimidate, annoy, or alarm another person, places a simulated explosive or simulated destructive device in a place that the person reasonably believes is likely to cause public alarm or inconvenience commits a serious misdemeanor. The Act provides that a person who uses any explosive material or destructive device to commit any public offense or who possesses an explosive material or destructive device during the commission of a felony is guilty of a class “C” felony.

OFFENSIVE WEAPONS. The Act amends the definition of “offensive weapon” for purposes of Iowa Code section 724.1 (Offensive Weapons) to include the definition of a destructive device. Any unauthorized person who knowingly possesses an offensive weapon commits a class “D” felony.

FIREWORKS. The Act provides that a retailer or community group selling fireworks shall comply with the National Fire Protection Association standard for the manufacture, transportation, storage, and retail sales of fireworks.

The Act took effect on March 22, 2023.

HOUSE FILE 358 - Eluding or Attempting to Elude Law Enforcement Vehicles and Peace Officer Authority to Make Arrests

BY COMMITTEE ON PUBLIC SAFETY. This Act relates to eluding or attempting to elude a pursuing law enforcement vehicle (eluding) and provides for temporary restricted licenses associated with eluding and the authority of a peace officer to make an arrest for a public offense anywhere within the state.

Under prior law, a person convicted of eluding was not eligible to be issued a temporary restricted license (TRL). A TRL issued to persons with suspended or revoked driver's licenses authorizes the holder to drive for limited purposes including employment, health care, education, substance use treatment, community service, and appointments with parole or probation officers. The Act authorizes persons convicted of eluding to be issued a TRL upon demonstrating a case of hardship or circumstances for which alternative means of transportation do not exist and upon providing proof of financial responsibility.

Prior law generally provided that a driver of a motor vehicle who committed a second or subsequent eluding violation was subject to an enhanced penalty if the second or subsequent violation was found under the same Iowa Code subsection as the prior violation. The Act provides that a person who commits a second or subsequent eluding violation is subject to an enhanced penalty regardless of the Iowa Code subsection under which the person was previously convicted. The Act increases the penalty for eluding when a driver exceeds the speed limit by 25 miles per hour or more (Iowa Code section 321.279(2)) from an aggravated misdemeanor to a class "D" felony. The penalty for a second or subsequent violation is increased from a class "D" felony to a class "C" felony.

The Act strikes Iowa Code section 321.279(3) as the penalties for a violation are redundant to the new penalties provided for a violation of Iowa Code section 321.279(2), and makes corresponding changes.

The Act extends to anywhere within the state a peace officer's authority to make an arrest under the following circumstances: when a public offense has been committed or attempted in the peace officer's presence; when a public offense has in fact been committed and the peace officer has reasonable grounds for believing that the person to be arrested has committed it; when the peace officer has reasonable grounds for believing that an indictable public offense has been committed and that the person to be arrested has committed it; when the peace officer received an official communication by bulletin, radio, telegraph, telephone, or otherwise, informing the peace officer that a warrant has been issued and is being held for the arrest of the person to be arrested on a designated charge; when the peace officer has reasonable grounds for believing that domestic abuse has occurred and has reasonable grounds for believing that the person to be arrested has committed it; or as required by Iowa Code section 236.12(2) (domestic abuse). The Act prohibits a peace officer from establishing routine patrol outside the jurisdiction of the peace officer's employing agency.

HOUSE FILE 568 - Criminal History and Intelligence Data Access — Criminal or Juvenile Justice Agencies of Indian Tribes

BY COMMITTEE ON JUDICIARY. This Act provides that a "criminal or juvenile justice agency" includes a federally recognized Indian tribe which has entered into a written agreement with the Department of Public Safety irrevocably waiving any tribal sovereign immunity related to the dissemination or use of criminal history data obtained because of that written agreement, which performs as its principal function the apprehension, prosecution, adjudication, incarceration, or rehabilitation of criminal or juvenile offenders. Under current law, the Department of Public Safety may provide copies or communicate information from criminal history data to a criminal or juvenile justice agency. Criminal history data includes data concerning arrests, convictions, dispositions, corrections, adjudications, and custody.

HOUSE FILE 570 - Assault or Domestic Abuse Assault on Pregnant Persons — Domestic Abuse Assault Second Offense

BY COMMITTEE ON PUBLIC SAFETY.

ASSAULT — PREGNANT PERSON. This Act provides that a person who commits an assault against another person who the person knows or reasonably should know is a pregnant person, and who uses or displays a dangerous weapon in connection with the assault, is guilty of a class "D" felony.

DOMESTIC ABUSE ASSAULT — PREGNANT PERSON. The Act provides that a person who commits domestic abuse assault commits a class “D” felony if the domestic abuse assault is committed against a person who is known to be, or reasonably should be known to be, pregnant, and any of the following occur: the domestic abuse assault is committed with the intent to inflict a serious injury upon another, or if the person who commits the domestic abuse assault displays a dangerous weapon in connection with the assault, or if the person who commits the domestic abuse assault knowingly impedes the normal breathing or circulation of the blood of another by applying pressure to the throat or neck of the other person or by obstructing the nose or mouth of the other person.

DOMESTIC ABUSE ASSAULT — SECOND OFFENSE PENALTY. The Act provides that a person who commits a second domestic abuse assault commits a class “D” felony if the person’s first domestic abuse assault was classified as a class “D” felony, and the second domestic abuse assault would otherwise be classified as an aggravated misdemeanor.

HOUSE FILE 595 - Regulation of Controlled Substances — Criminal Offenses — Receipt, Provision, and Administration of Opioid Antagonists

BY COMMITTEE ON JUDICIARY.

Division I — Manufacture, Delivery, or Possession of a Controlled Substance

FENTANYL. This Act provides that the manufacture, delivery, or possession of a controlled substance involving a mixture or substance containing a detectable amount of fentanyl or any fentanyl-related substance identified in Iowa Code section 124.204(9) shall be charged as follows: containing more than 50 grams is a class “B” felony, punishable by confinement for no more than 50 years and a fine of not more than \$1 million; containing more than 5 grams but not more than 50 grams is a class “B” felony, punishable by confinement for no more than 25 years and a fine of not less than \$5,000 nor more than \$100,000; and containing 5 grams or less is a class “C” felony, punishable by confinement for no more than 10 years and a fine of not less than \$1,000 nor more than \$50,000.

MANUFACTURE, DELIVERY, OR POSSESSION OF CONTROLLED SUBSTANCES — SENTENCING ENHANCEMENTS. The Act provides that a person participating in the manufacture, delivery, or possession of a controlled substance, and who is not entitled to protection under Iowa Code section 124.418 (Persons Seeking Medical Assistance for Drug-Related Overdose), who causes the death of another person shall be sentenced to three times the term otherwise imposed by law, and a person who causes serious bodily injury to another person shall be sentenced to two times the term otherwise imposed by law. No such judgment, sentence, or part thereof shall be deferred or suspended.

The Act provides that a person’s act of manufacturing or delivering a controlled substance that results in the death of another person shall be deemed to have caused the other person’s death when the controlled substance contributed to the other person’s death.

MANUFACTURE OF CONTROLLED SUBSTANCES IN PRESENCE OF A MINOR. Current law provides that in addition to any other penalties provided in Iowa Code chapter 124, a person who is 18 years of age or older and who unlawfully manufactures methamphetamine, its salts, isomers, or salts of its isomers in the presence of a minor shall be sentenced up to an additional term of confinement of five years. The Act amends current law to apply to all controlled substances listed in Iowa Code section 124.401(1)(a), (b), and (c) and provides that a person in violation of this provision shall be sentenced to two times the term otherwise imposed by law, and no such judgment, sentence, or part thereof shall be deferred or suspended.

CONSPIRACY TO MANUFACTURE CONTROLLED SUBSTANCES FOR DELIVERY TO MINOR. Prior law prohibited a person 18 years of age or older from conspiring with one or more persons to manufacture for delivery to a person under 18 years of age, or from possessing with the intent to deliver to a person under 18 years of age, a substance that contains any detectable amount of amphetamine or methamphetamine. A person in violation of either provision could be confined for no more than 99 years. The Act strikes this penalty. The Act extends the prohibitions to apply to all controlled substances listed in Iowa Code section 124.401(1)(a), (b), and (c) and provides that a person in violation of either provision shall be sentenced to two times the term otherwise imposed

by law, and no such judgment, sentence, or part thereof shall be deferred or suspended. A second or subsequent violation is a class “A” felony.

The Act provides that a person who is sentenced for the death of or serious bodily injury to another person while participating in the manufacture, delivery, or possession of a controlled substance, and who is not entitled to protection under Iowa Code section 124.418, shall not be eligible for parole or work release until the person has served a minimum term of confinement of one-third of the maximum indeterminate sentence prescribed by law.

DELIVERY OF A CONTROLLED SUBSTANCE TO MINOR — FOOD OR BEVERAGE PRODUCTS. The Act provides that delivery to a minor or possession with intent to deliver to a minor a controlled substance includes the following: combining a controlled substance with a food or beverage product, marketing or packaging a controlled substance to appear similar to a food or beverage product, or modifying the flavor or color of a controlled substance to appear similar to a food or beverage product.

The Act provides that a person sentenced for causing the death of another while participating in the manufacture, delivery, or possession of a controlled substance shall not be granted a reduction of sentence.

Division II — Receipt, Provision, and Administration of Opioid Antagonists — Secondary Distributors — Immunity

Current law provides that a licensed health care professional may prescribe an opioid antagonist to a person in a position to assist. The Act expands this authorization to provide that a licensed health care provider may prescribe an opioid antagonist to a secondary distributor as defined in the Act. The Act defines “community-based organization” and includes community-based organizations and first responders in the definition of “person in a position to assist.”

Current law provides that a licensed pharmacist may, by standing order or through collaborative agreement, dispense, furnish, or otherwise provide an opioid antagonist in the name of a service program, law enforcement agency, or fire department. The Act expands this authorization to include a secondary distributor. The Act includes secondary distributors and the pharmacist who dispenses the opioid antagonist, provided they have acted reasonably and in good faith, to the list of persons who shall not be liable for any injury arising from the provision, administration, or assistance in the administration of an opioid antagonist. A pharmacist or secondary distributor who dispenses, furnishes, or otherwise provides an opioid antagonist pursuant to a valid prescription, standing order, or collaborative agreement shall provide written instruction, including emergency, crisis, and substance use referral contact information, to the recipient.

The Act provides that the Chief Medical Officer of the Department of Health and Human Services may issue a standing order that does not identify an individual patient at the time it is issued for the purpose of dispensing opioid antagonists to a person in a position to assist. A person in a position to assist may distribute an opioid antagonist to any individual.

HOUSE FILE 630 - Human Trafficking — Penalties — Judgment and Sentencing Procedures

BY COMMITTEE ON PUBLIC SAFETY. Prior law provided penalties for a human trafficking crime committed in violation of Iowa Code section 710A.2 ranging from an aggravated misdemeanor to a class “C” felony, depending on the elements of the crime alleged and the age of the victim. Prior law also allowed for a deferred judgment or a deferred or suspended sentence for a person who committed a human trafficking crime. This Act increases the penalties imposed for a human trafficking crime to now range from a class “D” felony to a class “A” felony. The Act provides that a person who is sentenced for a human trafficking crime shall not be eligible for a deferred judgment or a deferred or suspended sentence.

The Act provides that a person who knowingly engages in human trafficking is guilty of a class “B” felony, except that if the victim is under the age of 18, the person is guilty of a class “A” felony. If the human trafficking offense involves causing or threatening to cause serious physical injury to another person, the person is guilty of a class “A” felony. A person who knowingly engages in human trafficking by physically restraining or threatening to physically restrain another person is guilty of a class “B” felony, except that if the victim is under the age of 18, the person is guilty of a class “A” felony.

The Act provides that a person who knowingly engages in human trafficking by soliciting services or benefiting from the services of a victim is guilty of a class “B” felony, except that if the victim is under the age of 18, the person is guilty of a class “A” felony. A person who knowingly engages in human trafficking by abusing or threatening to abuse the law or legal process is guilty of a class “B” felony, except that if the victim is under the age of 18, the person is guilty of a class “A” felony. A person who knowingly engages in human trafficking by knowingly destroying, concealing, removing, confiscating, or possessing any actual or purported government identification of another person is guilty of a class “B” felony, except that if the other person is under the age of 18, the person is guilty of a class “A” felony. A person who benefits financially or by receiving anything of value from knowing participation in human trafficking is guilty of a class “B” felony, except that if the victim is under the age of 18, the person is guilty of a class “A” felony.

A person who knowingly engages in human trafficking by knowingly providing or facilitating the provision of a forged, altered, or fraudulent license, or a forged, altered, or fraudulent government identification to another person, to force, coerce, entice, assist, facilitate, or permit the other person to perform labor or services or to produce such license or government identification upon request of a peace officer is guilty of a class “D” felony, except that if the other person is under the age of 18, the person is guilty of a class “B” felony.

HOUSE FILE 631 - Peace Officers and Public Safety Personnel — Brady-Giglio List Policy and Confidential Information

BY COMMITTEE ON PUBLIC SAFETY. Prior law provided a repeal date of July 1, 2023, for the definition of “Brady-Giglio list” and Iowa Code section 80F.1(24), which concerns the policies and procedures to be followed by a prosecuting agency that maintains a Brady-Giglio list. This Act removes the repeal provisions.

The Act provides that a prosecuting agency shall keep confidential and shall not release to the public an officer’s personnel file, medical records, or any statement, recording, transcript, or complaint to the public. This shall not be construed to prohibit the release of records to the officer or the officer’s legal counsel upon the request of the officer or the officer’s legal counsel, or as otherwise provided by law or court order.

The Act took effect June 1, 2023.

HOUSE FILE 644 - Criminal Law and Procedure — Depositions, Conditional Guilty Pleas, Minor Prosecuting Witnesses, Juror Qualifications, and Court Rules

BY COMMITTEE ON JUDICIARY. This Act relates to criminal law including depositions, conditional guilty pleas, prosecution witnesses who are minors, and juror qualifications.

Division I — Depositions

The Act provides that a person who has the expectation of being made a party to a criminal prosecution shall not be entitled to conduct a deposition in the criminal proceeding prior to the person being indicted for a criminal offense.

Division II — Conditional Guilty Pleas

The Act provides that a conditional guilty plea that purports to reserve an issue for appeal may only be entered with the consent of the prosecuting attorney and the defendant or the defendant’s counsel. An appellate court shall have jurisdiction only over conditional guilty pleas that comply with this provision in the Act and when appellate adjudication of the reserved issue is in the interest of justice.

Division III — Prosecution Witnesses — Minors

The Act provides that the Iowa Supreme Court shall amend the Rules of Criminal Procedure to comply with Iowa Code section 915.36A concerning the rights of a minor being interviewed or deposed, including but not limited to the elimination of a requirement that a defendant be physically present at the deposition of a minor.

Division IV — Juror Qualifications

The Act provides that a person is disqualified from jury service if the person has been convicted of a felony and remains under the supervision of the Department of Corrections, a judicial district department of correctional services, or the Board of Parole, or if the person has been convicted of a felony that requires the person to register as a sex offender under Iowa Code chapter 692A or to serve a special sentence under Iowa Code chapter 903B.

Division V — Supreme Court — Rules of Criminal Procedure Revisions

The Act requires the Iowa Supreme Court to revise the Rules of Criminal Procedure submitted for Legislative Council review on October 14, 2022, to comply with the Act. The revised rules shall be submitted for Legislative Council review no later than June 1, 2023, and shall supersede the revised rules submitted on October 14, 2022. If the Iowa Supreme Court fails to timely submit Rules of Criminal Procedure revised to comply with the Act for Legislative Council review on October 14, 2022, the submitted rules shall be rejected in their entirety. This division took effect May 26, 2023.

- The Act enacts new Iowa Code section 15.281 that establishes a Destination Iowa Fund (fund) under the control of the Economic Development Authority (authority). The Act provides that moneys in the fund will be appropriated to the authority for providing grants to eligible cities, counties, and not-for-profit organizations to fund projects that increase tourism opportunities, development and enhancement of outdoor recreational opportunities, or otherwise contribute to quality of life in rural communities. The Act defines

“rural communities” as a community that has a population of fewer than 20,000 persons as determined by the most recent population estimate produced by the United States Bureau of Census or the most recent decennial census released by the United States Bureau of Census. The Act further provides that projects must be primarily vertical infrastructure and available for year-round use by the public, and provides that the applicant for project moneys must intend to own the property that is the subject of the project upon completion. The Act also provides that the authority shall allocate 50 percent of the moneys available in the fund at the beginning of each fiscal year to projects in rural communities, but may reallocate any portion of the moneys allocated to rural communities for all eligible projects if moneys allocated for rural communities have not been awarded by April 1 of the fiscal year for which the allocation is made. The Act establishes the application process for grants from the new fund and provides that the authority board shall make final funding decisions. The Act provides that interest or earnings on moneys deposited in the fund shall be credited to the fund and moneys credited to the fund shall not revert at the close of a fiscal year. The Act provides that the authority shall not use more than 5 percent of the moneys in the fund each fiscal year for purposes of administrative costs and program support.

ECONOMIC DEVELOPMENT

SENATE FILE 575 - Economic Development Authority — Renewable Chemical Production, Workforce Housing, and Innovation Fund Tax Credits — Iowa Wine, Beer, and Spirits Promotion Board

BY COMMITTEE ON WAYS AND MEANS. This Act relates to the Iowa Economic Development Authority (authority), including renewable chemical production, workforce housing, and innovation fund tax credits, the Iowa Wine, Beer, and Spirits Promotion Board, and the Beer and Liquor Control Fund. The Act is divided into two divisions.

Division I — Tax Credits

The Act extends the future repeal date for the Renewable Chemical Production Tax Credit Program (program) from July 1, 2030, to July 1, 2039. The Act also extends the availability of the program credit for any renewable chemical produced prior to the end of calendar year 2035, rather than the end of calendar year 2026.

Serine, threonine, and lysine are removed from the definition of “building block chemical” for purposes of the program. All completed applications submitted by eligible businesses to the program must be reviewed and scored on a competitive basis by the authority pursuant to rules adopted by the authority, and \$1 million is the maximum amount of credit that may be issued to an eligible business in a calendar year. Under prior law, if an eligible business had been in operation for five years or less at the time of application, the maximum credit was \$1 million. If the business had been in operation more than five years, the maximum was \$500,000. The Act eliminates the wait list the authority formerly maintained for the program. Under the Act, the authority may award an amount of credits not to exceed the maximum aggregate amount allocated in Iowa Code section 15.119(2)(h) for each fiscal year beginning on or after July 1, 2023, and ending on or before June 30, 2036. Information regarding the program that must be submitted to the General Assembly and to the Governor by January 31 each year is detailed in the Act and differs from the requirements under prior law. The Act makes conforming changes to Iowa Code section 15.318(2)(c)-(d).

The Act extends the future repeal of the program credit allowed under Iowa Code sections 422.10B and 422.33 from January 1, 2033, to January 1, 2041.

Under prior law, a proposed housing project must be located in a small city and include two or more single-family dwelling units in order for development at a greenfield site to be eligible for workforce housing tax incentives. Under the Act, construction of new dwellings at a greenfield site may be eligible for the incentives.

The Act eliminates the wait list for Innovation Fund Investment Tax Credits (innovation credits).

The sections of this division of the Act amending Iowa Code sections 15.316(3), 15.318(1), 15.318(3)(a), 15.318(3)(d), and 15.318(3)(e) apply to all applications submitted on or after July 1, 2023. The sections of the division of the Act amending Iowa Code sections 15.318(3)(e) and 15.320(1) apply to all eligible businesses placed on a wait list on or before June 30, 2023.

The section of this division of the Act amending Iowa Code section 15E.52(5)(b) applies to all applications submitted for innovation credits placed on a wait list pursuant to Iowa Code section 15E.52(5)(b).

Division II — Iowa Wine, Beer, and Spirits Promotion Board

This division of the Act modifies the Iowa Wine and Beer Promotion Board (board) by adding an additional member to the board to represent Iowa distilleries. The board must advise the authority on the promotion of spirits made in Iowa, and the authority may contract with private persons for the promotion of spirits made in Iowa. The Department of Administrative Services, after certain other transfers required by law from the Beer and Liquor Control Fund are made, must make a transfer to the authority as described in the Act.

HOUSE FILE 185 - Butchery Innovation and Revitalization Program — Eligible Businesses

BY COMMITTEE ON ECONOMIC GROWTH AND TECHNOLOGY. This Act requires a business to employ less than 75 full-time, nonseasonal individuals in order to be eligible to apply for the Butchery Innovation and Revitalization

Program established in Iowa Code section 15E.370. Under prior law, a business must have employed less than 50 individuals to be eligible. The Act applies to businesses that apply to the program on or after July 1, 2023.

SENATE FILE 514

- State Government Reorganization

SEE STATE GOVERNMENT. This Act relates to the organization, structure, and functions of state government. The Act makes several changes to the Department of Education (DE) and also transfers the responsibilities of several governmental entities to DE.

IOWA BRAILLE AND SIGHT SAVING SCHOOL AND IOWA SCHOOL FOR THE DEAF. The Act strikes Iowa Code references to the Iowa Braille and Sight Saving School and provides for an Iowa Educational Services for the Blind and Visually Impaired Program. The Act further transfers governing authority over the Iowa Educational Services for the Blind and Visually Impaired Program and the Iowa School for the Deaf from the Board of Regents to DE.

INNOVATION DIVISION. The Act creates the Innovation Division of DE and transfers the Science, Technology, Engineering, and Mathematics Collaborative Initiative (STEM Initiative) currently located at the University of Northern Iowa to the Innovation Division. Subject to an appropriation of moneys, the Act requires the Innovation Division to administer six regional science, technology, engineering, and mathematics networks for Iowa with oversight for these networks provided by a regional advisory board, the members of which are appointed by the Governor.

HIGHER EDUCATION DIVISION AND MISCELLANEOUS CHANGES. The Act provides that DE is to act in a policymaking and advisory capacity and to exercise general supervision over the Iowa Educational Services for the Blind and Visually Impaired Program, Iowa School for the Deaf, STEM Initiative, College Student Aid Commission, Board of Educational Examiners, and the career and technical education programs offered by school districts or community colleges.

The Act establishes the Higher Education Division within DE and places the Community Colleges and Post-Secondary Readiness Bureau, the Board of Educational Examiners, the College Student Aid Commission, and the Community Colleges Bureau within the Higher Education Division.

COMMUNITY COLLEGES AND POST-SECONDARY READINESS BUREAU. The Act transfers the Career and Technical Education Program previously governed by DE to the Community Colleges and Post-Secondary Readiness Bureau within the Higher Education Division of the department. The Act requires the DE Director to appoint the Bureau Chief of the Community Colleges and Post-Secondary Readiness Bureau and tasks the bureau chief with directing the work of personnel as necessary to carry out the responsibilities of the Career and Technical Education Program.

BOARD OF EDUCATIONAL EXAMINERS. The Act transfers the Board of Educational Examiners to the purview of the Higher Education Division of DE. The Act further provides that the DE Director shall appoint the executive director of the board and set the salary of the executive director. Previously, the Governor appointed the executive director of the board, subject to confirmation by the Senate, and provided that the board would set the salary of the executive director within the salary range established by the General Assembly.

COLLEGE STUDENT AID COMMISSION. The Act transfers the College Student Aid Commission to the purview of the Higher Education Division of DE. The Act provides that the DE Director shall appoint an executive director of the commission and shall set the salary of the executive director. Under prior law, the commission acted as an autonomous state agency that was attached to DE for organizational purposes only.

COMMUNITY COLLEGES BUREAU. The Act transfers the responsibility to govern certain aspects of community colleges from the Community Colleges Division within DE to the Community Colleges Bureau, which the Act establishes within the Higher Education Division of DE. The Act requires the DE Director to appoint the Bureau Chief of the Community Colleges Bureau. The Act tasks the bureau chief with directing the work of personnel as necessary to carry out responsibilities relating to community colleges.

SENATE FILE 542 - Youth Employment and Permissible Work Activities — Minor Driver’s License Interim Study Committee

SEE LABOR AND EMPLOYMENT. This Act allows the Director of the Department of Workforce Development or Department of Education to grant an exception from specified provisions of Iowa Code chapter 92 relating to prohibited work activities and work hours for minors 16 or 17 years of age participating in work-based learning or a school or employer-administered, work-related program approved by the applicable department if specified conditions apply. The Act provides that specified prohibitions on work activities are inapplicable to a student in an approved work-based learning program, registered apprenticeship, career and technical education program, or student learner program provided the student is employed under specified conditions. A minor is prohibited from working under these provisions unless the director has on file written permission from the minor’s parent, guardian, or legal custodian, and from the school administering the program or employer.

SENATE FILE 558 - Appropriations — Agriculture and Natural Resources

SEE APPROPRIATIONS. This Act makes appropriations for the fiscal year beginning July 1, 2023, and ending June 30, 2024, from the General Fund of the State (GF) and the Environment First Fund (EFF) for purposes of supporting Iowa State University of Science and Technology (ISU) and the State University of Iowa (UI). The Act appropriates moneys from the GF for purposes of supporting ISU’s Midwest Grape and Wine Industry Institute and the College of Veterinary Medicine. The Act appropriates moneys from the GF to UI for purposes of supporting Iowa’s Center for Agricultural Safety and Health. The Act appropriates moneys from the EFF to UI for purposes of supporting the Iowa Geological Survey. The Act also deposits moneys in the Water Quality Initiative Fund from the Iowa Nutrient Research Fund and strikes a provision requiring the Iowa Nutrient Research Center to facilitate collaboration among appropriate institutions of higher education governed by the State Board of Regents, including but not limited to institutes, departments, and centers.

SENATE FILE 560 - Appropriations — Education

SEE APPROPRIATIONS. This Act modifies requirements related to diversity, equity, and inclusion programs and efforts at each institution of higher learning under the State Board of Regents’ control, including requiring studies of such programs and efforts; the preparation of reports related to such programs and efforts; and the cessation of hiring related to such programs and efforts in FY 2023-2024.

The Act establishes the Iowa Workforce Grant and Incentive Program (WGIP) within the College Student Aid Commission. The Iowa Workforce Development Board, in collaboration with the State Board of Regents, is required to create and periodically update a list of high-wage and high-demand jobs and corresponding academic majors offered by institutions of higher education governed by the State Board of Regents for purposes of the WGIP.

The Act requires the Department of Education (DE) to convene and provide administrative support to a task force that is required to study certain specified issues related to programs for at-risk students and dropout prevention programs.

The Act modifies the definitions of multiple terms under the Future Ready Iowa Skilled Workforce Grant Program and strikes a provision that prohibits new awards under the program.

The Act modifies several provisions under the All Iowa Opportunity Scholarship Program. The Act provides that these provisions apply to applications submitted under the program before, on, or after the effective date of the applicable division of the Act.

The Act makes corrections to 2023 Iowa Acts, House File 68. These provisions of the Act took effect June 1, 2023, and apply retroactively to January 24, 2023.

Under the Act, moneys in the Education Savings Account Fund may be deposited into an account at any financial institution, including financial institutions outside the state of Iowa, if such deposits are adequately protected and necessary for the effective administration of the program.

The Act modifies several provisions under the Gap Tuition Assistance Program.

The Act provides that certain provisions applicable to school district employees also apply to employees of the Iowa Educational Services for the Blind and Visually Impaired Program. The State Board of Regents is required to transfer all property and records in its custody related to the program to DE.

The Act modifies the definition of multiple terms under the Career and Technical Education Program.

The Act allows DE to consider in-kind contributions received by an organization described in Iowa Code section 256.34 (Fine Arts Beginning Teacher Mentoring Program) for matching purposes.

The Act extends the allocations established pursuant to Iowa Code section 284.13 to FY 2023-2024, and increases the allocations for the Fine Arts Beginning Teacher Mentoring Program.

The Act modifies provisions related to the equipment replacement and program-sharing property tax levy to allow for the revenue generated by the levy to be used for the purchase of equipment. These provisions of the Act took effect June 1, 2023.

The Act requires the Department of Workforce Development to establish a system that allows DE, school districts, charter schools, area education agencies, and accredited nonpublic schools to post job openings on an Internet site. The Act repeals Iowa Code section 256.27, which provided for DE's operation of an online state job posting system.

SENATE FILE 565

- Administration of Tax Laws by the Department of Revenue — Miscellaneous Changes ***SEE TAXATION.*** This Act modifies the manner in which the instructional support income surtax is deposited into the School District Income Surtax Fund by requiring monthly deposits into the fund and prohibiting certain income surtax moneys from being deposited into the General Fund of the State. The Act specifies that certain payments received by a school district under Iowa Code section 441.21(5)(e) resulting from the foundation property tax shall be regarded as property tax for purposes of the State School Foundation Program. These provisions took effect June 1, 2023.

SENATE FILE 578 - State and Local Government and Regulatory Matters — Appropriations and Corrective Code Provisions
SEE APPROPRIATIONS. This Act limits the standing appropriations for FY 2023-2024 for payment of claims for nonpublic school pupil transportation, instructional support state aid, and state aid for area education agencies.

HOUSE FILE 718 - Local Government Property Taxes, Financial Authority, Operations, and Budgets
SEE TAXATION. This Act relates to local government property taxes, financial authority, and budgets.

Division III prohibits a property tax levy under Iowa Code chapter 300 (public education and recreation tax levy) from being approved at election on or after May 4, 2023.

Division VII amends Iowa Code chapter 404 (urban revitalization areas) to require minimum assessment agreements for certain qualified property and to exclude school district levies from exemptions authorized for certain residential property.

Division X modifies the budget certification deadline for political subdivisions to be April 30 and establishes additional requirements for school districts, cities, and counties to take additional steps in preparing their annual budgets, including a requirement for individual statements to taxpayers that include certain tax and budget information and a public hearing.

Division XIII modifies the date upon which elections held on or after July 1, 2023, must be held for the approval of the issuance of bonds or other forms of indebtedness by political subdivisions of the state. If the special election is in whole or in part for the question of issuing bonds or other indebtedness, the election shall be held on the first Tuesday after the first Monday in November.

EDUCATION

SENATE FILE 192 - School Finance — State Percents of Growth — Property Tax Replacement Payments

BY COMMITTEE ON EDUCATION. This Act establishes a state percent of growth of 3 percent and a categorical state percent of growth of 3 percent for the school budget year beginning July 1, 2023. The state percent of growth is used to calculate the amount of supplemental state aid as part of the State School Foundation Program for that budget year. The categorical state percent of growth is used to calculate the amount of supplemental state aid for each of the categorical funding supplements.

The Act modifies the calculation of school district property tax replacement payments for budget years beginning on or after July 1, 2023. For each budget year beginning on or after July 1, 2023, each school district's property tax replacement payment amount is equal to the school district's weighted enrollment for the budget year multiplied by the sum of \$153 plus the difference of the following: (1) the regular program state cost per pupil for the budget year beginning July 1, 2023, multiplied by 100 percent less the regular program foundation base per pupil percentage; and (2) the regular program state cost per pupil for the budget year beginning July 1, 2021, multiplied by 100 percent less the regular program foundation base per pupil percentage.

The Act took effect February 7, 2023.

