The Justice Advisory Board was created in 2019 to develop short-term and long-term goals to improve the criminal and juvenile justice systems and identify and analyze justice system issues. The board also develops and assists others in implementing recommendations and plans for justice system improvements and provides the General Assembly with an analysis of current and proposed criminal code provisions. The board provides for a clearinghouse of justice system information to coordinate with data resource agencies and assists others in the use of justice system data.
