

County and State Fair 2020 Closures Due to COVID-19

As of July 1, 2020, the following is a map of the status of Iowa county fairs in 2020 due to the impacts of COVID-19, and the status of State Fairs regionally. The status of each county fair is determined locally by county fair boards. Many of the impacted fairs are still allowing 4-H and Future Farmers of America (FFA) projects to be judged. For more information, see [Association of Iowa Fairs](#).

Status of County Fair Closures

Status of State Fair Closures

Since the Iowa State Fair began, only five fairs have been cancelled. There was no fair in 1898 due to the World's Fair in Omaha and the Spanish-American War. The fair was also cancelled during World War II. For more information, see [Iowa State Fair](#).