SENATE FILE 250 - Computer Science Professional Development Incentive Fund — Disbursements for Grant Recipient Expenses

BY COMMITTEE ON EDUCATION. This Act relates to disbursements from the Computer Science Professional Development Incentive Fund. Current law authorizes the Department of Education (DE) to award grants from the fund to school districts, accredited nonpublic schools, and area education agencies to provide proven professional development activities for teachers in the area of computer science education. Current law also authorizes DE to award grants from the fund to school districts and accredited nonpublic schools to provide tuition reimbursement for teachers seeking endorsements or authorizations for computer science.

The Act provides that recipients of a grant from the fund may receive moneys for expenses incurred during the fiscal year in which DE awards the grant through September 30 of the following year. The Act applies to grants from the fund on or after May 3, 2023.

SENATE FILE 391 - Elementary and Secondary Education — Elimination of Comprehensive School Improvement Plans — School Librarians and Library Materials — School Guidance and Counseling — Delivery of Classroom Instruction — Educational Standards

BY COMMITTEE ON EDUCATION. This Act modifies Iowa Code provisions related to comprehensive school improvement plans, teacher librarians and guidance counselors, required days or hours of instruction in elementary and secondary schools, agreements between school districts and community colleges to teach certain courses, and required courses in school districts and accredited nonpublic schools, and authorizes school districts to offer sequential units in one classroom.

Division I — Elimination of Comprehensive School Improvement Plan

Prior law required all school districts and accredited nonpublic schools (schools) to file with the Department of Education (DE) a comprehensive school improvement plan that included certain specified information. The Act strikes this requirement. All schools are required to file with DE a report that includes the information necessary for DE to meet its federal reporting requirements.

Division II — Teacher Librarians and Guidance Counselors

Prior law required each school district to employ a qualified teacher librarian licensed by the Board of Educational Examiners (BOEE). The Act authorizes a school district to instead hire either a qualified teacher librarian licensed by the BOEE or a person previously employed as a librarian by a public library. The BOEE is prohibited from requiring an applicant for a teacher librarian license to have a master's degree.

The State Board of Education is required to establish standards for school district library programs, which must be designed to provide for methods to improve library collections to meet student needs, include a current and diverse collection of materials to support student curricular needs, and include a plan for annually updating library materials and equipment. Prior law provided that a school district that entered into an employment contract with an individual who holds at least a master's degree in library and information studies as a media specialist or librarian complied with state standards until the individual left the employ of the school district. The Act strikes this provision.

The Act requires the kindergarten through grade 12 guidance and counseling program to be designed to ensure that the guidance counselor can work collaboratively with students, teachers, support staff, and administrators to support the curricular goals of the school by offering responsive services that address the growth and development needs of students and the attainment of student competencies in academic, career, and social areas.

Division III — Required Attendance — School Districts, Accredited Nonpublic Schools, Charter Schools, and Innovation Zone Schools

Current law requires the school calendar for schools, including charter schools and innovation zone schools, to include not less than 180 days or 1,080 hours of instruction during the calendar year. The Act provides that not more than five days or 30 hours of instruction may be delivered primarily over the Internet.

Division IV — Educational Standards — Agreements with Community Colleges

Prior law authorized a school district to enter into an agreement with a community college to offer, or provide an instructor to teach, science or mathematics courses in grades 9 through 12 if certain conditions were satisfied, including that the school district's total enrollment exceeded 600 pupils, the school district must have made every reasonable and good-faith effort to employ a teacher to teach the courses, and enrollment for the unit exceeded five pupils. The Act strikes these three conditions. Community colleges are authorized to offer, or provide an instructor to teach, any unit required in grades 9 through 12.

Division V — Authorization to Offer Sequential Units in One Classroom

The board of directors of a school district, or the authorities in charge of an accredited nonpublic school, may authorize a teacher who is appropriately licensed by the BOEE or a community college-employed instructor who is providing instruction in the school under the district-to-community college sharing or concurrent enrollment program to teach two or more sequential units of one subject area in the same classroom at the same time in grades 9 through 12. If one of the units being offered pursuant to this provision is an advanced placement course, the teacher must meet the minimum certification requirements of the national organization that administers the advanced placement program.

Division VI — Educational Standards

The Act strikes the requirement that the core curriculum established by the State Board of Education include technology literacy.

The Act strikes the requirement that the prekindergarten program relate the role of the family to the child's developing sense of self and perception of others. The prekindergarten program must encourage cooperative efforts between home and school and focus on community resources.

The Act strikes the requirement that the health curriculum provided in school districts and accredited nonpublic schools in grades 1 through 12 include instruction related to the characteristics of Acquired Immune Deficiency Syndrome.

The Act requires the career exploration and development curriculum provided in schools in grades seven and eight to incorporate relevant skills to facilitate career readiness, and introduce students to career opportunities within the local community and across this state.

The Act reduces the world language instruction requirement for grades 9 through 12 from four to two sequential units of one world language.

The Act reduces the fine arts instruction requirement for grades 9 through 12 from three to two units of fine arts and provides that this instruction may include dance, music, theater, or visual art.

Current law requires all students in grades 9 through 12 who are physically able to participate in physical education activities during each semester, unless certain exceptions apply. Prior law authorized a student in grade 12 to be excused from this requirement if the student's parent or guardian requested, in writing, that the student be excused in order to enroll in academic courses not otherwise available to the student or to enroll or participate in certain specified activities. The Act provides that any student in grades 9 through 12 may be excused from this requirement. The Act adds to the list of specified activities for which a student may be excused from the physical education requirement any school-sponsored activity that requires at least as much physical activity per week as one-eighth unit of physical education. The Act removes an organized athletic program that requires at least as much participation per week as physical education from the list.

Current law requires health education instruction in schools in grades 9 through 12. Under prior law, such instruction was required to include certain specified subject areas. The Act instead authorizes health education instruction to include the specified subject areas and adds cardiopulmonary resuscitation to the list of subject areas.

Current law requires instruction offered and taught in schools in grades 9 through 12 to include personal financial literacy. Prior law also required all students to complete at least one-half unit of personal financial literacy as a condition of graduation. The Act strikes the requirement. The Act authorizes schools to offer and teach personal financial literacy through dedicated units of coursework or through instruction that also meets the science, social studies, English-language arts, mathematics, or career and technical education coursework requirements.

SENATE FILE 482 - School Restrooms, Changing Facilities, and Other Facilities — Use by Persons of Same Biological Sex Required — Exceptions — Enforcement

BY COMMITTEE ON EDUCATION. This Act requires elementary and secondary public and nonpublic schools to designate and allow the use of multiple occupancy restrooms and changing areas only by persons of the same biological sex. The Act prohibits a person from entering a single or multiple occupancy restroom or changing area in a school that does not correspond with the person's biological sex. The Act allows schools to provide alternative facilities upon a request to school officials from the parents of the student.

The Act allows any Iowa citizen to file a complaint of violation of the Act with the Attorney General if the citizen provides written notice to the school describing the violation and the school does not cure the violation within three business days after receiving written notice. A complaint filed with the Attorney General must include a copy of the written notice that was delivered to the school and a signed statement by the citizen describing the violation. The Attorney General is required to investigate the claim of a violation and pursue legal action, if warranted.

The Act provides that such designations and prohibitions do not constitute unfair or discriminatory practices in violation of the Iowa Civil Rights Act of 1965, Iowa Code chapter 216.

The Act took effect March 22, 2023.

SENATE FILE 496 - Elementary and Secondary Education — Educational Standards, Instructional Content, Library Materials, Student Physical Examinations, and Student Surveys — Student Gender Identity and Reports to Parents — Intra-District Student Transfers — Private Instruction and Special Education — Parent and Guardian Rights

BY COMMITTEE ON EDUCATION. This Act establishes a parent's or guardian's right to make decisions affecting the parent's or guardian's child, authorizes the parent or guardian of a student enrolled in a school district to enroll the student in another attendance center within the same school district in certain specified circumstances, prohibits instruction related to gender identity and sexual orientation in school districts, charter schools, and innovation zone schools in kindergarten through grade six, and modifies provisions related to student health screenings, school district library programs, the educational program provided to students enrolled in school

districts, accredited nonpublic schools, and charter schools, other duties of school districts, accredited nonpublic schools, the Department of Education (DE), the Board of Educational Examiners (BOEE), and the governing boards of charter schools and innovation zone schools, competent private instruction, and special education.

Division I — Educational Program

Current law requires that school districts, accredited nonpublic schools, and charter schools provide instruction using a multicultural and gender-fair approach. The Act requires such instruction to also be provided using an age-appropriate approach.

Instruction related to gender identity and sexual orientation in school districts, accredited nonpublic schools, charter schools, and innovation zone schools in kindergarten through grade six is prohibited. The Act makes conforming changes to Iowa Code sections 256.11 (Educational Standards) and 279.50 (Human Growth and Development Instruction — Early Intervention Programs) to prohibit human growth and development instruction provided to students in kindergarten through grade six from including any program, curriculum, material, test, survey, questionnaire, promotion, or instruction of any kind relating to gender identity or sexual orientation. Human growth and development instruction provided in a kindergarten program is required to be both age-appropriate and research-based.

The Act strikes the requirement that the health curriculum provided in school districts, accredited nonpublic schools, and charter schools in grades 1 through 12 include instruction related to the characteristics of acquired immune deficiency syndrome. The Act also strikes the requirement that the health curriculum provided in school districts, accredited nonpublic schools, and charter schools in grades 7 through 12 include instruction related to human papilloma virus (HPV) and the availability of a vaccine to prevent HPV.

Each school district is required to establish a kindergarten through grade 12 library program consistent with Iowa Code section 280.6 (Religious Books), containing only age-appropriate materials and supporting the student achievement goals of the total school curriculum. The Act establishes an enforcement process beginning January 1, 2024, that includes written warnings and hearings before the BOEE in the event DE determines that a school district or an employee of a school district violated the provisions related to age-appropriate materials.

Division II — School Responsibilities

School districts, charter schools, and innovation zone schools are prohibited from administering or conducting a formal examination or survey of a student that is designed to assess the student's mental, emotional, or physical health that is not required by state or federal law without first acquiring the written consent of the student's parent or guardian. Each school district, charter school, and innovation zone school is required to give written notice to a student's parent or guardian of an examination or survey of the student required by state or federal law that is designed to assess the student's mental, emotional, or physical health not less than seven days prior to the examination or survey and provide a copy of the examination or survey or a link to the examination or survey. These provisions do not apply to a hearing or vision examination.

The prohibitions related to physical examinations, student health screenings, and examinations or surveys contained in Iowa Code section 279.76 do not prohibit a school district, charter school, or innovation zone school from conducting invasive physical examinations in emergent care situations.

The Act details the information each school district is required to publish related to the current school year on the school district's Internet site.

The board of directors of each school district is required to adopt a policy describing the procedures for the parent or guardian of a student, or a resident of the school district, to review the instructional materials used in the classrooms in the school district.

Each school district is required to post on the school district's Internet site a comprehensive list of all books available to students in libraries operated by the school district. This requirement does not apply for school years beginning prior to July 1, 2025, if the school district does not use an electronic catalog.

The identity of a parent or guardian who requests the removal of any educational material that is available to students in the classroom or in a library operated by the school district is confidential.

A school district, charter school, or innovation zone school is prohibited from knowingly giving false or misleading information to the parent or guardian of a student regarding the student's gender identity or intention to transition to a gender that is different than the sex listed on the student's official birth certificate. If a student enrolled in a school district, charter school, or innovation zone school requests an accommodation that is intended to affirm the student's gender identity from a licensed practitioner employed by the school, including a request that the licensed practitioner address the student using a name or pronoun that is different than the name or pronoun assigned to the student in the school's records, the licensed practitioner is required to report the student's request to an administrator employed by the school, and the administrator is required to report the student's request to the student's parent or guardian. The Act establishes an enforcement process that includes written warnings and hearings before the BOEE in the event DE determines that a school district, charter school, or innovation zone school, or an employee of a school district, charter school, or innovation zone school, violated these provisions.

School districts, charter schools, and innovation zone schools must receive the prior written consent of a student's parent or guardian before requiring a student to take part in any survey that reveals information concerning political affiliations of the student or the student's parent or guardian; mental or psychological problems of the student or the student's family; sexual behavior, orientation, or attitudes; illegal, antisocial, self-incriminating, or demeaning behavior; critical appraisals of individuals with whom the student has close familial relationships; legally recognized privileged or analogous relationships; religious practices, affiliations, or beliefs of the student or the student's parent or guardian; or income, except as required by law to determine eligibility for a program.

An employee of a school district, charter school, or innovation zone school, or a contractor engaged by a school district, charter school, or innovation zone school, is prohibited from answering any question pertaining to any particular student in any survey related to the social or emotional abilities, competencies, or characteristics of the student, unless the board of directors of the school district or the governing board of the charter school or innovation zone school provides to the parent or guardian of each student detailed information related to the survey and receives the written consent from a student's parent or guardian authorizing the employee or contractor to answer questions in the survey pertaining to the student.

School districts, charter schools, and innovation zone schools are prohibited from allowing students to serve on any committee that determines, or provides recommendations related to, whether material in a school library should be removed.

New Iowa Code section 279.82 provides that a parent or guardian of a student enrolled in a school district may enroll the student in another attendance center within the same school district that offers classes at the student's grade level in the manner provided in the Act if the school district determines that any student enrolled in the school district has harassed or bullied the student. This provision took effect May 26, 2023.

After following school policies related to harassment and bullying, an employee of a school district may notify the parents or guardians of a student within 24 hours after the employee witnesses any student enrolled in the school district harassing or bullying the student. School policies related to harassment and bullying are required to include a procedure for reporting an allegation of an act of harassment or bullying, including the identification of the school official responsible for ensuring that the policy is implemented, and the identification of the person or persons responsible for receiving reports of allegations of harassment or bullying. The procedure must require a school official to notify the parents or guardians of a student within 24 hours after the school official receives a report that the student may have been the victim of conduct that constitutes harassment or bullying. These provisions took effect May 26, 2023.

Division III — Private Instruction and Special Education

A child of compulsory attendance age who is identified as requiring special education is eligible for placement under competent private instruction without prior approval by the director of special education of an area education agency. A child who is identified as requiring special education may request dual enrollment and the appropriate special education services for the child must be determined in accordance with Iowa Code chapter 256B (Special Education).

Division IV — Parents and Guardians Rights

New Iowa Code section 601.1 provides that, subject to exceptions related to gender transition procedure-related activities, a parent or guardian bears the ultimate responsibility, and has the fundamental, constitutionally protected right, to make decisions affecting the parent's or guardian's minor child, including decisions related to the minor child's medical care, moral and religious upbringing, residence, education, and extracurricular activities. Any and all restrictions of this right are subject to strict scrutiny.

Division V — Implementation of Act

The Act may include a state mandate as defined in Iowa Code section 25B.3. The Act makes inapplicable Iowa Code section 25B.2(3), which would relieve a political subdivision from complying with a state mandate if funding for the cost of the state mandate is not provided or specified. Therefore, political subdivisions are required to comply with any state mandate included in the Act.

HOUSE FILE 68 - Education Programs and Funding — Education Savings Account Program — School District Categorical Funding Supplements and Supplemental Weighting

BY COMMITTEE ON EDUCATION REFORM. This Act establishes an Education Savings Account Program and modifies certain school district categorical funding supplements.

Division I — Short Title

This division provides that the Act is known and may be cited as the "Students First Act."

Division II — Education Savings Account Program

Division II of the Act establishes an Education Savings Account Program for school budget years beginning on or after July 1, 2023, for the payment of qualified educational expenses incurred by the parent or guardian of an eligible pupil. For the school budget year beginning July 1, 2023, the following pupils who attend a nonpublic school for that school budget year are eligible to receive an education savings account payment: (1) a resident pupil who is eligible to enroll in kindergarten; (2) a resident pupil who is eligible to enroll in grades 1 through 12 and was not enrolled in a nonpublic school for the immediately preceding school year; (3) a resident pupil who is eligible to enroll in grades 1 through 12 and was enrolled in a nonpublic school for the immediately preceding school year if the pupil's household has an annual income less than or equal to 300 percent of the most recently revised poverty income guidelines. Eligibility for subsequent years also includes pupils who received an education savings account payment in the immediately preceding school year and eligibility based on income criteria is phased in over three school years until all nonpublic school students are eligible for the school year beginning July 1, 2025.

The Act establishes application procedures and timelines and requires education savings account payments to be approved for one school year and applications to be submitted each year.

The Act creates an Education Savings Account Fund. For the fiscal year commencing July 1, 2023, and each succeeding fiscal year, there is appropriated from the General Fund of the State to the Education Savings Account Fund an amount necessary to pay all education savings account payments approved for that fiscal year. The amount of the education savings account payment is equal to the regular program state cost per pupil for the same school budget year. The Department of Education may contract with a third-party entity to administer the program. Parents and guardians must first use education savings account payments for all qualified educational expenses that are tuition and fees for which the parent or guardian is responsible for payment at the pupil's nonpublic school prior

to using the education savings account for other qualified educational expenses. Moneys remaining in a pupil's account in the Education Savings Account Fund upon the conclusion of the fiscal year must remain in the pupil's account in the fund for the payment of qualified educational expenses in future fiscal years during which the pupil participates in the program.

An education savings account payment received by a taxpayer is not taxable income for purposes of state individual income taxation. This provision applies retroactively to tax years beginning on or after January 1, 2023.

For each pupil with a positive balance in the pupil's account upon graduation from high school or reaching 20 years of age, whichever occurs first, the Department of Education is required to transfer such remaining moneys for deposit in the General Fund of the State.

Division II also modifies the calculation of the teacher salary supplement district cost, the professional development supplement district cost, the early intervention supplement district cost, and the teacher leadership supplement district cost for school districts. Under the Act, each such supplement amount is calculated, in part, by multiplying the applicable supplement district cost per pupil by the sum of the school district's budget enrollment plus the number of resident pupils in the school district that received an education savings account payment for the base year.

Division II of the Act took effect January 24, 2023.

Division III — School District Categorical Funding

The Act authorizes school districts to use all or a portion of funds at the end of any fiscal year beginning on or after July 1, 2022, from the professional development categorical supplement, the teacher leadership categorical supplement, or the gifted and talented program for teacher salary categorical supplement purposes under the salary system requirements of Iowa Code section 284.3A. The Act also provides that a school district is not required to participate in or comply with the Iowa teacher career paths, leadership roles, and compensation framework under Iowa Code section 384.15 in order to continue to receive the teacher leadership categorical supplement funding.

Iowa Code section 257.11(5) establishes a list of eligible operational functions and positions eligible for a supplementary weighting for school districts and area education agencies for school budget years beginning before July 1, 2025. The Act extends the program until the end of the school budget year beginning July 1, 2034.

Division III of the Act took effect January 24, 2023.

HOUSE FILE 135 - State Board of Regents Institutions of Higher Education — Publication and Dissemination of Information on Average Income and Student Loan Debt of Graduates

BY COMMITTEE ON EDUCATION. This Act relates to the responsibilities of the State Board of Regents (board) and the institutions of higher education governed by the board.

The Act requires the board to develop and publish on the board's Internet site a report related to students who have completed a baccalaureate degree program at an institution that is consistent with applicable federal and state privacy restrictions and that is sortable by graduating class, academic major, and institution. The report must include information related to the percentage of students who have completed a master's or doctorate degree program after completing the baccalaureate degree program; the median annual income of students after completing the baccalaureate degree program; the median student loan debt of students who have student loan debt and who have completed the baccalaureate degree program; the ratio of the student loan debt of students who have student loan debt and who have completed the baccalaureate degree program to the annual gross income of such students; and an estimate of the amount of student loan payment students who have student loan debt and who have completed the baccalaureate degree program are required to make each month and the amount, expressed as a percentage, of such payments related to the students' monthly gross income.

The Act also requires the board to direct the institutions to adopt procedures, subject to the approval of the board, that require the institutions to provide students who are in the process of completing the first year of a baccalaureate degree program with a link to the report.

HOUSE FILE 256 - Licenses and Certificates Issued by Board of Educational Examiners — Age Requirements
BY COMMITTEE ON EDUCATION. This Act relates to the minimum age of applicants for licenses from the Board of Educational Examiners (BOEE). Current law requires the BOEE to adopt rules that require the BOEE to disqualify an applicant for a license if the applicant is under 21 years of age, with certain limited exceptions. The Act strikes this requirement and makes conforming changes.

HOUSE FILE 421 - Iowa Tuition Grant Program — Eligible Institutions — Extent of Grant
BY COMMITTEE ON EDUCATION. This Act relates to the Iowa Tuition Grants Program (program) administered by the College Student Aid Commission (CSAC). Under the program, CSAC awards tuition grants to Iowa residents enrolled at eligible institutions, which Iowa Code section 261.9 defines as any of Iowa's eligible private colleges and universities. The Act provides that, for the period beginning December 1, 2022, and ending June 30, 2023, and for purposes of the program, the term "eligible institution" includes an institution of higher learning accredited by the Higher Learning Commission that, effective January 8, 2010, was purchased by an institution that was not exempt from taxation under section 501(c)(3) of the Internal Revenue Code and that, effective December 1, 2022, was purchased by an entity located in Iowa that is exempt from taxation under section 501(c)(3) of the Internal Revenue Code. The Act makes conforming changes to provisions related to the program. Provisions related to the program took effect May 11, 2023, and apply retroactively to December 1, 2022.

HOUSE FILE 430 - Schools and School Employees — Review, Reporting, and Investigation of Employees and Licensed Practitioners — Membership of Board of Educational Examiners
BY COMMITTEE ON EDUCATION. This Act relates to education and includes requirements related to mandatory reporters, a process for investigating complaints against school employees, and the responsibilities of the Department of Education (DE), school districts, charter schools, accredited nonpublic schools, and the Board of Educational Examiners (BOEE); modifies the membership of the BOEE; and includes applicability provisions.

Prior law required mandatory reporters, in certain specified circumstances, to make a report of child abuse of a child who is under 12 years of age and authorized mandatory reporters to make a report of child abuse of a child who is 12 years of age or older. The Act modifies this provision to require mandatory reporters, in certain specified circumstances, to make a report of child abuse of a child regardless of whether the child is 12 years of age or older. The Act adds to the list of mandatory reporters school employees who are 18 years of age or older.

If a mandatory reporter is a licensed school employee who reasonably believes the person responsible for the injury is also a licensed school employee, the identity of the licensed school employee the mandatory reporter believes is responsible for the injury must be included in the mandatory reporter's report.

The Act requires DE to develop and implement a process for reporting and investigating any incident that arises that may reasonably lead to the conclusion that any individual employed by a school district, accredited nonpublic school, or charter school committed a felony or engaged in certain prohibited conduct. The Act establishes the requirements related to this process; prohibits certain agreements involving schools; includes requirements for documentation related to incidents, investigation of incidents, investigation of job applicants, maintenance of information related to employees; and includes enforcement provisions. School districts, accredited nonpublic schools, and charter schools are required to follow the process.

The Act requires the BOEE to submit an annual report to the General Assembly that contains information related to the number and types of disciplinary hearings before the BOEE and any other information deemed relevant by the BOEE in order to inform the General Assembly of the status of the enforcement of the BOEE's rules.

The Act requires the BOEE to finalize the investigation of written complaints even if the licensed practitioner resigns or surrenders the licensed practitioner's license, certificate, authorization, or statement of recognition during the investigation. The Act also requires the BOEE to adopt rules that require the collection and retention of written complaints, the notification of the public when a licensed practitioner who is the subject of an ongoing investigation has a case pending with a finding of probable cause, the evaluation of complaints that did not result in any discipline or sanction if similar complaints are filed against the same licensed practitioner, and the investigation of an administrator who is employed by a school that employs a licensed practitioner who is the subject of an investigation.

The Act provides that the BOEE must consist of 13 members, four of whom are members of the general public, one of whom is the Director of DE or the director's designee, and eight of whom are licensed practitioners. A quorum of the BOEE consists of seven members. These provisions apply to the Governor's appointments to the BOEE on or after July 1, 2023.

School districts, accredited nonpublic schools, and charter schools are required to view the BOEE's public license information to determine if an individual has a case pending with a finding of probable cause or any licensure sanction before hiring an individual who holds a license, endorsement, certification, authorization, or statement of recognition issued by the BOEE.

HOUSE FILE 604 - Public Schools — Employee Complaints, Discipline of Students who Threaten or Cause Violence, and Student Handbooks

BY COMMITTEE ON EDUCATION. This Act relates to education, including by authorizing the Ombudsman to investigate certain complaints and modifying the responsibilities of the Department of Education (DE), school districts, and charter schools.

The Ombudsman may investigate any complaint received by an individual who holds a license, certificate, authorization, or statement of recognition issued by the Board of Educational Examiners (BOEE) related to violence in the classroom or violence on school property. The Ombudsman is required to provide the results of the investigation to the BOEE and DE. The Ombudsman is also required to maintain secrecy in respect to the identities of the complainants.

The Act requires DE to develop and distribute to school districts a list of all professional development and training programs in which employees of school districts are required to participate pursuant to federal or state law.

Current law requires a classroom teacher employed by a school district to report any incident of violence that results in injury or property damage or assault by a student enrolled in the school to the principal of the school. The Act requires a classroom teacher to also report any threat of violence. Additionally, the Act requires the classroom teacher to make the report to the principal or the lead administrator of the school within 24 hours after the threat of violence or incident of violence occurs. The principal or lead administrator of the school is required to notify the parent or guardian of the student who made the threat of violence or caused the incident of violence, and the parent or guardian of the student to whom the threat of violence was made or the incident of violence occurred, within 24 hours after the classroom teacher reports the threat of violence or incident of violence. The classroom teacher is also authorized to notify the parent or guardian of the student who made the threat of violence or caused the incident of violence, and the parent or guardian of the student to whom the threat of violence was made or the incident of violence occurred, of the threat of violence or incident of violence.

If a school district requires an employee to participate in a particular professional development program, the school district is required to provide notice to the employee indicating the section of the Iowa Code or Iowa Administrative Code that the school district determines requires the employee to participate in the professional development program.

The Act prohibits the board of directors of a school district or the governing board of a charter school from taking any disciplinary action against an employee or contractor for disclosing information to any public official or law enforcement agency if the employee or contractor reasonably believed the information evidenced a violation of law or rule, mismanagement, a gross abuse of funds, an abuse of authority, or a substantial and specific danger to public health or safety.

The Act requires the board of directors of each school district and the governing board of each charter school to adopt, in collaboration with teachers and administrative staff, policies that describe how a school may discipline a student for making a threat of violence or causing an incident of violence that results in injury or property damage or assault. The Act specifies required content for the policies. The Act requires DE to develop and distribute to school districts and charter schools model policies that would satisfy the requirements applicable to the policies.

School districts and charter schools are required to publish annually, on or before the beginning of the school calendar, one or more student handbooks and provide to the parent or guardian of each student enrolled in the school a printed or electronic copy of the student handbook. The student handbook must include basic information relating to the expectations of students in the grade level or attendance center to which the student handbook applies. The parent or guardian of each student is required to acknowledge receipt of the applicable student handbook.

School districts and area education agencies are required to provide to all teachers employed by the school district or area education agency a copy of Iowa Code section 280.21 (corporal punishment) with the initial employment contract and with each notice of renewal of the employment contract.

HOUSE FILE 614 - Licenses Issued by the Board of Educational Examiners — Applicants From Other States or Countries

BY COMMITTEE ON EDUCATION. This Act relates to teaching licenses issued by the Board of Educational Examiners (BOEE) to applicants from other states or countries. Current law authorizes the BOEE to issue a license to an applicant from another state or country if the applicant possesses the applicable license or equivalent license requirements and files evidence of such with the BOEE. The Act provides that such applicable license or equivalent license requirements includes a full license from another state or country, verification from an institution located in another state that the applicant has completed all program and licensure requirements except for state-required assessments, and transcripts indicating the applicant completed an educator preparation program located in another country.

HOUSE FILE 672 - Permanent Licensure for Teachers with Advanced Degrees and School Employee Background Checks

BY COMMITTEE ON WAYS AND MEANS. This Act relates to certain specified employees of school districts, accredited nonpublic schools, and charter schools, including renewal requirements associated with licenses issued by the Board of Educational Examiners (BOEE) to practitioners with master's or doctoral degrees, fees associated with the review of certain specified records, and background checks for employees of school districts, accredited nonpublic schools, and charter schools.

Current law authorizes the BOEE to establish renewal requirements for licensed practitioners. The Act eliminates renewal requirements for a practitioner who has been employed as a practitioner for at least 10 years and who possesses a master's or doctoral degree, unless the practitioner holds an evaluator approval endorsement, which must be renewed at least once every 10 years. The BOEE is required to conduct certain criminal history record checks related to such practitioners every five years, and the BOEE is authorized to charge the practitioner a reasonable fee for the review of the criminal history record checks.

Current law requires school districts to initiate state and national criminal history record checks of teachers who hold a license, other than an initial license issued by the BOEE, prior to entering into an initial contract with the teacher, and authorizes school districts to charge the teacher a fee not to exceed the actual cost for the criminal history record check. These provisions also apply to accredited nonpublic schools and charter schools pursuant to the Act.

Current law requires school districts to perform criminal history record checks of applicants for a school employee position prior to hiring the applicant, and at least every five years after the employee's initial date of hire, and maintain documentation demonstrating compliance with this requirement; prohibits school districts from charging employees for the costs of these record checks; and, if a school employee is listed in certain criminal history registries, requires the school district to immediately suspend the employee pending a termination hearing. The Act applies these provisions to accredited nonpublic schools and charter schools.

SJR 9 - Proposed Constitutional Amendment — Qualifications of Electors

BY COMMITTEE ON STATE GOVERNMENT. This Joint Resolution proposes an amendment to the Constitution of the State of Iowa that reduces the voting age from 21 years of age to 18 years of age, except that a person who will be 18 years of age by the next general election shall be permitted to vote in a primary election. Eighteen years of age is the current voting age for every election in the United States due to the 26th Amendment to the United States Constitution. The Joint Resolution will be published and then submitted to the electorate for ratification at the general election in November 2024.

HOUSE FILE 716 - Elections — Primary Elections, Political Party Caucuses, the Statewide Voter Registration System, and Voter Lists

BY COMMITTEE ON WAYS AND MEANS. This Act relates to the conduct of elections. The Act provides that, in the case of a tie vote resulting in no nomination for a senator or representative in the General Assembly in a primary election, the party precinct committee members whose precincts lie within the involved district shall select the winning candidate from among the candidates having received the equal and highest number of votes. The Act allows a political party's state constitution or bylaws to provide for proportional voting.

If the state central committee of a political party selects presidential delegates at political party precinct caucuses as provided in the Iowa Code, the Act requires that the precinct caucuses take place in person among the participants physically present at the location of each precinct caucus. The Act allows the state central committee of each political party to set rules for participating or voting at a precinct caucus, including but not limited to voter registration requirements.

The Act strikes a requirement that the State Registrar of Voters use information from the Electronic Registration Information Center (ERIC) to update information in the statewide voter registration system. The Act allows the State Registrar of Voters or a County Commissioner of Registration to adjust the cost charged to a person to prepare a list of registered voters for that person to reflect the cost of processing a credit card payment.

HOUSE FILE 248 - Development of or Updates to Electric Power Generation Facility Emission Plans and Projects

BY COMMITTEE ON COMMERCE. This Act relates to electric power generating facility emission plans, updates, and budgets.

