## BUDGET UNIT BRIEF – FY 2018

Fiscal Services Division

December 12, 2017

---

Ground Floor, State Capitol Building

Des Moines, Iowa 50319

515.281.3566

## Pooled Money Investment Account

### Purpose and History

The Pooled Money Investment Account is used by the Treasurer of State to pool and invest all public funds that are not needed to meet current expenses. Interest received on investments is credited to this account daily and then distributed to the appropriate appropriation or fund each month. The amount of funds invested is based upon a monthly notice from the Director of the Department of Administrative Services to the Treasurer.
