# PREFACE

This is the first Historical Index of legislation ever prepared by authority of the legislature of Iowa. During the session of the Thirty-fifth General Assembly, at the suggestion of Senator Lars W. Boe, the law department of the state library issued two pamphlet indexes to the Senate bills only.

The indexes proved so helpful that at the convening of the Thirty-sixth General Assembly, the law library was urged to undertake the making of a history as well as index to cover both House and Senate bills.

By the provisions of Senate joint resolution No. 5, introduced on January 22, the law librarian was directed to prepare a historical and classified index of pending legislation, and authorized to employ a person competent to assist in its preparation and editing.

During the session six indexes have been published, each number being cumulative. The first edition was issued on February 6; the second, February 25; the third, March 12; the fourth, March 19; the fifth, March 31; and this, the last and final number, covers the entire session.

The Thirty-sixth General Assembly began on January 11 and ended on April 17. There were seventy-six days on which the legislature was in actual session. But two recesses were taken; namely, from January 15 to January 18 and from February 26 to March 3 inclusive.

The number of bills introduced totaled 1279, of which 638 were in the House and 641 in the Senate. There were also thirty-five resolutions, twelve in the House and twenty-three in the Senate. Of 332 bills and eleven joint resolutions passed, 194 were House bills with three resolutions, and 128 Senate bills with eight resolutions.

On March 25, the Sifting Committee of the House took charge of all bills except those on the Calendar and in the hands of the Committees on Appropriation and Retrenchment and Reform, while the Sifting Committee of the Senate was not appointed until April 8.

At the time of going to press, there yet remain three bills for the approval of the Governor; namely, Senate bill No. 264, relating to animal quarantine; Senate bill No. 527, regulating "loan sharks", and House bill No. 354, relating to school corporations, which are being held for investigation.

We are indebted to Mr. Thomas Watters, secretary of the Senate, and Mr. W. C. Ramsay, chief clerk of the House, and their corps of officers for courtesies extended and helpful co-operation.

Credit is due to Mr. R. W. Fillmore, selected under the resolution, for his painstaking labor in this connection. Able assistance has also been rendered by the regular and special assistants of the library, especially Mr. Nelse C. Hansen, Miss Bertha L. Hess, and Miss Dorothy Kautz.

I trust that the publication has proven so helpful and valuable, and that legislation has been so greatly facilitated by it, that it may be an incentive for permanent arrangements being made for the preparation and publication of an index for succeeding general assemblies.

Respectfully submitted,

A. J. SMALL,  
*Law Librarian.*

DES MOINES, IOWA, APRIL 30, 1915.

**Mar. 29** Report adopted, indefinitely postponing. S. J. 1122.

**S. J. R. 16.****BY CLARKSON.**

Whereas, it appears that the current of the Des Moines River is changing, and has been for some time past, at or near what is known as the Eddyville Bridge crossing the Des Moines River at or near the town of Eddyville,

Wapello county, Iowa, and which bridge extends from said town across said Des Moines River, over to and into Monroe county, the west end of said bridge being located in Monroe county and the east end of said bridge being located in Wapello county, at or near the northeast corner of Wapello county, and the southeast corner of Mahaska county, and,

Whereas, by reason of the changing of said current in said river, it is imperiling the piers and abutments at the west end of said bridge, and the stream threatening to cut a new channel, thereby destroying a large area of valuable farming land at, near and adjacent to the west end of said bridge located in Monroe county, as aforesaid. Therefore,

Be It Resolved by the General Assembly of the State of Iowa:

Section 1. That the State Highway Engineer be and he is hereby empowered, authorized and directed to view, inspect and survey said premises, if necessary, and make a report to the Thirty-seventh General Assembly of his findings, together with such recommendations as he may deem necessary to avoid destruction to the lands and bridge aforesaid, by reason of the conditions set forth in the foregoing.

- Mar. 10 Read first and second time and referred to committee on highways. S. J. 637-638.  
 Apr. 8 From committee; recommendation, do pass. S. J. 1414.
