

8A.203 Director — information technology services powers and duties.

The director shall do all of the following as it relates to information technology services:

1. Prescribe and adopt information technology standards and rules.
2. Develop and recommend legislative proposals deemed necessary for the continued efficiency of the department in performing information technology functions, and review legislative proposals generated outside of the department which are related to matters within the department's purview.
3. Provide advice to the governor on issues related to information technology.
4. Consult with agencies and other governmental entities on issues relating to information technology.
5. Work with all governmental entities in an effort to achieve the information technology goals established by the department.

2003 Acts, ch 145, §19
