

SUMMARY OF LEGISLATION APPROVED BY
THE FIRST REGULAR SESSION OF THE SIXTY-FIFTH IOWA GENERAL ASSEMBLY
MEETING IN THE YEAR 1973

ISSUED BY THE IOWA LEGISLATIVE SERVICE BUREAU

This summary of legislation has been prepared for the use of legislators and other interested persons. The classifications of legislative enactments under specific subject headings and the summary descriptions are the work product of legislative staff personnel. It is recognized that the legislative enactments contained herein may logically fall under more than one subject heading in certain instances and perhaps differences of opinion may arise as to the summary descriptions. However, it is believed that the purpose of this compilation--that of providing interested persons with a quick reference to legislation enacted in specific areas and generally informing them of the contents of the legislation--will be served by this publication.

This compilation contains only bills and resolutions approved by the First Regular Session of the Sixty-fifth Iowa General Assembly meeting in the year 1973.

The various Legalizing Acts passed during the 1973 session are not included in this summary.
