Purpose

The Future Ready Iowa Last-Dollar Scholarship was created in 2018 and first funded for FY 2020. The program provides financial aid to students attending community colleges or accredited private nonprofit institutions. Students must be enrolled in programs of study that lead to a postsecondary credential, up to and including an associate degree, aligned with a high-demand job as designated by Iowa Workforce Development or the community colleges. Students must remain continuously enrolled and make satisfactory academic progress as defined by the institution.

Eligible Students

The scholarship is available to:

- An adult learner who is age 20 or older at the beginning of the State fiscal year, has received a high school diploma or high school equivalency diploma, and enrolls full- or part-time in a qualified program.
- A high school graduate, a person who completed private instructions under Iowa Code chapter [299A](#), or a recipient of a high school equivalency diploma, who prior to qualifying as an adult learner enrolls in a qualified program of study full-time for the fall semester or part-time for the summer semester.
- A high school graduate, a person who completed private instructions under Iowa Code chapter [299A](#), or a recipient of a high school equivalency diploma, who prior to qualifying as an adult learner enters into full-time or part-time employment as part of an approved state-recognized work-based learning program and enrolls full-time or part-time in a qualified program.

Students must apply for all other available State and federal grants and scholarships.
