(2) The prima facie determination in subparagraph (1) may be rebutted by the taxpayer by a preponderance of evidence showing that at the time of the original sale by the taxpayer of the real property used in a farming business, all of the following conditions were satisfied:

(a) The taxpayer had a substantial purpose for entering into the sale transaction apart from the state tax benefits.

(b) The taxpayer did not intend that the real property would subsequently be sold or transferred to a person who is not a relative of the taxpayer.

All sales of ~~products~~ tangible personal property, services, or specified digital products, except those sales enumerated in section 423.16, shall be sourced according to this section by sellers obligated to collect Iowa sales and use tax. The sourcing rules described in this section apply to sales of tangible personal property, specified digital goods products, and all services other than telecommunications services. This section only applies to determine a seller's obligation to pay or collect and remit a Iowa sales or use tax with respect to the seller's sale of a product. This section does not affect the obligation of a purchaser or lessee to remit tax on the use of the product to the taxing jurisdictions in which the use occurs. A seller's obligation to collect Iowa sales tax or Iowa use tax only occurs if the sale is sourced to this state. ~~Whether Iowa sales tax applies to a sale sourced to Iowa shall be determined based on the location at which the sale is consummated by delivery or, in the case of a service, where the first use of the service occurs~~ made by a seller subject to section 423.1, subsection 48, or section 423.14A.

Sec. 206. Section 423.15, subsection 1, paragraph e, Code 2018, is amended to read as follows:

e. When paragraphs "a", "b", "c", and "d" do not apply, including the circumstance where the seller is without sufficient information to apply the previous rules, then the location will be determined by the address from which tangible personal property was shipped, from which the specified digital good product or the computer software delivered electronically was first available for transmission by the seller, or from which the service was provided disregarding for these purposes any location that merely provided the digital transfer of the product sold.

Sec. 207. Section 423.22, Code 2018, is amended to read as follows:

423.22 Taxation in another state.

If any person who causes tangible personal property or specified digital products to be brought into this state or who uses in this state services enumerated in section 423.2 has already paid a tax in another state in respect to the sale or use of the property or the performance of the service, or an occupation tax in respect to the property or service, in an amount less than the tax imposed by subchapter II or III, the provisions of those subchapters shall apply, but at a rate measured by the difference only between the rate fixed by subchapter II or III and the rate by which the previous tax on the sale or use, or the occupation tax, was computed. If the tax imposed and paid in the other state is equal to or more than the tax imposed by those subchapters, then a tax is not due in this state on the personal property or service.

Sec. 208. Section 423.29, subsection 1, Code 2018, is amended to read as follows:

1. Every seller who is a retailer and who is making taxable sales of tangible personal property or specified digital products in Iowa shall, at the time of ~~selling the property making the sale,~~ collect the sales tax. Every seller who is a retailer ~~maintaining a place of business in this state that is not otherwise required to collect sales tax under the provisions of this chapter and who is~~ selling tangible personal property or specified digital products for use in Iowa shall, at the time of making the sale, whether within or without the state, collect the use tax. Sellers required to collect sales or use tax shall give to any purchaser a receipt for the tax collected in the manner and form prescribed by the director.

Sec. 209. Section 423.30, subsection 1, Code 2018, is amended to read as follows:

1. The director may, upon application, authorize the collection of the use tax by any seller who is a retailer not maintaining a place of business within this state and not registered under the agreement, who, to the satisfaction of the director, furnishes adequate security to ensure collection and payment of the tax. Such sellers shall be issued, without

charge, permits to collect tax subject to any regulations which the director shall prescribe. When so authorized, it shall be the duty of foreign sellers to collect the tax upon all tangible personal property and specified digital products sold, to the retailer's knowledge, for use within this state, in the same manner and subject to the same requirements as a retailer maintaining a place of business within this state. The authority and permit may be canceled when, at any time, the director considers the security inadequate, or that tax can more effectively be collected from the person using property in this state.

Sec. 210. Section 423.31, subsection 1, Code 2018, is amended to read as follows:

1. Each person subject to this section and section 423.36 and in accordance with the provisions of this section and section 423.36 shall, on or before the last day of the month following the close of each calendar quarter during which such person is or has become or ceased being subject to the provisions of this section and section 423.36, make, sign, and file a return for the calendar quarter in the form as may be required. Returns shall show information relating to sales prices including ~~goods, wares,~~ tangible personal property, specified digital products, and services converted to the use of such person, the amounts of sales prices excluded and exempt from the tax, the amounts of sales prices subject to tax, a calculation of tax due, and any other information for the period covered by the return as may be required. Returns shall be signed by the retailer or the retailer's authorized agent and must be certified by the retailer to be correct in accordance with forms and rules prescribed by the director.