The Act allows electric power generating facilities (facilities) fueled by coal and located in Iowa to develop a reasonably cost-effective multiyear plan and budget or update an existing plan and budget for managing emissions. Prior law required facilities fueled by coal and located in Iowa on July 1, 2001, to develop a cost-effective multiyear plan and budget for managing emissions.

The Act removes provisions requiring plans and budgets to be filed with the Iowa Utilities Board by April 1, 2002. The Act provides that facilities shall file updates at least every 24 months following a submission of a plan and budget. The Act provides that a facility located in the state has the discretion to file an update to a multiyear plan. Additionally, the plan may seek advanced review and approval for pollution and emission-related projects.

The Act provides that an application for advanced review shall be submitted by a rate-regulated public utility before the anticipated start of a pollution and emission-related project. An operator of a facility that is owned by two or more regulated public utilities may file an application on behalf of all of the rate-regulated public utility owners.

The Act took effect April 28, 2023, and applies to electric power generating facility emissions plans or updates filed on or after that date.

HOUSE FILE 250 - Video Services Franchises

BY COMMITTEE ON COMMERCE. This Act relates to video service providers. The Act modifies the definition of “video service” to mean video programming services offered by a competitive video service provider offers through wireline facilities owned, controlled, constructed, or operated by the provider.

Video service does not include video programming offered by a provider of direct-to-home satellite services or digital audio-visual works offered over the Internet.

HOUSE FILE 337 - Building Regulations — Installation and Use of Refrigerants

BY COMMITTEE ON STATE GOVERNMENT. This Act provides that a building regulation shall not prohibit the use of any refrigerant designated as acceptable for use under 42 U.S.C. §7671k, provided that any equipment containing the refrigerant complies with relevant safety standards.

HOUSE FILE 599 - Regulation of Gas and Electric Utilities — Authority of Iowa Utilities Board Over Certain Entities

BY COMMITTEE ON COMMERCE. This Act relates to the regulation of specified gas and electric utilities.

The Act provides that electric public utilities having fewer than 10,000 customers and electric cooperative corporations and associations are subject to regulatory action from the Iowa Utilities Board (board) regarding public utility railroad crossings. The Act removes regulation authority from the board for electric public utilities having fewer than 10,000 customers and electric cooperative corporations and associations regarding pilot projects of the board. The Act provides that such utilities are subject to complaint and investigation procedures set forth in Iowa law. The Act provides definitions for “engineering standards,” “rates,” and “safety standards.”

With regard to municipally owned utilities furnishing gas or electricity, the Act similarly provides that such utilities are subject to regulation authority regarding public utility railroad crossings. The Act strikes provisions relating to waiver of energy efficiency filing and review requirements, specified civil penalties, disconnection of service, encouragement of alternate energy production facilities, enforcement of energy costs, enforcement of customer contribution fund requirements, and enforcement of energy-efficient lighting requirements. The Act adds that the board has regulatory authority over a municipally owned utility providing local exchange services regarding investigations and unauthorized changes in service. The Act provides that disconnection of services, specified civil

penalties, encouragement of alternate energy production facilities, energy cost requirements, safety of distributed generation facilities, customer contribution fund requirements, energy-efficient lighting requirements, electric power generation and transmission law, and electric transmission line law also apply to municipally owned utilities furnishing gas or electricity.

The Act changes the applicability of deposit-related uniform rules established by the board from all public utilities furnishing gas or electricity to rate-regulated public utilities furnishing gas or electricity and excludes utilities subject to Iowa Code section 476.1A. The Act provides that municipally owned utilities and utilities subject to Iowa Code section 476.1A shall not be subject to the board's rules in regard to deposits, rates, charges for the disconnection or reinstatement of service, and payment plans for delinquent amounts owed and repayment of past-due debt, but are subject to rules regarding payment plans made prior to the disconnection of services.

The Act provides that all proceedings taking place before July 1, 2023, for the establishment, organization, formation, operation, or maintenance of a city utility or utility board that were not previously declared invalid shall be determined to be legally sufficient to create, establish, and authorize the maintenance and operation of a city utility. Prior law provided such a determination to apply exclusively to proceedings related to city waterworks taking place before January 1, 1961.

HOUSE FILE 601 - Public Utilities — Notice of Rate Increase Requirements

BY COMMITTEE ON COMMERCE. This Act relates to rate increase notice requirements for public utilities. The Act modifies the date that specified public utilities shall notify their customers of a proposed rate or charge increase from 62 to 30 days before the public utility files an application with the Iowa Utilities Board (board) for the proposed rate or charge increase. A rate increase notice sent to a customer shall include an estimate of the bill impact for a typical customer, an explanation of the board's rate increase review process, and notice that the customer has a right to file an objection and request a public hearing. The Act provides that written notice of the increase shall be delivered in the same manner that the customer elects to receive bills and other communications from the public utility, rather than by a manner and method prescribed by the board as provided in prior law.

HOUSE FILE 605 - Prohibition Against State, County, or City Energy Benchmarking Requirements for Private Properties

BY COMMITTEE ON COMMERCE. This Act prohibits the State Building Code Commissioner, counties, and cities from requiring energy benchmarking requirements for a private property. The Act defines "energy benchmarking" as requiring a decrease in the average energy use of a property or requiring the average energy use of a property to be less than the average energy use of a similarly situated property.

HOUSE FILE 617 - Review of Utilities Regulation and Ratemaking Procedures

BY COMMITTEE ON COMMERCE. This Act relates to the review by the Iowa Utilities Board (board) of specified provisions and utility ratemaking procedures.

The Act provides that the board shall conduct an independent review of current Iowa Code provisions and ratemaking procedures. The review shall consider objectives involving safe, adequate, reliable, and affordable utility services with rates that are nondiscriminatory, just, reasonable, and reflect a utility's cost of providing service to its customers in the state. The review shall include specified findings, including identification of possible changes in law, procedure, or administrative rules.

The consumer advocate shall, and rate-regulated utilities and other interested persons may, participate in the review. The board may utilize additional services to assist with the review and report. The board shall submit a report with findings and recommendations to the General Assembly by January 1, 2024.

HOUSE FILE 634 - Time-of-Transfer Inspections of Private Sewage Disposal Systems — Certified Inspectors

BY COMMITTEE ON NATURAL RESOURCES. This Act relates to persons certified to conduct time-of-transfer inspections of private sewage disposal systems (sewage system). Current law requires an inspection of a sewage system of a building in which a person resides, congregates, or is employed prior to any transfer of ownership of the

building. The Department of Natural Resources (DNR) is required to adopt certification requirements for inspectors and maintain a list of certified inspectors.

The Act provides that only a certified inspector may conduct a time-of-transfer inspection. An inspector's certification is considered current if the inspector has paid required initial and renewal fees, is up to date on continuing education units, is in good standing with DNR, and has not otherwise been decertified. DNR shall display currently certified inspectors on its Internet site, as detailed in the Act.

Under the Act, a certified inspector who fraudulently files a time-of-transfer report is subject to a civil penalty of \$5,000 and the inspector's certification shall be suspended for one year.

HOUSE FILE 714 - Construction Projects Involving Aboveground Electrical Lines or Water Drainage Lines
BY COMMITTEE ON WAYS AND MEANS. This Act relates to merchant line franchise petition requirements and levee and drainage districts.

The Act defines "culvert" to include a drain, tile, or tile line in Iowa Code chapter 468, which relates to levee and drainage districts.

The Act amends Iowa Code section 478.6A by specifying that if a proposed aboveground merchant line involving the use of eminent domain fails to be approved by the Iowa Utilities Board within three years following the submission of the franchise's petition, the board shall reject the petition. Prior law did not restrict the rejection of the petition to aboveground merchant lines.

The section of the Act amending Iowa Code section 478.6A applies retroactively to a petition for a franchise submitted on or after September 1, 2020.

HOUSE FILE 269 - Allowable Forms of Payment for Amusement Concessions at Amusement Parks and Arcades

BY COMMITTEE ON COMMERCE. This Act provides that a participant in an amusement concession, as authorized by Iowa Code chapter 99B (Social and Charitable Gambling), at an amusement park or an arcade may make payment by credit card. For purposes of Iowa Code chapter 99B, the Act defines “amusement park” as any permanent facility where amusement rides are available for use by the public, and “arcade” as any permanent facility devoted to offering amusement or entertainment by means of amusement concessions or nongambling games.

The Act took effect June 1, 2023.

- SENATE FILE 514 - State Government Reorganization
SEE STATE GOVERNMENT. This Act relates to the organization, structure, and functions of state government. The Act provides for the realignment of the Department of Human Services and Department of Public Health (DPH) into the Department of Health and Human Services (HHS). The Act eliminates the State Board of Health and amends the membership of the HHS Council to expand voting membership from seven to nine members, requiring that at least one of these members is a physician licensed to practice medicine in Iowa.

In addition, the Act transfers several licensing and regulation functions of state government to the Department of Inspections, Appeals, and Licensing (DIAL). The licensing and regulation of certain fire control and building code-related activities are transferred from the State Fire Marshal and the Commissioner of Public Safety to DIAL and the licensing and regulation of certain health-related professions and other health-related activities are generally transferred from DPH to DIAL.

SEE APPROPRIATIONS. This Act relates to and makes appropriations for health and human services for FY 2023-2024, and includes numerous provisions relating to health programs, health care coverage, the Medicaid program, and health regulation. The Act also includes provisions relating to the continuation of the initiative to provide long-term care options counseling to consumers following a nursing facility stay; continuation of funding for a substance use disorder treatment program at the State Training School at Eldora, the Autism Support Program, the State Family Planning Services Program, and the More Options for Maternal Health Program; and a state-funded Family Medicine Obstetrics Fellowship Program.

HOUSE FILE 93 - Mental Health Professional Employment Agreements — Prohibited Provisions.

SEE LABOR AND EMPLOYMENT. This Act prohibits an employer from entering into an agreement with a licensed mental health professional that includes specified limitations on the professional's ability to practice.

The Act took effect June 1, 2023.

HOUSE FILE 595 - Regulation of Controlled Substances — Criminal Offenses — Receipt, Provision, and Administration of Opioid Antagonists

SEE CRIMINAL LAW, PROCEDURE, AND CORRECTIONS. Current law provides that a licensed health care professional may prescribe an opioid antagonist to a person in a position to assist. This Act expands this authorization to provide that a licensed health care provider may prescribe an opioid antagonist to a secondary distributor as defined in the Act. The Act defines "community-based organization" and includes community-based organizations and first responders in the definition of "person in a position to assist."

Current law provides that a licensed pharmacist may, by standing order or through collaborative agreement, dispense, furnish, or otherwise provide an opioid antagonist in the name of a service program, law enforcement agency, or fire department. The Act expands this authorization to include a secondary distributor. A secondary distributor or pharmacist who reasonably and in good faith dispenses an opioid antagonist shall not be liable for any injury arising from the provision, administration, or assistance in the administration of an opioid antagonist. A pharmacist or secondary distributor who dispenses, furnishes, or otherwise provides an opioid antagonist pursuant to a valid prescription, standing order, or collaborative agreement shall provide written instruction, including emergency, crisis, and substance use referral contact information, to the recipient.

The Act provides that the Chief Medical Officer of the Department of Health and Human Services may issue a standing order that does not identify an individual patient at the time it

is issued for the purpose of dispensing opioid antagonists to a person in a position to assist.
A person in a position to assist may distribute an opioid antagonist to any individual.

HEALTH AND SAFETY

SENATE FILE 75 - Rural Emergency Hospitals and Ambulatory Surgical Centers

BY REICHMAN. This Act provides for state licensure of rural emergency hospitals and for regulation of ambulatory surgical centers.

Division I of the Act relates to rural emergency hospitals. Under the federal Consolidated Appropriations Act of 2021 (federal Act), rural emergency hospitals (REHs) were established as a new provider type. Effective January 1, 2023, REHs are eligible to enroll in Medicare and to receive an enhanced reimbursement rate for eligible services consisting of the outpatient prospective payment system rate plus a 5 percent add-on and a fixed monthly payment. In order to be classified as an REH under the federal Act, a facility must meet certain requirements, including applicable state licensing requirements. The Act provides a process for such licensure.

The Act authorizes emergency rulemaking to implement the Act. The Act applies to a facility, or due to a change in ownership, a successor facility, that was, on or before December 27, 2020, a general hospital with no more than 50 licensed beds, located in a county in a rural area with a population between 30,000 and 35,000 according to the 2020 federal decennial census, and operating under a valid certificate of need on and prior to September 1, 2022. Notwithstanding any law to the contrary, the reopening of a general hospital by a successor facility and subsequent conversion to a rural emergency hospital is not subject to certificate of need requirements. This division took effect March 28, 2023.

Division II of the Act relates to the regulation of ambulatory surgical centers. The Act defines “ambulatory surgical center,” and requires that a person, acting severally or jointly with any other person, must not establish, operate, or maintain an ambulatory surgical center in Iowa without obtaining a license as provided under Iowa Code chapter 135R, as enacted by the Act. The Act provides for application for licensure and an application fee. The fees collected are considered repayment receipts and must be used by the Department of Inspections, Appeals, and Licensing (DIAL) to administer the Act.

The Act directs DIAL to adopt administrative rules specifying the standards for ambulatory surgical centers, consistent with and not exceeding state and federal requirements for ambulatory surgical centers. The department is required to adopt administrative rules as the department deems necessary to administer the provisions of the Act relating to the issuance, renewal, denial, suspension, and revocation of a license to establish, operate, and maintain an ambulatory surgical center. An ambulatory surgical center in operation at the time of adoption of any applicable rules or standards must be given a reasonable time, not to exceed one year from the date of adoption, within which to comply with such rules and standards.

The Act requires DIAL to make, or cause to be made, inspections or investigations of ambulatory surgical centers to determine compliance to be performed on a schedule that is of the same frequency required for inspections of Medicare-certified ambulatory surgical centers. DIAL must recognize, in lieu of its own licensure inspection, the comparable inspection and inspection findings of a Medicare conditions for coverage survey completed by the department or an accrediting organization with federally authorized deeming authority. A department inspector cannot participate in an inspection or investigation of an ambulatory surgical center in which the inspector or a member of the inspector’s immediate family works or has worked within the last two years or in which the inspector or the inspector’s immediate family has a financial ownership interest. The Act requires departmental final findings, with respect to compliance by an ambulatory surgical center with requirements for licensing, to be made available to the public in a readily available form and place, and provides for making public or keeping confidential other information obtained by the department relating to an ambulatory surgical center. The Act provides for injunctive relief to restrain or prevent the establishment, operation, or maintenance of an ambulatory surgical center without a license and judicial review of departmental actions. A person establishing, operating, or maintaining any ambulatory surgical center without a license commits a serious misdemeanor, and each day of continuing violation after conviction shall be considered a separate offense.

The Act also requires DIAL to adopt administrative rules requiring ambulatory surgical centers to report quality data to the Department of Health and Human Services (HHS) that is consistent with the federal data. This provision does

not require an ambulatory surgical center to provide health data to HHS or any other public or private entity that is in addition to, different than, or exceeds the federal quality data requirements.

SENATE FILE 193 - Removal of Human Remains — Removal Technicians

BY COMMITTEE ON STATE GOVERNMENT. This Act allows a funeral director, without first assuming custody of the human remains, to delegate to a removal technician, as defined in the Act, the ability to perform the removal of human remains regardless of whether the funeral director is present. The Act requires the Board of Mortuary Science to adopt administrative rules to allow for such delegation and to consider the prerequisites for registration as a removal technician.

SENATE FILE 219 - Permits to Perform Tattooing — Education Requirements

BY GREEN. This Act prohibits the Department of Inspections, Appeals, and Licensing from requiring an applicant for a permit to perform tattooing to show proof of a high school diploma, high school equivalency diploma, or degree from an accredited college as a condition of issuing a permit to perform tattooing.

SENATE FILE 538 - Regulation of Gender Transition Procedures — Minors — Prohibitions

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act prohibits a health care professional from knowingly engaging in or causing, or knowingly engaging in conduct that aids or abets, specified practices to be performed on a minor if the practice is performed for the purpose of attempting to alter the appearance of, or affirm the minor's perception of, the minor's gender or sex, if that appearance or perception is inconsistent with the minor's sex. The Act specifies services to which the prohibitions do not apply. A violation of the Act by a health care professional is considered unprofessional conduct and subject to licensee discipline by the appropriate licensing board or entity.

The Act provides for appropriate civil relief for an action brought in violation of the Act. A person must bring such action within two years after the cause of action accrues. However, a minor may bring an action during the minor's minority through a parent or legal guardian, and may bring an action in the minor's own name upon reaching majority and for 20 years after reaching majority.

An action may be commenced, and relief may be granted, in a judicial proceeding without the person having sought or exhausted available administrative remedies. The prevailing party may recover reasonable attorney fees in such an action.

The Attorney General may bring an action to enforce the Act and the Act does not deny, impair, or otherwise affect any right or authority of the Attorney General, the state, or any agency, officer, or employee of the state to institute or intervene in any proceeding.

Compliance with, or enforcement or implementation of, the Act does not constitute a violation of the Iowa Civil Rights Act of 1965 (Iowa Code chapter 216).

The Act took effect March 22, 2023. The provisions of the Act prohibiting certain practices by a health care professional are applicable 180 days after March 22, 2023.

HOUSE FILE 128 - Regulation of Controlled Substances — Changes to Substance Schedules and Precursor Substances Reporting

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act makes changes to controlled substance schedules I, IV, and V in Iowa's Uniform Controlled Substances Act (Iowa Code chapter 124) and to the precursor substances reporting requirement in Iowa Code chapter 124B to conform to the specific chemical designations of the substances contained in Title 21 of the Code of Federal Regulations, parts 1300, 1308, and 1310.

A violation involving a controlled substance included in the Act is punishable by the following range of penalties: a class "B" felony punishable by a 25-year mandatory minimum term of imprisonment for class "B" felons and a fine of not less than \$5,000 nor more than \$100,000; a class "C" felony punishable by imprisonment for up to 10 years and a fine of not less than \$1,000 nor more than \$50,000; or an aggravated misdemeanor punishable by imprisonment for up to two years and a fine of at least \$855 but not more than \$8,540.

The Act took effect May 3, 2023.

HOUSE FILE 174 - Practice of Physical Therapy — Referrals of Patients for Diagnostic Imaging

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act amends the definition of “physical therapy” to permit the referral of a patient by a physical therapist for diagnostic imaging, including plain radiographs and magnetic resonance imaging, provided the diagnostic imaging is performed and the results are interpreted by an appropriately licensed and qualified health care professional. The physical therapist who ordered the diagnostic imaging is required to report the results of the diagnostic imaging to the patient’s designated primary care provider within seven days following receipt of the results to ensure patient coordination of care, unless the patient does not have a designated primary care provider or the health care professional who performed and interpreted the diagnostic imaging previously provided the results to the primary care provider.

HOUSE FILE 183 - Prescribing Psychologists or Psychologists with a Conditional Prescription Certificate — Requirements

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act relates to prescribing psychologists and psychologists with a conditional prescription certificate.

Under prior law, to be granted a conditional prescription certificate, an applicant who holds a license to practice psychology in Iowa, among other requirements, must, within five years immediately preceding the date of application, have both successfully completed a postdoctoral master of science degree in clinical psychopharmacology approved by the Board of Psychology and the Board of Medicine, and have been certified by the applicant’s supervising physician as having successfully completed a supervised and relevant clinical experience in clinical assessment and pathophysiology and an additional supervised practicum treating patients with mental disorders. The Act retains both of these requirements but eliminates the condition that these requirements must have been completed within the five years immediately preceding the date of application for a conditional prescription certificate.

Prior law required that a prescribing psychologist, or the psychologist with a conditional prescription certificate, to maintain an ongoing collaborative relationship with the licensed physician in the provision of patient care when prescribing psychotropic medication for a patient. The Act instead provides that the ongoing collaborative relationship be with the patient’s primary care provider who oversees the patient’s general medical care, rather than the patient’s licensed physician.

The Act also redefines “physician” for the purposes of Iowa Code chapter 154B (Psychology). Prior law defined “physician” as a person licensed to practice medicine and surgery or osteopathic medicine and surgery in Iowa who was board-certified in a specialty and who could prescribe medications for the treatment of a mental disorder. The Act removes the condition that the licensed person also be board-certified in the specialty.

HOUSE FILE 265 - Practice of Midwifery — Licensure

BY COMMITTEE ON WAYS AND MEANS. This Act requires a person to receive a license prior to practicing midwifery, as defined in the Act, beginning July 1, 2024. The practice of midwifery is regulated by the Board of Nursing (board). In order to receive a license to practice midwifery, an applicant must be at least 21 years of age; submit proof of earning a high school diploma or its equivalent; submit proof of a current certification as a certified professional midwife from the North American Registry of Midwives or its successor organization; submit proof of completion of a certified education program or a midwifery bridge certificate; and submit an application fee as prescribed by the board by rule. The board may also ask an applicant to complete a criminal history check and child and dependent adult abuse records check.

The Act exempts certain persons from regulation under the Act, including certain other licensed professions, members of Native American, Mennonite, and Amish communities, persons engaged in the practice of the religious tenets of a church, persons providing aid in an emergency, and student midwives. The Act also excludes certain practices of midwifery from the practice of medicine.

The Act requires the board to adopt rules necessary to execute the board’s duties under the Act. The rules must relate to the regulation of the practice of midwifery, screening and testing of clients, the ordering and administering

of drugs, collaboration and transfer plans, information provided to clients, continuing education, and other matters. The board is prohibited from adopting certain rules.

The Act provides that a health care provider accepting a transfer of a client from a licensed midwife is not civilly or criminally liable for outcomes arising from the acts or omissions of the licensed midwife. The Act prohibits a person from using the title “licensed midwife” unless the person is licensed under the Act.

The Act establishes a midwifery advisory council. The board must appoint members of the council who are required to meet certain requirements included in the Act and serve terms of four years. The council must advise the board regarding issues relating to midwifery.

The Act requires a person providing certain types of insurance coverage, listed in the Act, to provide coverage for maternity services provided by a licensed midwife at no greater copayment, deductible, or coinsurance applicable to similar benefits. The Act does not require payment for costs relating to the location at which midwifery services are provided.

HOUSE FILE 274 - State-Funded Psychiatry Residency and Fellowship Program

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act relates to the state-funded Psychiatry Residency and Fellowship Program by expanding the existing state-funded Psychiatry Residency Program to also include fellowship positions and renaming the program the state-funded Psychiatry Residency and Fellowship Program.

The Act requires the University of Iowa Hospitals and Clinics (UIHC) to administer the state-funded Psychiatry Residency and Fellowship Program for up to nine residents and up to two fellows, annually. The Act continues the requirement that the UIHC cooperate with certain state facilities in administering the program, and requires that participating residents and fellows complete a portion of their psychiatry training at one of these state facilities. Residents may utilize clinical rotations at the UIHC and its affiliates if accreditation-required clinical experiences are not available at the state facilities. The Act also appropriates funding for each residency and fellowship position for state fiscal years beginning on or after July 1, 2023.

HOUSE FILE 347 - Administration of Local Anesthetics by Licensed Optometrists

BY COMMITTEE ON STATE GOVERNMENT. This Act allows a licensed optometrist to administer local anesthetics by injection prior to a minor surgical procedure authorized by Iowa Code chapter 154 (Optometry).

HOUSE FILE 357 - Health Care Employment Agencies, Health Care Employment Agency Workers, and Health Care Entities — Services Provided, Registration Fees, and Employment Contracts

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act relates to health care employment agencies, health care employment agency workers, and health care entities under Iowa Code chapter 135Q (Health Care Employment Agencies and Workers).

The Act amends Iowa Code chapter 135Q and makes the chapter applicable only to health care employment agencies and agency workers who provide nursing services, as defined in the Act.

The contract provisions in the Act do not apply to a contract between a health care employment agency and an agency worker or health care entity if the contract is entered into for the purpose of placing an agency worker who was assisted by the health care employment agency in obtaining authorization to work in the United States; contains an initial duration term of not less than 24 months and a total duration term, including any renewals or extensions, of not more than 36 months; and requires the agency worker to work for a single health care entity for the entire duration of the contract.

Registration fees collected by the Department of Inspections, Appeals, and Licensing pursuant to the Act are retained by the department.

The Act applies retroactively to any contract entered into or executed on or after January 1, 2019, between a health care employment agency and an agency worker or health care entity referred to under Iowa Code section 135Q.2.

HOUSE FILE 424 - Practice by Physician Assistants Without Physician Supervision

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act relates to the practice of physician assistants. The Act allows certain physician assistants to practice without being supervised by a physician. The Act requires the Board of Physician Assistants and Board of Medicine to adopt joint rules requiring a licensed physician assistant to be supervised by a physician during the first two years of independent practice, as defined in the Act, if the physician assistant has not previously practiced under, or in collaboration with, an appropriate health care professional for a period of at least two years. The Act does not generally require a supervising health care professional to be physically present at the place where medical services are rendered. However, Iowa Code chapter 148C (Physician Assistants) or rules adopted by the Board of Physician Assistants may require physical presence for supervision.

The Act requires the Board of Physician Assistants to adopt rules relating to the authority of physician assistants to prescribe drugs, controlled substances, and medical devices after consultation with the Board of Medicine and the Board of Pharmacy.

The Act restricts physician assistants from providing certain services, including eye examinations and mental health services, unless the services are provided under the supervision of, or in collaboration with, an appropriate health care professional.

HOUSE FILE 461 - Boiler Inspections — Frequency

BY COMMITTEE ON LABOR AND WORKFORCE. This Act authorizes the owner of a boiler or pressure vessel meeting certain criteria as specified in the Act to request from the Director of the Department of Inspections, Appeals, and Licensing an internal inspection time period of longer than two years, but not to exceed seven years under specified conditions. The Act provides procedures for the director to evaluate, grant, or deny such a request. The owner of a boiler or vessel that is granted the longer inspection interval must comply with specified statutory requirements.

The Act requires the Boiler and Pressure Vessel Board to adopt rules to allow an extended internal inspection interval of up to seven years for boilers or vessels subject to inspection under the Act.

HOUSE FILE 635 - Practice of Podiatry — Licensing Requirements

BY COMMITTEE ON STATE GOVERNMENT. This Act requires an applicant for licensure as a podiatrist who graduates from a school of podiatry on or after January 1, 2013, to present evidence of having successfully completed two years of an approved residency program. As part of the initial license renewal, the Act requires such a person to present evidence of having completed an approved residency program. The Board of Podiatry is prohibited from renewing or reactivating the license if such a licensee does not provide documentation of having completed a residency program.

HOUSE FILE 652 - Merger of Regulation of Practices of Barbering and Cosmetology Arts and Sciences

BY COMMITTEE ON STATE GOVERNMENT. This Act relates to the practices of barbering and cosmetology arts and sciences. The Act merges the Board of Barbering and Board of Cosmetology Arts and Sciences to create the Board of Barbering and Cosmetology Arts and Sciences (board) and sets membership requirements for the merged board. The initial membership of the board must include all the members of the previous boards. The Act repeals Iowa Code chapter 158 (Barbering) and makes conforming changes.

The Act creates a definition for “barbering and cosmetology” that combines the previous definitions of “barbering” and “cosmetology.” The Act changes the defined term “salon” to “establishment” and allows an establishment to be a fixed location or one that is readily movable. The Act allows a licensee who practices the barbering and cosmetology arts and sciences to use the title “barber” or “cosmetologist.” The Act allows a licensee to perform shaving or hair removal with a straight edge razor only if the licensee has been certified in the use of a straight edge razor, as determined by the board by rule.

The Act allows a school of barbering and cosmetology arts and sciences to be used for purposes other than student instruction so long as other activities do not disrupt classes. The Act sets the course of study for barbering and cosmetology arts and sciences at a minimum of 1,550 clock hours. Under prior law, the course of study for the

practice of cosmetology arts and sciences was a minimum of 2,100 clock hours. Licensure in the practice of esthetics requires a minimum of 600 hours of instruction, and licensure in the practice of nail technology requires a minimum of 325 hours of instruction.

The Act exempts a person engaged exclusively in the practice of blow-dry styling, as defined in the Act, from obtaining a license under Iowa Code chapter 157 (Cosmetology). However, a person is authorized to engage in blow-dry styling only at a licensed establishment and must complete two hours of education related to sanitation and Iowa cosmetology law and rules.

The Act allows a licensee to practice at a location that is not a licensed establishment pursuant to rules adopted by the board.

The Act allows the board, the Board of Cosmetology Arts and Sciences, and the Board of Barbering to adopt emergency rules to implement the Act. The Act includes transition provisions, including those relating to rules adopted by the former boards, licenses issued by the former boards, the disposition of funds, files, and personnel, and causes of action. The Act provides that a person currently licensed as a barber will be issued a license to practice barbering and cosmetology arts and sciences upon expiration of the barbering license, and the license authorizes the licensee to practice barbering as provided in 2023 Iowa Code chapter 158. The Act requires a person currently enrolled in a barbering school in a course of study requiring at least 2,100 hours of instruction to complete the course of study by August 1, 2024.

HOUSE FILE 656 - Dentist and Dental Hygienist Interstate Compact

BY COMMITTEE ON STATE GOVERNMENT. This Act adopts the Dentist and Dental Hygienist Compact (compact). The compact creates a system allowing a dentist or dental hygienist who is licensed in one participating state to practice in another participating state (remote state) under a compact privilege without applying for a license in the remote state. The compact also imposes certain minimum requirements on the licensure of dentists and dental hygienists in participating states.

The state that granted a licensee a license to practice dentistry or dental hygiene retains exclusive authority to take adverse action against a licensee's license, regardless of where the licensee practices. However, a state that has granted a compact privilege may take disciplinary action against that privilege and all participating states may investigate violations of the statutes and rules governing the practice of the profession of any other participating state.

The compact is administered by a commission consisting of delegates from each participating state. The commission may create rules and bylaws relating to the compact, levy annual assessments on participating states and impose fees on licensees seeking a compact privilege, sue and be sued, intervene in legal matters concerning the commission, and appoint an executive board.

The compact instructs the commission to create a database containing licensure, adverse action, and significant investigative information on all licensees and applicants in participating states. Participating states may designate that certain information not be shared with the public.

The compact comes into effect on the date on which the seventh participating state enacts the compact statute. A participating state may withdraw from the compact by enacting a statute repealing the compact. Such a withdrawal takes effect 180 days after the enactment of such a statute.

HOUSE FILE 661 - Homemade Food Items and Licenses for Food Establishments and Food Processing Plants

BY COMMITTEE ON WAYS AND MEANS. Iowa Code chapter 137F authorizes the Department of Inspections, Appeals, and Licensing (DIAL) to regulate a food establishment that provides food for human consumption, excluding a home food processing establishment (home food establishment). Iowa Code chapter 137D authorizes DIAL to regulate a home food establishment under certain conditions: it must operate on the premises of a residence, the homemade food item must be for off-premises consumption, and the business must have gross annual sales of less than \$50,000. In addition, a homemade food item cannot be subject to time/temperature control. The Act creates an

exception to allow for the sale of a food item if the food item is made to order; regularly prepared, promptly served, or delivered; and intended for immediate consumption.

