

SUMMARY OF LEGISLATION APPROVED BY
THE FIRST SESSION OF THE SIXTY-THIRD IOWA GENERAL ASSEMBLY
MEETING IN THE YEAR 1969

PREPARED BY THE IOWA LEGISLATIVE SERVICE BUREAU

This summary of legislation has been prepared for the use of legislators and other interested persons. The classifications of legislative enactments under specific subject headings and the summary descriptions are the work product of the Iowa Legislative Service Bureau. It is recognized that the legislative enactments contained herein may logically fall under more than one subject heading in certain instances and perhaps differences of opinion may arise as to the summary descriptions. However, it is believed that the purpose of this compilation--that of providing interested persons with a quick reference to legislation enacted in specific areas and generally informing them of the contents of the legislation--will be served by this publication.

The various Legalizing Acts passed by the 1969 session are not included in this summary.

WAYS AND MEANS.	54

- H.F. 548 By Committee on Agriculture. Requires that all moisture-testing devices used in commerce to ascertain the moisture content of agricultural commodities be inspected by the Department of Agriculture. Other moisture-testing devices may be inspected upon request. The Act provides that a \$10 fee be charged for the first device inspected and \$5 for each additional device inspected.
- H.F. 598 See Conservation and Recreation.
- H.F. 618 By Rex, Dunton, Kruse, Stokes, Schmeiser, Dietz, Menefee, and Logue. Abolishes the State Sheep Association and establishes a Sheep Promotion Division in the Department of Agriculture.
- H.F. 628 By Bailey. Updates the law dealing with the specifications and standards for cheese and cheese products established by the Federal Food, Drug, and Cosmetic Act as amended in 1968.
- H.F. 666 By Miller of Page, Fischer of Grundy, Voorhees, Knight, and Klein. Clarifies "unlawful milk" condition by adding two descriptive milk adulteration categories. The Act also extends authority to establish rules and standards for testing produce from mastitic cows or produce which contains chemicals, medicines or radioactive agents deleterious to health.
- H.F. 784 See Ways and Means.

Appropriations - Agriculture

- S.F. 631 By Committee on Appropriations. Appropriates for each year of the biennium the following amounts from the funds indicated: Commercial Feed Fund, \$315,040.00; Restaurant Inspection Fund, \$119,710.00; State Board of Veterinary Examiner's Fund, \$3,500.00; Pesticide Fund, \$49,040.00; Fertilizer Fund, \$209,830.00; Dairy Trade Practice Fund, \$57,000.00; and Dairy Industry Fund, \$330,970.00. The amounts are appropriated from the moneys received by the commissions and boards. The remainder of each of the various funds is appropriated for contingencies.
- S.F. 670 By Committee on Appropriations. Appropriates from the general fund for each year of the biennium \$1,356,390.00 to the Department of Agriculture for General Administration, Animal Health and Veterinary, Agricultural and Marketing Division, Agricultural Statistics, Bee Inspection, and Poultry Market News. The Act also establishes standards for vaccination for bovine brucellosis.
- S.F. 681 By Committee on Appropriations. Appropriates from the general fund \$987,000.00 for each year of the biennium to the Iowa Development Commission for salaries, development, and promotion of agricultural markets and products, and municipal planning assistance.

AGRICULTURE

- S.F. 44 By Lange. Exempts from the definition of food establishment, in the chapter relating to hotels, restaurants, and food establishments, those establishments licensed to manufacture and sell beer for consumption off the premises.
- S.F. 181 By Schaben. Permits the governing board of a drainage or levee district to remove from the district a portion of the land lying therein, or to divide the district, when a part of the land in the district has been cut off from access to drainage improvements in the balance of the district by construction of a new highway, drainage or levee facility, or other public improvement.
- S.F. 291 By Committee on Agriculture. Enables the Iowa Department of Agriculture to begin Phase IV of its program to eradicate hog cholera. Terminates hog cholera vaccination except for research purposes which coincides with a similar U.S. Department of Agriculture order, and raises the maximum indemnity amounts to adequately pay producers of unusually valuable animals. Appropriates \$250,000.00 for the biennium from the general fund to the Department of Agriculture for the payment of indemnities. The Act also establishes a state pool of vaccine to be used in unexpected large scale outbreak of hog cholera and appropriates \$50,000.00 for the biennium from the general fund for such purpose.
- H.F. 16 By Cochran, Winkelman, Tieden, Gannon, Dunton, Mayberry, Dougherty, Bergman, Schmeiser, and Middleswart. Makes numerous amendments to existing Iowa statutes which relate to drainage and govern the establishment and administration of drainage and levee districts. Recommended by the Drainage Laws Study Committee.
- H.F. 192 See Transportation.
- H.F. 417 By Committee on Agriculture. Extensively amends, and replaces large portions of the 1965 Iowa Meat and Poultry Inspection Act to make state inspection of meat and poultry products produced and consumed in intrastate commerce equal to inspection standards established by the federal government for such products produced and consumed in intrastate commerce. Provides an appropriation of \$400,000.00 for each year of the biennium for this purpose.
- H.F. 497 By Pierson, Strothman, Campbell, Stokes, Middleswart, Roorda, and Brinck. Removes the requirement that the foundation and registered classes of certified seed must bear a blue-colored label. The Act will allow interstate movement of all classes of certified seed at no cost.

- H.F. 778 By Committee on Appropriations. Appropriates from the general fund for each year of the biennium \$70,000.00 to State Fair Board, \$210,000.00 to agricultural societies to be used for local fairs, and \$100,000.00 to the State Fair Board to be used for major building repairs.
- H.F. 820 By Committee on Appropriations. Appropriates from the general fund \$96,500.00 for each year of the biennium to the Department of Agriculture for the Iowa Beef Cattle Producers Associations, the Iowa Crop Improvement Association, the Iowa State Dairy Association, the Dairy Calf Club Exposition, the State Horticultural Society, the Iowa State Sheep Association, and the Iowa Swine Producers Association.

APPORTIONMENT

- S.J.R. 5 By Stanley, Lange, and Potgeter. Established a nonlegislative Apportionment Commission of fourteen members, one member from each major political party in each Congressional district, to prepare and recommend to the General Assembly an apportionment plan conforming to constitutional amendment ratified by the voters in 1968. The Commission made its report April 1, 1969 and was thereupon dissolved under the terms of S.J.R. 5. See H.F. 781. (Emergency: Effective January 31, 1969.)
- H.F. 766 See Schools.
- H.F. 781 By Committee on Constitutional Amendments and Reapportionment. Implements the state constitutional amendment on composition of the General Assembly, ratified by the voters in 1968, by reducing the membership of the legislature from the present 61 Senators and 124 Representatives to 50 Senators and 100 Representatives, elected from single-member districts drawn on a population basis in accordance with the 1960 census. Bill as introduced followed recommendations of Apportionment Commission set up by S.J.R. 5, but a number of changes were made before final passage. Representative districts range in population from 26,000 to 29,590, a ratio of 1.14 to 1. Senatorial districts, each of which consists of two entire representative districts, range in population from 52,116 to 58,822, a ratio of 1.13 to 1. The Act is effective for the 1970 primary and general elections.
- H.F. 812 By Committee on Constitutional Amendments and Reapportionment. Provides three alternative representation plans for the election of county boards of supervisors designed to comply with the "one man, one vote" requirements of the United States and Iowa Supreme Courts and requires the implementation of one of the plans for the 1970 general election.

Appropriations - Apportionment

- H.F. 809 By Committee on Appropriations. Provides forty dollars per diem payments to members of the Apportionment Commission for the days which they devoted to Apportionment Commission business.

CITIES AND TOWNS

- S.F. 39 By Messerly. Requires that petitions for annexation of territory be acted upon by a city or town within one year after filing. If the petitioners for annexation own over one-quarter of the total assessed value of the area petitioned and the petition involves an urbanized area of at least three hundred population contiguous to a city over fifteen thousand population and the petition is denied by the council, the provisions of the Code which prohibit incorporation within an urbanized area shall not apply to the area petitioned for five years from the date of denial of the petition.
- S.F. 60 By Potgeter. Authorizes municipalities to adopt a schedule of fees to be charged to users of the ambulance service provided by such municipalities.
- S.F. 183 See ~~Judiciary~~. *Corrective Legislation.*
- S.F. 369 By Committee on Cities and Towns. Removes salary restrictions for councilmen and mayors in cities and towns under all forms of city government and provides that salaries shall be fixed by ordinance.
- S.F. 375 See Judiciary.
- S.F. 395 See State Government.
- S.F. 482 By Committee on Cities and Towns. Provides for cooperation between local governments and between other levels of government for joint projects, and permits issuance of revenue bonds. The Act does not establish a new level of government but does provide for the formation of a board where each separate community is represented. This Act is an effort to increase efficiency and encourage cooperation between levels of government--especially local government.
- S.F. 619 See Ways and Means.
- H.J.R. 15 By Committee on Cities and Towns. Creates a twelve-member study committee to make a comprehensive study of the statutes relating to municipal corporations and to recommend appropriate revisions which will implement home rule and facilitate the solution of local problems by local initiative. A report shall be submitted to the 1970 session of the Sixty-third General Assembly if possible, but in any event no later than thirty days after the convening of the General Assembly in 1971. The Committee may employ a secretary and other employees deemed necessary. Appropriates \$25,000.00 from the general fund to carry out the provisions of the Act. (Emergency: Effective May 29, 1969.)

