Medical Assistance — Quality Assurance Trust Fund

Background

2009 Iowa Acts, [chapter 160](#) (FY 2010 Nursing Facility Assessment Act), imposed a quality assurance assessment (tax) on nursing facilities for each patient day. The assessment applies to all for-profit and nonprofit private nursing facilities, but not to State nursing facilities. Revenue received from the assessment is deposited in the Quality Assurance Trust Fund (QATF) under the authority of the Department of Health and Human Services (HHS). The moneys in the Fund are used to provide a supplemental appropriation to the Medicaid Program, matched with federal financial participation, which is intended to increase nursing facility reimbursement. This payment, to the extent possible, is intended to offset the cost of the assessment to nursing facilities.

Assessment Fee

The nursing facility assessment fee was increased from 3.95% to 6.00% beginning April 1, 2023. The increase in the assessment fee is estimated to increase revenues collected from \$56.3 million to \$111.2 million annually. The funds are appropriated to the Medicaid Program to allow the State to draw federal matching funds, resulting in a net increase for Medicaid revenue.