DIAL issues an annual license to a person operating a temporary food establishment or a farmers market. The Act provides that the license is to be issued on a statewide rather than countywide basis. The Act also provides a new method to calculate the fee amount imposed for the issuance of an annual license to operate a food processing plant (plant). The fee amount is based on a series of increasing steps calculated using the plant's gross annual sales during the prior year. Prior to May 11, 2023, the first step was \$150 for gross sales up to but less than \$200,000, the second step was \$300 for gross sales of \$200,000 or more but less than \$2 million, and the third step was \$500 for gross sales of \$2 million or more. The Act creates four increasing steps. The first step is \$75 for gross sales up to but not including \$50,000, the second step is \$150 for gross sales of \$50,000 or more but less than \$200,000, the third step is \$300 for gross sales of \$200,000 or more but less than \$2 million, and the fourth step is \$500 for gross sales of \$2 million or more. Finally, the Act provides that the amount of gross sales does not include the sale of an unprocessed commodity, such as in the case of an on-farm operation.

The Act took effect May 11, 2023.

HOUSE FILE 671 - Professional Counselors Licensure Compact

BY COMMITTEE ON WAYS AND MEANS. This Act adopts the Professional Counselors Licensure Compact (compact). The compact creates a system allowing a professional counselor who is licensed in one member state (the home state) to practice in another member state under a compact privilege without applying for a license in that state (the remote state). The compact also imposes certain minimum requirements on the licensure of professional counselors in member states.

The home state that granted a license to practice professional counseling retains exclusive authority to take adverse action against the license, regardless of where the licensee practices. However, a remote state that has granted a compact privilege may take disciplinary action against that privilege and all participating member states may investigate violations of the statutes and rules governing the profession of any other participating state.

The compact is administered by a commission consisting of delegates from each member state. The commission may create rules and bylaws relating to the compact, levy annual assessments on member states and impose fees on other parties, intervene in legal matters concerning the commission, and appoint an executive committee.

The compact instructs the commission to create a database containing licensure, adverse action, and investigative information on all licensees in member states. Member states may designate that certain information not be shared with the public.

A member state may withdraw from the compact by enacting a statute repealing the compact. Such a withdrawal takes effect six months after the enactment of such a statute.

HOUSE FILE 685 - Health Care Services and Financing — Medicaid Program — Nursing Facility Ownership and Capacity — Prohibited Pass-Through Payments and Assessments

BY COMMITTEE ON WAYS AND MEANS. This Act relates to health care services and financing including recovery by the Department of Health and Human Services (HHS or department) from third parties and taxation of Medicaid managed care organization premiums, and including capacity and financing of hospitals and nursing facilities.

Division I of the Act relates to Medicaid program third-party recovery. The Act strikes and replaces current provisions in Iowa Code section 249A.37 (Health Care Information Sharing) and Iowa Code section 249A.54 (Assignment — Lien). Under the Act, new Iowa Code section 249A.37 (Duties of Third Parties) makes the third-party obligations specified under the Act a condition of doing business in the state, and a third party that fails to comply with these obligations is not eligible to do business in Iowa. The Act requires a third party that is a carrier to enter into a health insurance data match program with HHS for the sole purpose of comparing the names of the carrier's insureds with the names of Medicaid recipients as required by Iowa Code section 505.25 (Information Provided to Medical Assistance Program, Hawki Program, and Child Support Services).

The Act specifies the duties of a third party under the Medicaid program including cooperating with the Medicaid payor in identifying Medicaid recipients (recipients) for whom third-party benefits are available; accepting the Medicaid payor's rights of recovery and assignment to the Medicaid payor for payments that the Medicaid payor has made; accepting authorization provided by the Medicaid payor that the health care item or service is covered as if such authorization were the prior authorization made by the third party for such health care item or service; responding to inquiries from Medicaid payors regarding claims for payment; and not denying claims submitted by a Medicaid payor solely on the basis of the date of submission of the claim, the type or format of the claim form, a failure to present proper documentation, or in the case of specified third-party payors solely on the basis of a failure to obtain prior authorization if certain conditions are met. The department may adopt administrative rules to administer new Iowa Code section 249A.37. Rules governing the exchange of information shall be consistent with all laws, regulations, and rules relating to the confidentiality or privacy of personal information or medical records.

New Iowa Code section 249A.54 (Responsibility for Payment on Behalf of Medicaid-Eligible Persons — Liability of Other Parties) includes specific provisions relating to the responsibility for payment on behalf of recipients, which include both persons who have applied for and persons who have received medical assistance, when other parties are liable.

The Act provides that it is the intent of the General Assembly that Medicaid payors be the payor of last resort for medical services furnished to recipients, that all other sources of payment for medical services are primary and that if benefits of a third party are discovered or become available after medical assistance has been provided by the Medicaid payor, it is the intent of the General Assembly that the Medicaid payor be repaid in full and prior to any other person, program, or entity. The Medicaid payor must be repaid in full from and to the extent of any third-party benefits, regardless of whether a recipient is made whole or other creditors paid.

The Act specifies the rights, privileges, and responsibilities that a Medicaid payor has under the Act, but if HHS determines that a Medicaid payor has not taken reasonable steps within a reasonable time to recover third-party benefits, HHS may exercise the rights of the Medicaid payor to the exclusion of the Medicaid payor following provision of notice to third parties and the Medicaid payor.

A Medicaid payor may assign the Medicaid payor's rights under the Act, including to another Medicaid payor, a provider, or a contractor. After the Medicaid payor has provided medical assistance, the Medicaid payor is required to seek reimbursement for third-party benefits to the extent of the Medicaid payor's legal liability and for the full amount of the third-party benefits, but not in excess of the amount of medical assistance provided by the Medicaid payor.

Within 30 days following discovery by a recipient of potential third-party benefits, a recipient or the recipient's agent, as applicable, must inform the Medicaid payor of any rights the recipient has to third-party benefits and provide identifying information for any person that is or may be liable to provide third-party benefits.

The Act specifies the rights of a Medicaid payor when the Medicaid payor provides or becomes liable for medical assistance, which are construed together to provide for the greatest recovery of third-party benefits. A recipient and the recipient's agent are required to cooperate in the Medicaid payor's recovery of the recipient's third-party benefits and in establishing paternity and support of a recipient child born out of wedlock. The Medicaid payor has the discretion to waive, in writing, the requirement of cooperation for good cause shown and as required by federal law. The department may deny or terminate eligibility for any recipient who refuses to cooperate, unless HHS has waived cooperation.

Within 30 days of initiating formal or informal recovery, other than by filing a lawsuit, a recipient's attorney must provide written notice of the activity or action to the Medicaid payor.

A recipient is deemed to have authorized the Medicaid payor to obtain and release medical information and other records with respect to the recipient's medical services for the sole purpose of obtaining reimbursement for medical assistance provided by the Medicaid payor.

To enforce the Medicaid payor's rights, the Medicaid payor may institute, intervene in, or join in any legal or administrative proceeding in the Medicaid payor's own name, and in a number or a combination of capacities listed in the Act.

A Medicaid payor, other than HHS, is required obtain written consent from HHS before the Medicaid payor files a derivative legal action on behalf of a recipient, and must provide written notice after filing the action to certain entities.

If an action is filed by a recipient or a recipient's agent against a third party, the recipient, the recipient's agent, or the attorney of the recipient or the recipient's agent, as applicable, is required to provide written notice to the Medicaid payor of the action and must also provide written notice of intent to dismiss the action prior to the voluntary dismissal of an action against a third party.

Before a recipient finalizes a judgment, award, settlement, or any other recovery for which the Medicaid payor has the right to recovery, the recipient, the recipient's agent, or the attorney of the recipient or recipient's agent, as applicable, is required to provide notice to the Medicaid payor. The judgment, award, settlement, or recovery must not be finalized unless the notice is provided and the Medicaid payor has a reasonable opportunity to recover under its rights to subrogation, assignment, and lien. If notice is not provided, the recipient, the recipient's agent, and the recipient's or recipient's agent's attorney, as applicable, are jointly and severally liable to reimburse the Medicaid payor for the recovery received to the extent of medical assistance paid by the Medicaid payor.

The Act prohibits insurance and other third-party benefits from containing any term or provision that purports to limit or exclude payment or the provision of benefits for an individual if the individual is eligible for, or a recipient of, medical assistance, and any such term or provision shall be void as against public policy.

In an action in tort against a third party in which the recipient is a party, the Act specifies the distribution of the recovered amount between the Medicaid payor and the recipient.

The Act specifies the distribution of proceeds, following receipt of proceeds when a recipient or a recipient's agent has notice or actual knowledge of the Medicaid payor's rights to third-party benefits and receives a third-party benefit or proceeds for a covered injury or illness.

If federal law limits the Medicaid payor to reimbursement from the recovered damages for medical expenses, a recipient may contest the amount designated as recovered damages for medical expenses payable to the Medicaid payor as specified in the formula under the Act. The Act provides the criteria for a recipient to successfully rebut the formula.

In a legal action to recover against the third party, the court must resolve any dispute concerning the amount owed to the Medicaid payor, and is required to retain jurisdiction of the case to resolve the amount of the lien after the dismissal of the action. If the recipient or the recipient's agent did not file a legal action to resolve any dispute concerning the amount owed to the Medicaid payor, the recipient or the recipient's agent is required to file a petition for declaratory judgment. Venue for all such declaratory actions lies in Polk County. Each party must pay the party's own attorney fees and costs for any legal action conducted under the Act.

If a Medicaid payor and the recipient or the recipient's agent disagree as to whether a medical claim is related to a covered injury or illness, the Medicaid payor and the recipient or the recipient's agent must attempt to work cooperatively to resolve the disagreement before seeking resolution by the court.

With regard to medical assistance provided to a minor, and notwithstanding any other provision of law to the contrary, any statute of limitations or repose applicable to an action or claim of a legally responsible relative for the minor's medical expenses is extended in favor of the legally responsible relative so that the legally responsible relative has one year from and after the attainment of the minor's majority within which to file a complaint, make a claim, or commence an action.

In recovering any payments under the Act, the Medicaid payor may make appropriate settlements.

The Act provides the process and limitations for a request by a recipient or a recipient's agent that a Medicaid payor provide an itemization of medical assistance paid for any covered injury or illness via notice as specified under the Act.

The department may adopt administrative rules to administer this portion of the Act and applicable federal requirements.

Division II of the Act relates to Medicaid managed care organization taxation of premiums.

Under Iowa Code section 514B.31 (Taxation), for the first five years of the existence of a health maintenance organization (HMO) or its successor, payments received by the HMO for health care services, insurance, indemnity, or other benefits to which an enrollee is entitled, and payments made by the HMO to a provider for health care services, to insurers, or to corporations authorized under Iowa Code chapter 514 (Nonprofit Health Services Corporations) for insurance, indemnity, or other service benefits, are not considered premiums received and not taxable under Iowa Code section 432.1 (Tax on Gross Premiums — Exclusions). After five years, such payments received or made are considered premiums received and taxable under Iowa Code section 432.1. Current Iowa Code section 514B.31 also provides that certain payments made by the United States Secretary of Health and Human Services are not considered premiums and therefore not taxable under Iowa Code section 432.1.

The Act amends Iowa Code section 514B.31 to exempt from consideration as premiums, and therefore not taxable under either Iowa Code section 432.1 or new Iowa Code section 432.1A (Health Maintenance Organization — Medical Assistance Program — Premium Tax), payments to health maintenance organizations from the United States Secretary of Health and Human Services under contracts issued under section 1833 or 1876 of the federal Social Security Act or section 4015 of the federal Omnibus Budget Reconciliation Act of 1987. However, the Act provides that payments made to a health maintenance organization contracting with HHS to administer the Medicaid program are not taxable only under Iowa Code section 432.1. The Act also amends Iowa Code section 514B.31 to provide that notwithstanding the provisions applicable to HMOs under Iowa Code section 514B.31 relating to a premium tax, beginning January 1, 2024, and for each subsequent calendar year, for an HMO contracting with HHS to administer the Medical Assistance Program under Iowa Code chapter 249A, specified payments received and specified payments made by the HMO are considered premiums received and taxable under new Iowa Code section 432.1A.

The Act establishes under new Iowa Code section 432.1A the parameters of the new tax. Such HMOs must pay, by a specified due date, as taxes to the Director of the Department of Revenue for deposit in the Medicaid Managed Care Organization Premiums Fund an amount equal to 2.5 percent of the premiums received and taxable. The Commissioner of Insurance may suspend or revoke the license of such an HMO that fails to pay the premium tax on or before the due date. Iowa Code sections 432.10 (Sufficiency of Remitted Tax — Notice) and 432.14 (Statute of Limitations) apply to the premium tax due.

The Act also specifies the payment remittance requirements. The Commissioner of Insurance may suspend or revoke the license of an HMO that fails to comply on or before the due date.

The Act creates in new Iowa Code section 249A.13 a Medicaid Managed Care Organization Premiums Fund in the State Treasury under the authority of HHS. Moneys collected from the new tax on premiums are required to be deposited in the fund. Moneys in the fund are appropriated to HHS for the purposes of the Medical Assistance Program. Moneys in the fund that remain unencumbered or unobligated at the close of a fiscal year do not revert but remain available for expenditure for the purposes designated. Interest or earnings on moneys in the fund is credited to the fund.

Division III of the Act relates to nursing facility and hospital capacity and financing.

The Act makes the change of ownership of a previously licensed nursing facility subject to approval by the Department of Inspections, Appeals, and Licensing (DIAL) through application for a license. The Act specifies information an applicant must submit for the nursing facility license. DIAL may request that an applicant provide additional or supplemental information with the application and may require an applicant to create an escrow

account sufficient to sustain financial operations of the applicant's nursing facility for a period of not less than two months. The information or documents provided detailing the applicant's financial condition and the terms of the applicant's contractual business relationships are confidential and not considered a public record.

The Act also provides that beginning July 1, 2023, and ending no later than June 30, 2026, DIAL must impose for an initial period of 12 months a temporary moratorium on submission of applications for new construction of a nursing facility or a permanent change in bed capacity of a nursing facility that increases the bed capacity of the nursing facility. DIAL, in consultation with HHS, may extend the moratorium in six-month increments following the conclusion of the initial 12-month period, but for no longer than a total of 36 months. DIAL, in consultation with HHS, may waive the moratorium if specified criteria are met. The department shall publish any request for a waiver of the moratorium as well as an explanation for the decision to either grant or deny the waiver request.

The Act requires HHS, no later than January 1, 2024, to develop a publicly available dashboard detailing the number of nursing facility beds available in the state, the overall quality rating of the available nursing facility beds, any increase in the number of available nursing facility beds in each county during the state fiscal year, any decrease in the number of available nursing facility beds in each county during the state fiscal year, and an explanation of the causes of such increase or decrease in available nursing facility beds.

The Act prohibits a hospital participating in the federal Hospital Directed Payment Program from knowingly passing on the directed payment increase for health care services provided to non-Medicaid payors, including as a fee or rate increase. If a hospital violates this prohibition, the hospital will not receive the directed payment but instead only be reimbursed the hospital base reimbursement rate for health care services provided under the Medical Assistance Program for one year from the date the violation is discovered.

The Act also prohibits a nursing facility from knowingly passing on the quality assurance assessment to non-Medicaid payors, including as a rate increase or service charge. If a nursing facility violates this prohibition, the nursing facility shall not be reimbursed the quality assurance assessment due the nursing facility under the Medical Assistance Program, but shall instead only be reimbursed at the nursing facility base reimbursement rate under the Medical Assistance Program for one year from the date the violation is discovered.

The Act requires HHS to convene a workgroup of appropriate stakeholders to review the existing nursing facility bed need formula. The department is required to submit a report of the recommendations of the workgroup for improvement to the nursing facility bed need formula, including recommendations related to the process for establishing a projection of future nursing facility bed use taking into consideration the state's changing demographics and the need to ensure an adequate number of nursing facility beds, to the Governor and the General Assembly by December 2, 2024.

HOUSE FILE 732 - Terminations of Pregnancy — Fetal Heartbeat — EXTRAORDINARY SESSION

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act creates Iowa Code chapter 146E relating to a prohibition on abortions based upon the detection of a fetal heartbeat. The Act provides definitions of terms used in the Iowa Code chapter, including those for "fetal heartbeat exception," "medical emergency," "reasonable medical judgment," and "unborn child." For the purposes of Iowa Code chapter 146E, "fetal heartbeat exception" includes all of the following: the pregnancy is the result of a rape which is reported within 45 days of the incident to a law enforcement agency or to a public or private health agency which may include a family physician; the pregnancy is the result of incest which is reported within 140 days of the incident to a law enforcement agency or to a public or private health agency which may include a family physician; any spontaneous abortion, commonly known as a miscarriage, if not all of the products of conception are expelled; and the attending physician certifies that the fetus has a fetal abnormality that in the physician's reasonable medical judgment is incompatible with life. Also, for the purposes of Iowa Code chapter 146E, unless otherwise provided, "medical emergency" means the same as defined in Iowa Code section 146A.1, which defines the term as a situation in which an abortion is performed to preserve the life of the pregnant woman whose life is endangered by a physical disorder, physical illness, or physical injury, including a life-endangering physical condition caused by or arising from the pregnancy, but not including psychological conditions, emotional conditions, familial conditions, or the woman's age; or when continuation of

the pregnancy will create a serious risk of substantial and irreversible impairment of a major bodily function of the pregnant woman.

The Act provides that, except in the case of a medical emergency or fetal heartbeat exception, a physician shall not perform an abortion unless the physician has first complied with the prerequisites of Iowa Code chapter 146A (Abortion Prerequisites) and has tested the pregnant woman to determine if a fetal heartbeat is detectable. The Act prescribes the standards for testing for a fetal heartbeat, and provides that following the test, a physician shall inform the pregnant woman, in writing, whether a fetal heartbeat was detected and that if a fetal heartbeat was detected, an abortion is prohibited. Upon receipt of the written information, the pregnant woman is required to sign a form acknowledging that the pregnant woman has received the required information. A physician shall retain documentation of the testing for a fetal heartbeat, the results of the test, and the pregnant woman's signed form acknowledging that the pregnant woman received the required information. When it has been determined that a fetal heartbeat was detected, a physician is prohibited from performing an abortion upon a pregnant woman unless a medical emergency or fetal heartbeat exception exists.

Notwithstanding the prohibition relating to the detection of a fetal heartbeat and the medical emergency and fetal heartbeat exceptions as defined under Iowa Code chapter 146E, if the physician determines that the probable postfertilization age, as defined in Iowa Code chapter 146B, of the unborn child is 20 or more weeks, the physician must comply with different requirements. Under these circumstances, a physician shall not perform an abortion on the pregnant woman when it has been determined that the unborn child has a detectable fetal heartbeat unless, in the physician's reasonable medical judgment, the pregnant woman has a condition which the physician deems a medical emergency, as defined not in Iowa Code section 146E.1, but instead Iowa Code section 146B.1 ("medical emergency" means a situation in which an abortion is performed to preserve the life of the pregnant woman whose life is endangered by a physical disorder, physical illness, or physical injury, including a life-endangering physical condition caused by or arising from the pregnancy, or when continuation of the pregnancy will create a serious risk of substantial and irreversible impairment of a major bodily function of the pregnant woman) or the abortion is necessary to preserve the life of an unborn child.

The Act is not to be construed to impose civil or criminal liability on a woman upon whom an abortion is performed in violation of the Act. The Board of Medicine is directed to adopt administrative rules to administer the Act.

The Act took effect July 14, 2023.

RELATED LEGISLATION

- SENATE FILE 514 - State Government Reorganization
SEE STATE GOVERNMENT. This Act relates to the organization, structure, and functions of state government. The Act provides the legislative changes for the realignment of the Department of Human Services and Department of Public Health into the Department of Health and Human Services (HHS), as necessary to implement the realignment effective July 1, 2023, as required by 2022 Iowa Acts, chapter 1131, section 51, subsection 6, paragraph “a.” In addition, the Act incorporates into HHS the Iowa Department on Aging, the Department of Human Rights (DHR), Early Childhood Iowa, and the Iowa Commission on Volunteer Service.

The Act eliminates several references to the subunit structure and the heads of such subunits of HHS and other agencies incorporated into HHS below the department level, including divisions, bureaus, and administrators. Instead, the Act authorizes the Director of HHS to organize HHS into subunits as necessary to most efficiently carry out the responsibilities of HHS. The Act also makes several changes in terminology relating to health and human services.

The Act eliminates the State Board of Health and amends the membership of the HHS Council to expand voting membership from seven to nine members, requiring that at least one of these members is a physician licensed to practice medicine in Iowa.

Through incorporation of DHR into HHS, the Act eliminates the Division of Community Advocacy and Services, the Division of Community Action Agencies, and the Division of Criminal and Juvenile Justice Planning, and assigns the functions of these former divisions to HHS while retaining the underlying offices, commissions, councils, and the Human Rights Board.

The Act also moves the function of the Iowa Child Death Review Team from the Office of the State Medical Examiner to HHS; establishes the Iowa Domestic Abuse Death Review Team under HHS rather than as an independent agency of state government; eliminates the reference to Iowa Medicaid Enterprise and assigns those functions to the Medicaid program; moves the responsibility for regulation of consumable hemp to HHS from the Department of Inspections and Appeals (DIA); and moves the Child Advocacy Board from DIA to HHS and the associated functions related to foster care review and court appointed special advocates.

SEE NATURAL RESOURCES AND OUTDOOR RECREATION. This Act relates to persons eligible to hunt with a crossbow. Current law requires the Natural Resource Commission to adopt a rule permitting a crossbow to be used only by individuals with

disabilities who are physically incapable of using a bow and arrow under the conditions in which a bow and arrow is permitted. In submitting an application to use a crossbow, the Act allows the individual's physical therapist licensed under Iowa Code chapter 148A, in addition to the individual's physician as currently provided, to sign a required declaration stating that the individual is not physically able to use a bow and arrow.

- Damage Awards Against Health Care Providers — Medical Error Task Force
SEE CIVIL LAW, PROCEDURE, AND COURT ADMINISTRATION. This Act directs the Department of Health and Human Services (HHS) to convene a task force to review medical error rates of licensed physicians in this state and to make recommendations to the General Assembly and the Director of HHS including recommendations that address options for reducing medical error rates, improvements in education and training to minimize medical errors, and whether applicable penalties for medical errors and physician licensure review measures are sufficient.

The Act specifies the membership of the task force, authorizes the Director of HHS to add members as necessary to complete the work of the task force, and directs HHS to provide administrative support to the task force. The Director of HHS or the director's designee shall serve as chairperson of the task force and schedule meetings as necessary to complete the work of the task force.

The task force shall dissolve upon submission of the report to the General Assembly and the Director of HHS, but no later than January 8, 2024.

HUMAN SERVICES

SENATE FILE 494 - Public Assistance Program Oversight

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act relates to public assistance programs. The Act also relates to various eligibility verification and authentication measures under new Iowa Code chapter 239.

The Act requires the Department of Health and Human Services (HHS or the department) to establish the income threshold for the Supplemental Nutrition Assistance Program (SNAP) at less than or equal to 160 percent of the federal poverty level for the household size. The Act also requires HHS to complete a computerized identity authentication process for an applicant for public assistance benefits and to conduct an asset test on all members of the household of an applicant for SNAP benefits. The Act specifies the minimum information from federal, state, and other data sources and public records that HHS must access prior to determining eligibility for an applicant's SNAP benefits. The Act's provisions do not apply if every member of the applicant's household receives supplemental security income.

The Act requires, no later than July 1, 2025, HHS to redesign an existing system; establish a new computerized income, asset, and identity eligibility verification system; or contract with a third-party vendor to provide for identity verification, identity authentication, asset verification, and dual enrollment prevention in each public assistance program administered by HHS. The department may contract with a third-party vendor to develop or provide a real-time eligibility system to verify or authenticate income, assets, and identity eligibility of applicants and recipients. The system must be accessed prior to determining eligibility, periodically between eligibility redeterminations, and during eligibility redeterminations and reviews. The department may contract with a third-party vendor to provide information to facilitate reviews of recipient eligibility conducted by HHS. A contract to provide a system or service must establish the annual savings amount from utilization of the system or service, and include a provision that the contract may be terminated contingent upon the savings not exceeding the total yearly cost to the state for utilization of the system or service. The contract does not preclude HHS from continuing to conduct additional eligibility verification or authentication processes to receive, review, or verify additional information related to the eligibility of an individual; or from contracting with a third-party vendor to provide additional eligibility authentication or verification information. The department is required to seek federal approval as necessary to implement and administer these systems.

The Act requires HHS to access information for every applicant or recipient from specified federal, state, and other sources, and from specified public records, for all applications for initial public assistance program benefits and all determinations of ongoing recipient eligibility processed by HHS. If information obtained from a review of an applicant's or recipient's information does not result in HHS finding a discrepancy or change in an individual's circumstances affecting eligibility, HHS must not take further action.

If the information obtained from a review of the applicant's or recipient's information results in HHS finding a discrepancy or a change in the individual's circumstances affecting eligibility, HHS must provide written notice to the individual and the opportunity to explain any issues identified. Unless otherwise prohibited by federal law or regulation, a self-declaration by an applicant or recipient cannot be accepted as verification of categorical and financial eligibility during such review. The notice provided to the applicant or recipient must describe in sufficient detail the circumstances of the issue identified, the manner in which the applicant or recipient may respond, and the consequences of failing to respond to the notice or resolve the issue identified. The applicant or recipient must be provided 10 days to respond to the notice, and HHS may request additional information as necessary to reach a decision. The Act specifies the processes and results dependent upon whether an applicant or recipient responds by disagreeing or agreeing with the findings of a review by HHS. If the applicant or recipient fails to respond to the notice in a timely manner, HHS is required to provide notice to terminate the applicant's application or to discontinue the recipient's enrollment for failure to cooperate, and then terminate the applicant's application or discontinue the recipient's enrollment. The applicant's or recipient's eligibility for such public assistance cannot be established or reestablished until the issue has been resolved.

Following a review of an applicant's or recipient's eligibility, HHS may refer cases of suspected fraud along with any supportive information to the Department of Inspections, Appeals, and Licensing for review. In cases of substantiated

fraud, upon conviction, the state shall review all appropriate legal options including but not limited to removal of a recipient from other public assistance programs and garnishment of wages or state income tax refunds until HHS recovers an equal amount of benefits fraudulently claimed. The department may refer suspected cases of fraud, misrepresentation, or inadequate documentation relating to initial or continued eligibility to appropriate state agencies, divisions, or departments for review of eligibility issues in other public assistance programs.

The department is required to adopt administrative rules to administer the Act. The department must submit a report to the Governor and the General Assembly by January 15, 2025, and by January 15 annually thereafter through January 15, 2030, detailing the impact of the verification and authentication measures taken under the Act. The report must include data for all affected public assistance programs including the number of cases reviewed, the number of cases closed, the number of fraud investigation referrals made, and the amount of savings and cost avoidance realized from the provisions of the Act.

The Act requires an applicant for or recipient of Medicaid to cooperate with child support services as a condition of eligibility.

The department must request federal approval as necessary to administer the Act. If HHS determines a provision of the Act would result in denial of federal moneys, that provision must be suspended. The provisions of the Act must be implemented incrementally no later than July 1, 2025; the provisions requiring federal approval must be implemented upon receipt of such federal approval; and the provisions that do not require federal approval must be implemented as specified in the Act or, if not specified, no later than July 1, 2025.

The department may contract with multiple third-party vendors to administer the Act.

HOUSE FILE 471 - State Mental Health and Disability Services and Governance — Child in Need of Assistance Proceedings, Adoption Notices and Hearings, and Confinement of Persons Found Incompetent to Stand Trial

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act relates to mental health and disability services provided by the state and certain judicial procedures and orders.

Division I — State Mental Health Institutes — Specialization

The Act removes persons who solely have a substance abuse problem as a population eligible to receive services at a state mental health institute (MHI).

The Act designates the MHI located in Independence, Iowa, for specialized treatment of behaviorally complex youth, and designates the MHI in Cherokee, Iowa, for specialized treatment and security of certain adults with mental health issues ordered by the court into the custody of the state.

Division II — Child in Need of Assistance — Safety Plans — Temporary Removal

The Act allows, in a child in need of assistance (CINA) proceeding, the child's guardian to enter into a safety plan, and prohibits a safety plan from being construed as the child's removal from the child's guardian absent a court order placing the child with a person or facility other than the guardian.

The Act removes language relating to the transfer of legal custody of a child in a CINA case for placement and visitation of the child by the child's grandparents, great-grandparents, and certain other relatives.

Division III — Mental Health and Disability Services Regions — Governance — Core Services — Report

The Act makes several changes to the structure, membership, and voting rights of mental health and disability services (MHDS) region governing boards.

The Act adds outpatient competency restoration as a core MHDS service for both adults and children.

The Act changes the frequency of Department of Health and Human Services to reports on the summary of the status certain MHDS region services from quarterly reports to annual reports.

Division IV — Adoption Notices — Hearings

The Act requires an adoption petitioner to provide a copy of the order setting the adoption hearing to siblings of the person to be adopted at least 20 days prior to the adoption hearing when there is either an existing relationship between the sibling and the person to be adopted or a court makes certain findings.

The Act allows a copy of the order setting the adoption hearing to be provided to a sibling via ordinary mail if the sibling's address is known. A copy of an order setting a hearing sent to a sibling under 10 years of age must be addressed to the sibling's custodian or guardian.

The Act provides certain exemptions to the requirement to send a copy of an order setting an adoption hearing.

Division V — Confinement of Persons Found Incompetent to Stand Trial

The Act requires the MHDS region for the county of a defendant's residency to pay for the costs of mental health treatment the defendant receives as a condition of pretrial release.

The Act allows a psychiatrist, or licensed doctorate-level psychologist, evaluating the progress of a defendant's outpatient competency restoration treatment, or the director of the facility where the defendant is being held and treated, to provide a written status report to the court regarding the defendant's mental disorder.

The Act requires a written status report prepared for an incompetent defendant to include the methods used to restore competency to the defendant, the defendant's current abilities related to competency, and whether it appears the defendant's competency can be restored within a reasonable amount of time. The Act requires a psychiatrist, psychologist, or director to submit an initial report to the court no later than 30 days after the defendant's placement by the court for treatment, and subsequent reports every 60 days or less after submission of the initial report until the defendant's competency is restored or the placement of the defendant is terminated.

The Act requires a psychiatrist, or licensed doctorate-level psychologist, evaluating the progress of a defendant's outpatient competency restoration treatment or the director of the facility where the defendant is being held and treated to notify a court if there is a substantial probability, or there is no substantial probability, as applicable, that a defendant formerly deemed incompetent either has since acquired the ability to appreciate the charge against the defendant, understand the proceedings, and effectively assist in the defendant's defense or will be restored to competency in a reasonable amount of time.

Division VI — Conforming Code Changes

The Act makes several conforming Iowa Code changes.

Division VII — Code Editor Directive — Mental Health and Disability Services Code Transfers

The Act transfers Iowa Code sections 331.388 through 331.400 (Mental Health and Disability Services — Regional Service System — Children's Behavioral Health System) to Iowa Code sections 225C.55 through 225C.69.

HOUSE FILE 584 - Regulation of Child Foster Care Providers — Individual Licensees

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act relates to individual licensees who provide child foster care.

The Act requires the Department of Health and Human Services (HHS) to notify individuals licensed to provide foster care of any training the department believes would benefit the licensee in the provision of child foster care, and to maintain a process that allows a licensee to file a complaint electronically relating to a violation of foster parent rights.

The Act creates new rights and responsibilities for licensed foster parents and new duties for HHS in relation to licensed foster parents and the ability of licensed foster parents to care for foster children.