Sec. 211. Section 423.31, subsection 5, paragraph a, Code 2018, is amended to read as follows:

Sec. 212. Section 423.32, subsection 1, paragraph b, Code 2018, is amended to read as follows:

b. The deposit form is due on or before the twentieth day of the month following the month of collection, except a deposit is not required for the third month of the calendar quarter, and the total quarterly amount, less the amounts deposited for the first two months of the quarter, is due with the quarterly report on the last day of the month following the month of collection. At that time, the retailer shall file with the department a return for the preceding quarterly period in the form prescribed by the director showing the purchase price of the tangible personal property, specified digital products, and services sold by the retailer during the preceding quarterly period, the use of which is subject to the use tax imposed by this chapter, and other information the director deems necessary for the proper administration of the use tax.

Sec. 213. Section 423.33, subsection 3, Code 2018, is amended to read as follows:

3. *Event sponsor's liability for sales tax.* A person sponsoring a flea market or a craft, antique, coin, or stamp show or similar event shall obtain from every retailer selling tangible personal property, specified digital products, or taxable services at the event proof that the retailer possesses a valid sales tax permit or secure from the retailer a statement, taken in good faith, that tangible personal property, specified digital products, or services offered for sale are not subject to sales tax. Failure to do so renders a sponsor of the event liable for payment of any sales tax, interest, and penalty due and owing from any retailer selling property or services at the event. Sections 423.31, 423.32, 423.37, 423.38, 423.39, 423.40, 423.41, and 423.42 apply to the sponsors. For purposes of this subsection, a "person sponsoring a flea market or a craft, antique, coin, or stamp show or similar event" does not include an organization which sponsors an event determined to qualify as an event involving casual sales

pursuant to section 423.3, subsection 39, or the state fair or a fair as defined in section 174.1.

Sec. 214. Section 423.33, Code 2018, is amended by adding the following new subsection:

Notwithstanding any other provision of law to the contrary, if any retailer required to collect and remit sales and use tax pursuant to sections 423.14, 423.14A, and 423.29, or any other provision of this chapter, fails to do so, all affiliates that directly, indirectly, or constructively control the retailer shall be jointly and severally liable for any tax, penalty, and interest under this chapter, regardless of whether the affiliate is a retailer.

b. Pursuant to paragraph "a", the department may elect to assess the full amount of any tax, penalty, and interest against the retailer, an affiliate of the retailer described in paragraph "a", or any combination of the retailer and the retailer's affiliates described in paragraph "a".

c. Notwithstanding any other provision of law to the contrary, the department has the discretion to deem an affiliate of a retailer an agent or alter ego of that retailer.

d. 1. A person shall not engage in or transact business as a retailer making taxable sales of tangible personal property, specified digital products, or furnishing services within this state or as a retailer making taxable sales of tangible personal property, specified digital products, or furnishing services for use within this state, unless a permit has been issued to the retailer under this section, except as provided in subsection 7. Every person desiring to engage in or transact business as a retailer shall file with the department an application for a permit to collect sales or use tax. Every application for a sales or use tax permit shall be made upon a form prescribed by the director and shall set forth any information the director may require. The application shall be signed by an owner of the business if a natural person; in the case of a retailer which is an association or partnership, by a member or partner; and in the case of a retailer which is a corporation, by an executive officer or some person specifically authorized by the corporation to sign the application, to which shall be attached the written evidence of the person's authority.

Sec. 217. Section 423.36, subsection 2, paragraph a, Code 2018, is amended to read as follows:

Notwithstanding subsection 1, if any person will make taxable sales of tangible personal property, specified digital products, or furnish services to any state agency, that person shall, prior to the sale, apply for and receive a permit to collect sales or use tax pursuant to this section. A state agency shall not purchase tangible personal property, specified digital products, or services from any person unless that person has a valid, unexpired permit issued pursuant to this section and is in compliance with all other requirements in this chapter imposed upon retailers, including but not limited to the requirement to collect and remit sales and use tax and

file sales and use tax returns.

Sec. 218. Section 423.36, subsection 7, paragraph b, Code 2018, is amended to read as follows:

b. Persons engaged in selling tangible personal property, specified digital products, or furnishing services shall not be required to obtain or retain a sales tax permit for a place of business at which taxable sales of tangible personal property, specified digital products, or taxable performance of services will not occur.

Sec. 219. Section 423.36, subsection 9, paragraph a, Code 2018, is amended to read as follows:

a. Except as provided in paragraph "b", purchasers, users, and consumers of tangible personal property, specified digital products, or enumerated services taxed pursuant to subchapter II or III of this chapter or chapter 423B may be authorized, pursuant to rules adopted by the director, to remit tax owed directly to the department instead of the tax being collected and paid by the seller. To qualify for a direct pay tax permit, the purchaser, user, or consumer must accrue a tax liability of more than four thousand dollars in tax under subchapters II and III in a semimonthly period and make deposits and file returns pursuant to section 423.31. This authority shall not be granted or exercised except upon application to the director and then only after issuance by the director of a direct pay tax permit.