- H.F. 111 By Den Herder and Ossian. Permits cities and towns of less than 5,000 population to establish pension and annuity retirement systems for its utilities employees.
- H.F. 183 By Lipsky. Enables municipalities to issue bonds to finance the removal of dead or diseased trees. The Act provides for replacement of trees on municipally owned property.
- H.F. 186 By Committee on Cities and Towns. Allows towns to exercise the same powers that cities now have with regard to construction of bridges, culverts, viaducts, underpasses, grade crossing separations and approaches thereto. Authorizes towns to incur indebtedness and issue bonds for construction of bridges, culverts, viaducts, underpasses, grade crossing separations and approaches thereto in the same manner as cities. (Emergency: Effective April 3, 1969.)
- H.F. 196 By Tapscott, Brinck, Baker, Mayberry, Franklin, Jesse, Schwartz, Crosier, Gannon, and Middleswart. Removes the requirement that certain low-rent housing projects must be approved by the voters at an election. The housing projects included are those leased from private owners or those limited to occupancy by persons over 65 and their spouses.
- H.F. 198 By Franklin, Miller of Des Moines, Brinck, Baker, Schmeiser, Mayberry, Jesse, Tapscott, Schwartz, Gannon, Croiser, and Middleswart. Requires that the Director of a city's Human Rights Commission, if there is one, be an ex officio member of the city's Civil Service Commission.
- H.F. 206 See ~~State Government~~. *Merit Employment*.
- H.F. 361 By Voorhees, Ewell, Blouin, Ellsworth, Hansen of Black Hawk, and Lippold. Increases the maximum acreage for a civic center building from 5 acres to 10 acres and reduces the urban population requirement from 90,000 to 50,000.
- H.F. 375 See Judiciary.
- H.F. 436 See Commerce.
- H.F. 562 By Lawson. Authorizes cities and towns to create an urban renewal fund from the additional revenues produced by an urban renewal area and enables them to issue revenue bonds secured by and payable from this fund. The maximum interest rate is increased to seven percent. The Act permits cities and towns to establish redevelopment projects without increasing taxes.
- H.F. 733 By Committee on Cities and Towns. Permits city councilmen, urban-renewal agency members, and low-rent housing agency members to vote on all measures relating to projects and properties in such projects except those in which their own

interests are significant and directly affected. Legalizes, validates, and confirms prior votes of city councils, urban-renewal agencies and low-rent housing agencies which conformed to such requirements. Prohibits councilmen, officials, commissioners, and employees from participating where their action for or against a project may accrue to their personal benefit. (Emergency: Effective April 22, 1969.)

H.F. 736 By Committee on Cities and Towns. Clarifies the section of the Code relating to conflicts of interest in awarding of contracts by stating that any contract entered into in violation of the law is void. If an officer of a municipality votes upon a resolution or ordinance where he may have a conflict of interest, his vote is nullified. If the councilman's vote is decisive, the entire resolution or ordinance is invalid. (Emergency: Effective April 19, 1969.)

Appropriations - Cities and Towns

S.F. 609 By Committee on Appropriations. Appropriates from the general fund for each year of the biennium \$175,000.00 to be used as state matching funds for community action local aid programs, for study committees, and for community affairs. (Emergency: Effective April 16, 1969.)

COMMERCE

- S.F. 18 ("Iowa Banking Act of 1969") By Benda, Rigler, Shirley, Coleman, Balloun, and Lamborn. Recodifies state banking laws found in 11 chapters of 1966 Code into a single chapter of general application to state-chartered banking entities; also updates and broadens state banking law in certain areas. The major changes made by the Act include the following:
1. Increases size of the State Banking Board from five (including Superintendent of Banking as an ex officio member) to seven (including the Superintendent of Banking, who is specifically given a vote on the Board), and requires that at least one member of the Board be someone not engaged in the business of banking in any executive capacity.
 2. Provides for only a single type of state-chartered banking entity, to be known in law as a state bank, rather than the five types of state-chartered banks defined under present law.
 3. Prescribes more precisely the requirements for establishment and dissolution of corporations formed to carry on a banking business, and places these requirements directly in the banking statute in place of the present references in banking statutes to the state's laws relating to formation of business corporations generally.

This Act did not affect the maximum permissible rates of interest which banks may charge on loans, but another bill--S.F. 279--was passed which did make such a change. Recommended by the Banking Laws Study Committee.

- S.F. 74 By Conklin. Persons who receive by mail unsolicited goods, may accept such delivery as a gift and may use or dispose of such goods without obligation to the sender. In an action for the return of the goods, it is a complete defense that the defendant did not order or request the goods.
- S.F. 135 By Potgeter, Rigler, Stanley, Curran, and Walsh. Amends Iowa Economic Development Act and allows development corporations to borrow from other than its members if approved by the Iowa Development Commission. Establishes loan limits for certain types of insurance companies. Sets ceiling on lending limit for any one member of \$250,000.00 (Emergency: Effective April 5, 1969.)
- S.F. 139 By Flatt, Sullivan, Lange, DeHart, Kosek, Mogged, Thordsen, Kyhl, Curran, Erskine, Potter, Lucken, Balloun, Walsh, Shaff, Nicholson, Briles, Van Gilst, McGill, Coleman, and Klink. Refusal of payment by the drawee of a check, draft, or written order because of insufficient funds or no account with the

drawee, is prima facie evidence of intent to defraud unless the drawer notifies the holder within ten days after notification.

- S.F. 140 By Benda, Frommelt, Walsh, Neu, Briles, and Stanley. Extends powers of state-chartered savings and loans institutions to aid in keeping them competitive with those which are federally chartered.
- S.F. 210 By Committee on Commerce. Repeals travel and expense restrictions with respect to the Insurance Commissioner. (Emergency: Effective April 11, 1969.)
- S.F. 271 By De Kost and Denman. Shortens the period of title search in regard to selling and purchasing real estate to forty years.
- S.F. 279 By Committee on Commerce. Raises the legal rate of interest to which parties, except domestic or foreign corporations, may agree on writing from seven to nine percent. Further provides that except under certain conditions excessive charges or premiums for credit life, accident, or health insurance, written in connection with money loaned, shall be included in the rate of interest charged. (Emergency: Effective April 11, 1969.)
- S.F. 285 By Griffin. Provides for compensation of insurance examiners by salary rather than per diem payment and removes the \$200.00 per week ceiling on the compensation of such examiners.
- S.F. 383 By Committee on Commerce. Regulates and defines bucket shops. The Act makes such a shop illegal and prescribes penalties. A bucket shop is a place where pretended purchases or sales, or contracts of pretended purchases or sales, of shares of stock, investment securities or commodities are made or offered with a bona fide transaction on a board of trade, exchange or market.
- S.F. 412 By Frommelt and Benda. Provides for the payment period of dividend declaration of credit unions by membership action and approval of the amendment to the bylaws by the Superintendent of Banking.
- S.F. 529 By Frommelt and Benda. Provides that a credit union may invest in any investment legal for savings banks or for trust funds in this state.
- S.F. 549 By Committee on Commerce. Increases the maximum rate of interest payable on public bonds from five to six percent per annum. (Emergency: Effective May 23, 1969.)
- H.F. 153 By McCartney and Winkelman. Changes a requirement that life insurance companies must invest funds in urban real estate and personal property located within the continental limits of the

United States or the Dominion of Canada so that Alaska and Hawaii are included.