HOUSE FILE 707 - Child Care Assistance Eligibility Requirements and Child Care Provider Reimbursement Rates

BY COMMITTEE ON APPROPRIATIONS. This Act relates to state child care assistance (CCA).

The Act defines the term “children needing special needs care” or “special needs child.”

The Act requires a child’s parent, guardian, or custodian, who is employed, to work for a minimum of 32 hours per week or an average of 32 hours per week during the month if the child requires basic care, or 28 hours per week or an average of 28 hours per week during the month if the child is a special needs child, in order for the child to be eligible for CCA.

The Act sets income limit requirements for a family to be initially eligible for CCA.

The Act prohibits the Department of Health and Human Services (HHS) from modifying reimbursement rates or financial eligibility requirements for the CCA program without prior enabling legislation passed on or after January 1, 2023.

The Act changes who is prioritized on the CCA benefit wait list.

The Act directs HHS to increase its CCA reimbursement rates to child care providers participating in the CCA program to at least the 65th percentile, but not more than the 80th percentile, of the 2020 market rate survey.

HOUSE FILE 708 - Medicaid Reimbursement — Nursing Homes — Care for Sex Offenders in Secure Units

BY COMMITTEE ON APPROPRIATIONS. This Act requires the Department of Health and Human Services to establish and report to the Governor and the General Assembly by January 1, 2024, a reimbursement rate add-on methodology under the Medicaid program for services provided by a skilled nursing facility or nursing facility that designates a secure unit, that is separate and secure from residents with chronic confusion or a dementing illness and all other skilled nursing facility and nursing facility residents, to provide services to individuals that are required to register as sex offenders and who meet nursing facility level of care requirements. The methodology must provide for an annual inflation of the reimbursement rate add-on.

- SENATE FILE 183** - City Public Safety Employees — Maximum Employment Age
SEE LOCAL GOVERNMENT. This Act relates to the maximum employment age for certain city public safety positions. The Act sets a maximum employment age of 65 for city law enforcement officers, in addition to those positions currently subject to the maximum employment age, and provides that the maximum employment age applies to any included position regardless of whether the person’s employment is full-time or part-time. However, the maximum employment age does not apply to reserve peace officers in addition to volunteer fire fighters.

The Act took effect May 3, 2023.

- SENATE FILE 329** - Civil Employee Leaves of Absence for State Active Duty, National Guard Duty, Federal Active Duty, Civil Air Patrol Duty, or National Disaster Medical System Duty
SEE PUBLIC DEFENSE AND VETERANS. This Act allows a civil employee of the state to only take one day of required leave if the civil employee is absent for a period of less than 30 days, the workday for the employee encompasses a continuous period of up to 24 consecutive hours, regardless of whether the workday extends into one or two calendar days, and the employee is absent due to state active duty, National Guard duty, federal active duty, civil air patrol duty, or national disaster medical system duty.

- SENATE FILE 514** - State Government Reorganization
SEE STATE GOVERNMENT. This Act relates to the organization, structure, and functions of state government.

The Act transfers the Labor Services Division and Labor Commissioner, previously under the Department of Workforce Development, to the Department of Inspections, Appeals, and Licensing (DIAL), including duties of the division and commissioner. The Act also provides that duties of the Labor Commissioner relating to workers’ compensation, occupational safety, and health, and hazardous chemicals risks, are retained as duties of the Labor Commissioner under DIAL. Most other labor-related duties previously performed by the Labor Commissioner are transferred to DIAL and the Director of DIAL, and not retained by the Labor Commissioner.

The Act transfers the Workers’ Compensation Services Division and Workers’ Compensation Commissioner, including duties of the division and commissioner, previously under the Department of Workforce Development, to DIAL.

The Act also makes changes relative to the Public Employment Relations Board (PERB). The Act provides for an Executive Director of PERB appointed by and serving at the pleasure of the Governor and subject to confirmation by the Senate. The Act authorizes PERB to delegate its powers and duties to the executive director or persons employed by PERB, as

appropriate. Concerning members of PERB, the Act strikes language providing for criteria in selecting members of the board and strikes the requirement that members of PERB shall devote full time to their duties. The Act additionally requires PERB to meet at least quarterly and modifies language pertaining to the compensation of PERB members and employees. The Act provides that in a petition for judicial review of a decision of PERB in a contested case under Iowa Code chapter 20, concerning public employment relations and collective bargaining, the opposing party shall be named the respondent, and PERB shall not be named as a respondent, notwithstanding Iowa Code chapter 17A, the Iowa Administrative Procedure Act. The Act provides that judicial review of agency action by PERB under Iowa Code chapter 20 is not subject to Iowa Code chapter 17A.

The Act transfers responsibility for administering several employment and workforce-related programs from the Department of Education, the Economic Development Authority, and the Department on Aging to the Department of Workforce Development.

The Act also transfers employment agencies under Iowa Code chapter 94A from the Labor Commissioner to Workforce Development and transfers responsibility for reports and records under Iowa Code section 91.12 from the Division of Labor Services to Workforce Development.

HOUSE FILE 265

- Practice of Midwifery — Licensure
SEE HEALTH AND SAFETY. This Act requires a person providing midwifery services beginning July 1, 2024, to obtain a license to practice midwifery, as defined in the Act. The practice of midwifery is regulated by the Board of Nursing.

LABOR AND EMPLOYMENT

SENATE FILE 135 - Registered Interior Design

BY COMMITTEE ON STATE GOVERNMENT. This Act relates to the practice of interior design in Iowa. The Act changes the defined term “interior design” to “registered interior design” and includes specific practices that do and do not constitute the practice of registered interior design. The Act exempts from regulation under Iowa Code chapter 544C (Registered Interior Designers) a person engaged in an activity traditionally performed by an interior designer in a noncommercial setting and a person acting under the instruction, control, or supervision of a registered interior designer if the person is not in charge of interior technical submissions, as defined in the Act.

The Act requires a registered interior designer to have a seal with which to identify all interior technical submissions issued by the registered interior designer for use in Iowa. A registered interior designer must sign and seal only an interior technical submission within the scope of registered interior design and that was prepared by the registered interior designer or under the direct supervision and responsible charge of the interior designer, as defined in the Act. Registered interior designers may submit interior technical submissions to governmental entities for the purposes of obtaining a permit for an interior alteration or construction project. A registered interior designer shall not sign and seal an interior technical submission that the registered interior designer is not competent to perform.

Under the Act, a person who does any of the following commits a simple misdemeanor: intentionally affixes the signature or seal of a registered interior designer without the permission of the registered interior designer; uses or attempts to use the interior design registration or seal of another, except as otherwise allowed; impersonates a registered interior designer; obtains or attempts to obtain a registration by fraud; makes a willfully false oath or affirmation to the Interior Design Examining Board; or, as a registered interior designer, accepts compensation that would reasonably appear to compromise the registered interior designer’s professional judgment.

The Act requires a registered interior designer to avoid conflicts of interest. If an unavoidable conflict of interest arises, the Act requires a registered interior designer to take certain actions.

The Act authorizes a registered interior designer to sign and seal an interior technical submission that is required for an interior alteration or construction project and kept as a public record. The Act requires a political subdivision of the state to accept an interior technical submission impressed with the seal or stamp of a registered interior designer.

The Act repeals transition provisions in the Iowa Code that are no longer in effect.

SENATE FILE 197 - Professional Land Surveyors — Licensure Requirements

BY COMMITTEE ON STATE GOVERNMENT. This Act relates to licensure requirements for professional land surveyors.

The Act modifies requirements for a professional land surveyor applicant seeking licensure to include graduation from a college program of at least two years, including math and basic science courses, while previous law required graduation from a college program including math, physical sciences, mapping and surveying, or engineering. An applicant is required to have practical experience in the field, while previous law required an applicant to have six years of practical experience.

The Act strikes provisions granting a land surveyor seeking licensure prior to July 1, 1988, to substitute eight years of practical experience in lieu of graduation from the required program.

Licensure requirements are also modified by allowing multiple examinations to be utilized to determine the proficiency and qualifications of the applicant, rather than only one examination. The Act strikes language that required an applicant to demonstrate necessary practical experience in land surveying work prior to taking a land surveying examination.

The Act applies to applications for a license as a professional land surveyor submitted on or after July 1, 2023.

SENATE FILE 318 - Regulation of Apprenticeships

BY COMMITTEE ON WORKFORCE. This Act establishes the Iowa Office of Apprenticeship (“Iowa office”) within the Department of Workforce Development (DWD), to be operated and managed by the director of DWD. The Act provides for duties of the Iowa office, which generally pertain to procedures for the voluntary registration of apprenticeships with the Iowa office in accordance with regulations of the federal Department of Labor, Office of Apprenticeship (OOA). Apprenticeship programs generally must be established pursuant to an apprenticeship agreement between an apprentice and an apprenticeship sponsor and involve work in an apprenticeable profession, as those terms are defined in the Act, and must be registered with the OOA or the Iowa office.

The Act establishes the Iowa Apprenticeship Council as an advisory council within DWD. Members of the council are appointed by the Governor for three-year terms and must be familiar with apprenticeable occupations. The council is required to advise the Iowa office regarding the duties set forth in the Act and provide community outreach and education regarding the benefits of apprenticeship.

The Act provides additional duties for sponsors of registered apprenticeship programs, employers of apprentices, and licensing authorities.

SENATE FILE 542 - Youth Employment and Permissible Work Activities — Minor Driver’s License Interim Study Committee

BY COMMITTEE ON WORKFORCE. This Act relates to youth employment.

CHILD LABOR. The Act includes various amendments to Iowa Code chapter 92 (Child Labor). The Act strikes provisions providing for child labor permits and migrant child labor permits. The Act strikes provisions allowing certain children to engage in street occupations. The Act modifies permitted and prohibited work that can be performed by minors 14 to 17 years of age, as well as hours in which work can be performed. The Act strikes penalties for certain actions taken in violation of Iowa Code chapter 92 to procure employment for a person; other penalties for violations of Iowa Code chapter 92 are retained. The Act prohibits sexually violent predators and persons required to register as sex offenders from employing minors. The Act modifies exemptions from Iowa Code chapter 92. The Act transfers enforcement of Iowa Code chapter 92 from the Labor Commissioner to the Director of the Department of Inspections, Appeals, and Licensing in conformity with 2023 Iowa Acts, Senate File 514 (see State Government). The Act allows the director to waive or reduce a civil penalty under Iowa Code chapter 92 based on evidence the director may obtain and requires the director to provide a 15-day grace period before imposing a civil penalty. The Act modifies requirements for providing group insurance in specified circumstances to minors who sell or deliver the product of another and are designated as independent contractors. The Act changes terminology that referred to “occupations” to instead refer to “work activities.”

The Act allows the Director of the Department of Workforce Development or Department of Education to grant an exception from specified provisions of Iowa Code chapter 92 relating to prohibited work activities and work hours for minors 16 or 17 years of age participating in work-based learning or a school or employer-administered, work-related program approved by the applicable department if specified conditions apply. The Act provides that specified prohibitions on work activities are inapplicable to a student in an approved work-based learning program, registered apprenticeship, career and technical education program, or student learner program, provided the student is employed under specified conditions. A minor is prohibited from working under these provisions unless the director has on file written permission from the minor’s parent, guardian, or legal custodian, and from the school administering the program or employer.

The Act exempts a business that accepts a secondary student in a work-based learning program from civil liability for any claim for bodily injury to the student or sickness or death by accident of the student arising from the student’s driving to or from the business or worksite to participate in the work-based learning program unless the student is acting within the course and scope of the student’s employment at the direction of the business. Any claim for bodily injury to the student or sickness or death by accident of the student arising from the student’s participation in the work-based learning program at the business or worksite will be resolved exclusively under workers’ compensation.

ALCOHOLIC BEVERAGES. The Act allows a person 16 or 17 years of age to be employed in the sale or serving of alcoholic beverages for on-premises consumption by a person holding a retail alcohol license if the employer has on file written permission from the parent, guardian, or legal custodian of the person. The Act provides limitations and procedures for such employment.

MOTOR VEHICLE OPERATION STUDY. The Act provides for an interim study committee to meet during the 2023 Legislative Interim to examine policy matters relating to licensed driving by persons 14 to 18 years of age. The study committee must submit a report with its findings and recommendations to the General Assembly no later than December 15, 2023.

HOUSE FILE 93 - Mental Health Professional Employment Agreements — Prohibited Provisions

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act prohibits an employer from entering into an agreement with a licensed mental health professional, as defined in the Act, that limits the location at which the licensee may practice, prohibits the licensee from contacting for professional services a person previously treated by the licensee, or imposes a time restriction on the practice of the licensee.

The Act took effect June 1, 2023. A provision of an agreement entered into between an employer and a licensed mental health professional prior to, on, or after that date contrary to the Act shall be void and unenforceable.

- SENATE FILE 181** - Taxation — Property Tax Assessment Limitations, Employer Child Care Tax Credits, and Retirement Income Tax Withholding
SEE TAXATION. As the result of 2021 legislation, certain property that was previously classified as multiresidential property is classified as residential property for assessment years beginning on or after January 1, 2022, and the valuations of such property are included within the aggregate valuations used to calculate the assessment limitation under Iowa Code section 441.21(4). Division I of this Act excludes certain residential property values from the calculation of the assessment limitation for assessment years beginning on or after January 1, 2022.

The Act includes implementation provisions requiring the recertification of assessment limitations by the Director of the Department of Revenue, recalculation of taxable values by each county auditor, and provisions for the recertification of local government budgets for the fiscal year beginning July 1, 2023.

The division took effect February 20, 2023, and applies retroactively to assessment years beginning on or after January 1, 2022.

- SENATE FILE 418** - Public Funds Investments — Companies Owned or Controlled by Chinese Military or Government Services — Review Requirements
SEE STATE GOVERNMENT. This Act restricts the Iowa Public Employees' Retirement System and the Statewide Fire and Police Retirement System, along with other public funds, from directly investing in publicly traded foreign companies that are owned or controlled by the Chinese military or government services.

- SENATE FILE 514** - State Government Reorganization
SEE STATE GOVERNMENT. This Act relates to the organization, structure, and functions of state government. The Act allows the Attorney General to prosecute a criminal proceeding without first receiving a request from a county attorney to act as a county attorney and grants the Attorney General exclusive jurisdiction to prosecute election-related crimes. The provisions of the Act concerning the Attorney General took effect April 4, 2023.

The Act provides that responsibility for the community-based correction program established in each judicial district of the state shall be transferred to the Department of Corrections. The Act provides that all employees of a judicial district department of correctional services shall be employees of the Department of Corrections, and that the Director of the Department of

Corrections shall appoint, subject to the approval of the Board of Corrections, a director for each judicial district department of correctional services. The Act also converts the district board of each former judicial district department of correctional services to a district advisory board. Duties that were formerly those of the district board are transferred to the director.

HOUSE FILE 718

- Local Government Property Taxes, Financial Authority, Operations, and Budgets

SEE TAXATION. This Act relates to local government property taxes, financial authority, and budgets.

Division I of the Act modifies the authorized levy rates for general county services and rural county services under Iowa Code section 331.423 for fiscal years beginning on or after July 1, 2024, repeals Iowa Code section 331.426, which authorized additional property taxes for a county experiencing specified unusual circumstances, and establishes conditions for levying additional property taxes after approval at election.

Division II modifies the authorized city general fund levy rate under Iowa Code section 384.1 for fiscal years beginning on or after July 1, 2024, strikes several of the purposes for which a city may levy an additional tax under Iowa Code section 384.12, repeals Iowa Code section 384.8, which authorized a \$0.27 city emergency fund levy, and modifies the conditions under which a city is permitted to levy additional taxes for unusual circumstances.

Division III prohibits a property tax levy under Iowa Code chapter 300 (public education and recreation tax levy) from being approved at election on or after May 4, 2023.

Division IV strikes a provision that requires an annual report from the Iowa State Sheriffs' and Deputies' Association that details, in part, the total annual county budget allocation to the sheriff to fulfill those duties for which the sheriff is required to collect certain fees.

Division V establishes a homestead property tax exemption for assessment years beginning on or after July 1, 2023, for owners 65 or older that is in addition to the current homestead credit.

Division VI increases the military service property tax exemption amount for all eligible veterans to \$4,000 for assessment years beginning on or after January 1, 2023, and eliminates state funding for the current property tax credit starting with the fiscal year beginning July 1, 2024.

Division VII amends Iowa Code chapter 404 (urban revitalization areas) to require minimum assessment agreements for certain qualified property and to exclude school district levies from exemptions authorized for certain residential property.

Division VIII strikes certain exceptions to the authorization of city franchise fees and establishes conditions under which a city with a population that exceeds 200,000 may impose a franchise fee of up to 7.5 percent for fiscal years beginning on or after July 1, 2024, if the amount of the fees in excess of 5 percent are used solely for the reduction of property tax levies used to support the specified public transit purposes.

Division IX modifies the required contents of property valuation annual reports for assessment years beginning on or after January 1, 2024, submitted by each county auditor to the Department of Management and to the governing body of each taxing district.

Division X modifies the budget certification deadline for political subdivisions to be April 30 and establishes additional requirements for school districts, cities, and counties to take additional steps in preparing their annual budgets, including a requirement for individual statements to taxpayers that include certain tax and budget information and a public hearing.

Division XI authorizes a county to charge a \$10 convenience fee for the issuance or renewal of a driver's license or nonoperator's identification card to a person who is not a resident of the county unless the person provides proof of paying property tax in the county.

Division XII modifies provisions governing writing fees collected by a county recorder for certain actions relating to registrations, transfers, and certificates of title for certain water vessels, snowmobiles, and all-terrain vehicles.

Division XIII modifies the date upon which elections held on or after July 1, 2023, must be held for the approval of the issuance of bonds or other forms of indebtedness by political subdivisions of the state. If the special election is in whole or in part for the question of issuing bonds or other indebtedness, the election shall be held on the first Tuesday after the first Monday in November.

Division XIV modifies provisions governing the authority of cities and counties to enter into leases, lease-purchase contracts, and loan agreements, and provisions for the issuance of general obligation bonds. The division also modifies the required contents of certain annual financial reports filed by counties and cities. The division takes effect July 1, 2024.

LOCAL GOVERNMENT

SENATE FILE 183 - City Public Safety Employees — Maximum Employment Age

BY COMMITTEE ON JUDICIARY. This Act relates to the maximum employment age for certain city public safety positions. Under current law, the maximum age for a city police officer, marshal, or fire fighter employed for police duty or the duty of fighting fires is 65 years of age. The maximum employment age does not apply to volunteer fire fighters. The Act sets a maximum employment age of 65 for city law enforcement officers, in addition to those positions currently subject to the maximum employment age, and provides that the maximum employment age applies to any included position regardless of whether the person's employment is full-time or part-time. However, the maximum employment age does not apply to reserve peace officers in addition to volunteer fire fighters.

The Act took effect May 3, 2023.

SENATE FILE 399 - Registration and Regulation of Spray Pads, Swimming Pools, and Spas

BY COMMITTEE ON STATE GOVERNMENT. This Act defines the term "spray pad" and includes spray pads within the scope of Iowa Code chapter 135I (Swimming Pools and Spas) for registration and regulatory purposes.

The Act exempts a housing cooperative from the requirements of Iowa Code chapter 135I if the housing cooperative represents 72 or fewer dwelling units; the cooperative's bylaws apply to a rental agreement relative to any of the dwelling units; the cooperative's bylaws include an exemption from Iowa Code chapter 135I requirements; the cooperative's bylaws provide for inspection of the spray pad, swimming pool, or spa by an entity other than the Department of Health and Human Services or local board of health; and the cooperative's bylaws assume any liability associated with operation of the spray pad, swimming pool, or spa.

The Act took effect May 3, 2023.

SENATE FILE 445 - Review of Property Tax Protests by County Boards of Review

BY COMMITTEE ON LOCAL GOVERNMENT. Iowa Code section 441.31 governs the composition of local boards of review, which are required to hear property assessment protests. Under current law, if a city having a population of more than 125,000 abolishes its office of city assessor, the city may provide, by ordinance, for a city board of review or request the county conference board to appoint a 10-member county board of review. This Act specifies that for a 10-member county board of review, the chairperson of the board may authorize the board of review to convene subunits of the board of not less than three members for the purpose of conducting a hearing, receiving evidence, and making recommendations for the resolution of protests to be considered by the full board of review.

The Act took effect April 4, 2023, and applies to assessment protests for assessment years beginning on or after January 1, 2023.

SENATE FILE 519 - Electronic Registration Renewal of Off-Road Utility Vehicles

BY COMMITTEE ON NATURAL RESOURCES AND ENVIRONMENT. This Act authorizes a county recorder and a license agent to issue off-road utility vehicle registration renewals electronically, in addition to electronic all-terrain vehicle registration renewals. All-terrain vehicle and off-road utility vehicle registrations and renewals must be filed with the Department of Natural Resources through the county recorder or a license agent. The fee for a registration renewal issued using an electronic system is \$15 plus an administrative fee established by the Natural Resource Commission and a writing fee as provided in Iowa Code section 321I.29.

HOUSE FILE 541 - Sanitary District Tax Certification Deadline

BY COMMITTEE ON LOCAL GOVERNMENT. This Act changes the date by which a sanitary district board of trustees must annually certify taxes for levy to the county auditor from March 1 to March 15. The Act applies July 1, 2024, for sanitary district budgets for fiscal years beginning on or after that date. The March 15 deadline was subsequently changed by section 88 of 2023 Iowa Acts, House File 718 (see Taxation), to require certification by April 30.

HOUSE FILE 557 - Conduct of Elections for Benefited Recreational Lake and Water Quality Districts

BY COMMITTEE ON LOCAL GOVERNMENT. This Act relates to conducting elections for benefited recreational lake and water quality districts. Iowa Code chapter 357E requires elections for a proposed tax levy upon the establishment of a benefited recreational lake district, water quality district, or combined district; for the selection of trustees of the district; and for incurring an indebtedness. Prior law stated that an election under Iowa Code chapter 357E did not need to be conducted by the county commissioner of elections and required the county board of supervisors to appoint judges from among the registered voters of the district to be in charge of the election. The Act requires the county commissioner of elections to conduct elections held pursuant to Iowa Code chapter 357E and removes judges from the election process.

HOUSE FILE 602 - Public School Student Identification Cards — Suicide Prevention Information

BY COMMITTEE ON EDUCATION. This Act requires a public school to include on either side of identification cards (IDs) issued to students in grades 7 through 12 the crisis hotline telephone and text numbers and Internet address for the Your Life Iowa Program or its successor program.

The Act allows public schools that issue IDs to fifth or sixth graders to include information for the Your Life Iowa Program or its successor program on the IDs.

The Act applies to student IDs issued on or after July 1, 2023. A school that has a supply of unused student IDs may use that supply prior to complying with the requirements of the Act.

HOUSE FILE 603 - Volunteer Emergency Services Providers — Purchase of Personal Vehicle Tires Under Municipal Tire Purchase Contracts

BY COMMITTEE ON TRANSPORTATION. This Act provides that a municipality may authorize a volunteer emergency services provider who has performed services for the municipality for at least three years to purchase up to four tires for a personal vehicle every three years under a contract for tires with the municipality. The Act defines a volunteer emergency services provider as a volunteer fire fighter or a person performing the functions of an emergency medical care provider.

NATURAL RESOURCES AND OUTDOOR RECREATION

- SENATE FILE 528 - Crossbow Hunting by Individuals with Disabilities — Physical Therapist Verification
- HOUSE FILE 317 - Taking of Fur-Bearing Animals — Raccoons, Opossums, or Skunks on Agricultural Property

RELATED LEGISLATION

- SENATE FILE 519 - Electronic Registration Renewal of Off-Road Utility Vehicles
SEE LOCAL GOVERNMENT. This Act authorizes a county recorder and a license agent to issue off-road utility vehicle registration renewals electronically, in addition to electronic all-terrain vehicle registration renewals. All-terrain vehicle and off-road utility vehicle registrations and renewals must be filed with the Department of Natural Resources through the county recorder or a license agent. Electronic renewals must follow the manner established by the Natural Resource Commission.
- SENATE FILE 558 - Appropriations — Agriculture and Natural Resources
SEE APPROPRIATIONS. This Act appropriates moneys for the fiscal year beginning July 1, 2023, and ending June 30, 2024, from the General Fund of the State (GF), the Environment First Fund (EFF), and the State Fish and Game Fund for purposes of supporting a number of administrative entities, including the Department of Natural Resources (DNR). The Act appropriates moneys to DNR for purposes of supporting a number of regulatory and promotional programs associated with outdoor recreation. The Act appropriates moneys to the Iowa Resources Enhancement and Protection Fund from the EFF in lieu of the GF.
- The Act deposits moneys in the Water Quality Initiative Fund from the Iowa Nutrient Research Fund and strikes a provision requiring the Iowa Nutrient Research Center to facilitate collaboration among appropriate institutions of higher education governed by the State Board of Regents, including but not limited to institutes, departments, and centers. The Act changes standards relating to the authorization to regulate air pollution within a political subdivision. The Act also strikes a provision requiring 10 percent of the state's land area to be included under some form of open space protection by the year 2000.
- SENATE FILE 577 - Appropriations — Infrastructure and Capital Projects
SEE APPROPRIATIONS. This Act relates to and makes appropriations from the Rebuild Iowa Infrastructure Fund and the Technology Reinvestment Fund and provides for related matters.
- The Act amends Iowa Code section 456A.33C, creating the On-Stream Impoundment Fund (fund), by eliminating the fund and creating an On-Stream Impoundment Restoration Program. Current requirements in Iowa Code section 456A.33C regarding funding projects from the fund are retained for purposes of the program.
- HOUSE FILE 711 - Levee and Drainage Districts — Levee Improvement Fund — Office of Levee Safety — Levee Improvement Program
SEE AGRICULTURE. This Act creates an Office of Levee Safety and assigns new duties and powers to the Flood Mitigation Board to assist communities, including levee districts, by conducting a statewide analysis of the condition of the state's levees and the budget of levee districts, and by financing, on a cost-share basis, the repair or reconstruction of levees using moneys appropriated from the Rebuild Iowa Infrastructure Fund.

HOUSE FILE 718

- Local Government Property Taxes, Financial Authority, Operations, and Budgets
SEE TAXATION. This Act relates to local government property taxes, financial authority, and budgets.

Division XII modifies provisions governing writing fees collected by a county recorder for certain actions relating to registrations, transfers, and certificates of title for certain water vessels, snowmobiles, and all-terrain vehicles.

NATURAL RESOURCES AND OUTDOOR RECREATION

SENATE FILE 528 - Crossbow Hunting by Individuals with Disabilities — Physical Therapist Verification
BY COMMITTEE ON NATURAL RESOURCES AND ENVIRONMENT. This Act relates to persons eligible to hunt with a crossbow. Current law requires the Natural Resource Commission to adopt a rule permitting a crossbow to be used only by individuals with disabilities who are physically incapable of using a bow and arrow under the conditions in which a bow and arrow is permitted. The individual must submit an application to use a crossbow, which application must include a signed declaration that the individual is not physically able to use a bow and arrow. The Act allows the individual's physical therapist licensed under Iowa Code chapter 148A, in addition to the individual's physician as currently provided, to sign the declaration on the application.

HOUSE FILE 317 - Taking of Fur-Bearing Animals — Raccoons, Opossums, or Skunks on Agricultural Property
BY COMMITTEE ON NATURAL RESOURCES. This Act relates to the taking of fur-bearing animals without prior permission of the Natural Resource Commission (NRC).

Under current law, a person may kill, trap, or ensnare a fur-bearing animal outside of the open season if the killing, trapping, or ensnaring is for the protection of a person or public or private property and with the prior permission of a duly appointed representative of NRC. A person may take a fur-bearing animal without receiving prior permission if prior permission is impractical or impossible to obtain and the fur-bearing animal represents a threat to a person, domestic animal, or private property.

In addition to current situations in which prior permission is not required, the Act allows an owner or tenant of agricultural property or an associated residence located outside the corporate limits of a city to take, capture using a cage trap or dog-proof trap, shoot, or temporarily possess, for the purpose of destroying or disposing of, a raccoon, opossum, or skunk on the property without receiving prior permission if the owner or tenant in good faith deems the animal to be a nuisance. The Act does not authorize a person to take, capture, shoot, or temporarily possess an animal listed pursuant to the federal Endangered Species Act or listed as endangered by NRC. Any fur-bearing animal taken pursuant to an exception in Iowa Code section 481A.87 must be disposed of onsite or relinquished to a representative of NRC.

- HOUSE FILE 661** - Homemade Food Items and Licenses for Food Establishments and Food Processing Plants
SEE HEALTH AND SAFETY. This Act regulates the sale of food items by a food establishment, including a home food processing establishment, by allowing the sale of a

food item made to order. The Act also provides for the issuance of an annual license to a temporary food establishment or farmers market on a statewide basis, and for calculating the amount of an annual license fee paid by a food processing plant.

HOUSE FILE 666

- Regulation by Department of Agriculture and Land Stewardship of Commercial Animal Establishments, Grain, Weights and Measures, Motor Fuel, and Water Quality
SEE AGRICULTURE. This Act relates to a number of regulations and programs administered and enforced by the Department of Agriculture and Land Stewardship, including commercial establishments housing nonagricultural animals; grain transactions and fees; commercial use of weights and measures such as motor fuel and dispensers, and electric charging stations; and the expenditure of moneys to support surface water quality initiatives.

HOUSE FILE 670

- Practice of Veterinary Medicine — Veterinary Auxiliary Personnel
SEE AGRICULTURE. This Act regulates the practice of veterinary medicine, including by providing that certain individuals classified as auxiliary personnel may perform delegated tasks under the supervision of a veterinarian. The Act provides special certification requirements for one type of auxiliary personnel referred to as a registered veterinary technician.

HOUSE FILE 675

- Regulation of Money Transmission
SEE BUSINESS, BANKING, AND INSURANCE. This Act relates to bank transmission services. The Act details duties and requirements of the Superintendent of Banking (superintendent).

The Act requires the superintendent to manage licensing requirements for money transmission services. The Act encourages the superintendent to collaborate with multistate licensing processes. The superintendent may require a person to provide documentation demonstrating their exemption from licensing requirements.

The Act authorizes the superintendent to enter into agreements or relationships with other regulatory entities to improve efficiencies, utilize software or other processes for investigation purposes, accept reports from other government entities, and accept audit reports. The superintendent has authority to enforce the Act and promulgate related rules.

The Act allows the superintendent to supervise and conduct examinations or investigations regarding the acquisition of a license for conducting money transmission services.

The Act provides a list of investments deemed permissible and the superintendent may expand the types of investments deemed permissible for a bank.

STATE GOVERNMENT

SENATE FILE 388 - Office of Chief Information Officer — Conflicts Between State Regulation and Eligibility for Federal Funding — VETOED BY THE GOVERNOR

BY COMMITTEE ON TECHNOLOGY. This bill related to conflicts between federal funding and the Office of the Chief Information Officer (OCIO).

The bill provided that when state law and rules governing the OCIO conflict with the receipt of federal funds, state law and rules shall prevail when solely procedural or relating to subjects exclusively delegated to the state. The bill provided that federal definitions, criteria, scoring, and rules shall govern the eligibility and allocation of federal funds, and state law and rules governing the OCIO shall not modify federal definitions or criteria for eligibility regarding the allocation of federal funds.