Sec. 220. Section 423.40, subsection 2, Code 2018, is amended to read as follows:

These books, papers, and records shall be made available within this state for examination upon reasonable notice when the director deems it advisable and so orders. If the taxpayer maintains any records in an electronic format, the taxpayer shall comply with reasonable requests by the director or the director's authorized agents to provide those electronic records in a standard record format. The preceding requirements shall likewise apply to users and persons furnishing services enumerated in section 423.2.

Sec. 222. Section 423.45, subsection 4, paragraphs a, b, and e, Code 2018, are amended to read as follows:

a. The department shall issue or the seller may separately provide exemption certificates in the form prescribed by the director, including certificates not made of paper, which conform to the requirements of paragraph "c", to assist

retailers in properly accounting for nontaxable sales of tangible personal property, specified digital products, or services to purchasers for a nontaxable purpose. b. The sales tax liability for all sales of tangible personal property and specified digital products and all sales of services is upon the seller and the purchaser unless the seller takes from the purchaser a valid exemption certificate stating under penalty of perjury that the purchase is for a nontaxable purpose and is not a retail sale as defined in section 423.1, or the seller is not obligated to collect tax due, or unless the seller takes a fuel exemption certificate pursuant to subsection 5. If the tangible personal property, specified digital products, or services are purchased tax free pursuant to a valid exemption certificate and the tangible personal property, specified digital products, or services are used or disposed of by the purchaser in a nonexempt manner, the purchaser is solely liable for the taxes and shall remit the taxes directly to the department and sections 423.31, 423.32, 423.37, 423.38, 423.39, 423.40, 423.41, and 423.42 shall apply to the purchaser.

In the case of a local sales and services tax submitted to the registered voters of two or more contiguous counties as provided in section 423B.1, subsection 4, paragraph "c", all cities contiguous to each other shall be treated as part of one incorporated area, even if the corporate boundaries of one or more of the cities include areas of more than one county, and the tax shall be imposed in each of those contiguous cities only if a majority of those voting on the tax in the total area covered by the contiguous cities favored its imposition.

Sec. 232. Section 423B.1, subsection 2, paragraph b, subparagraph (3), Code 2018, is amended to read as follows:

(3) The tax once imposed shall continue to be imposed until the county-imposed tax is ~~reduced or increased in rate or~~ repealed, and ~~then~~ the city-imposed tax shall also be ~~reduced or increased in rate or~~ repealed ~~in the same amount and be~~ effective on the same date.

(2) The treatment of contiguous cities as one incorporated area for the purpose of determining whether a majority of those voting favors imposition does not apply to elections on the question of imposition of a local sales and services tax in all or a portion of a county that is a qualified county if the election occurs on or after January 1, 2019. For purposes of this chapter, "qualified county" means a county with a population in excess of four hundred thousand, a county with a population of at least one hundred thirty thousand but not more than one hundred thirty-one thousand, or a county with a population of at least sixty thousand but not more than seventy thousand, according to the 2010 federal decennial census.

If more than one valid petition is received for a city or for the unincorporated area of the county, the earliest received petition shall be used. This subparagraph applies to petitions received on or after January 1, 2019.

b. Upon adoption of such motion, the governing body of the city or county, for the unincorporated areas, shall submit the motion to the county commissioner of elections and in the case of the governing body of the city shall notify the board of supervisors of the adoption of the motion. The county commissioner of elections shall keep a file on all the motions received and, upon reaching the population requirements, shall publish notice of the ballot proposition concerning the imposition of the local sales and services tax. A motion ceases to be valid at the time of the holding of the regular election for the election of members of the governing body ~~which~~ that adopted the motion. The county commissioner of elections shall eliminate from the file any motion that ceases to be valid.

(2) In lieu of the motion requirements of subparagraph (1), the question of the imposition of a local sales and services tax shall be submitted to the registered voters of a city located in a county that is a qualified county, or the portion thereof located in the county, or to the registered voters of the unincorporated area of a county that is a qualified county upon receipt by the county commissioner of elections of a motion requesting such submission, adopted by the governing body of the city or the county for the unincorporated area of the county, as applicable. Upon adoption of such motion, the governing body of the city or county for the unincorporated area shall submit the motion to the county commissioner of elections. In such event, the county commissioners of elections from each such county shall cooperate in the selection of a single date upon which the election shall be held, and for all purposes of this chapter relating to the imposition, repeal, change of use, or collection of the tax, such a city shall be deemed to be part of the county in which a majority of the residents of the city reside. A copy of the joint agreement shall be provided promptly to the director of revenue.~~

5. a. The county commissioner of elections shall submit the question of imposition of a local option tax at an election held on a date specified in section 39.2, subsection 4, paragraph "a" or "b", as applicable. The election shall not be held sooner than sixty days after publication of notice of the ballot proposition.

b. The ballot proposition shall specify the type and rate of tax and, in the case of a vehicle tax, the classes that will be exempt and, in the case of a local sales and services tax, the date it will be imposed which date shall not be earlier than ninety days following the election.