- H.F. 436 By Committee on State Government. Increases the rate of interest on public warrants to five percent per annum. Municipalities may also borrow money for future obligations. Warrants to pay for public improvements construction shall draw no more than six percent per annum. (Emergency: Effective May 16, 1969.)
- H.F. 680 By Committee on Commerce. Authorizes the state to aid in the funding of the Federal Riot Reinsurance Program. Funds paid into the program by the state are paid out of moneys collected from those insured for that purpose. State aid is a prerequisite under federal law to make domestic insurance companies eligible for federal reinsurance in cases of riot loss.
- H.F. 697 By Millen, Tapscott, Battles, McCartney, Van Drie, and Kluever. Clarifies who may make loans for and invest in Federal Housing Association and Veterans Administration loans. (Emergency: Effective June 14, 1969.)

Appropriations - Commerce

- H.F. 804 By Committee on Appropriations. Appropriates \$987,428.50 for each year of the biennium to the State Banking Department.
- H.F. 817 By Committee on Appropriations. Appropriates \$976,080.00 from the general fund for each year of the biennium to the Iowa State Commerce Commission for general administration, Motor Transportation Division, Warehouse Division, and Utility Commission. Removes ceiling of \$300,000.00 per calendar year for the aggregate general assessment for intrastate public utility operations.

CONSERVATION AND RECREATION

- S.F. 422 By Committee on Conservation and Recreation. Increases license fees for net fishing to \$1.00 for state residents and \$3.00 for nonresidents.
- S.F. 454 By Committee on Conservation and Recreation. Allows an open fishing season from May 15 to November 30 and a daily catch and possession limit of one for Muskellunge.
- S.F. 484 By Messerly, Penman, Walsh, Doderer, Rigler, and Reichardt. Exempts the sport of amateur boxing from the law prohibiting boxing for bets or prizes in events for which admission fees are charged.
- H.F. 16 See Agriculture.
- H.F. 21 By Radl. Authorizes County Conservation Boards to furnish uniforms to the executive officer of a county conservation board and his designees at a cost not to exceed \$300.00 in any given year. The uniforms shall remain the property of the county. The Act authorizes the Boards to operate or lease concessions in or upon property under its control.
- H.F. 210 By Fisher, Greene, Cochran, Miller of Des Moines, Millen, Shepherd, Meslewart, Pierson, Campbell, and Edgington. Increases the number of commissioners elected to administer each of the state Soil Conservation Districts from three to five and requires that petitions for nomination be filed with the State Soil Conservation Committee. Each petition shall contain no more than one name, and landowners may sign no more than five petitions. The Act provides that the five commissioners be elected for staggered terms and that no more than one commissioner can be elected from a voting precinct. Commissioners must be residents of or own land in the area from which they are elected.
- H.F. 228 By Committee on Conservation and Recreation. Sets penalties for a person involved in a boating accident who fails to stop and aid other victims.
- H.F. 250 By Stromer. Prohibits killing, pursuing, or attempting to kill animals by persons operating snowmobiles.
- H.F. 263 By Committee on Conservation and Recreation. Limits the daily trout catch limit to two trout and possession limit to four trout for persons under sixteen years of age and not required to obtain a fishing license.
- H.F. 286 By Committee on Conservation and Recreation. Provides enforcement officers with a method of determining whether trot line owners are legally licensed fishermen. The Act requires name and address of owner be tagged to the end of each trot line.

- H.F. 287 By Committee on Conservation and Recreation. Authorizes the issuance of courtesy nonresident licenses for the taking of fish or game, except deer, to visiting dignitaries who are guests of the state.
- H.F. 329 See Law Enforcement.
- H.F. 349 By Committee on Conservation and Recreation. Authorizes the Conservation Commission to provide nonresident hunters, fishermen, and conservationists with informational materials.
- H.F. 598 By Camp, Crabb, Schroeder, Priebe, Ossian, Bailey, Grassley, Fisher of Greene, and Roorda. Increases the membership of the Iowa Water Pollution Control Commission from nine to eleven members and requires the registration of agricultural operations when potential pollution of the waters of the state exists.

Appropriations - Conservation

- S.F. 672 By Committee on Appropriations. Appropriates \$450,000.00 to Conservation Commission for improvements and construction at state parks and reserves, state forests, etc., over the next four years.
- S.F. 673 By Committee on Appropriations. Provides a method for the issuance of deer hunting licenses and appropriates \$3,175,980.00 for the general operations of the Conservation Commission for each year of the biennium. The Act establishes a drawing procedure to determine which applicants shall hold deer licenses. Those applicants not receiving a license shall be entitled to one the next year.
- S.F. 674 By Committee on Appropriations. Appropriates \$1,703,710.00 for each year of the biennium to the Conservation Commission; of these funds \$1,500,940.00 is to be used for lands and waters operations, \$123,630.00 for the prison labor program, \$15,000.00 for the State Advisory Board for Preserves, and \$64,140.00 for planning and cooperation with federal agencies and programs. The Act sets the salary of the State Conservation Director at \$17,500.00 per year for the biennium and increases the starting salaries of state conservation officers to \$6,300.00. The formula for determination of salary is changed to a \$7,200.00 base.

CONSTITUTIONAL AMENDMENTS

- S.J.R. 1 By Stanley, Lange, Arbuckle, Balloun, Benda, Briles, Clarke, Conklin, Curran, De Koster, Denman, Doderer, Flatt, Kosek, Laverty, Lucken, Mowry, Neu, Potgeter, Potter, Schaben, Shaff, Shirley, Sullivan, Walsh, Hammer, Messerly, Lodwick, DeHart, Hougen, McGill, and Mogged. Submits to the voters at the general election in November 1970 a proposal to amend the Iowa Constitution to allow the General Assembly to provide by law for different periods of residency requirements, not to exceed six months in the state and sixty days in the county, for voting for various officers or in various elections.

- H.F. 103 By Schmeiser, Miller of Des Moines, Cochran, Strothman, and Schroeder. Removes requirement that the County Assessor serve as Clerk for the Board of Review and allows the Board to appoint any qualified person, except the Assessor, as Clerk.
- H.F. 145 By Peterson. Enables counties to contract for options in conjunction with condemnation rights. (Emergency: Effective May 25, 1969.)
- H.F. 161 By Koch. Permits counties to condemn land for the construction and remodeling of buildings which the counties have the statutory authority to build or remodel.
- H.F. 334 By Andersen. Provides that the County Board of Supervisors may construct or remodel buildings or purchase real property without submitting the proposition to the voters in a referendum when no additional levy of taxes is required and the probable cost will not exceed \$50,000.00.

- H.F. 624 By Graham. Prohibits the levying of additional taxes for improvements, maintenance and replacements for county public hospitals until such hospitals have been constructed, staffed and have received patients. The Act also repeals the limitation on amounts to be spent in establishing a county public hospital.
- H.F. 664 By Committee on Judiciary. Permits county boards of supervisors to approve programs which finance legal aid for those financially unable to adequately defend themselves in civil litigation. (Emergency: Effective May 23, 1969.)
- H.F. 745 By Kitner. Provides that the Treasurer of a County Board of Hospital Trustees be appointed by the County Hospital Board rather than having the County Treasurer serve as ex officio treasurer. Requires the Secretary and Treasurer of the Board to file a surety bond with the Chairman of the Board.
- H.F. 812 See Apportionment.

ELECTIONS

- S.F. 152 By Potter. Requires at least 60% of the total votes cast in a special election to favor the issuance of bonds in order for a proposition relating to acquisition or improvement of municipal facilities to pass. (Emergency: Effective May 30, 1969.)

Changes the date of Iowa's primary election from the first Tuesday after the first Monday in September to the first Tuesday after the first Monday in June. Precinct caucuses must be held not later than the second Monday in May of each election year. Removes the requirement that state political party conventions be held no later than fifteen days following the primary election. Changes the date that members of the Iowa Serviceman's Ballot Commission must be designated by the State Chairmen of the two major political parties from on or before March 15 to on or before January 15.
- H.F. 136 By Ellsworth, Voorhees, Kehe, Rex, Warren, Sorg, Strand, Winkelman, and Walter. Provides that the Commissioner of Registration prepare duplicate voter registration lists upon the request of the County Chairman of a political party polling more than two percent of the popular vote of the jurisdiction in the last preceding general election.
- H.F. 151 By Holden. Provides that the mandatory voter registration laws shall not apply to elections conducted by community school districts which have been divided into director districts unless the Board of Directors of the community school district, by resolution, makes the law applicable.
- H.F. 180 By Goode. Allows parents-in-law of members of the armed forces or their spouses to request an absentee ballot for such members or their spouses.
- H.F. 196 See Cities and Towns.

