# PREFACE

## CERTIFICATION

We, Glen P. Dickinson, Director, Legislative Services Agency, Timothy C. McDermott, Legal Services Division Director, and Leslie E. W. Hickey, Iowa Code Editor, certify that, to the best of our knowledge, the Acts and Resolutions in this volume have been prepared from the original enrolled Acts and Resolutions on file in the office of the Secretary of State; are correct copies of those Acts and Resolutions; are published under the authority of the statutes of this state; and constitute the Acts and Resolutions of the 2019 Regular Session of the Eighty-eighth General Assembly of the State of Iowa.

## STATUTES AS EVIDENCE

Iowa Code section 622.59 is as follows:

**622.59 Printed copies of statutes.** Printed copies of the statute laws of this or any other of the United States, or of Congress, or of any foreign government, purporting or proved to have been published under the authority thereof, or proved to be commonly admitted as evidence of the existing laws in the courts of such state or government, shall be admitted in the courts of this state as presumptive evidence of such laws.

## EXPLANATORY NOTES

*Provisional Code numbers.* Code numbers assigned to new sections and subsections in the Acts are provisional and may be changed when the 2020 Iowa Code is published. Changes will be shown in the Tables of Disposition of Acts in the 2020 Iowa Code.

*Typographic style.* The Acts and Resolutions in this volume are printed as they appear on file in the office of the Secretary of State. No editorial corrections have been made. Underlined type indicates new material added to existing statutes; strike-through type indicates deleted material. Italics within an Act indicate material that the Governor has item vetoed. Item vetoed text is also indicated by asterisks at the beginning and ending of the vetoed material. Superscript numbers indicate explanatory footnotes.

*Effective and enactment dates.* Effective and enactment dates are governed by Iowa Code section 3.7. The date of enactment generally is the date an Act is approved by the Governor, which is shown at the end of each Act. The Acts of the 2019 Regular Session generally took effect on July 1, 2019, unless otherwise provided.

*State mandates.* Iowa Code sections 2B.10 and 25B.5 require that any updated, final estimate of additional local revenue expenditures required by a state mandate contained in an enacted bill or joint resolution and filed with the Secretary of State must be notated in the Iowa Acts. Such a notation is made by placing a dagger at the beginning of the title of the Act or Resolution indicating the inclusion of a footnote. No enacted bill or joint resolution required the filing or notation of an updated, final estimate this year.

*Resolutions.* Concurrent resolutions and Senate and House resolutions are generally not included. See Senate and House Journals for adopted resolutions.

Orders for legal publications, including the Iowa Acts, should be directed to:
