Renewable Fuels Infrastructure Fund — RIIF

Purpose

The Renewable Fuels Infrastructure Fund (RFIF) provides financial assistance to owners or operators of a retail motor fuel site or a biodiesel terminal who wish to convert their equipment to dispense and store renewable fuels. In previous years, the RFIF received a \$3.0 million standing appropriation from the Statutory Allocations Fund that consisted of a number of fees related to licensing, titles, and trailer registration. The Statutory Allocations Fund appropriation was ended in FY 2017.

Funding

A total of \$3.0 million was appropriated from the Rebuild Iowa Infrastructure Fund (RIIF) in FY 2018. This was the first year funding was appropriated from the RIIF for this purpose.