HIGHER EDUCATION

- S.F. 105 By Committee on Higher Education. Authorizes installment purchases of real estate by the State Board of Regents where such purchases may be made on written contracts. The Act specifies that these obligations shall not constitute a debt or charge against the State of Iowa nor against the funds of the Board of Regents or the funds of the institution for which the purchases are made. Purchase payments may be made from appropriated capital funds but not from operating funds or tuition payments.
- S.F. 106 By Committee on Higher Education. Allows the Board of Regents to authorize any institution under its control to commission one or more of its employees as special security officers with the powers, privileges, and immunities of peace officers and also provides for their training.
- S.F. 295 By Committee on Higher Education. Provides tuition grants for needy Iowa students who attend Iowa private colleges and universities. The maximum grant for any student is \$1000.00 and is determined by subtracting \$400.00 from the total tuition and mandatory college fees. The program is administered by the Higher Education Facilities Commission.
- S.F. 537 By Committee on Higher Education. Authorizes State Board of Regents to issue bonds to defray portion of costs for academic and administrative facilities at state universities. Student fees and other income may be pledged to pay bonds and interest. Each university is preserved as a separate entity for both pledge and payment purposes. The Act requires the Board of Regents to prepare ten-year building program for each university and to estimate bonding needs. Plans are to be reviewed and approved annually by the General Assembly. (Emergency: Effective June 4, 1969.)
- S.F. 630 By Committee on Higher Education. Permits area schools to acquire necessary classroom and shop space from public or private owners by leasing with or without a purchase option.
- H.F. 71 By Voorhees, McIntyre, Christensen, Lawson, Lippold, Hansen of Black Hawk, Bergman, Winkelman, and Weiden. Permits Iowa students attending area vocational schools and area community colleges to apply for scholarships administered by the Higher Education Facilities Commission in the same manner as Iowa students attending Iowa universities and colleges.
- H.F. 501 By Committee on Higher Education. Allows the hospitals and medical clinics at the State University of Iowa to use earnings of the hospital for the acquisition, construction, reconstruction, completion, equipment, improvement, repair, and remodeling of medical buildings and facilities and additions thereto

and the payment of principal and interest on bonds issued to finance the cost thereof. (Emergency: Effective April 15, 1969.)

Appropriations - Higher Education

S.F. 636 By Committee on Appropriations. Appropriates \$525,000.00 for scholarships and \$300,000.00 for medical student tuition loans for the biennium to the Higher Education Facilities Commission.

S.F. 655 By Committee on Appropriations. Appropriates \$91,380,000.00 for each year of the biennium from the general fund to the Board of Regents. Appropriations for each year of the biennium are as follows:

Office of the Board of Regents	\$ 110,550.00
State University of Iowa including medical facilities	46,906,000.00
Iowa State University	32,459,500.00
University of Northern Iowa	9,759,000.00
Iowa Braille and Sight Saving School	810,000.00
Iowa School for the Deaf	1,445,500.00

The Act provides that any existing medical facilities in Iowa may be used for training general medical practitioners. A study shall be conducted of the use of existing medical facilities in Iowa and results shall be reported to the 1970 session of the Sixty-third General Assembly. The Comptroller shall attach budget analysts to each of the three universities. A maximum amount is specified which may be spent from state appropriations and other receipts by each Board of Regents institution. Any student or instructor at a Board of Regents university who is convicted in any federal, state, or local court of inciting, promoting or carrying on a riot resulting in material damage to public property or injury to persons may not receive payments, assistance, or education in any form from the university. Such students' status may be reexamined by an admissions officer.

S.F. 688 By Committee on Appropriations. Appropriates \$1,500,000.00 for the first year of the biennium and \$3,000,000.00 for the second year of the biennium from the general fund to the Higher Education Facilities Commission to finance tuition grants to full-time resident students attending accredited private institutions of higher education in Iowa.

S.F. 689 By Committee on Appropriations. Appropriates \$7,100,000.00 from the general fund to the State Board of Regents for the biennium for capital improvement and to purchase land for a western Iowa university. Contracts for improvements shall be submitted by the Board of Regents to the Governor and State Comptroller. Change orders need not be submitted. Board of Regents, the Governor, and the State Comptroller are authorized to obtain federal grants.

S.F. 696 By Committee on Appropriations. Appropriates \$150,000.00 for the biennium from the general fund to the State Board of Regents to be allocated to the three state universities to reimburse the institutions for deficiencies in their operating funds resulting from the pledging of tuitions, student fees and charges and institutional income to finance the cost of providing academic and administrative buildings and facilities and utilities services.

HIGHWAY COMMISSION

S.J.R. 25 By Potgeter, Clarke, and Coleman. Creates a committee to study the Iowa Highway Commission, its general operation, employment policies and land use policies and report to the 1970 session of the Sixty-third General Assembly.

JUDICIARY

- S.J.R. 18 By Doderer, Palmer, and Gaudineer. Creates a study committee for revision of the Iowa Criminal Code which shall submit results of the study to members of the Sixty-fourth General Assembly.
- S.J.R. 30 By Committee on Judiciary. Extends the power of the Executive Council to acquire property by condemnation as well as gifts and purchases. Legalizes actions of the Executive Council to acquire property authorized by the Sixty-first General Assembly.
- S.F. 157 By Neu and Lange. Repeals the requirement that Supreme Court Justices maintain an office at the seat of government after January 1, 1970.
- S.F. 276 By Lodwick, O'Malley, Neu, and Glenn. Permits the reproduction, by photostat, microfilm, or other acceptable means, and the subsequent destruction of court records after a specified number of years by the Clerk of the District Court either with or without prior order of a majority of the Judges of the District Court, depending upon the importance of the records concerned.
- S.F. 289 By De Koster and Denman. Effects several substantive changes in Iowa probate law and clarifies other probate provisions. Substantive changes relate to: court appointment of fiduciaries and the effect such appointments have on jurisdiction exercised over estate assets and fiduciaries by the appointing court; the adoption of the "Massachusetts Rule" governing distribution of assets in estates and trusts in place of the case-law imposed "Pennsylvania Rule"; the right of inheritance from an adopted child by the natural parents and vice-versa as affected by the degree of consanguinity existing between the adopted child and the adoptive parents; and the appointment of temporary administrators.
- S.F. 330 By Committee on Judiciary. Provides that failure to serve a lienholder in a condemnation proceeding does not prevent a court from taking up a case unless prejudice is evident. An appeal from an assessment in an eminent domain proceeding must be given to a lienholder as well as other entitled parties. (Emergency: Effective May 20, 1969.)
- S.F. 563 By Committee on Judiciary. Permits District Court Judge to require new petit jury panel drawing before expiration of period of service of incumbent panel members. Also requires court to discharge panel members at Judge's request after serving in two or more trials.
- S.F. 590 By Committee on Judiciary. Allows Court Clerk one day in which to docket pleadings which have been filed.

- H.F. 29 By Doyle. Permits district and municipal court judges to require a person who has been excused from serving on a jury panel to serve on the next panel if his excuse is no longer present as an alternative to returning the excused person's name to the jury box.
- H.F. 173 By Shaw, Holden, O'Hearn, Voorhees, Radl, Koch, Huff, Newton, Dietz, Andersen, Sorg, and Hansen of Black Hawk. Increases the salary of clerks of the grand jury in all counties of more than 75,000 but less than 120,000 population to \$5,400.00; in all counties of more than 120,000, but less than 150,000 population to \$6,000.00; and in counties of more than 150,000 population to \$8,600.00.
- H.F. 279 By Renda. Allows juries in criminal cases to separate after final submission of the case to them with the court's approval.
- H.F. 289 By Franklin, Jesse, Tapscott, Huff, Alt, Kreamer, Milligan, Bennett, Caffrey, Renda, Crosier, and Skinner. Authorizes the Juvenile Court Judge in counties of 250,000 population or more to appoint a Director of Court Services and to fix his compensation.
- H.F. 375 By Cunningham, Klein, Hill, and Pelton. Clarifies and limits the municipal court's jurisdiction in cities located in more than one county to the corporate limits of the municipality within the second county.

LABOR AND EMPLOYMENT

- S.F. 626 By Committee on Human and Industrial Relations. Provides standards to protect the health, safety, and welfare of migrant laborers and their families. Owners or operators of migrant labor camps must obtain a permit from the Department of Health. Authorized employees and representatives of the Department of Health may inspect migrant labor camps at any reasonable time. (Emergency: Effective May 23, 1969.)
- H.F. 528 By Ellsworth, Hansen of Black Hawk, and Schwartz. Exempts from the definitions of "workmen" and "employees", partners or directors of any corporation who are not at the same time employees of the corporation; or directors, trustees, officers, or other managing officials of any nonprofit corporation or association who are not, at the same time, full-time employees of such nonprofit corporation or association.

