Humanities Iowa (HI) is committed to bringing the humanities to the public through grant making, publications, interactive programming and events. Founded in 1971, HI is an affiliate of the National Endowment for the Humanities in Washington, D.C.

HI provides grants and partnerships to other nonprofit organizations that further the humanities in the state, and conducts its own programs that support the humanities across Iowa. Each year HI serves more than 250,000 Iowans with programming and projects.
