

7C.7 Certification of allocation.

Upon the receipt of a completed application pursuant to section 7C.6, the governor's designee shall promptly certify to the political subdivision the amount of the state ceiling allocated to the bonds for the purpose or project with respect to which the application was submitted. The allocation shall remain valid for thirty days from the date the allocation was certified, subject to the following conditions:

1. If the bonds are issued and delivered for the purpose or project within the thirty-day period or the forty-five day extension period provided in subsection 2, the political subdivision or its representative shall within ten days following the issuance and delivery of the bonds or not later than June 30 of that year, if the bonds were issued and delivered on or before that date, file with the governor's designee, in the form or manner the governor's designee may prescribe, a notification of the date of issuance and the delivery of the bonds, and the actual principal amount of bonds issued and delivered. The filing of the notification shall be done by actual delivery or by posting in a United States post office depository with correct first class postage paid. If the actual principal amount of bonds issued and delivered is less than the amount of the allocation, the amount of the allocation is automatically reduced to the actual principal amount of the bonds issued and delivered.
2. If the political subdivision does not reasonably expect to issue and deliver the bonds within the thirty-day period and evidence of an executed, valid and binding agreement to purchase the bonds is obtained from an entity with the legal ability to purchase and this agreement is filed with the governor's designee, the thirty-day allocation period is automatically extended for an additional forty-five days. The allocation period shall not be extended beyond that additional forty-five days.
3. The allocation is no longer valid unless the bonds are issued and delivered prior to December 24 or in the case of bonds described in section 7C.11 are issued and delivered prior to December 31 of the calendar year in which the allocation is certified, except as provided in section 7C.8.
