

State of Iowa
Roster of State Officials

2022

PUBLISHED BY THE

STATE OF IOWA

UNDER AUTHORITY OF IOWA CODE SECTION 2A.5

Thirty-Ninth Edition

Preface

Pursuant to Iowa Code section 2A.5, the State Roster is published as a correct list of state officers and deputies, members of boards and commissions, justices of the Supreme Court, judges of the Court of Appeals, judges of the district courts, including district associate judges and judicial magistrates, and members of the General Assembly.

More specifically, the State Roster lists the membership of active, policy-making boards and commissions established by state law, executive order of the Governor, or Iowa Court rule. The State Roster may also include advisory councils of a permanent nature whose members are appointed by the Governor, as well as other boards and commissions of interest to the public.

The information included herein is furnished in part by state agencies, the Office of the Governor, the General Assembly, and the Supreme Court and reflects appointments generally reported through October 2022. In most cases, legislative branch information is updated through the 2022 Regular Session. Roster listings include citation of the relevant statute and the name, city, and term ending date or affiliation for each current appointee, as appropriate. The designation “statutory” indicates that the Code of Iowa requires that a representative of a specific office or organization serve. No attempt is made to arrange information on the basis of legal importance.

The editors of the State Roster appreciate the cooperation of everyone who contributed to this publication and welcome comments and suggestions for its improvement.