SENATE FILE 418 - Public Funds Investments — Companies Owned or Controlled by Chinese Military or Government Services — Review Requirements

BY COMMITTEE ON STATE GOVERNMENT. This Act restricts the Treasurer of State, the State Board of Regents, the Iowa Public Employees' Retirement System (IPERS), the Public Safety Peace Officers' Retirement System, the Statewide Fire and Police Retirement System, and the Judicial Retirement System, defined as "public funds," from directly investing in publicly traded foreign companies identified as prohibited companies. "Prohibited company" means a company that is owned or controlled by the Chinese military or government services.

The Act requires each public fund to identify all prohibited companies in which the public fund has direct or indirect holdings by January 1, 2024, and to create and make available to the public a prohibited companies list and review and update the list on an annual basis. The Act requires public funds to scrutinize and engage with companies the fund identifies for possible inclusion as a prohibited company for a period of not more than 12 months. IPERS may, on behalf of all public funds, enlist third-party services for the development of the list.

The Act prohibits a public fund from acquiring direct holdings in publicly traded securities of a prohibited company. The Act requires a public fund to sell, redeem, divest, or withdraw all direct holdings in publicly traded securities of a prohibited company no later than 180 days following the date the company becomes a prohibited company.

The Act requires each public fund, within 30 days after the prohibited companies list is created or updated, to make the list available to the public. Additionally, the Act requires each public fund to prepare and make available to the public, and file with the General Assembly, an annual report, beginning October 1, 2024, concerning actions taken by the public fund, relative to the requirements of new Iowa Code chapter 12K, in the previous fiscal year.

SENATE FILE 478 - Audits and Examinations — Information Available to Auditor of State — Disputes Between Governmental Offices and Agencies

BY COMMITTEE ON STATE GOVERNMENT. This Act relates to the operation of state government, including the Auditor of State (auditor) and disputes between certain governmental bodies.

With respect to the auditor, the Act specifies that an audit or examination by the auditor commences when the period of professional engagement begins pursuant to the government auditing standards prescribed by the Comptroller General of the United States. The Act prohibits the auditor from having access to certain information reported to state and local health agencies. The Act also prohibits the auditor from having access to other information listed in the Act unless access to the information is required to comply with standards for engagement, to comply with other state or federal regulations, or in the case of alleged or suspected embezzlement or theft. If the auditor obtains such information, the Act requires all information to be anonymized prior to disclosure, except as required by government auditing standards. Upon the completion of an audit or examination, the Act prohibits the auditor from disclosing certain information in the final report without the express written consent of the individual identified or the audited or examined entity.

The Act adds constitutional and statutory offices of state government to the list of state governmental entities that must submit disputes between the entities to arbitration rather than resolve them through litigation. The Act requires a board of arbitration to resolve a dispute submitted to it within 60 days after submission of the dispute.

SENATE FILE 513 - Enforcement of Motor Vehicle Laws by the Department of Public Safety and the Department of Transportation — Funds and Personnel Transfers

BY COMMITTEE ON TRANSPORTATION. This Act relates to motor vehicle enforcement duties of the Department of Public Safety (DPS) and the Department of Transportation (DOT).

MOTOR VEHICLE ENFORCEMENT— DOT TO DPS. The Act provides for the transition of certain employees within the Motor Vehicle Enforcement (MVE) Division from the DOT to DPS. Effective July 1, 2023, DPS peace officers will assume the responsibilities and duties of MVE officers so transferred. On or before July 1, 2023, the DOT and DPS, in consultation with the Department of Administrative Services, must identify and transfer affected positions and incumbent civilian and MVE officer employees from the DOT to DPS. Transferred MVE peace officers will become peace officers in the Division of State Patrol (state patrol) within DPS.

The Act transfers to the state patrol responsibility for, among other duties, conducting enforcement activities that ensure the safe and lawful movement and operation of commercial motor vehicles (CMVs) and vehicles transporting loads. The state patrol is tasked with enforcing motor vehicle laws relating to the operating authority, registration, size, weight, and load of motor vehicles and trailers, and is authorized to enter a motor carrier's place of business to perform a safety audit or compliance review or inspect motor carrier records.

The Act requires DPS to adopt rules relating to the enforcement of rules regarding the safe operation of CMVs and the movement of loads.

RETIREMENT AND LONGEVITY PAY. Under the Act, a transferred MVE officer who has 10 or more years of membership service in the Iowa Public Employees' Retirement System (IPERS) on July 1, 2023, will remain a member of IPERS and will continue to be considered an employee in a protection occupation. A transferred MVE officer who has fewer than 10 years of membership service in IPERS will become a member of the Peace Officers' Retirement, Accident, and Disability System. A transferred MVE officer retains all rights to longevity pay.

REMAINING DOT OFFICERS. The Act authorizes the DOT to designate certain employees, not transferred to DPS under the Act, who have limited authority as peace officers to investigate and enforce laws relating to motor vehicle records, documents, credentials, procedures, and revenues, and to investigate motor vehicle fraud including but not limited to state and federal odometer laws. Employees designated by the DOT as peace officers are authorized under the Act to use force in emergent circumstances and in defense of life or property.

FINES — ROAD USE TAX FUND. The Act requires the State Court Administrator to allocate all of the fines and fees attributable to CMV citations issued by DPS to the Treasurer of State for deposit in the Road Use Tax Fund (RUTF). Moneys credited to the RUTF are prohibited from being appropriated for the payment of salaries, support, or maintenance of any personnel in DPS.

MISCELLANEOUS. The Act transfers remaining moneys from the DOT's Asset Forfeiture Fund to DPS's Asset Forfeiture Fund, provides for a lump sum transfer from IPERS to the Peace Officers' Retirement, Accident, and Disability System, requires DPS to honor certain employment offers by the DOT, provides for transition provisions including the transfer of applicable documentation and data, and allows for the transfer of administrative rules from the DOT to DPS.

SENATE FILE 514 - State Government Reorganization

BY COMMITTEE ON STATE GOVERNMENT. This Act relates to the organization, structure, and functions of state government. The Act is organized by divisions.

Division I — Department of Health and Human Services

This division provides the legislative changes for the realignment of the Department of Human Services (DHS) and Department of Public Health (DPH) into the Department of Health and Human Services (HHS), as necessary to implement the realignment effective July 1, 2023, as required by 2022 Iowa Acts, chapter 1131, section 51, subsection 6, paragraph “a.” In addition, the Act incorporates into HHS the Iowa Department on Aging, the Department of Human Rights (DHR), Early Childhood Iowa, and the Iowa Commission on Volunteer Service.

The Act eliminates several references to the subunit structure and the heads of such subunits of HHS and other agencies incorporated into HHS below the department level, including divisions, bureaus, and administrators. Instead, the Act authorizes the HHS director to organize HHS into subunits as necessary to most efficiently carry out the responsibilities of HHS. The Act also restructures the membership of boards, commissions, and other entities to avoid duplicative representation by more than one person representing HHS following the incorporation of other agencies and units of government into HHS.

The Act also makes several changes in terminology relating to health and human services. The Act changes references to “child support recovery unit” to “child support services”; “foster care recovery unit” to “foster care services”; “substance abuse,” “drug abuse,” and similar terms to “substance use disorder”; “food stamps” to “Supplemental Nutrition Assistance Program”; and “hawk-i” program to the “Hawki” program. The Act also designates “record check evaluation system” to refer to the process used by HHS to perform child and dependent adult abuse record checks and to evaluate criminal history and abuse records and eliminates references to “service area” and “service area manager” for the delivery of services, but retains references to county offices and advisory boards.

The Act eliminates the State Board of Health and amends the membership of the HHS Council to expand voting membership from seven to nine members, requiring that at least one of these members is a physician licensed to practice medicine in Iowa.

Through incorporation of DHR into HHS, the Act eliminates the Division of Community Advocacy and Services, the Division of Community Action Agencies, and the Division of Criminal and Juvenile Justice Planning, and assigns the functions of these former divisions to HHS while retaining the underlying offices, commissions, councils, and the Human Rights Board.

The Act also moves the function of the Iowa Child Death Review Team from the Office of the State Medical Examiner to HHS; establishes the Iowa Domestic Abuse Death Review Team under HHS rather than as an independent agency of state government; eliminates the reference to Iowa Medicaid Enterprise and assigns those functions to the Medicaid program; moves the responsibility for regulation of consumable hemp to HHS from the Department of Inspections and Appeals (DIA); and moves the Child Advocacy Board from DIA to HHS and the associated functions related to foster care review and court appointed special advocates.

Division II — Department of Administrative Services

This division transfers the library services duties of the Department of Education (DE), the State Archivist and duties related to state records and archives, and most of the historical division of the Department of Cultural Affairs to the Department of Administrative Services (DAS). The Act also provides that DAS shall undertake responsibilities concerning museum property previously provided by the Department of Cultural Affairs.

LIBRARY SERVICES. The Act eliminates the Library Services Division of DE and transfers duties and responsibilities of the division from DE to DAS. The State Librarian is transferred to DAS and the Act further provides that the State Librarian shall be appointed by the Director of DAS and not by the State Commission of Libraries. The State Commission of Libraries is also transferred to DAS and the Act replaces the Director of DE with the Director of DAS as a member of the commission. The Act retains the rulemaking authority of the commission as it relates to library services.

STATE RECORDS AND ARCHIVES. Iowa Code chapter 305, the State Records and Archives Act, is transferred to Iowa Code chapter 8A. The Act transfers the duties currently performed by the Department of Cultural Affairs relating to the State Records and Archives Act to DAS. The Act strikes the Director of the Department of Cultural Affairs as a member of the State Records Commission. The Act also provides that the Director of DAS, and not the administrator of the Historical Division of the Department of Cultural Affairs, shall serve as an ex officio member of the Iowa Historical Records Advisory Board.

HISTORICAL RESOURCES. The Act eliminates the Historical Division of the Department of Cultural Affairs and the administrator of that division and transfers most of the duties of the Historical Division and the administrator of that division to DAS and the Director of DAS. References to the Historical Division and to the State Historical Society as an agency of the state are eliminated and those responsibilities are transferred to DAS. The Act specifically defines the State Historical Society as a membership organization of DAS and retains those duties and responsibilities currently assigned to the State Historical Society as a membership organization with the State Historical Society.

The Act transfers the Iowa Heritage Fund and the Historical Resource Development Program to DAS and provides that control of the Battle Flag Restoration Fund, created in 2012 Iowa Acts, chapter 1136, shall be assigned to DAS and not the Department of Cultural Affairs.

Division III — Department of Inspections, Appeals, and Licensing

This division of the Act renames the Department of Inspections and Appeals (DIA) as the Department of Inspections, Appeals, and Licensing (DIAL), and modifies the organizational structure and duties of the renamed department.

LABOR SERVICES. The Act transfers the Labor Services Division and Labor Commissioner, previously under the Department of Workforce Development (DWD), to DIAL, including duties of the division and commissioner. The Act provides that the Labor Commissioner shall serve at the pleasure of the Governor instead of for a six-year term. The Act also provides that duties of the Labor Commissioner relating to workers' compensation, occupational safety, health, and hazardous chemicals risks are retained as duties of the Labor Commissioner under DIAL. Most other labor-related duties previously performed by the Labor Commissioner are transferred to DIAL and the Director of DIAL, and not retained by the Labor Commissioner. However, the Act transfers the duties of the Labor Commissioner concerning bidder preferences to DAS and duties concerning employment agencies to DWD.

WORKERS' COMPENSATION. The Act transfers the Workers' Compensation Services Division and Workers' Compensation Commissioner, including duties of the division and commissioner, previously under DWD, to DIAL. The Act further provides that the Workers' Compensation Commissioner shall serve at the pleasure of the Governor instead of for a six-year term.

LICENSING AND REGULATION ACTIVITIES. The division transfers several licensing and regulation functions of state government to DIAL. The licensing and regulation of certain fire control and building code-related activities are transferred from the State Fire Marshal and the Commissioner of Public Safety to DIAL. The licensing and regulation of certain health-related professions and other health-related activities are generally transferred from the Department of Public Health to DIAL. Finally, the licensing and regulation of certain business and commerce-related professions are transferred from the Department of Commerce and the Professional Licensing and Regulation Bureau of the Banking Division of the Department of Commerce to DIAL.

Concerning fire control duties, the Act transfers several duties previously performed by the State Fire Marshal to DIAL and the DIAL Director. Specifically, those duties previously performed by the State Fire Marshal unrelated to arson investigations provided in Iowa Code chapter 100 are transferred to DIAL. In addition, prior duties and responsibilities of the State Fire Marshal and Department of Public Safety (DPS) under Iowa Code chapter 100C concerning fire extinguishing and alarm systems contractors and installers, Iowa Code chapter 100D concerning fire protection system installation and maintenance, Iowa Code chapter 101 concerning combustible and flammable liquids and liquefied gases, Iowa Code chapter 101A concerning explosive materials, and Iowa Code chapter 101B concerning cigarette fire safety standards are transferred to DIAL and the DIAL Director. Also, prior State Fire Marshal duties related to school infrastructure, health care facilities, motor fuel facilities and dispensers, elder group

homes, assisted living programs, adult day services, child foster care and child care facilities, children's residential facilities, State Board of Regents, school child care program facilities, fireworks, and Department of Corrections Institutions are transferred to DIAL and the Director of DIAL.

Concerning state building code duties, the Act provides that the DIAL Director, and not the Commissioner of Public Safety, is the State Building Code Commissioner and is responsible for those duties performed by the State Building Code Commissioner. In addition, prior duties and responsibilities of the State Fire Marshal and DPS concerning electricians and electrical contractors are transferred to DIAL and the Director of DIAL.

Finally, prior duties and responsibilities of the Department of Public Health and the State Fire Marshal concerning plumbers, mechanical professionals, and contractors are transferred to DIAL and the Director of DIAL.

Concerning health-related professions and other related duties, the Act generally transfers licensing and board-related duties previously under the jurisdiction of the Department of Public Health to DIAL and the Director of DIAL. The Act eliminates the Professional Licensure Division of the Department of Public Health and provides that the DIAL Director, and not the Director of Public Health, shall appoint and supervise a full-time executive director for the Board of Medicine, the Board of Nursing, the Dental Board, and the Board of Pharmacy. Previous responsibilities of the Department of Public Health relating to tattooing, natural hair braiding, lead abatement, pools, backflow prevention, tanning facilities, and migrant labor camps are also transferred to DIAL and the DIAL Director.

Concerning the licensing and regulation of certain business and commerce-related professions, the Act eliminates the Professional Licensing and Regulation Bureau of the Banking Division of the Department of Commerce and transfers duties of the bureau and other Department of Commerce duties to DIAL and the DIAL Director. Specifically, duties and responsibilities concerning professional engineers and land surveyors, real estate brokers and salespersons, real estate appraisals and appraisers, real estate appraisal management companies, licensed architects, landscape architects, and registered interior designers, are transferred to DIAL and the DIAL Director.

ADMINISTRATIVE LAW JUDGES. The division provides that administrative law judges utilized for purposes of unemployment security, the Civil Rights Commission, the Department of Education, special education, and the Board of Educational Examiners shall be administrative law judges employed by the Division of Administrative Hearings of DIAL.

CIVIL RIGHTS COMMISSION. The division provides that the Iowa State Civil Rights Commission shall be created within DIAL.

Division IV — Department of Justice

This division of the Act relates to the Department of Justice. The Act eliminates the position of General Counsel of the Department of Transportation and directs the Attorney General to provide legal services for the Department of Transportation. The Act strikes a provision making certain employees of the Department of Justice and administrative law judges appointed or employed by the Public Employment Relations Board subject to the merit system.

The Act allows the Attorney General to prosecute a criminal proceeding without first receiving a request from a county attorney to act as a county attorney. The Act requires the Attorney General to submit a report by January 15 of each year detailing all money settlement awards and court money awards that were awarded to the state of Iowa in the previous year.

The Act changes the title of the First Assistant Attorney General to "Chief Deputy Attorney General." The Act repeals Iowa Code sections allowing the Attorney General to appoint assistant attorneys general to perform and supervise the legal work of the Department of Revenue and the Division of Child and Family Services of the Department of Human Services. The Act allows the Attorney General to charge state governmental entities for the cost of performing legal services and to require state governmental entities to provide office space for an assistant attorney general or other staff providing legal services exclusively for that entity. The Act changes the circumstances under which an entity of the state may employ private legal counsel.

The Act grants the Attorney General exclusive jurisdiction to prosecute election-related crimes.

The Act exempts all employees of the Department of Justice from Iowa Code chapter 20 (Public Employment Relations). Under prior law, nonsupervisory employees of the Consumer Advocate Division who were employed primarily for the purpose of performing technical analysis of nonlegal issues were not exempt.

The Act eliminates the position of Special Assistant Attorney General for Claims and transfers the duties of the position to the Attorney General.

The Act strikes a provision requiring DPS to employ an Assistant Attorney General.

The Act changes certain provisions for the appointment and removal of the Consumer Advocate by the Attorney General, including by striking a requirement that the Consumer Advocate be an attorney. The Act also provides that the Attorney General, and not the Consumer Advocate, may employ attorneys and other employees necessary to discharge the duties of the Consumer Advocate Division.

The division took effect April 4, 2023.

Division V — Economic Development Authority

This division of the Act concerns the duties and responsibilities of the Iowa Economic Development Authority (IEDA) and the Director of IEDA.

CULTURAL AFFAIRS. The division of the Act transfers the responsibilities of the Department of Cultural Affairs, including the Arts Division and the Film Office, to IEDA. The division eliminates the Department of Cultural Affairs and all related internal organizational structure under the department.

STATE HISTORIC PRESERVATION OFFICER. The division of the Act transfers the State Historic Preservation Officer (SHPO), and all related duties of the SHPO, from the Department of Cultural Affairs to IEDA.

IOWA FINANCE AUTHORITY. The division codifies that the Director of IEDA shall also serve as the Director of the Iowa Finance Authority. The Act also provides that the Director of IEDA shall serve at the pleasure of the Governor and not for a four-year term.

Division VI — Economic Development Authority — Partner State Program

This division of the Act codifies the Partner State Program and puts the program under IEDA. The division took effect April 4, 2023.

Division VII — Public Employment Relations Board

This division relates to the Public Employment Relations Board (PERB).

The Act provides for an Executive Director of PERB to be appointed by and serve at the pleasure of the Governor, subject to confirmation by the Senate. In selecting the Executive Director, consideration shall be given to the person's knowledge, ability, and experience in the field of labor-management relations. The Governor shall set the salary of the Executive Director within the applicable salary range established by the General Assembly. The Act authorizes PERB to delegate its powers and duties to the Executive Director or persons employed by PERB, as appropriate.

Concerning members of PERB, the Act strikes language providing qualification considerations when the Governor selects members of PERB and providing that members of PERB shall devote full time to their duties. The Act additionally requires PERB to meet at least quarterly and modifies language pertaining to the compensation of PERB members and employees.

The Act provides that in a petition for judicial review of a decision of PERB in a contested case under Iowa Code chapter 20, the opposing party shall be named the respondent and PERB shall not be named as a respondent,

notwithstanding Iowa Code chapter 17A (Iowa Administrative Procedure Act). The Act provides that judicial review of agency action by PERB under Iowa Code chapter 20 is not subject to Iowa Code chapter 17A.

Division VIII — Department of Homeland Security and Emergency Management

The Act provides that the Department of Homeland Security and Emergency Management, and not DHS, shall administer the Disaster Aid Individual Assistance Grant Fund and the Disaster Case Management Grant Fund. The name of the Disaster Case Management Grant Fund is changed to the Disaster Case Advocacy Grant Fund.

The Act also provides that the Director of the Department of Homeland Security and Emergency Management shall be subject to confirmation by the Senate and shall serve at the pleasure of the Governor.

Division IX — Department of Veterans Affairs

This division combines the duties of the Department of Veterans Affairs (IVA) Director and the Iowa Veterans Home Commandant into a single position and changes the title of the head of IVA from Director to Commandant.

The division replaces the Commission on Veterans Affairs' authority to supervise the Commandant's administration of operations and conduct of the Iowa Veterans Home with the authority to review and approve applications for distributions of moneys from the Veterans License Fee Fund and the Veterans Trust Fund.

The division requires IVA to reimburse the Auditor of State for audits and examinations the Auditor of State conducts relating to the Iowa Veterans Home.

Division X — Office of Drug Control Policy

The Act renames the Governor's Office of Drug Control Policy as the Office of Drug Control Policy and establishes the office within DPS. The Act provides that a drug policy director shall be appointed by the Commissioner of DPS and that the director shall direct the Office of Drug Control Policy. Under prior law, the Governor's Office was an independent office, located at the same location as DPS, with the ability of the office to receive administrative support services from DPS.

Division XI — Department of Workforce Development

This division modifies duties and responsibilities of the DWD.

The Act transfers administration of the Statewide Work-Based Learning Intermediary Network Program and Vocational Rehabilitation under Iowa Code chapter 259 from DE to DWD. In addition, the Act requires DWD, rather than DE, and community colleges to implement adult education and literacy programs.

The Act transfers the responsibility to coordinate and review the Industrial New Jobs Training Program under Iowa Code chapter 260, and to administer jobs training under Iowa Code chapter 260F, the Workforce Development Fund Program, the Accelerated Career Education Program under Iowa Code chapter 260G, the Apprenticeship Training Program under Iowa Code chapter 15B, the Future Ready Iowa Registered Apprenticeship Development Program under Iowa Code section 15C.1, and the Future Ready Iowa Expanded Registered Apprenticeship Opportunities Program under Iowa Code section 15C.2, from IEDA to DWD.

The Act also transfers the Older American Community Service Employment Program from the Department on Aging to DWD.

Finally, the Act transfers employment agencies under Iowa Code chapter 94A from the Labor Commissioner to DWD and transfers responsibility for reports and records under Iowa Code section 91.12 from the Division of Labor Services to DWD.

Division XII — Department of Revenue

This division of the Act transfers the Iowa Lottery Authority and the duties of the Alcoholic Beverages Division of the Department of Commerce to the Department of Revenue.

IOWA LOTTERY. The division eliminates the Iowa Lottery Authority and transfers authority for operating the Iowa Lottery to an Iowa Lottery Division within the Department of Revenue. The position of Chief Executive Officer of the Lottery Authority is replaced by a Lottery Administrator, with modified duties. The Act allocates responsibility for operating the Iowa Lottery between the division, the Lottery Administrator, the Department of Revenue, the Director of the Department of Revenue, and the Lottery Board.

The Act provides for a Lottery Administrator, instead of a Chief Executive Officer, who shall direct the day-to-day operations of the Lottery as specified by the Department of Revenue and the director. The Lottery Administrator shall be appointed by the Governor, confirmed by the Senate, and shall serve at the pleasure of the Governor. Under prior law, the Chief Executive Officer was appointed by the Governor for a four-year term and could only be removed from office for cause. Compensation of the Lottery Administrator shall be set by the Governor.

The Act further modifies provisions concerning establishing the budget for the Iowa Lottery, Lottery personnel, contracts, and audits.

ALCOHOLIC BEVERAGE CONTROL. The division eliminates the Alcoholic Beverages Division of the Department of Commerce and transfers authority over the duties of the Alcoholic Beverages Division to the Department of Revenue and the Director of the Department. The Act eliminates the position of Administrator of the Alcoholic Beverages Division and transfers those duties of the Administrator to the Director of Revenue.

Division XIII — Department for the Blind

This division provides that the Director of the Department for the Blind shall be appointed by the Governor, subject to confirmation by the Senate, and shall serve at the pleasure of the Governor. The Act provides that the salary of the director shall be set by the Governor within the applicable salary range established by the General Assembly. The Act also eliminates the authority for the Commission for the Blind to appoint officers for the commission. The division took effect April 4, 2023, and authorizes the Governor on or before July 1, 2023, to appoint a director of the department effective July 1, 2023.

Division XIV — Department of Education

This division transfers the responsibilities of several governmental entities to DE.

IOWA BRAILLE AND SIGHT SAVING SCHOOL AND IOWA SCHOOL FOR THE DEAF. The Act strikes Iowa Code references to the Iowa Braille and Sight Saving School and provides for an Iowa Educational Services for the Blind and Visually Impaired Program. The Act further transfers governing authority over the Iowa Educational Services for the Blind and Visually Impaired Program and the Iowa School for the Deaf from the Board of Regents to DE. The Act also strikes provisions regarding the merging of the Iowa School for the Deaf with the Iowa Braille and Sight Saving School but retains provisions governing the closure of the Iowa School for the Deaf.

INNOVATION DIVISION. The Act creates the Innovation Division of DE and transfers the Science, Technology, Engineering, and Mathematics Collaborative Initiative (STEM Initiative) currently located at the University of Northern Iowa to the Innovation Division. The Act provides for a Chief Administrative Officer of the Innovation Division who shall be appointed by the DE Director. Subject to an appropriation of moneys, the Act requires the Innovation Division to administer six regional science, technology, engineering, and mathematics networks for Iowa with oversight for these networks provided by a regional advisory board, the members of which are appointed by the Governor.

HIGHER EDUCATION DIVISION AND MISCELLANEOUS CHANGES. Concerning DE, the Act provides that DE is to act in a policymaking and advisory capacity and to exercise general supervision over the Iowa Educational Services for the Blind and Visually Impaired Program, Iowa School for the Deaf, STEM Initiative, College Student

Aid Commission, Board of Educational Examiners, and the career and technical education programs offered by school districts or community colleges.

The Act establishes the Higher Education Division within DE and provides for a Chief Administrative Officer of the Higher Education Division, who is appointed by the DE Director. The Act establishes all of the following within the Higher Education Division: the Community Colleges and Post-Secondary Readiness Bureau; the Board of Educational Examiners; the College Student Aid Commission; and the Community Colleges Bureau. The Act requires the administrator of the Higher Education Division to administer and coordinate all of these bureaus, boards, and commissions and to hire and control the personnel employed by the division, along with providing for other responsibilities.

Concerning the duties of the State Board of Education and the duties of the DE Director, the Act modifies Iowa Code provisions governing these duties and authorizes the State Board and the Director to exercise broad authority over the operations of the department, except with respect to the Higher Education Division; the bureaus, boards, and commissions within the Higher Education Division; and the Public Broadcasting Board and Division.

COMMUNITY COLLEGES AND POST-SECONDARY READINESS BUREAU. The Act transfers the Career and Technical Education Program previously governed by DE to the Community Colleges and Post-Secondary Readiness Bureau within the Higher Education Division of the department. The Act requires the DE Director to appoint the Bureau Chief of the Community Colleges and Post-Secondary Readiness Bureau and tasks the bureau chief with directing the work of personnel as necessary to carry out the responsibilities of the Career and Technical Education Program.

BOARD OF EDUCATIONAL EXAMINERS. The Act transfers the Board of Educational Examiners to the purview of the Higher Education Division of DE. The Act further provides that the DE Director shall appoint the executive director of the board and set the salary of the executive director. Previously, the Governor appointed the executive director of the board, subject to confirmation by the Senate, and provided that the board shall set the salary of the executive director within the salary range established by the General Assembly.

COLLEGE STUDENT AID COMMISSION. The Act transfers the College Student Aid Commission to the purview of the Higher Education Division of DE. The Act provides that the DE Director shall appoint an executive director of the commission and shall set the salary of the executive director. Under prior law, the commission acted as an autonomous state agency that was attached to DE for organizational purposes only.

COMMUNITY COLLEGES BUREAU. The Act transfers the responsibility to govern certain aspects of community colleges from the Community Colleges Division within DE to the Community Colleges Bureau, which the Act establishes within the Higher Education Division of DE. The Act requires the DE Director to appoint the Bureau Chief of the Community Colleges Bureau. The Act tasks the bureau chief with directing the work of personnel as necessary to carry out responsibilities relating to community colleges.

Division XV — Commerce

This division provides that the Department of Commerce shall be renamed the Department of Insurance and Financial Service (DIFS) and modifies provisions relating to the Office of the Consumer Advocate, the Iowa Utilities Board, and the renamed department.

DEPARTMENT OF INSURANCE AND FINANCIAL SERVICES. The Act provides that the renamed DIFS shall consist of the Insurance Division, the Banking Division, and the Credit Division. The Act eliminates the Alcoholic Beverages Division of the Department of Commerce and the Professional Licensing and Regulation Bureau of the Banking Division of the Department of Commerce and transfers those functions to the Department of Revenue and DIAL, respectively. The Act provides that the Insurance Commissioner shall be the DIFS Director. The Superintendent of Banking and Superintendent of Credit Unions shall report to the Insurance Commissioner. The Act provides that the Superintendent of Banking and the Superintendent of Credit Unions shall serve at the pleasure of the Governor instead of for a four-year term. The Act also eliminates the provision that the Superintendent of Credit Unions can only be removed from office by the Governor for cause. Finally, the Act provides that the

salary of the Insurance Commissioner, Superintendent of Banking, and Superintendent of Credit Unions shall be set by the Governor. The Act also updates law enforcement authority under Iowa Code section 507E.8 to reflect the Insurance Commissioner's responsibility to enforce laws under Iowa Code chapters 502, 502A, 507A, 523A, 523C, 523D, and 523I.

IOWA UTILITIES BOARD — CONSUMER ADVOCATE. The Act provides that the Utilities Division of the Department of Commerce shall be removed as a division of the Department of Commerce and function as a stand-alone board. The Act also provides that the Office of the Consumer Advocate shall be administratively supported by the Utilities Board.

Division XVI — Department of Corrections — Judicial District Departments of Correctional Services and Community-Based Correctional Programs

Prior law provided that a judicial district of correctional services be established in each judicial district of the state to provide a community-based correctional program. Each judicial district of correctional services had a board of directors, which employed a director for the district. The Act provides that all employees of a judicial district department of correctional services shall be employees of the Department of Corrections, and that the Director of the Department of Corrections shall appoint, subject to the approval of the Board of Corrections, a director for each judicial district department of correctional services. The Act also converts the district board of each former judicial district department of correctional services to a District Advisory Board. Duties that were formerly those of the district board are transferred to the director.

Division XVII — Board of Parole

Concerning the Board of Parole, the Act eliminates the three alternate board members and provides that all five members of the board, and not just the chairperson, shall be full-time, salaried employees. The Act also provides that the Governor shall appoint a chairperson and vice chairperson from the membership of the board who shall serve at the pleasure of the Governor subject to Senate confirmation.

Division XVIII — Salaries of Appointed State Officers

The General Assembly periodically establishes salary ranges for certain appointed state officers and authorizes a person (generally the Governor) to establish the salaries of those officers within the ranges provided. These noncodified provisions remain operative until the General Assembly subsequently passes new salary ranges. The General Assembly last passed such provisions in 2008.

Under the Act, the salary amounts set forth for ranges 4 through 7 remain the same as those passed in 2008. Ranges 2 and 3 no longer apply to any positions and are eliminated. The chairperson and members of the Employment Appeal Board are moved from range 3 to range 4, the Executive Director of PERB is added to range 5, and the Lottery Administrator of the Department of Revenue is added to range 7.

