Feb. 06 76 Subcommittee, Bina, Wyckoff, Nealsen of Muscatine, Spradling, and Clark.
 H.J. 297.

H.F. 558 **H.F. 558**
 By Education.

A bill for an act relating to elementary, secondary and prekindergarten education, by changing the certification date of school budgets, providing for enforcement of school standards and prescribing time periods for compliance, clarifying the provision of auxiliary services, clarifying duties of the area education agency board and administrator, the director of special education, the department of public instruction, and the state comptroller, limiting reorganization under certain conditions, modifying reimbursement provisions for driver education, modifying the two hundred dollar minimum state foundation aid, providing new methods for defining enrollment and augmenting declining enrollment, clarifying authorized expenditures, providing a state percent of growth for the 1975-76 school year, new methods for determining state percent of growth and allowable growth, correcting methods of computing state cost and district cost per pupil, modifying the authority of the school budget review committee to reduce allowable growth, authorizing an enrichment program funded by property tax, state aid, and an income surtax to replace the former income surtax provisions, providing new methods for determining and funding costs of media services and other services provided through the area education agencies, providing an advance to compensate for increasing enrollment, modifying reimbursement for special education services formerly offered by local districts and county or joint county school systems, providing certain special education support funds in addition to the programmed and approved costs, correcting references, making an appropriation, and providing a retroactive effective date.

Apr. 01 75 Introduced, placed on calendar. H.J. 806.
