BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

Sec. 2. NEW SECTION. 232.3A Authority relating to action to overcome paternity in a child in need of assistance or termination of parental rights proceeding.

1. During an action under subchapter III, child in need of assistance proceedings, or subchapter IV, termination of parent-child relationship proceedings of this chapter, the court may on its own motion or that of any party, require the child and established father of the child to submit to blood or genetic testing in accordance with the procedures and method

prescribed under section 600B.41 to overcome the paternity of the established father.

2. The juvenile court may enter an order overcoming paternity of an established father pursuant to section 600B.41A if all of the following conditions are met:

a. The child has been adjudicated a child in need of assistance in an active juvenile court case and a dispositional order in that case is in place.

b. c. Pursuant to section 600B.41, the conclusion of the expert as disclosed by the evidence based upon blood or genetic testing demonstrates that the established father is not the biological father of the child.

d. The established father agrees that the established father's paternity should be overcome or the established father objects to having his paternity overcome but the court finds that it is in the best interest of the child to overcome the established father's paternity.

3. When the criteria specified in subsection 2 are met, the juvenile court shall enter an order overcoming paternity, and shall send a copy of the order to the clerk of the district court. The juvenile court shall designate the petitioner and respondent for the purposes of the order.

4. Upon receipt of the order by the district court, the clerk of the district court shall docket the case. Filing fees and other court costs shall not be assessed against the parties.
