

Average Debt at Graduation by Community College District

FY 2011

Note: The community colleges report this data only for those students that begin and complete a degree program at the same institution. Percentage figures represent the percentage of community college graduates that graduate with debt.

Average Debt	
	\$8,809 - \$10,000
	\$10,001 - \$12,000
	\$12,001 - \$14,000
	\$14,001 - \$16,499
