

Spanish-American War Monument

Spanish-American War Monument

The Iowa Volunteer Troops from Camp McKinley raised this memorial to honor Iowans who voluntarily served in the Spanish-American War, the Philippine Insurrection, and the China Relief Expedition. A bronze cross fronts the large granite marker, listing each Iowa regiment that fought in the engagements from 1898 to 1902. Governor Leslie P. Shaw, Iowa's governor from 1898-1902, is also honored.