The following positions included in the 2008 salary ranges (as amended) are not included in the Act's salary ranges, either because the position no longer exists under the Act or because the salary of the position is to be set without a salary range limitation: (range 2) Administrator of the Arts Division of the Department of Cultural Affairs; (range 3) Administrator of the Division of Criminal and Juvenile Justice Planning of DHR, Administrator of the Division of Community Action Agencies of DHR; (range 4) Director of DHR, members of PERB; (range 5) Director of the Department of Homeland Security and Emergency Management, Drug Policy Coordinator, Director of the Department of Cultural Affairs, Director of the Department on Aging, Executive Director of IVA, Executive Director of the College Student Aid Commission, Administrator of the Historical Division of the Department of Cultural Affairs; (range 6) Administrator of the Alcoholic Beverages Division of the Department of Commerce, Director of the Department of Inspections and Appeals, Commandant of the Iowa Veterans Home, Commissioner of Public Safety, Commissioner of Insurance, Executive Director of the Iowa Finance Authority, Director of the Department of Natural Resources; (range 7) Director of the Department of Corrections, Director of DE, Director of Human Services, Director of IEDA, Director of Transportation, Director of DWD, Director of Revenue, Director of Public

Health, Director of the Department of Management, and Director of DAS. The Act makes corresponding Iowa Code changes. This division took effect June 23, 2023.

Division XIX — Boards and Commissions

This division establishes a Boards and Commissions Review Committee to study the efficiency and effectiveness of each board, council, commission, committee, or other similar entity of the state established by the Iowa Code. The Act specifies the members of the committee and provides that the Office of the Governor shall provide staffing for the committee. Finally, the Act provides that the committee shall submit a report containing its findings and recommendations to the Governor and the General Assembly on or before September 30, 2023.

Division XX — Miscellaneous Provisions

The Act includes a transition provision concerning administrative rules, legal obligations, funds, litigation, boards and commissions, and signs and insignia.

SENATE FILE 517 - Adopted Persons and Reestablishment of Original Birth Certificates — Biological Parent Information

BY COMMITTEE ON HEALTH AND HUMAN SERVICES. This Act provides for the addition of biological parent information of an adult adopted person to an original certificate of birth through reestablishment of the original certificate of birth.

The Act provides that notwithstanding whether an original certificate of birth is substituted with a new certificate of birth following adoption of the subject of the original certificate of birth, whether a new certificate of birth is issued to show that a person for whom the new certificate is requested has been legitimated or that paternity of that person has been determined, or whether a new certificate of birth is issued to show paternity if paternity is not shown on the original certificate of birth, an adopted person who is the subject of the original certificate of birth who was born in this state, who is at least 18 years of age at the time the application is filed, and whose original certificate of birth was substituted with a new certificate of birth pursuant to Iowa Code section 144.24 based upon the adoption may apply to the State Registrar to reestablish that original certificate of birth to include the name on that original certificate of birth of an omitted biological parent.

The Act includes requirements that must be met prior to reestablishment of an original certificate of birth under the Act. A reestablished original certificate of birth registered under the Act shall be marked reestablished and a summary statement of the evidence submitted in support of the reestablished original certificate of birth shall be endorsed on the certificate.

If an original certificate of birth is reestablished under the Act, an adopted person or an entitled person as defined under state law may apply for and obtain a noncertified copy of the reestablished original certificate of birth subject to compliance with specified requirements.

The Act directs the State Registrar to adopt administrative rules relating to the establishment, collection, and deposit of fees for preparation and registration of a reestablished original certificate of birth and for issuance of a noncertified copy of a reestablished original certificate of birth; the consent and affidavit forms; the proof of identification requirements relative to the provision of consent by the subject of an original certificate of birth to reestablishment of the original certificate of birth; and the evidentiary requirements to substantiate that a person is an omitted biological parent of the subject of the original certificate of birth.

HOUSE FILE 138 - Iowa Public Employees' Retirement System — Coding and Contributions for Service Reclassified as a Protection Occupation

BY COMMITTEE ON STATE GOVERNMENT. This Act provides that persons employed as a peace officer or fire fighter by a covered employer, and not just a city, under the Iowa Public Employees' Retirement System (IPERS) are included within the protection occupation category of IPERS. The Act provides that membership service prior to April 28, 2023, shall be reclassified as protection occupation service without payment of any additional contributions to

pay the actuarial costs of the reclassified service if the employer certifies the employment as constituting protection occupation service under the Act.

The Act took effect April 28, 2023, and applies to membership service under IPERS on or after July 1, 2017.

HOUSE FILE 332 - Disposal of Real Property of the State — Authority of Director of the Department of Administrative Services — Deposit of Funds

BY COMMITTEE ON STATE GOVERNMENT. This Act concerns the disposition of real property belonging to the state and its agencies by the Department of Administrative Services (DAS). The Act provides that the prior requirement of receiving authorization of a constitutional majority of each house of the General Assembly and approval by the Governor prior to disposition of real property is limited to the disposition of real property on the capitol complex. For all other real property, the Act provides that the DAS Director may dispose of the property on terms the director may determine with the authorization of a constitutional majority of each house of the General Assembly, or approval by the Legislative Council if the General Assembly is not in session, and subsequent approval by the Governor. The Act provides that if the real property is under the jurisdiction or control of a state agency which has the express statutory power to dispose of the real property, the state agency must approve the DAS Director's proposed plan of disposition of that real property. Provisions governing the disposition of proceeds from the sale of real property still apply to the disposition of real property as provided by the Act.

HOUSE FILE 564 - Criminal History and Intelligence Data Access by County Attorneys in Child in Need of Assistance Proceedings

BY COMMITTEE ON JUDICIARY. This Act adds to the definition of a "criminal or juvenile justice agency," a county attorney or assistant county attorney in a proceeding alleging that a child is a child in need of assistance for purposes of Iowa Code chapter 692 (Criminal History and Intelligence Data).

HOUSE FILE 567 - Nonsubstantive Code Corrections

BY COMMITTEE ON JUDICIARY. This Act makes Iowa Code changes and corrections that are considered to be nonsubstantive and noncontroversial, in addition to style changes.

Changes made include correcting references by name to legislative committees and state and federal agencies, entities, officials, or programs; correcting federal citations; correcting spelling, grammar, capitalization, punctuation, and use of italics; combining related provisions into the same Iowa Code subunit; updating style to highlight form language; adding terminal commas or semicolons before the last items within complex series; conforming the use of defined terms to definitions; changing a singular use of a term to a plural use to match other language; replacing the word "thereat" with more specific language; striking a redundant phrase; adding citations to the enabling statute for the Groundwater Protection Fund after references to the fund by name; dividing long sentences into more than one sentence; adding a citation to the definition of "home food establishment" after a reference to the term by name; conforming string citations to current Iowa Code style; replacing the word "dollars" with "moneys"; adding the missing word "section" within an internal reference; removing a redundant instance of the word "section" within an internal reference; correcting the use of the word "and" and the punctuation in a complex series; striking a redundant use of the word "said"; replacing the words "the date specified in the preceding sentence" with that specified date; adding commas after prefatory clauses; adding a numeric reference after an Iowa Code chapter part reference; changing the word "said" to the word "the"; dividing an Iowa Code paragraph to distinguish Iowa Code section language from form language; striking the redundant words "and thereafter"; replacing archaic conjugations of the verb "to be" with modern language; eliminating references to repealed Iowa Code subsections with citations; supplying the missing verb "be"; striking an extraneous instance of the word "and" within an item that is part of a numeric list; supplying the missing word "section" in citations; supplying the word "tier" to match the style of other language; correcting terminology used, incorrect lead-ins, and incorrect Iowa Code citations and Iowa Acts provisions; rewriting an Iowa Acts provision to supply the missing indefinite article "a"; and transferring an Iowa Code section containing a short title to a location that is near the beginning of the Iowa Code chapter to which the short title pertains.

The correction to an internal reference in 2018 Iowa Acts, chapter 1161, section 114, is retroactively applicable to January 1, 2023. The corrections to Iowa Code references within 2022 Iowa Acts, chapter 1061, sections 53 and 54, are retroactively applicable to January 1, 2022.

HOUSE FILE 573 - Substantive Code Corrections

BY COMMITTEE ON JUDICIARY. This Act contains statutory corrections that adjust language to reflect current practices, insert earlier omissions, delete redundancies and inaccuracies, delete temporary language, resolve inconsistencies and conflicts, update ongoing provisions, or remove ambiguities.

Changes are made in provisions relating to regulation of transient merchants; the Land Office; economic development tax credits; sports tourism marketing and infrastructure; review of local government budget preparation; enforcement of immigration laws; local government financial assistance in disaster emergencies; 911 emergency telephone systems; elections, candidates, and electors; workers' and occupational disease compensation and employer's liability insurance; boilers and unfired steam pressure vessels; unemployment compensation; the Iowa Public Employees' Retirement System; the State Fire Marshal's annual report; regulation of alcoholic beverages; controlled substances; applications and notice regarding substance-related disorder involuntary commitment proceedings; the occupational therapy licensure compact; the practice of nursing; meat and poultry inspection; pesticides; juvenile justice; deposit and expenditure of public broadcasting service fees; calculation of school foundation property tax; student loan program application requirements; improvement of self-liquidating facilities and dormitories by the State Board of Regents; federal funding for Iowa State University of Science and Technology; school district or nonpublic school agreements for interscholastic activities; unlawful rebates of public school tuition; control, establishment, alteration, and vacation of highways; placement of utility facilities on primary road rights-of-way; secondary roads; motor vehicle regulation; motor carrier regulation; regulation of aeronautics; airport zoning; organization, powers, and duties of county government; county zoning; county hospitals; benefited water districts; benefited fire districts; sanitary districts; city utilities; city zoning; income and sales and use taxation; assessment and valuation of property; transfer of watercraft motor fuel tax revenues to the Marine Fuel Tax Fund; air pollution control programs conducted by political subdivisions of the state; public lands and waters; levee and drainage districts; electric transmission lines; wildlife conservation and regulation of hunting and fishing; professional corporations; regulation of insurance and insurers; regulation of banking; regulated loans; consumer credit transactions; Real Estate Commission proceedings; conveyances; manufactured home communities or mobile home parks residential landlord and tenant law; probate; examination of attached perishable property; unauthorized disclosure of intimate images; enforcement of no-contact orders; the Sex Offender Registry; older individual assaults; fraud in assisted reproduction; elder abuse; contract attorneys' fees in criminal cases; and restaurant food delivery.

Changes made to provisions relating to removal of city utility board members; early childhood development income tax credits; investments in financial instruments used in hedging transactions by life insurance companies and associations; restaurant food delivery; and insurance coverage of telehealth took effect May 3, 2023. Changes made to insurance coverage of telehealth apply retroactively to June 14, 2022. Changes made to provisions relating to investments in financial instruments used in hedging transactions by life insurance companies and associations and restaurant food delivery apply retroactively to July 1, 2022. Changes made to early childhood development income tax credits apply retroactively to January 1, 2023.

HOUSE FILE 688 - Iowa Administrative Rules and Rulemaking Procedures

BY ADMINISTRATIVE RULES REVIEW COMMITTEE. This Act concerns the state rulemaking process under Iowa Code chapter 17A and related matters pertaining to agency functions.

Division I — Rulemaking Procedures and Related Matters

The Act includes various revisions to procedures for editing, publishing, citing, and archiving of the Iowa Administrative Bulletin and Iowa Administrative Code; provides that the exclusion of the legislative branch from the definition of "agency" in Iowa Code chapter 17A includes components of the legislative branch; modifies the power of the Administrative Rules Review Committee to suspend action on a notice of intended action for 70 days; provides various changes relating to the adoption of materials by reference in rules, including the requirement of a date certain in such adoptions in specified circumstances; and modifies requirements for the adoption of fees by rule.

This division takes effect January 1, 2024.

Division II — Agency Statutes and Rules

The Act provides that the Department of Revenue may adopt rules relating to the duties of the Iowa Capital Investment Board and Iowa Code chapter 15E; repeals the Iowa Advance Funding Authority and rescinds the rules of the authority; and rescinds the rules of the Uniform State Laws Commission.

HOUSE FILE 709 - Federal Block Grant Appropriations and Other Federal Funding

BY COMMITTEE ON APPROPRIATIONS. This Act appropriates moneys for the 2023-2024 and 2024-2025 federal fiscal years from block grants available from the federal government and provides procedures for increasing or decreasing the appropriations if the amounts of the block grants are increased or decreased from the amounts anticipated. The federal fiscal year begins October 1, and the state fiscal year begins July 1.

The Act also makes standing appropriations for the 2023-2024 and 2024-2025 state fiscal years of other federal and nonstate grants, receipts, and moneys.

The Act appropriates moneys for the 2020-2021 federal fiscal year made available from federal legislation. These provisions took effect June 1, 2023, and apply retroactively to October 1, 2020.

HJR 3 - Proposed Constitutional Amendment — Gubernatorial Line of Succession

BY COMMITTEE ON STATE GOVERNMENT. This Joint Resolution proposes an amendment to the Constitution of the State of Iowa regarding the gubernatorial line of succession. In the case of a temporary disability of the Governor or Governor-elect, the Lieutenant Governor or Lieutenant Governor-elect shall act as Governor or Governor-elect until the disability is removed, or the Governor dies, resigns, or is removed from office. In the case of the death, resignation, or removal from office of the Governor or Governor-elect, the Lieutenant Governor or Lieutenant Governor-elect shall become Governor or Governor-elect for the residue of the term, and the office of Lieutenant Governor shall become vacant.

The Joint Resolution will be published and then submitted to the electorate for ratification at the general election in November 2024.

Iowa Code chapter 357E requires elections for a proposed tax levy upon the establishment of a benefited recreational lake district, water quality district, or combined district; for the selection of trustees of the district; and for incurring an indebtedness. The Act requires the county commissioner of elections to

conduct elections held pursuant to Iowa Code chapter 357E and removes judges from the election process.

TAXATION

SENATE FILE 181 - Taxation — Property Tax Assessment Limitations, Employer Child Care Tax Credits, and Retirement Income Tax Withholding

BY COMMITTEE ON WAYS AND MEANS. This Act modifies provisions relating to Iowa's property tax and income tax laws.

Division I — Property Tax Assessment Limitations

Iowa Code section 441.21(4) establishes the calculation used to determine the assessment limitation for residential property and agricultural property. As the result of 2021 legislation, certain property that was previously classified as multiresidential property is classified as residential property for assessment years beginning on or after January 1, 2022, and the valuations of such property are included within the aggregate valuations used to calculate the assessment limitation under Iowa Code section 441.21(4). The Act excludes the values of the following from the calculation of the assessment limitation for assessment years beginning on or after January 1, 2022: mobile home parks; manufactured home communities; land-leased communities; assisted living facilities; parcels primarily used or intended for human habitation containing three or more separate dwelling units; and that portion of a parcel primarily used or intended for use as commercial property or industrial property that is used or intended for human habitation containing three or more separate dwelling units.

The Act includes implementation provisions requiring the recertification of assessment limitations by the Director of the Department of Revenue, recalculation of taxable values by each county auditor, and provisions for the recertification of local government budgets for the fiscal year beginning July 1, 2023.

This division took effect February 20, 2023, and applies retroactively to assessment years beginning on or after January 1, 2022.

Division II — Employer Child Care Tax Credit

The Act specifies the Employer Child Care Tax Credit is available against the individual and corporate income taxes, the franchise tax, the insurance premiums tax, and the moneys and credits tax, for the portion of the federal employer-provided child care tax credit provided in section 45F of the Internal Revenue Code, attributable to expenditures made in this state. This provision took effect February 20, 2023, and applies retroactively to January 1, 2023, for tax years beginning on or after that date.

Division III — Retirement Income Withholding

For tax years beginning on or after January 1, 2023, retirement income is not subject to Iowa individual income tax. The Act specifies a withholding agent is not required to withhold Iowa individual income tax from retirement income if the retirement income is not subject to Iowa tax.

This division took effect February 20, 2023, and applies retroactively to January 1, 2023, for tax years beginning on or after that date.

SENATE FILE 565 - Administration of Tax Laws by the Department of Revenue — Miscellaneous Changes

BY COMMITTEE ON WAYS AND MEANS. This Act relates to state and local finance and the administration of the tax and related laws by the Department of Revenue (department).

IOWA EDUCATIONAL SAVINGS PLAN AND FIRST-TIME HOMEBUYERS DUE DATES. The Act makes changes to the Iowa Educational Savings Plan (529 plans) and the First-Time Home Buyer Savings Account Program (account).

The Act provides that if the Director of Revenue (director) extends the date for making and filing an individual income tax return in the case of a natural disaster as is currently permitted, the taxpayer may elect that a contribution made

to a 529 plan during the extended time to file such a return may be deemed to have been made for the prior calendar year.

The Act provides that the account designations must be provided to the department on or before the date to file an individual income tax return, excluding extensions, on or before the extended filing date if the director extends the date for making and filing an individual income tax return in the case of a natural disaster.

BONUS DEPRECIATION AND INCREASED EXPENSING. The “trigger” (2018 Iowa Acts, chapter 1161, sections 99 through 134), which modified various tax rates and provisions, went into effect on January 1, 2023. The Act specifies that the repeal of bonus depreciation and increased expensing provisions in the trigger applies to tax years beginning on or after January 1, 2023, for property placed in service on or after January 1, 2023.

TAX FILING STATUS MODIFICATIONS. For tax years beginning on or after January 1, 2023, the Act requires a taxpayer to use the same filing status for Iowa individual income tax purposes as the taxpayer used for federal individual income tax purposes.

IOWA TAX WITHHOLDING. The Act rewrites Iowa Code section 422.16 relating to withholding agents withholding Iowa tax from the wages or other income of a resident or nonresident.

The Act strikes provisions requiring the withholding of state income tax from retirement income made to Iowa residents if the retirement income is no longer subject to Iowa income tax.

The Act excludes some pass-through entity income for purposes of calculating whether a taxpayer is required to make estimated tax payments.

FUTURE CORRESPONDING CHANGE. The Act strikes a reference to the highest individual income tax rate in Iowa Code section 422.5A and replaces that reference with Iowa Code section 422.5. The provision takes effect January 1, 2026, when the highest individual income tax rate is transferred from Iowa Code section 422.5A to Iowa Code section 422.5.

SETTLEMENT AUTHORITY—NOTICE OF ASSESSMENT—ESTIMATION OF TAX. Under prior law, the director may compromise and settle doubtful claims for taxes or refunds. The Act expands the settlement authority of the department to include the settlement of any taxes, penalties, and interest in the case of doubtful liability, doubtful collectability, economic hardship, or to promote effective tax administration. The Act requires the department to make a complete record of the settlement. A taxpayer shall not have the right to a settlement, and any determination by the department regarding a settlement shall be discretionary and final, except in the case of fraud, mutual mistake, or stated in a written settlement agreement.

The Act amends provisions relating to the appeal period for the revision of the assessment of tax. The Act specifies that the appeal period provisions apply to notices from the department involving adverse department actions directed at a specific taxpayer, other than licensing, which involve a calculation.

The Act specifies that if a taxpayer required to file a return with the department fails to file the return or files a false or fraudulent return, the department may, at any time, estimate the tax due based upon information or knowledge the department is able to obtain. If the department estimates such tax due, the Act requires the department to issue a notice of assessment to the taxpayer, and creates procedures for the department to follow if the taxpayer files a return within three years from the date of the assessment, and procedures if the taxpayer fails to file such a return within three years from the date of the assessment.

The Act specifies that the department may examine a sales tax return within three years after the return is filed. Under prior law, the department was required to examine such a return within three years. The Act establishes procedures for when a sales tax return is incorrect or insufficient when filed. The department determines the amount of tax due from information or knowledge the department is able to obtain including using any generally recognizable sampling technique to determine the tax owed, if the sampling technique is mutually agreed upon by the department and the person being audited. The Act requires the department to issue a notice of assessment if the return is found

to be incorrect, and establishes procedures for the taxpayer to either appeal the assessment, or pay the tax, penalty, and interest, and file a refund claim on the estimated tax if necessary.

The Act establishes the procedures for when a sales or use tax return is not filed. The period for examination and determination of the correct amount of tax is unlimited in such situations, and the Act allows the department to estimate the amount of tax due. The Act requires the department to issue a notice of assessment, and establishes procedures for the taxpayer to either appeal the assessment, or pay the tax, penalty, and interest, and file a refund claim on the estimated tax if necessary.

The Act specifies the department shall administer the taxes in Iowa Code chapter 452A (Motor Fuel and Special Fuel Taxes) in the same manner as Iowa Code sections 422.25(4) (payments first credited to penalty and interest), 423.35 (posting a bond), and 423.37 (procedures for when a return is filed incorrectly or not filed).

The Act specifies the department shall administer the taxes in Iowa Code chapter 453A (cigarette and tobacco taxes) in the same manner as Iowa Code section 423.37.

The Act repeals Iowa Code section 423.38, which provided applicable judicial review procedures for actions of the department involving sales and use taxes.

The provisions relating to settlement authority, notice of assessment, and estimation of tax take effect January 1, 2024.

TAX RETURN PREPARERS AND PERSONS AUTHORIZED TO ACT FOR TAXPAYERS. Most tax return preparers are required to include the preparer's personal identification number on a return prepared by the preparer. The Act requires additional types of tax return preparers to include the preparer's personal identification number on a return prepared by the preparer and filed with the department including a preparer licensed as a certified public accountant or a licensed public accountant under Iowa Code chapter 542 or a similar law of another state, a preparer admitted to practice law in this state, or a preparer who is an enrolled agent enrolled to practice before the Internal Revenue Service.

The Act modifies provisions relating to the authority of a person to act on behalf of a taxpayer including striking the authority of an individual to act on behalf of a taxpayer who has been named as an authorized representative on a fiduciary return or an inheritance tax return.

SETOFF. The Act allows but does not require the department to establish a fee for use of the setoff system. Under prior law, the department was required to charge a fee for use of the setoff system. The setoff system operated by the department is currently not operational until the department adopts rules.

HOMESTEAD PROPERTY TAX CREDIT. The Act expands the definition of "owner" to allow a person occupying a homestead to receive the Homestead Property Tax Credit regardless of whether the underlying land is held in fee or as a leasehold interest, provided that the person is occupying the homestead and is liable for and pays property tax on the homestead. The provision took effect June 1, 2023, and applies to claims under Iowa Code chapter 425, subchapter I, for credits against property taxes due and payable in fiscal years beginning on or after July 1, 2024.

PROPERTY TAX CREDITS AND RENT REIMBURSEMENT. The definition of "income" is modified to include certain retirement, deferred, or rental income for purposes of calculating eligibility for the Elderly and Disabled Property Tax Credit or for reimbursement of rent constituting property taxes paid under Iowa Code chapter 425, subchapter II.

The provision applies to claims under Iowa Code chapter 425 for credits due and payable in fiscal years beginning on or after July 1, 2024, and for rent reimbursement in base years beginning on or after January 1, 2023. The provision also applies to claims for a credit for manufactured and mobile home taxes due in fiscal years beginning on or after July 1, 2024.

ELECTRONIC COMMUNICATION — RULES. If the department posts a rule to the department's electronic portal, the posting of the electronic communication shall satisfy any requirement of mailing or personal service for purposes of Iowa Code chapter 17A.

COMPOSITE RETURN FILING EXCLUSION FOR FINANCIAL INSTITUTIONS AND CERTAIN FINANCIAL INSTITUTIONS. A pass-through entity is not required to remit Iowa income or franchise tax on behalf of a nonresident member if either of the following apply: the pass-through entity is a financial institution subject to the franchise tax and files a franchise tax return and pays any franchise tax owed; or the pass-through entity wholly owns one or more financial institutions subject to the franchise tax, and at least 90 percent of the gross income of the pass-through entity for the tax year is also reportable income on the franchise tax return of the wholly owned financial institutions and any franchise tax owed is paid.

RETIRED FARMER INCOME EXCLUSIONS. The Act modifies the definition of "materially participated" for purposes of the retired farmer tenancy income exclusion and the retired farmer capital gain exclusion by excluding section 469(h)(3) of the Internal Revenue Code from the definition of "materially participated" that otherwise includes section 469(h) of the Internal Revenue Code.

The provision took effect June 1, 2023, and applies retroactively to tax years beginning on or after January 1, 2023.

INSTRUCTIONAL SUPPORT INCOME SURTAX. The Act modifies the manner in which the instructional support income surtax is deposited into the School District Income Surtax Fund by requiring monthly deposits into the fund and prohibiting certain income surtax moneys from being deposited into the General Fund of the State. The Act also modifies the instructional support income tax certification and accounting dates from the department to the Department of Management.

COMPOSITE RETURN EXCEPTION FOR ESTATES. For a tax year beginning on or after January 1, 2022, and ending before December 31, 2022, an estate is not required to file a composite tax return and pay composite return tax if the estate received a certificate of acquittance from the department without having filed the composite tax return. The provision took effect June 1, 2023.

PROPERTY TAX PAYMENTS — SCHOOL DISTRICTS. Iowa Code section 441.21(5)(e) establishes an annual payment to local governments based on the modified assessment limitations imposed on that portion of the value of commercial and industrial properties that does not exceed \$150,000. The Act specifies that the portion of such payments received by a school district resulting from the foundation property tax shall be regarded as property tax for purposes of the State School Foundation Program. The provision took effect June 1, 2023.

HOUSE FILE 270 - Informal Review and Protest Deadlines for Property Tax Assessments — Disaster Areas or Disaster Emergencies

BY COMMITTEE ON LOCAL GOVERNMENT. This Act provides that for a county that has been declared to be a disaster area by proper federal authorities after March 1 and prior to May 20 of the year of assessment, the period for informal assessment review under Iowa Code section 441.30 shall be extended to and include May 25 of such year. Additionally, the Act authorizes such an extension if the county is the subject of a state of disaster emergency proclamation by the Governor.

The Act makes similar changes to the period of time for sessions of the local board of review under similar circumstances so that such boards may remain in session until July 15, and modifies the period of time for filing a protest under such circumstances from May 25 through June 5 to be May 1 through June 5.

HOUSE FILE 318 - Property Tax Credit Filing Deadlines

BY COMMITTEE ON LOCAL GOVERNMENT. A claim for credit for property taxes due under Iowa Code chapter 425, subchapter II (elderly, disabled, and low-income property tax credit), is generally required to be filed with the county treasurer between January 1 and June 1, immediately preceding the fiscal year during which the property taxes are due. However, in case of sickness, absence, or other disability of the claimant, or if in the judgment of the county treasurer good cause exists, the county treasurer may extend the time for filing a claim for credit through

September 30 of the same calendar year. This Act extends that potential extension period to March 31 of the fiscal year during which the property taxes are due.

The Act makes a similar change to provisions governing claims for the Manufactured or Mobile Home Tax Credit under Iowa Code chapter 435, modifies dates relating to the authority to grant additional time to file such a claim under certain circumstances, and modifies the date by which the Department of Revenue shall pay each county under Iowa Code chapter 435.

The Act took effect May 26, 2023, and applies to taxes due and payable in fiscal years beginning on or after July 1, 2023.

HOUSE FILE 352 - Pass-Through Entities — Entity-Level Taxation Election and Franchise and Corporate and Individual Income Taxes

BY COMMITTEE ON WAYS AND MEANS. Under prior law, a pass-through entity filed an entity-level tax return but taxable income was allocated to the partners or shareholders of the pass-through entity who were then subject to the individual income or franchise tax at the partner or shareholder level. This Act allows a pass-through entity to elect to pay any tax due at the entity level and allows a partner or shareholder of the pass-through entity to claim a credit of their portion of any tax paid by the pass-through entity against the individual income tax or franchise tax, as applicable. A pass-through entity includes a partnership, other than a publicly traded partnership, or a subchapter S corporation.

If a pass-through entity makes an election to be taxed at the entity level, the pass-through entity is taxed at the maximum individual income tax rate imposed against the taxable income allocated and apportioned to the state for the taxable year. When filing a return at the entity level after an election, a pass-through entity is prohibited from taking a net operating loss or other loss carryback or carryforward and is limited to taking only the following credits: the Franchise Tax Credit, the Composite Credit, and the Pass-Through Entity Credit created in the Act if the partner or shareholder is itself a pass-through entity.

A pass-through entity's election to be taxed at the entity level is irrevocable once made for the tax year and is binding on all partners or shareholders of the pass-through entity.

If an election is made to be taxed at the entity level, the partners or shareholders of the pass-through entity calculate a credit to be used against the individual income tax or franchise tax of the partner or shareholder that is equal to the product of the following amounts: the ratio of the partner's or shareholder's share of the pass-through entity's taxable income over the pass-through entity's total taxable income multiplied by the state tax liability actually paid by the pass-through entity; and the difference between 100 percent and the highest individual income tax rate in effect for the tax year.

The Pass-through Entity Tax Credit calculated under the Act is a refundable credit for partners and shareholders.

If a pass-through entity elects to be taxed at the entity level, the pass-through entity is not required to file a composite tax return.

A nonresident individual who is a partner or shareholder of a pass-through entity that makes an election to be taxed at the entity level is not required to file an Iowa tax return under the Act if the only Iowa source income of the nonresident individual is from the pass-through entity making the election, the credit allowed such an individual equals or exceeds the tax liability of the individual, and the pass-through entity pays the tax due. Previously, such an individual was required to file an Iowa tax return.

The Act only applies to tax years for which the limitation on individual deductions for state and local taxes applies at the federal level. The Act took effect May 11, 2023, and applies retroactively to January 1, 2022, for tax years beginning on or after that date.

HOUSE FILE 660 - Extension of Raceway Facility Sales Tax Rebate and Corrective Tax Provisions

BY COMMITTEE ON WAYS AND MEANS. This Act relates to sales tax rebates for a raceway facility. Under prior law, the sales tax receipts collected and remitted upon sales of tangible personal property or services furnished by retailers at a raceway facility were rebated to the raceway facility until the earliest occurrence of any of the following: June 30, 2025; the total rebate amount equals the project costs incurred by the owner or the total rebate amount equals \$1.8 million, whichever is less; or the ownership of the raceway facility changes. The Act changes the date the rebate program must end from June 30, 2025, to June 30, 2030, if any of the other conditions requiring the end of the program have not been met.

The Act also includes provisions to correct omissions in HF 718 relating to property taxes.

HOUSE FILE 703 - Hoover Presidential Library Tax Credit — Extension of Credit

BY COMMITTEE ON WAYS AND MEANS. This Act relates to the Hoover Presidential Library Tax Credit available against the individual and corporate income taxes, the franchise tax, the insurance premiums tax, and the moneys and credits tax. Under previous law, the tax credit applied to tax years beginning on or after January 1, 2021, but before January 1, 2024. The Act extends the tax years a taxpayer is able to claim the tax credit by one tax year. A taxpayer is able to take the tax credit through tax years beginning before January 1, 2025.

HOUSE FILE 710 - Endow Iowa Tax Credit

BY COMMITTEE ON APPROPRIATIONS. This Act relates to the Endow Iowa Tax Credit.

The Act appropriates \$7 million from the Sports Wagering Receipts Fund to the General Fund of the State for the fiscal year beginning July 1, 2022, for purposes of the Endow Iowa Tax Credit. This provision took effect June 1, 2023.

The Act modifies provisions relating to the maximum amount of tax credits authorized for the Endow Iowa Tax Credit for the tax year beginning on or after January 1, 2023, but before January 1, 2024, by increasing the maximum amount of tax credits authorized for tax year 2023 from \$6 million to \$13 million. This change took effect June 1, 2023, and applies retroactively to the tax year beginning on or after January 1, 2023, but before January 1, 2024.

