## Divisions with a Fiscal Impact

### Description and Background

#### **Division III (Salaries — Certain Boards and Councils)**

The Division provides for salaries of \$10,000 per year for the members of the Board of Education, the voting members of the Council on Health and Human Services, and the at-large members of the Board of Regents.

#### **Division VIII (Elimination and Mergers)**

Eliminates and merges various boards and commissions and transfers their authority accordingly. This includes the elimination of the Public Employment Relations Board (PERB) whose duties are being transferred to the Employment Appeals Board. This includes the elimination of the Executive Director of the PERB, who has a salary that ranges from \$73,000 to \$112,000.

### Assumptions

- There will be a total of 24 members who receive a salary of \$10,000 per year: seven members of the Board of Education, eight members of the Board of Regents, and nine members of the Council on Health and Human Services.
- Costs associated with eliminated boards and commissions will not continue in the future.
- There will be a reduction in expenses to the State from the elimination of the Executive Director of the PERB of up to \$112,000.
- There will be increase in expenses to the State from mileage and per diem paid to the Technology and Commercialization Committee, but the increase is unknown.

### Fiscal Impact

There will be increased costs associated with the salaries being given to members of the Board of Regents, Board of Education, and Health and Human Services Council. The salaries for these members will result in a total cost to the State of \$240,000.

The elimination of the PERB Executive Director will result in a reduction in expenses to the State of up to \$112,000.

The elimination of the remaining boards and commissions throughout the various divisions of the Bill are estimated to have a minimal decrease in expenses to the State.