Appropriations - Labor and Employment

- S.F. 685 By Committee on Appropriations. Appropriates \$100,000.00 for each year of the biennium from the Primary Road Fund to the Industrial Commissioner for payment of Workmen's Compensation claims of Highway Commission employees injured or killed while on duty.

LAW ENFORCEMENT

- S.F. 106 See Higher Education.
- S.F. 139 See Commerce.
- S.F. 175 By Conklin, Nicholson, Sullivan, Messerly, Hougen, Balloun, and Stanley. Defines "firearms" and makes their use in committing a crime a separate offense. The Act establishes specific punishment for such offenses. Recalled from the Governor.
- S.F. 213 By Stanley, Balloun, and Thordsen. Makes trespassing on private property which contains a privately-owned pond, pool, lake or water-filled pit a crime if the property is plainly posted and the posting has been registered with the sheriff.
- S.F. 274 By Committee on Judiciary. Repeals former prohibition relating to leased and rented vehicle offenses, reenacts substantive provisions and corrects inconsistent penalty clauses which had formerly identified certain offenses as both misdemeanors and felonies.
- S.F. 333 By Committee on Judiciary. Clarifies the law in regard to the length of the redemption period pertaining to the issuing of a deed for a debtor's property.
- S.F. 439 By Committee on Law Enforcement. Makes it a felony to forge or counterfeit any certificates of title, manufacturer's or importer's certificate or registration cards on plates. Present law makes it a felony to forge or counterfeit such documents if they are purported to have been issued by the Department of Public Safety.
- S.F. 555 By Committee on Law Enforcement. Expands allowable use of search warrants by permitting their issuance in investigating alleged "public offenses". Prior use has been restricted to alleged "felonies". Also requires magistrate issuing warrant to list names, addresses, and abstract of testimony of witnesses relied upon, unless grounds for warrant are supplied by an informant.
- S.F. 642 By Committee on Law Enforcement. Amends the Act of the Sixty-second General Assembly which created the Law Enforcement Officers' Training Academy by removing references to "police" and substituting the words "law-enforcement".
- H.F. 39 By Millen and Harbor. Allows persons to render emergency care and assistance at the place of any emergency or accident without being liable for civil damages for acts or omissions unless the acts or omissions constitute recklessness.

- H.F. 67 By Milligan, Kreamer, Campbell, Franklin, McIntyre, Fisher of Greene, Hill, Lipsky, Van Drie, Shaw, Lawson, Huff, Sorg, Ellsworth, Bergman, and Lippold. Removes the requirement that any person filing a complaint for an unfair or discriminatory practice relating to selling, renting, leasing, assigning, or subleasing real property or housing accommodations must accompany such complaint by a bond in the penal sum of \$500.00.
- H.F. 90 By Van Drie, Stromer, Kreamer, Millen, Christensen, Miller of Jones, Langland, Roorda, Bergman, Lippold, Menefee, Kehe, Lipsky, Battles, Knight, Ellsworth, Sorg, Nielsen, Warren, Winkelman, Freeman of Dickinson, Nelson, Walter, Tieden, and Mohrfeld. Holds parents responsible for damage to other persons or property by children under eighteen years of age. Maximum liability is \$1,000.00 for any one act and not more than \$2,000.00 for any two or more acts, payable to the claimant.
- H.F. 126 By Hill. Provides that the state shall pay for the confinement of criminal sexual psychopaths in the same manner as it pays for inmates of the penitentiary. (Emergency: Effective May 21, 1969.)
- H.F. 159 By Bennett. Declares the receipt, use, sale, or possession of explosive or incendiary devices, including "Molotov cocktails" to be unlawful. Exempts legitimate use of explosive and incendiary devices.
- H.F. 207 By Holden, Shaw, Campbell, Sanders, Nielsen, Miller of Jones, Van Roekel, Menefee, Fisher of Greene, Millen, McIntyre, Tieden, Winkelman, Den Herder, Roorda, Stokes, Bergman, Van Nostrand, Shepherd, Nelson, Edgington, Lipsky, Johnson of Audubon-Guthrie, Kitner, Graham, Kruse, Andersen, and Walter. Provides a specific standard to prove intoxication and includes additional substances which are illegal to use while driving a motor vehicle. The Act also changes the period of revocation for conviction for driving while intoxicated or while under the influence of certain substances.
- H.F. 266 By Kreamer, McCartney, Milligan, Fischer of Grundy, Bailey, Huff, Kluever, Lawson, Alt, and Varley. Allows employees of the Department of Public Safety, other than Highway Patrol Officers, to administer the examination for motor vehicle operators and chauffers licenses.
- H.F. 228 See Conservation and Recreation.
- H.F. 286 See Conservation and Recreation.
- H.F. 292 By Christensen. Allows rural mail carriers to use flashing lights when stopping inside as well as outside the city limits.

- H.F. 318 By Committee on Law Enforcement. Gives agents, officers and investigators of the Enforcement Division of the Iowa Liquor Commission the authority to enforce the liquor laws of the state as peace officers. (Emergency: Effective May 30, 1969.)
- H.F. 319 By Committee on Law Enforcement. Sets forth safety requirements which must be observed by motorcycle operators.
- H.F. 329 By Committee on Conservation and Recreation. Removes juveniles committing water navigation offenses from juvenile court and places these offenses in same category with motor vehicle violations.
- H.F. 516 By Voorhees, Dooley, and Sorg. Clarifies the Act of the Sixty-second General Assembly relating to the illegal use and sale of depressant, stimulant and hallucinogenic drugs. The Act reduces the penalties for possessing, purchasing, or attempting to purchase marijuana for personal use if it is a conviction of a first offense.
- H.F. 534 By Cunningham, Millen, Edgington, and Nielsen. Makes possession of traffic-control signs a misdemeanor.
- H.F. 568 By Millen. Permits Iowa residents to purchase firearms and firearms supplies in contiguous states as an allowable exception to restrictions on interstate firearms shipments imposed by the Federal Gun Control Act of 1968. Further permits Iowa licensed dealers and collectors to sell firearms and relics to persons residing in adjacent states if the states permit such sales.

Appropriations - Law Enforcement

- S.F. 663 By Committee on Appropriations. Appropriates from the Department of Public Safety's Motor Vehicle Dealers License Fee Fund

\$91,110.00 for the biennium to the Department of Public Safety for salaries, support, maintenance equipment and miscellaneous purposes. The remainder of the Fund is appropriated for contingencies.

S.F. 669 By Committee on Appropriations. Transfers \$780,000.00 from net receipts from collection of the retail sales tax to the Department of Public Safety for manufacturing motor vehicle registration plates. Unexpended funds will be credited to the Road Use Tax Fund on October 31, 1969.

H.F. 57 By Committee on Appropriations. Extends from January 31, 1969 to June 30, 1969 the date which any unencumbered balance of the funds appropriated for the establishment and operation of the Iowa Law Enforcement Academy reverts to the general fund of the state. (Emergency: Effective February 7, 1969.)

LAWMAKING, PUBLICATION OF LAWS, AND
LEGISLATIVE AGENCIES

- S.F. 236 By Committee on Judiciary. Permits the Code Editor to publish parallel tables of statutes and Acts of the General Assembly.
- S.F. 287 By Committee on Judiciary. Permits the Supreme Court to report new rules of civil procedure prescribed by the Court to the General Assembly annually. This Act reflects the adoption of annual sessions of the General Assembly in Iowa.
- S.F. 350 By Lodwick. Requires all state departments, agencies, boards, and institutions to report in writing the source of federal funds, the amount received, and the terms under which such funds are received or any other funds from public or private sources except gifts or donations made to institutions for the personal use or for the benefit of members, patients or inmates, and the receipts from the gift shop from merchandise manufactured by members, patients, or inmates.
- H.F. 127 By Committee on Judiciary. Removes the restriction that the Code of Iowa be limited to two volumes. The Act also removes the requirement that the United States Citizenship and Naturalization Laws be published in the Code.
- H.F. 249 By Committee on Judiciary. Simplifies the requirements for the form by which administrative rules are to be prepared by deleting the requirement that such forms refer to line, sentence, section or paragraph and requires that references be by the section.
- H.F. 390 By Committee on Judiciary. Provides implementation and organization for annual sessions of the General Assembly. The Act authorizes per diem compensation for members of the Sixty-third General Assembly and an annual salary plus expense allowance for members of subsequent General Assemblies in regular session, special session, or during the interim. A Legislative Council is created to replace the Legislative Research Committee. Standing committees are authorized to meet once during a legislative interim and to meet thereafter with the approval of the Legislative Council for the purpose of studying bills, conducting investigations or studies. The prefiling law enacted by the Sixty-second General Assembly is clarified. The Legislative Council in cooperation with the officers of the House and Senate are authorized to prepare for legislative sessions. The Legislative Research Bureau is changed to Legislative Service Bureau. The Act provides flexibility in publication of the Code of Iowa, Iowa Departmental Rules, and Acts of the General Assembly. State agencies, departments, boards, and commissions are required to file summary reports in odd-numbered years. (Emergency: Effective June 18, 1969.)