Finally, the Act provides that the changes made in 2022 Iowa Acts, chapter 1002, modifying the maximum amount of tax credits granted to a taxpayer for the Endow Iowa Tax Credit do not apply to endowment gifts made to an Endow Iowa qualified foundation prior to January 1, 2023. This provision took effect June 1, 2023, and applies retroactively to January 1, 2023.

HOUSE FILE 718 - Local Government Property Taxes, Financial Authority, Operations, and Budgets

BY COMMITTEE ON WAYS AND MEANS. This Act relates to local government property taxes, financial authority, and budgets.

Division I — County Property Taxes and Budgets

Iowa Code section 331.423 establishes a levy rate limitation for the general county services levy of \$3.50 per \$1,000 of assessed value of taxable property in the county and a limitation for the rural county services levy of \$3.95 per \$1,000 of assessed value of taxable property in the county.

The Act modifies the general county services levy rate limitation for fiscal years beginning on or after July 1, 2024, to be a levy rate not to exceed the greater of \$3.50 and the adjusted general county basic levy rate, as defined and, if applicable, adjusted under the Act. The adjusted general county basic levy rate is initially the sum of \$3.50 plus the levy rate for general county services under Iowa Code section 331.426, Code 2023, for the fiscal year beginning July 1, 2023. The adjusted general county basic levy rate is recalculated if the total assessed value used to calculate taxes for general county services for the budget year exceeds certain thresholds. In addition, if the county's actual levy rate for general county services for the current fiscal year is \$3.50 or less and the total assessed value used to calculate taxes for the budget year exceeds specified thresholds, the levy rate for general county services for the budget year shall not exceed the rate that is equal to 1,000 multiplied by the quotient of the current fiscal year's actual property tax dollars certified for levy for general county services divided by, based on the amount of valuation

growth, either 102 percent or 103 percent of the total assessed value used to calculate taxes for the current fiscal year. The Act similarly modifies the maximum levy rate for rural county services for fiscal years beginning on or after July 1, 2024.

The Act repeals Iowa Code section 331.426, which authorized a county experiencing unusual circumstances, including increases in population, natural disaster or emergency, problems relating to major new functions required by state law, staffing problems, need for additional moneys to continue certain programs, need for new county programs that provide a substantial benefit to residents, and reduced or unusually low growth rate in the county, to levy additional property taxes for general county services or rural county services.

Iowa Code section 331.425 provides that a county may certify an addition to a levy in excess of the amounts otherwise permitted under Iowa Code sections 331.423, 331.424, and 331.426 if the proposition to certify an addition has been approved at election. The Act provides that if the addition to a levy approved at election is due to unusual circumstances resulting from the following, the duration of such approval at election shall not exceed the following period of years: (1) unusual problems relating to major new functions required by state law, three years; and (2) unusual need for a new program that will provide substantial benefit to county residents, if the county establishes the need and the amount of necessary increased cost, one year. In addition, for elections to approve additions to a levy for such reasons or as the result of a natural disaster, the ballot shall include additional information relating to the major reasons for the addition.

The Act strikes “[a]ny other purpose which is necessary for the operation of the county or the health and welfare of its citizens” from the definition of “general county purpose.”

Division I of the Act applies to county taxes and budgets for fiscal years beginning on or after July 1, 2024.

Division II — City Property Taxes and Budgets

Iowa Code section 384.1 establishes the city general fund levy and limits the levy rate on property that is not used and assessed for agricultural or horticultural purposes to \$8.10 per \$1,000 of taxable value. The Act modifies the levy rate limit for fiscal years beginning on or after July 1, 2024, to not exceed the greater of \$8.10 or the adjusted city general fund levy rate, as defined and, if applicable, adjusted under the Act. The adjusted city general fund levy rate is initially the sum of \$8.10 plus the certain levy rates imposed by the city for the fiscal year beginning July 1, 2023, if applicable, under Iowa Code section 384.8, Code 2023, Iowa Code section 384.12, subsections 1-9, 11-13, 15, 16, and 20, Code 2023, and Iowa Code section 24.48, Code 2023. The adjusted city general fund levy rate is recalculated if the total assessed value used to calculate taxes for the budget year exceeds certain thresholds. In addition, if the city’s actual general fund levy rate for the current fiscal year is \$8.10 or less and the total assessed value used to calculate taxes for the budget year exceeds specified thresholds, the levy rate for the budget year shall not exceed the rate that is equal to 1,000 multiplied by the quotient of the current fiscal year’s actual property tax dollars certified for levy divided by, based on the amount of valuation growth, either 102 percent or 103 percent of the total assessed value used to calculate taxes for the current fiscal year.

Iowa Code section 384.12 authorizes a city to levy various other additional taxes that under current law are not subject to the \$8.10 levy limit. The Act strikes several of the purposes for which a city may levy an additional tax and if the county imposes such levies in the fiscal year beginning July 1, 2023, increases the county’s general services levy rate authority under Iowa Code section 384.1 by such levy rate amounts, subject to reduction, as previously described.

Iowa Code section 24.48, in part, authorizes a city with a reduced property tax base or unusually low growth rate or experiencing unusual circumstances, including increases in population, natural disaster or emergency, problems relating to major new functions required by state law, staffing problems, need for additional moneys to continue certain programs, and need for new programs that provide a substantial benefit to residents, to appeal to the State Appeal Board to suspend levy limitations and levy additional property taxes. The Act provides that for budgets for fiscal years beginning on or after July 1, 2024, suspension of the statutory property tax levy limitations for a city shall

only be approved for a natural disaster, problems relating to major new functions required by state law, or a need for new programs that provide a substantial benefit to residents.

The Act repeals Iowa Code section 384.8, which authorized a \$0.27 city emergency fund levy and strikes “[a]ny other purpose which is necessary for the operation of the city or the health and welfare of its citizens” from the definition of “general corporate purpose.”

Division II applies to taxes and budgets for fiscal years beginning on or after July 1, 2024.

Division III — Public Education and Recreation Tax Levy

Iowa Code chapter 300 authorizes the imposition of a voter-approved property tax levy for the establishment and maintenance of public recreation places and playgrounds, and necessary accommodations for the recreation places and playgrounds, in the public school buildings and grounds of the district. The property tax levy under Iowa Code chapter 300 also provides financial support to community education programs established under Iowa Code chapter 276. The Act prohibits a levy under Iowa Code chapter 300 from being approved at election on or after May 4, 2023.

Division IV — County Sheriff Fee Report

The Act strikes a provision that requires an annual report from the Iowa State Sheriffs’ and Deputies’ Association that details the total annual county budget allocation to the sheriff to fulfill those duties for which the sheriff is required to collect certain fees, the average cost per service, summons, execution, or other activity by activity category, the revenue generated by collection of those fees by category, and the associated impact on property taxes for each county to fulfill those duties for which the sheriff is required to collect such fees.

Division V — Homestead Elderly Tax Exemption

Iowa Code chapter 425 establishes a Homestead Property Tax Credit in an amount equal to the property tax levy on the first \$4,850 of actual value. The Act establishes a homestead property tax exemption for owners 65 or older that is in addition to the current homestead credit. For the assessment year beginning January 1, 2023, the exemption amount is \$3,250. For the assessment year beginning January 1, 2024, and each succeeding assessment year, the exemption amount is \$6,500. The Act provides that the general requirement of Iowa Code section 25B.7 for property tax credits and exemptions does not apply to the homestead property tax exemption.

Division VI — Military Service Property Tax Exemption and Credit

Under current law, veterans of World War I are entitled to a property tax exemption of \$2,778 in taxable value and honorably discharged veterans who served during other specific time periods are entitled to a property tax exemption of \$1,852 in taxable value. The Act increases the exemption amount for all eligible veterans to \$4,000 for assessment years beginning on or after January 1, 2023.

Under current law, the state provides funding to local governments for the military service property tax exemption and credit up to \$6.92 per \$1,000 of assessed value of the exempt property. The Act eliminates funding for the credit starting with the fiscal year beginning July 1, 2024.

Division VII — Property Tax Benefits and Incentives

The Act amends Iowa Code chapter 404 (urban revitalization areas) to provide that for revitalization areas established on or after July 1, 2024, and for first-year property tax exemption applications for property located in a revitalization area in existence on July 1, 2024, filed on or after that date, commercial property shall not receive a tax exemption unless the city or county, as applicable, and the owner of the qualified real estate enter into a written assessment agreement specifying a minimum actual value until a specified termination date for the duration of the exemption period.

The Act also establishes limitations on exemptions for residential property within revitalization areas. For revitalization areas established on or after July 1, 2024, and for first-year exemption applications for property

located in a revitalization area in existence on July 1, 2024, filed on or after that date, an exemption for residential property shall not apply to property tax levies imposed by a school district.

Division VIII — Transit Funding

Cities may grant various types of franchises for specified services and may generally impose a franchise fee based upon a percentage of gross revenues generated from sales of the franchisee within the city not to exceed 5 percent. An exception allowing for a franchise fee up to 7.5 percent exists in specified circumstances for a period of fiscal years ending July 1, 2030, if approved at election. The Act strikes the provisions providing for that exception and establishes conditions under which a city with a population that exceeds 200,000 may impose a franchise fee of up to 7.5 percent for fiscal years beginning on or after July 1, 2024. The Act requires that franchise fee amounts collected during such fiscal years in excess of 5 percent of gross revenues generated from sales shall be used solely for the reduction of property tax levies used to support the operation and maintenance of a municipal transit system or a regional transit district or to maintain transportation service levels of a municipal transit system or a regional transit district.

This division of the Act takes effect July 1, 2024.

Division IX — County Auditor Valuation Reports

The Act requires the property valuation annual reports for assessment years beginning on or after January 1, 2024, submitted by each county auditor to the Department of Management and to the governing body of each taxing district to distinguish such values as revaluation or other type of addition to value, as defined and submitted in the assessor's abstract transmitted to the Department of Revenue.

Division X — Local Government Budgets and Taxpayer Statements

Budget certification deadlines vary among political subdivisions, including March 31 for counties and cities, April 15 for school districts, and March 15 for townships and other political subdivisions subject to the budget approval procedures of Iowa Code chapter 24. The Act modifies the budget certification deadline for all such political subdivisions to be April 30.

The Act establishes additional requirements for certain political subdivisions (school districts, cities, and counties) to take additional steps in preparing their annual budgets. Under the Act, each such political subdivision is required to file with the Department of Management a report containing all necessary information for the county auditor to calculate certain amounts required to be included in individual statements mailed by the county auditor to each property owner or taxpayer within the county. Each individual statement must contain certain information relating to the budgets and taxes of all such political subdivisions in the owner's or taxpayer's taxing district. Each such political subdivision is also required to conduct a public hearing on its proposed property tax amount for the budget year and the political subdivision's information included in the individual statements. The Act also repeals Iowa Code sections 331.433A and 384.15A, applicable to the approval of county and city budgets.

This division applies to political subdivision budgets for fiscal years beginning on or after July 1, 2024.

Division XI — Driver's Licenses and Nonoperator's Identification Cards

Current law authorizes certain counties to issue driver's licenses and nonoperator's identification cards if the county meets standards set by the Department of Transportation. A county retains for deposit in the county general fund \$7 of fees received for each issuance or renewal of such licenses and cards. The Act allows such a county to charge a \$10 convenience fee for the issuance or renewal of a driver's license or nonoperator's identification card to a person who is not a resident of the county. However, the county cannot charge the convenience fee to a nonresident person who pays property tax to the county if the person provides proof that they paid property tax. The county treasurer retains the entire convenience fee collected for deposit in the county general fund.

Division XII — Writing Fees

A county recorder collects a writing fee of \$1.25 for “each privilege” under Iowa Code chapter 462A (Water Navigation Regulations), which includes applications for registration, transfers of ownership of vessels with an expired registration, and with applications for transfer. Prior law did not specifically mention the writing fee for applications for issuance of a certificate of title, which requires the application to be accompanied by the required fee. The required fee for issuance of a certificate of title, a transfer of title, a duplicate, or a corrected certificate of title is \$5 plus a surcharge of \$5. Likewise, prior law did not specifically mention the writing fee for perfection of a security interest, for which the application fee is \$5. The Act specifies that applications for a certificate of title or perfection of a security interest are subject to the writing fee. The Act also increases the writing fee from \$1.25 to \$2.

Under prior law, the writing fee provisions for snowmobiles and all-terrain vehicles explicitly imposed the \$1.25 writing fee only for registration or renewal, user permits, and duplicate special registration certificates. The Act alters these provisions to instead apply to “each privilege” and specifies that applications for a certificate of title or perfection of a security interest are subject to the writing fee and increases the writing fee from \$1.25 to \$2.

Division XIII — Bond Elections

The Act modifies the date upon which elections must be held for the approval of the issuance of bonds by political subdivisions of the state. Generally, such special elections can be held on various dates for cities, counties, school districts, and merged areas, as specified in Iowa Code section 39.2. The Act provides that if the special election is in whole or in part for the question of issuing bonds or other indebtedness, the election shall be held on the first Tuesday after the first Monday in November. The Act also provides that in addition to any other notice related to the election required by law to be published, posted, or provided, if the election is subject to the new date requirement, the County Commissioner of Elections shall mail to each registered voter of the applicable jurisdiction a notice of the election that includes the full text of the public measure to be voted upon at the election.

This division applies to elections on propositions relating to the issuing of bonds or other indebtedness occurring on or after July 1, 2023.

Division XIV — County and City Financing

Iowa Code chapter 331 includes provisions governing a county’s authority to enter into leases, lease-purchase contracts, and loan agreements, and subjects such leases and agreements to procedures for approval at an election following a petition if the principal amount of the contract exceeds specified thresholds categorized by county population. The Act increases the thresholds for each category by 30 percent and similarly increases a threshold relating to when a lease or lease-purchase contract is not subject to approval procedures similar to essential county purposes bonds. The Act also increases similar thresholds under the portion of the definition of “essential county purpose” relating to certain public buildings, the procedures for the issuance of general county purpose bonds, and similar thresholds relating to a city’s authority to enter into loan agreements and to issue general corporate purpose bonds. The amount thresholds amended in the Act are generally subject to annual adjustment based on the percentage change in the consumer price index for all urban consumers. The Department of Management is required to prepare and file with the General Assembly a report specifying the updated thresholds, including information on the usage of the procedures applicable under such provisions. In addition, the population of each county or city used to categorize the various thresholds shall be determined by the greater of the most recent federal decennial census or the most recent population estimate produced by the United States Census Bureau.

The Act requires a notice of proposal to issue general obligation bonds by a county to include an estimate of the annual increase in property taxes as the result of the bond issuance on a residential property with an actual value of \$100,000. The Act imposes a similar requirement on cities for the issuance of general obligation bonds.

Each county and city is required to prepare and file an annual financial report. The Act requires that beginning with the annual financial report filed by December 1, 2025, each such report shall include a list of bonds, notes, or other

obligations issued by the county or city, as applicable, during the preceding fiscal year payable from any source, including specified information relating to the issuance.

This division takes effect July 1, 2024.

RELATED LEGISLATION

- SENATE FILE 228** - Tort Liability in Civil Actions Involving Commercial Motor Vehicles — Employers and Vehicle Owners or Operators
SEE CIVIL LAW, PROCEDURE, AND COURT ADMINISTRATION. This Act relates to tort liability in civil actions involving a commercial motor vehicle (CMV). The Act makes an employer liable under respondeat superior in a civil action involving a CMV for damages caused by negligence of an employee acting within the scope and course of employment, if the employer makes certain stipulations. On motion of an employer, a trial court must dismiss from the action any claim of the employer's direct negligence in hiring, training, supervising, or trusting an employee, or other claim of direct negligence on the part of the employer for the employee's harmful conduct, or other similar claims, if the employer stipulates that, at the time of the event that caused the damages, the person whose negligence is the basis of the action was employed by the employer and the employee was acting within the course and scope of such employment.

The Act limits an award of noneconomic damages, as defined in the Act, against the owner or operator of a commercial motor vehicle for personal injury or death to \$5 million regardless of the number of derivative claims, theories of liability, or defendants in the civil action. The Act also provides exceptions to the limitation on damages.

The Act provides for the distribution of punitive or exemplary damages awards for a civil action involving the operation of a CMV in accordance with Iowa Code section 668A.1.

The Act defines the term "commercial motor vehicle" to mean the same as defined in Iowa Code section 321.1, subsection 11, paragraph "f," subparagraphs (1), (2), and (4), and also includes a glider kit vehicle as defined in Iowa Code section 321.1, subsection 28A; a road tractor as defined in Iowa Code section 321.1, subsection 64A; a towing or recovery vehicle as defined in Iowa Code section 321.1, subsection 83A; and a truck tractor as defined in Iowa Code section 321.1, subsection 88.

- SENATE FILE 359** - Weight Limits on Vehicles or Axles — Scheduled Violations — Charging Procedure
SEE CRIMINAL LAW, PROCEDURE, AND CORRECTIONS. This Act makes all vehicle weight limit violations a scheduled violation subject to the uniform citation and complaint provisions, procedures, and exceptions, irrespective of the amount of the scheduled fine, regardless of whether the violation is admitted.
- SENATE FILE 513** - Enforcement of Motor Vehicle Laws by the Department of Public Safety and the Department of Transportation — Funds and Personnel Transfers
SEE STATE GOVERNMENT. This Act provides for the transition of certain employees within the Department of Transportation (DOT) Motor Vehicle Enforcement (MVE) Division to the Department of Public Safety (DPS).
- The Act authorizes the DOT to designate certain employees who have limited authority as peace officers to investigate and enforce laws relating to motor vehicle records, documents, credentials, procedures, and revenues, and to investigate motor vehicle fraud including but not limited to state and federal odometer laws. Employees designated by the DOT as peace officers are authorized under the Act to use force in emergent circumstances and in defense of life or property.
- The Act requires the State Court Administrator to allocate all of the fines and fees attributable to commercial motor vehicle citations issued by DPS to the Treasurer of State for deposit in the Road Use Tax Fund (RUTF). Moneys credited to the RUTF are generally used for the construction, maintenance, and supervision of the public highways and under Iowa Code are prohibited from being appropriated for the payment of salaries, support, or maintenance of any personnel in DPS.
- SENATE FILE 519** - Electronic Registration Renewal of Off-Road Utility Vehicles
SEE LOCAL GOVERNMENT. This Act authorizes a county recorder and a license agent to issue off-road utility vehicle registration renewals electronically, in addition to electronic all-terrain vehicle registration renewals. Pursuant to Iowa Code, the owner of an all-terrain vehicle or off-road utility vehicle must register the vehicle if it is operated on public land, public ice, or a designated riding trail, and under certain circumstances if it is operated on a primary highway, secondary road, or city street.
- SENATE FILE 542** - Youth Employment and Permissible Work Activities — Minor Driver's License Interim Study Committee
SEE LABOR AND EMPLOYMENT. This Act provides for an interim study committee to meet during the 2023 Legislative Interim to examine policy matters relating to licensed driving by persons 14 to 18 years of age.
- SENATE FILE 576** - Appropriations — Transportation
SEE APPROPRIATIONS. This Act makes appropriations to the Department of Transportation for FY 2023-2024.
- HOUSE FILE 133** - Prepayment of Retail Installment Contracts for Purchase of Motor Vehicles — Voluntary Debt Cancellation Coverage — Refunds
SEE BUSINESS, BANKING, AND INSURANCE. This Act provides that a financial institution purchasing retail installment contracts with voluntary debt cancellation coverage must notify the motor vehicle dealer within 30 days of receiving full payment. The dealer must then determine eligibility and refund, if applicable, the consumer within 60 days of notification.

- HOUSE FILE 358** - Eluding or Attempting to Elude Law Enforcement Vehicles and Peace Officer Authority to Make Arrests
SEE CRIMINAL LAW, PROCEDURE, AND CORRECTIONS. Under prior law, a person convicted of eluding was not eligible to be issued a temporary restricted license (TRL) (a license issued to persons with suspended or revoked driver's licenses to drive for limited purposes including employment, health care, education, substance use treatment, community service, and appointments with parole or probation officers). This Act authorizes persons convicted of eluding to be issued a TRL upon demonstrating a case of hardship or circumstances for which alternative means of transportation do not exist and upon providing proof of financial responsibility.
- HOUSE FILE 583** - Decedents and Transfers of Motor Vehicle Ownership — Affidavits — Odometer Disclosure Statements
SEE CIVIL LAW, PROCEDURE, AND COURT ADMINISTRATION. This Act makes a person who is entitled to the possession and ownership of a vehicle under the laws of descent and distribution, and who files an affidavit under Iowa Code section 321.47(2), an agent of the owner of the vehicle solely for the purpose of completing the odometer disclosure statement required under Iowa Code section 321.71 and federal regulations. Any required odometer disclosure statement may be submitted together with the affidavit required by Iowa Code section 321.47(2).
- HOUSE FILE 603** - Volunteer Emergency Services Providers — Purchase of Personal Vehicle Tires Under Municipal Tire Purchase Contracts
SEE LOCAL GOVERNMENT. This Act provides that a municipality may authorize a volunteer emergency services provider to purchase up to four tires for a personal vehicle every three years under a contract for tires with the municipality.
- HOUSE FILE 718** - Local Government Property Taxes, Financial Authority, Operations, and Budgets
SEE TAXATION. This Act relates to local government property taxes, financial authority, and budgets.
- Division VIII strikes certain exceptions to the authorization of city franchise fees and establishes conditions under which a city with a population that exceeds 200,000 may impose a franchise fee of up to 7.5 percent for fiscal years beginning on or after July 1, 2024, if the amount of the fees in excess of 5 percent are used solely for the reduction of property tax levies used to support the specified public transit purposes.
- Division XI authorizes a county to charge a \$10 convenience fee for the issuance or renewal of a driver's license or nonoperator's identification card to a person who is not a resident of the county, unless the person provides proof that they pay property tax in the county.
- Division XII modifies provisions governing writing fees collected by a county recorder for certain actions relating to registrations, transfers, and certificates of title for certain water vessels, snowmobiles, and all-terrain vehicles.
- HOUSE FILE 719** - Rental of Motor Vehicles — Unfair or Deceptive Acts or Practices — Credit Card Block or Charge for Estimated Charges and Rental Deposits
SEE BUSINESS, BANKING, AND INSURANCE. This Act relates to unfair or deceptive acts or practices in the rental of vehicles.
- The Act makes exceeding the amount of the block or charge for a rental deposit for the vehicle, in addition to the estimated total daily or weekly charges stated in the rental agreement, an unfair or deceptive act or practice.

A violation of the Act constitutes unlawful practice under Iowa Code section 714.16 relating to consumer fraud.

TRANSPORTATION

SENATE FILE 153 - Vehicles of Excessive Size and Weight — Special or Emergency Situations — Permits
BY COMMITTEE ON TRANSPORTATION. Under current law, a vehicle for which a single-trip, excessive size and weight permit was issued by the Department of Transportation (DOT) or a local authority responsible for the maintenance of the applicable highways or streets (permit-issuing authority) may move an indivisible load exceeding the established weight limit during a special or emergency situation subject to certain axle weight limits, provided the permit-issuing authority has reviewed the route and has approved the movement of the vehicle and load. This Act authorizes the DOT to determine when a special or emergency situation exists. During such a situation, the combined gross weight or gross weight on any one axle or group of axles on a permitted vehicle may exceed the established maximum axle weight limits, subject to the limits and routes established by the permit-issuing authority.

SENATE FILE 154 - Vehicle Size, Weight, Load, and Permit Requirements — Movement of Hydroexcavation Equipment on Highways
BY COMMITTEE ON TRANSPORTATION. This Act adds hydroexcavation equipment used primarily for digging and excavation to the list of motor vehicles and equipment exempt from most Iowa Code provisions relating to vehicle size, weight, load, and permit requirements when moved or moving upon a highway that is not a portion of the interstate. However, such equipment is not exempt from codified maximum gross weight limits, restrictions by local authorities, or restrictions by the Department of Transportation.

SENATE FILE 157 - Driver Education Courses — Persons Authorized to Administer Final Field Test
BY COMMITTEE ON TRANSPORTATION. This Act relates to persons authorized to administer a driver education course final field test. Under prior law, a driver education course final field test could only be administered by a person qualified as a classroom driver education instructor who was also certified to provide street and highway driving instruction.

The Act strikes those provisions relating to who may administer a driver education course final field test and instead authorizes a person who is qualified to provide street or highway driving instruction to administer the test. The Department of Transportation must certify and the Board of Educational Examiners (BOEE) must authorize a person to provide street or highway driving instruction. However, a peace officer with five or more years of experience, or a retired peace officer who holds a driver's license that is valid for more than two years from the date of issuance, is not required to be authorized by the BOEE.

SENATE FILE 490 - Written Law Enforcement Motor Vehicle Accident Reports — Authorized Recipients
BY COMMITTEE ON TRANSPORTATION. This Act authorizes a copy of a written report that was filed with the Department of Transportation, by a law enforcement officer who investigated a qualifying motor vehicle accident, and retained by the agency of the officer who filed the report to be made available to other law enforcement agencies. A qualifying motor vehicle accident includes a motor vehicle accident that resulted in injury to or death of any person or total property damage to an apparent extent of \$1,500 or more. Pursuant to Iowa Code, a person eligible to receive a copy of the report, other than the Attorney General or Federal Motor Carrier Safety Administration, must make a written request and pay a fee.

SENATE FILE 527 - Vehicles of Excessive Size and Weight — Highways and Streets Upon Which Movement is Permitted — Warning Lights
BY COMMITTEE ON TRANSPORTATION. This Act authorizes the Department of Transportation (DOT) to issue an all-systems permit valid for movement on all paved highways or streets, except the interstate road system if otherwise prohibited, and except a local authority's streets or highways on which the local authority has indicated to the DOT that all-systems permits are not valid. A local authority is prohibited from excluding paved farm-to-market roads and highways and streets designated as truck routes. The Act requires a local authority to provide a justification report to the DOT for each street or highway on which the local authority determines an all-systems permit is not valid. All nonexcluded highways and streets under the jurisdiction of local authorities must ultimately connect with a highway or street under the jurisdiction of the state.

The Act also provides that vehicles exceeding 80,000 pounds are not required to display warning lights based on the vehicle's weight.

HOUSE FILE 257 - Regulation of Third-Party Knowledge and Driving Skills Testers

BY COMMITTEE ON TRANSPORTATION. This Act strikes the Iowa Code provisions that identify particular types of third-party commercial driver's license testers, other than community colleges, and requires any third-party test examiner used by a third-party tester to comply with existing federal regulations applicable to third-party knowledge and driving skills testing, as adopted by rule by the Iowa Department of Transportation (DOT). The Act authorizes the DOT to adopt administrative rules restricting the testing scope of a third-party tester.

HOUSE FILE 258 - Commercial Driver's Licenses and Learner's Permits

BY COMMITTEE ON TRANSPORTATION. This Act aligns relevant provisions of Iowa Code chapter 321 (Motor Vehicles and Law of the Road) with federal regulations relating to the National Drug and Alcohol Clearinghouse, commercial driver's licenses (CDL), and commercial learner's permits. The Act matches the fine for certain existing Iowa Code CDL violations to the corresponding civil penalty provided in federal regulations for such violations.

HOUSE FILE 335 - Restricted Commercial Driver's Licenses for Designated Farm-Related Service Industry Employees

BY COMMITTEE ON TRANSPORTATION. This Act strikes previous commercial driver's license (CDL) exemptions for suppliers of agricultural inputs or their employees while delivering such products to their customers, and instead authorizes the Iowa Department of Transportation (DOT) to issue a restricted CDL to qualified persons pursuant to regulations adopted by the United States Department of Transportation. The Act requires the DOT to issue a restricted CDL to a qualified employee of any agri-chemical businesses, custom harvesters, farm retail outlets and suppliers, and livestock feeders. A restricted CDL authorizes a person to operate a commercial motor vehicle to the fullest extent authorized under federal regulations.

Pursuant to federal regulations, the DOT is authorized to waive the required knowledge and skills tests ordinarily required for a CDL when it issues a restricted CDL to a qualified person. A restricted CDL cannot be valid for more than 210 days in a calendar year and must be limited to the seasonal period or periods as defined by the state. A restricted CDL cannot be issued with any endorsements, though certain limited endorsements relating to agricultural work may apply. Restricted CDL holders are prohibited from operating a commercial motor vehicle beyond 150 miles from the place of business or the farm being served.

HOUSE FILE 590 - Flying Our Colors Special Registration Plate Fees — Allocation to Flood Mitigation Fund

BY COMMITTEE ON TRANSPORTATION. This Act relates to moneys credited to the Flood Mitigation Fund (FMF) from fees collected for Flying Our Colors registration plates.

A person may obtain Flying Our Colors motor vehicle registration plates upon application and payment of fees. The fees are deposited in the Road Use Tax Fund. The Treasurer of State is then required to credit monthly, from the Statutory Allocations Fund (SAF) to the FMF, an amount equal to the amount of the fees collected for Flying Our Colors plates.

Under prior law, the deposit of moneys from the SAF to the FMF for Flying Our Colors plates was set to be repealed July 1, 2023. The Act strikes the repeal.

HOUSE FILE 592 - Sales of Motor Vehicles and Licensed Vehicle Dealer Requirements — Discharge of Security Interests and Certificates of Title — Remote Vehicle Sales

BY COMMITTEE ON TRANSPORTATION. This Act relates to the resale of vehicles subject to a security interest and remote sales of motor vehicles.

Under current law, when a security interest in a vehicle is discharged, the holder of the security interest is required to note the cancellation of the security interest on the face of the certificate of title and, alternatively, is authorized to note the cancellation of the security interest on a separate, notarized release form or letter. The Act prohibits a county treasurer from requiring any other notation of the cancellation of the security interest when the certificate of title is marked in a manner noting the cancellation of the security interest. If applicable, the county treasurer must

notify the county treasurer of the county where the certificate of title was issued that the security interest has been released and must update such release on the applicable program or computer system. A dealer licensed under Iowa Code chapter 322 (Motor Vehicle Manufacturers, Distributors, Wholesalers, and Dealers) or Iowa Code chapter 322C (Towable Recreational Vehicle Dealers, Manufacturers, and Distributors) is authorized to sell such a vehicle.

The Act also authorizes a retail seller licensed under Iowa Code chapter 322 to engage in remote sales, as defined in the Act, subject to limitations provided in the Act. Remote sales are subject to Iowa Code chapter 554D (Electronic Transactions — Computer Agreements).

HOUSE FILE 593 - Issuance and Suspension of Motor Vehicle Registrations and Certificates of Title
BY COMMITTEE ON TRANSPORTATION. This Act relates to the issuance of certain motor vehicle registrations and certificates of title, and the suspension of registrations.

Under current law, the Department of Transportation (DOT), or a county treasurer, is required to refuse registration and issuance of a certificate of title or transfer of title for a motor vehicle (vehicle) if, among other reasons, the registration of the vehicle is suspended or revoked for any reason as provided in Iowa Code chapter 321.

Among other circumstances, the DOT is required to suspend a registration after receiving a report of a vehicle accident that resulted in bodily injury to or death of any person, or damage to property in the amount of \$1,500 or more. The DOT is also required to suspend the registration of a person who is convicted of operating while intoxicated, if the person's driver's license was suspended or revoked, and then forfeits bail. The Act requires the DOT and county treasurers to issue a registration for the vehicle and then, unless the person deposits security in accordance with Iowa Code section 321A.5 or gives and thereafter maintains proof of financial responsibility in accordance with Iowa Code section 321A.17, as applicable, immediately suspend the registration.
