Notes:

- 1) Billing rates for the State Resource Centers are unchanged because the State assumes responsibility for all nonfederal Medicaid charges. There are no scheduled county billing rates for Glenwood and Woodward Resource Centers.
- 2) The per diem rates for the mental health institutes do not reflect the actual cost of care, but rather the capped county billing per diem rates for adult psychiatric care. The counties are charged 80.0% of this rate.
- 3) The per diem rate for Eldora reflects "net" of education and grant funding.