- H.F. 13 By Klein, Gannon, Lipsky, Miller of Des Moines, Bailey, Dunton, Pelton, Caffrey, Doyle, Crosier, Wells, Dougherty, Johnston of Johnson, Hanson of Howard-Mitchell, and Winkelman. Provides a fifth option for Iowa Public Employees' Retirement System allowance allowing the member or his beneficiary, in case of the member's death, to receive benefits for a ten-year certainty period. Recommended by the Retirement Programs Study Committee.
- H.F. 14 By Klein, Gannon, Lipsky, Pelton, Caffrey, Crossier, Dougherty, Hanson of Howard-Mitchell, Miller of Des Moines, Dunton, Wells, Middleswart, Doyle, Blouin, Johnston of Johnson, Winkelman, and McCormick. The Code presently requires a lump sum payment of accumulated employee and employer contributions to the beneficiary upon the death of an active IPERS member prior to retirement. The Act permits selection of the following optional methods of death benefits:
1. Lump sum.
 2. Monthly life annuity with no certainty period.
 3. Monthly life annuity with a ten-year certainty period.
- Monthly benefit provided in the two additional alternatives would be the actuarial equivalent of the lump sum benefit otherwise payable. Provides that the active member may specify which of the options is to be paid the beneficiary, and the decision of the active member cannot be changed by the beneficiary. The beneficiary may elect the option if the active member does not specify the method of payment. The Employment Security Commission is granted authority to require payment in a lump sum if the calculated monthly annuity under the other two options is less than \$10.00. Recommended by the Retirement Programs Study Committee.
- H.F. 111 See Cities and Towns.
- H.F. 177 See Schools.

SCHOOLS

- S.F. 95 See Transportation.
- S.F. 235 See Transportation.
- S.F. 387 By Committee on Schools. Provides that federal aids paid in anticipation of or as reimbursement for expenses caused by federal activity near a school, when such expenses would otherwise need to be paid from local sources, are not to be deducted in determining general fund expenditures for purposes of state school aid.
- S.F. 409 By Committee on Schools. Requires that all school districts make provisions for special education services to those children requiring such services who are enrolled in public schools grades kindergarten through eight.
- S.F. 416 By De Koster. Changes the time prescribed for filing nomination papers for candidacy for an office in each community or independent, city, town, or consolidated school district to coincide with the time prescribed for filing nomination papers as candidates for an office as a member of a county board of education, merged area board of education, or area vocational and community college board.
- S.F. 544 By Committee on Schools. Establishes an Advisory Council for Vocational Education. Council members to be appointed by the governor. (Emergency: Effective May 23, 1969.)
- S.F. 545 By Committee on Schools. Allows school boards to pay dues to Iowa Association of School Boards. It also allows school board members to receive actual compensation for expenses incurred in performance of their duties.
- S.F. 593 By Committee on Schools. Provides that county boards of education, merged area schools, and the State Board of Public Instruction may arrange for the purchase of individual annuity contracts for retirement or other purposes upon the request of an employee and premiums may be paid by means of payroll deductions.
- S.F. 671 By Committee on Schools. Provides that the State Board of Public Instruction adopt the rules and regulations for the safe construction and operation of school buses as set forth in federal requirements. The Act also amends statutes concerning the meeting and passing of school buses to make them consistent with new school bus equipment required by federal regulations. (Emergency: Effective June 13, 1969.)
- S.F. 675 By Committee on Schools. Legalizes the action taken by all school corporations for boundary changes unless litigation is pending.

- H.F. 177 By Grassley, Klein, Tieden, Christensen, Dunton, Varley, Andersen, Johnston of Johnson, Roorda, Newton, Ewell, and Pierson. Provides for an increase of \$25.00 a month for Iowa teachers who retired before July, 1953, and had served at least 25 years in the public schools. These teachers retired before Social Security was legalized for teachers.
- H.F. 395 By Baker. Updates standards for protective eye devices that are required in some vocational and industrial arts courses.
- H.F. 640 By Committee on Schools. Increases the maximum rate of interest for general obligation bonds issued by school corporations from five percent per year to six percent per year. (Emergency: Effective April 3, 1969.)
- H.F. 766 By Committee on Schools. Requires that representation on county school boards and joint county school boards be based on population. (Emergency: Effective June 13, 1969.)

Appropriations - Schools

- S.F. 622 By Committee on Appropriations. Appropriates \$200,000.00 for Manpower Development and Training and \$6,600,000.00 for vocational education to the Department of Public Instruction for each year of the biennium with the stipulation that none of the funds are to be used for capital improvements.
- S.F. 679 By Committee on Appropriations. Appropriates to the Department of Public Instruction \$1,118,840.00 for general office administration, \$233,380.00 for vocational education administration, and \$1,000,000.00 for vocational rehabilitation for each year of the biennium. The Act sets the salary of the Superintendent of Public Instruction at \$23,000.00 for each year of the biennium and raises the limitation on salaries for Assistant Superintendents from 80 percent to 85 percent of the salary of the Superintendent.
- S.F. 680 By Committee on Appropriations. Establishes a permanent Veterans Education Administration Revolving Fund and appropriates \$7,200.00 for its use. The Federal Veterans Administration will reimburse this fund for salary and travel expenses. The Act also establishes a permanent School Lunch Revolving Fund and appropriates \$5,000.00 to the Fund.
- S.F. 682 By Committee on Appropriations. Appropriates to the state's educational television network \$579,000.00 for each year of the biennium and authorizes the Educational Radio and Television Facility Board to accept federal and private grants for such networks. The Act also requires the Board to report to the General Assembly at the beginning of each session.

- S.F. 686 By Committee on Appropriations. Appropriates \$575,000.00 for construction and equipment to expand the Channel 11 broadcasting transmitter to full power and \$50,000.00 for study and design of a central network production center. The funds are to be used over a four-year period.
- H.F. 368 By Committee on Appropriations. Appropriates \$181,000.00 for each year of the biennium to the Department of Public Instruction for the purpose of accepting federal funds from the National Defense Education Act and \$3,500,000.00 for each year of the biennium to the Department of Public Instruction for reimbursement to school districts or county boards of education to provide special education programs. \$35,000.00 of the appropriation may be used in each year of the biennium for reimbursement to school districts or county boards of education to provide programs for migratory workers and children of migratory workers. The Act appropriates \$112,000,000.00 for the first year of the biennium and \$115,000,000.00 for the second year for the state's equalization aid payment to high school districts.
- H.F. 825 By Committee on Appropriations. Appropriates \$9,000,000.00 for the first year of the biennium and \$10,400,000.00 for the second year of the biennium to the area vocational schools, the area community colleges and the Emmetsburg Community College. The Act establishes the formula for computation of general state aid to area schools based upon \$2.25 per day for each full-time equivalent enrollment. Full-time equivalent enrollment is computed according to reimbursable hours which vary for lecture, laboratory, or adult education courses. Funds remaining after application of the formula are to be allocated by the Superintendent of Public Instruction in cooperation with an advisory committee. A uniform accounting system is to be established for area schools. The Act alters the limitation on land ownership by merged areas.

SOCIAL SERVICES

Medical Treatments

- S.F. 226 By Committee on Social Services. Provides more adequate means to curb the incidence of venereal disease in Iowa. Requires reporting of the names of persons with venereal disease, but declares such information to be confidential and inaccessible to the public. Allows minors, sixteen or over, to give consent to diagnosis and treatment for venereal disease in order to encourage treatment where a minor would hesitate to reveal his problem to his parents.
- S.F. 504 By Committee on Social Services. Amends and updates Contagious Disease Act which had not been revised for forty-four years. Removes obsolete provisions no longer considered necessary such as requiring that diseases subject to quarantine be reported to the Post Office. Provides for the rapid reporting of diseases and for maintaining contact with and records of persons suffering from dangerous communicable diseases who move from one public health board jurisdiction to another.
- S.F. 525 By Committee on Social Services. Establishes a comprehensive program for the treatment of alcoholism through the Iowa Commission on Alcoholism. The Act empowers the Commission to contract with qualified facilities for treatment of alcoholics, one-half of the cost of which is to be paid by the alcoholic or the Commission and one-half by the alcoholic's county of residence.

