AND TRANSFERS AND INCLUDING EFFECTIVE DATE, APPLICABILITY,
AND RETROACTIVE APPLICABILITY PROVISIONS.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

DIVISION I

PROFESSIONAL DEVELOPMENT

Section 1. Section 284.6, subsections 8 and 9, Code 2017,
are amended to read as follows:

8. For each year in which a school district receives funds
calculated and paid to school districts for professional
development pursuant to section 257.10, subsection 10, or
section 257.37A, subsection 2, the school district shall
create quality professional development opportunities. Not
less than thirty-six hours in the school calendar, held
outside of the minimum school day, shall be set aside during
nonpreparation time or designated professional development
time to allow practitioners to collaborate with each other to
deliver educational programs and assess student learning, or
to engage in peer review pursuant to section 284.8, subsection
1. The funds may be used to implement the professional
development provisions of the teacher career paths and
leadership roles specified in section 284.15, including but
not limited to providing professional development to teachers,
including additional salaries for time beyond the normal
negotiated agreement; pay for substitute teachers, professional

development materials, speakers, and professional development content; textbooks and curriculum materials used for classroom purposes if such textbooks and curriculum materials include professional development; administering assessments pursuant to section 256.7, subsection 21, paragraph "b", subparagraphs (1) and (2), if such assessments include professional development; and costs associated with implementing the individual professional development plans. The use of the funds shall be balanced between school district, attendance center, and individual professional development plans, making every reasonable effort to provide equal access to all teachers.

9. Moneys received pursuant to section 257.10, subsection 10, or section 257.37A, subsection 2, shall be maintained as a separate listing within a school district's or area education agency's budget for funds received and expenditures made pursuant to this subsection. The department shall not require a school district or area education agency to allocate a specific amount or percentage of moneys received pursuant to section 257.10, subsection 10, or section 257.37A, subsection 2, for professional development related to implementation of the core curriculum under section 256.7, subsection 26. A school district shall certify to the department of education how the school district allocated the funds and that moneys received under this subsection were used to supplement, not supplant, the professional development opportunities the school district would otherwise make available.

Sec. 2. EFFECTIVE UPON ENACTMENT. This division of this Act, being deemed of immediate importance, takes effect upon enactment.

Sec. 3. APPLICABILITY. This division of this Act applies to school budget years beginning on or after July 1, 2017.

DIVISION II

AT-RISK AND DROPOUT PREVENTION

Sec. 4. Section 257.11, subsection 4, paragraph d, Code 2017, is amended to read as follows:

~~d. Up to five percent of the total amount~~ Amounts that a school district receives as supplementary weighting pursuant to this subsection or as a modified supplemental amount received under section 257.41 may be used in the budget year

for purposes of providing district-wide, ~~or~~ building-wide, or grade-specific at-risk and dropout prevention programming targeted to pupils who are not deemed at risk.

Sec. 5. Section 257.41, subsection 2, paragraphs a and b, Code 2017, are amended to read as follows:

a. Salary and benefits for instructional staff, instructional support staff, guidance counselors, and school-based youth services staff who are working with students who are participating in at-risk or dropout prevention programs, alternative programs, and alternative schools, in a traditional or alternative setting, if the staff person's or counselor's time is dedicated to working with such students in order to provide services beyond those which are provided by the school district to students who are not participating in such programs or alternative schools. However, if the staff person or counselor works part-time with students who are participating in a program or alternative school and the staff person or counselor has another unrelated staff assignment, only the portion of the staff person's or counselor's time that is related to the program or alternative school may be charged to the program or school. For each such staff person or counselor who works part time with students who are participating in a program or alternative school, the school district shall have the authority to designate the portion of the staff person's or counselor's time and the corresponding amount of salary and benefits that is related to the program or alternative school and shall include such designation as part of the program plan under section 257.38, if applicable. For purposes of this paragraph, if an alternative setting is necessary to provide for a program which is offered at a location off school grounds and which is intended to serve student needs by improving relationships and connections to school, decreasing truancy and tardiness, providing opportunities for course credit recovery, or helping students identified as at risk to accelerate through multiple grade levels of achievement within a shortened time frame, the tuition costs for a student identified as at risk shall be considered an appropriate use of the program funding under this section.

b. Professional development for all teachers, counselors, and staff working with at-risk students under a program or an alternative school setting.