Social Services - Aid Programs and Assistance

- S.F. 254 By Committee on Social Services. Authorizes the Department of Social Services to transfer Aid to Dependent Children funds to any other state department or agency to implement the work incentive program created by the Social Security Amendments of 1967. (Emergency: Effective March 28, 1969.)
- S.F. 375 By Van Gilst. Permits a public bidder tax sale certificate to be issued on property of deceased Old Age Assistance recipients when the taxes have been suspended only one year, instead of four.
- H.F. 68 By Holden, Andersen, Voorhees, McIntyre, Van Drie, Bergman, Huff, Hill, Welden, Warren, Kitner, Lipsky, Den Herder, Campbell, Hansen of Black Hawk, Ellsworth, Stromer, Shaw, Christensen, Milligan, Lawson, Kreamer, Mohrfeld, Miller of Jones, Miller of Page, Strand, Sorg, Winkelman, Walter, and Lippold. Redefines "income" for families with dependent children, disabled persons, and elderly persons, with special emphasis on incentives to become self-supporting. The Act authorizes the County Boards of Welfare to establish work and training programs and to require such persons and families to participate in these programs. Persons who do not participate in

such programs or will not accept employment after training will not be eligible for assistance; however, other members of the family will not lose their eligibility. The Act lists those who would not be included in such programs.

- H.F. 222 By Committee on Social Services. Permits a person eighteen years of age or older to apply for and receive Aid to Dependent Children for a dependent child residing with the applicant. The Act provides that a county board may order the assistance payments to be made to some other person interested in the welfare of the child when it has been demonstrated that the person with whom the child is living is unable to manage the assistance payments in the best interests of the child.
- H.F. 238 By Dunton. Establishes a method of appeals for welfare applicants and recipients to decisions of the Council of Social Services. The Act calls for a departmental hearing by the Commissioner of Social Services, the results of which may be appealed to the district court.
- H.F. 305 By Milligan, Kreamer, Alt, Huff, and Varley. Permits a person to make a gift of all or part of his body and permits specified other persons to give part or all of a decedent's body for certain purposes, including education, research, advancement of science, therapy, or transplantation. The Act prescribes methods by which such gifts may be made or revoked, persons who may become donees, and restricts procedures following death.
- H.F. 367 By Committee on Social Services. Expands and clarifies the provision dealing with the state's claim against the estate of a deceased recipient of State Medical Assistance. The Act provides that the claim be made within five years of the recipient's death and when there are no dependents.
- H.F. 532 By Johnston of Johnson, Kehe, Mohrfeld, Graham, Roorda, Strand, Christensen, Nolting, Shepherd, McCartney, Den Herder, Sorg, Fisher of Greene, Stromer, Caffrey, Cunningham, Klein, and Lipsky. Encourages governmental agencies provide maximum opportunities for training blind persons and requires that the Commission for the Blind be offered the opportunity to operate food services in governmental agency buildings before private concerns are contracted.
- H.F. 616 By Committee on Social Services. Allows sale of real estate owned by an Old Age Recipient by either public auction or private sale.
- H.F. 657 By Committee on Social Services. Repeals the section allowing the state to make claims against estates of deceased blind persons who received Aid to the Blind.
- H.F. 658 By Committee on Social Services. Establishes a basic minimum to be used as a standard of need in determining the amount of assistance to be given to the blind.

Organization and Personnel relating to
Social Services

- S.F. 211 By Committee on Social Services. Changes term of office of the Chairman and Vice Chairman of the Air Pollution Control Commission to correspond with the terms of service of the members.
- S.F. 376 By Committee on Social Services. Declares professional personnel, including doctors and dentists, rendering services on a part-time basis to patients and inmates of state institutions to be employees of the state for purposes of the Iowa Tort Claims Act. Threatened malpractice suits by several inmates made this clarification desirable.
- H.F. 164 By Committee on Judiciary. Repeals a section of the Code, amended by an Act of the Sixty-second General Assembly, which authorized the Directors of the Divisions of the Department of Social Services to abstract and certify claims for payment and to keep a central system of accounts in state institutions. The Act reenacts the section by authorizing the Commissioner of the Department of Social Services to perform such services.
- H.F. 462 By Peterson, McCartney, and Corey. Establishes a method of organization for the Commissioners of a Memorial Hospital Commission.

Social Services Institutions and Procedures

- S.F. 119 By Lucken and Hougen. Provides that a county board of supervisors pay costs for care, examination and treatment of minors placed by the court with someone other than the parents. The county may recover the costs for foster home care by submitting claims to the Department of Social Services which shall audit such claims.
- S.F. 207 By Committee on Social Services. Clarifies and facilitates adoption proceedings by affording full faith and credit to the proper proceedings of courts outside of this state in terminating parental rights as to children who are currently under the jurisdiction of an Iowa court or agency.
- S.F. 208 By Miller of Des Moines, Baker, Mayberry, Franklin, Tapscott, Jesse, Schwartz, Gannon, and Crosier. Empowers the Department of Social Services to purchase psychiatric services, foster home care, and other services needed by children from any suitable public or private agency. The Act also authorizes county board of supervisors to arrange for admission of mentally retarded persons to public or private facilities in Iowa or elsewhere if their needs cannot be adequately met by the state hospital-schools for the mentally retarded.

- H.F. 5 By Miller of Des Moines, Millen, Mayberry, Lipsky, Gannon, Caffrey, Tapscott, Wells, Dougherty, Dunton, Pelton, and Johnston of Johnson. Authorizes the Commissioner of Social Services to establish a special unit at one of the existing state mental health institutes, for the purpose of providing psychiatric and related services to mentally retarded persons who are also mentally ill or emotionally disturbed, and to provide certain other designated services to mentally retarded persons. Recommended by the Mental Health Institutions Study Committee.
- H.F. 6 By Miller of Des Moines, Edgington, Millen, Lipsky, Mayberry, Gannon, Pelton, Kruse, Johnston of Johnson, Bergman, Dougherty, Dunton, Wells, Crosier, Miller of Jones, Middleswart, Doyle, and Caffrey. Repeals the ban against admission of any mentally retarded person to the state hospitals for the mentally ill, and substitutes language permitting such admissions, either directly or by transfer from a state hospital-school for the mentally retarded when a professional evaluation indicates that a particular mentally retarded person is likely to benefit. Limitations on financial liability of parents for the cost of care of patients at a state hospital-school are extended. Recommended by the Mental Health Institutions Study Committee.
- H.F. 162 By Committee on Judiciary. Repeals an obsolete section which exempted residents of the Iowa Soldiers Home on July 4, 1939 from the requirements for admission to the Home except that any present residents who were residents prior to July 4, 1939 are eligible to remain.
- H.F. 227 By Goode, Den Herder, Millen, Caffrey, Rex, Miller of Page, Pelton, Doyle, Sorg, Dunton, and Miller of Des Moines. Adds optometric services to the chapter dealing with prepayment plans for hospital and medical services through Blue Cross and Blue Shield.
- H.F. 389 By Committee on Social Services. Permits the Commissioner of Social Services to build and operate facilities away from institutional campuses.
- H.F. 681 By Committee on Social Services. Authorizes the Department of Social Services to set up a furlough system for prison inmates whereby the inmate may be temporarily released for a family death, for employment interviews or for vocational training. The Act applies only to persons who qualify for indeterminate sentencing and not anyone convicted of murder, escape, treason, etc.

Appropriations - Social Services

- S.F. 235 By De Koster, Walsh, and Van Gilst. Exempts school buses used exclusively for the transportation of pupils to and from school on a school function from payment of motor vehicle registration fees. Effective January 1, 1970.
- S.F. 472 By Walsh, Benda, O'Malley, Thordsen, Denman, Kosek, Stanley, Lange, Laverty, Potgeter, Clarke, Potter, Coleman, and Nicholson. Provides for establishment of aviation authorities through joint action of two or more cities, towns, or counties for the purpose of developing an adequate and coordinated air transportation system for the State of Iowa. (Emergency: Effective May 16, 1969.)
- S.F. 494 By Committee on Law Enforcement. Provides for the use of in-transit stickers as a means for individuals and out-of-state dealers purchasing vehicles of the type required to be registered in this state to move such vehicle without registering the vehicle.
- S.F. 530 By Lange, Walsh, Shirley, Thordsen, and Kyhl. Requires lessors of motor vehicles to obtain a license to do business in Iowa and to establish proof of financial responsibility with respect to motor vehicles owned by them. The Act permits the Commissioner of Public Safety to adopt rules and regulations pertaining to the leasing of motor vehicles in Iowa.
- H.F. 2 By Miller of Page, Fisher of Greene, Holden, Gannon, Bennett, Dunton, and Hanson of Howard-Mitchell. Requires owners of all vehicles, other than those designed to carry nine passengers or less, which register during the first quarter of the year to pay the full annual registration fee. Monthly reduction of fees is permitted after the end of the first quarter. The Act also requires that motor trucks register for a gross weight at least equal to the unladen weight of the vehicle. The Act establishes refund provisions. Recommended by the Interstate Truck Rate Reciprocity Procedures Study Committee.

- H.F. 3 By Miller of Page, Fisher of Greene, Holden, Gannon, Bennett, Hanson of Howard-Mitchell, and Dunton. Permits a carrier who is required to prorate or obtain a reciprocity permit to carry a single cab card which would contain all required information that is to be carried within the cab. The present Commerce Commission requirement of operating authority is not affected by the Act. The Executive Secretary of the Iowa Reciprocity Board would issue annually the cab card. The Act provides that no fee would be charged for the card and the fees required by participating agencies would not be affected. Recommended by the Interstate Truck Rate Reciprocity Procedures Study Committee.
- H.F. 60 By Christensen. Increases maximum speed for school buses operating on interstate highways in Iowa to 60 miles per hour.
- H.F. 142 By Bailey. Provides a formula for determining the distance vehicles will be allowed to move on the highways of the state when the vehicle and load exceeds the size and weight allowable under state law.
- H.F. 192 By Miller of Page, Miller of Jones, Campbell, Schroeder, Freeman of Clay-Dickinson, Cochran, Middleswart, Christensen, Grassley, Walter, Nielsen, Darrington, Johnson of Audubon-Guthrie, Peterson, Van Roekel, Strothman, Langland, Hamilton, Priebe, Kruse, Mendenhall, Stromer, Radl, Battles, Nelson, Rodgers, Camp, Strand, Ossian, Tieden, Menefee, Dietz, Rex, Welden, Sorg, Koch, Dooley, and Fisher of Greene. Defines "implements of husbandry" as implements moved by a dealer, manufacturer or farmer and also includes those implements used for exhibition, demonstration, experimentation, testing, and agricultural purposes. The Act allows an implement dealer to move implements sold and trade-ins free from license, size, weight and load restrictions when the distance of movement is less than 50 miles.
- H.F. 714 See Ways and Means.
- H.F. 758 By Committee on Commerce. Increases the operation fee for liquid transport carriers to \$15.00.

Appropriations - Transportation

- S.F. 651 By Committee on Appropriations. Appropriates \$130,044.00 from the general fund for each year of the biennium to the Iowa Reciprocity Board.

WAYS AND MEANS

- S.F. 79 By Potgeter and Benda. Extends tax benefits to all members of armed forces on active military duty until the end of the Viet Nam Conflict regardless of where they served. (Emergency: Effective May 9, 1969.)
- S.F. 286 By Committee on Ways and Means. Repeals the sales tax refund provision as enacted by the Sixty-second General Assembly after tax years beginning in 1968. The refund is preserved in tax year 1968 for persons whose adjusted gross income is less than \$3,000.00. (Emergency: Effective March 14, 1969.)
- S.F. 536 By Committee on Ways and Means. Allows the Department of Public Safety as well as other agencies to collect the 3% use tax.
- S.F. 619 By Committee on Ways and Means. Repeals the 3% service tax on meat, fish, and fowl processing and packaging, advertising, and buildings and structures erected for the improvement of realty. The tax is repealed on construction contracted for after June 1, 1969. One-half of the amount received from these taxes during the period they have been imposed, up to \$2,000,000.00, is allocated to a municipal tax relief fund, which is to be apportioned to cities and towns in the ratio that their population bears to the total population of the state, and may be expended by the cities and towns for any lawful municipal purpose. If one-half of the amount exceeds \$2,000,000.00, an allocation of \$200,000.00 is made to the Division of Planning in the Governor's Office, to be used to match local funds for beneficial studies or research projects, or for nonrecurring needs of cities and towns. Any remainder of the amount received from these taxes, and any amount not used by the Division of Planning, will revert to the general fund. The Act also expands the Code definition of "retailer" to include a person engaged in the sale of taxable services, and provides a use tax exemption for advertising and promotional material temporarily stored in the state.
- S.F. 624 By Committee on Ways and Means. Provides a sales tax exemption for services performed on tangible personal property delivered into interstate commerce or services used in processing personal property which will ultimately be subject to the sales tax. (Emergency: Effective May 9, 1969.)
- H.J.R. 19 By Committee on Appropriations. Directs the Treasurer of State, after collection by the Department of Revenue of 1969 taxes payable in 1970 for the Korean Veterans' Bonus Fund, to retire all outstanding bonds plus interest as they become due, to provide for a trust fund to accomplish such retirement, and to authorize payment and early retirement of such bonds if voluntarily surrendered by a bondholder.

- H.F. 175 By Holden. Exempts from the sales tax the sale of propane when used for drying grain.
- H.F. 226 By Miller of Jones, Miller of Page, Winkelman, Freeman of Clay-Dickinson, Schroeder, Hamilton, Mendenhall, Johnson of Audubon-Guthrie, Holden, Nielsen, Christensen, Kruse, Campbell, Battles, Middleswart, Stokes, Mayberry, Nelson, Peterson, Millen, McCormick, and Strothman. Provides that on sales of tangible personal property, except vehicles subject to registration, the amount of sales tax due is computed on the total purchase price of the tangible personal property sold by the retailer less the value allowed on tangible personal property traded in.
- H.F. 400 By Tieden. Increases the exemption from personal property taxes from \$2,500.00 to \$2,700.00 of assessed valuation and clarifies the law in order to make it unlawful to receive more than one such exemption per person. Dates are established for filing for such credits. (Emergency: Effective May 24, 1969.)
- H.F. 485 By Bailey. Redefines "homestead" to include a dwelling house of a person confined in a nursing home, extended-care facility, or hospital as long as the dwelling is not rented or leased for profit. The Act extends the homestead tax credit.
- H.F. 659 By Committee on Appropriations. Changes the distribution of income and sales taxes. The Act removes the former provisions for allocation to the Interstate Outdoor Advertising Fund, and provides for allocation of a portion of the individual income tax to the Moneys and Credits Tax Replacement Fund. The Act further provides for the transfer of \$1,200,000.00 annually for use by the Motor Vehicle Division in the manufacture of registration plates, except that if only one plate is authorized the amount transferred shall be \$800,000.00, and any unused balance shall be transferred to the Road Use Tax Fund. Otherwise, all amounts received shall be credited to the general fund, except that during the fourth quarter an amount equal to 10% of two-thirds of the sales tax receipts, less the amount transferred for registration plates and the amount appropriated for Drivers' Training Aid, shall be transferred to the Road Use Tax Fund. The Act further appropriates \$1,700,000.00 for each year of the biennium for Drivers' Training Aid to qualified school districts.
- H.F. 714 By Committee on Transportation. Increases the tax on diesel special fuel, motor fuel, and other special fuel by one-half cents per gallon; reduces the share of the Road Use Tax Fund to secondary roads by 2% and increases the share to cities and towns by 2%; increases the annual registration fees for motor trucks, truck tractors, and road tractors; and reduces the shrinkage allowance.

H.F. 784 By Committee on Ways and Means. Provides standards for determination of market value in assessment of property, and provides for equalization of assessments. Sale prices in abnormal transactions are not to be taken into account. Assessment of agricultural property is to be based on productivity and net earning capacity for agricultural purposes, and on current use rather than potential value for other uses. Assessments of similar property in adjoining counties shall be adjusted to within a 5% variation, unless adequate reasons exist for a greater variation. The Act requires the Director of Revenue to equalize levels of assessment of each class of property in the first and third years of the quadrennial assessment period, and to adopt rules covering the proposed use of assessment-sales ratio studies, income capitalization studies and other methods for equalizing levels of assessment. The Act further provides that the next quadrennial assessment period shall commence in 1971.

H.F. 810 By Committee on Ways and Means. Provides that no Iowa income tax shall be imposed on an individual whose net income is \$3,000.00 or less, and that an individual's Iowa income tax shall be reduced by an amount necessary to permit him to retain \$3,000.00 net income. A husband and wife whose combined net income exceeds \$3,000.00, or an unmarried child under 21 years of age who is a dependent and whose parents' income exceeds \$3,000.00, are not eligible for the exemption provided by this Act. The Act clarifies the personal exemption section, and establishes filing requirements for persons who are required to file a federal return, or who have income of \$1,000.00 or more. Income received for active service in the armed forces is excluded.
