WHEREAS, Under the rulings of the department, certificates—called *scrip*, or *indemnity scrip*—issued for indemnity for swamp lands located with warrants, cannot be located on lands outside of the state, and there being no vacant land in Iowa on which scrip can be located, many of the counties in this state, after great expense, are unable to realize anything for their swamp lands so disposed of by warrant locations, and by that means are damaged to a large amount; and

WHEREAS, On the 6th day of February, 1884, Senator Allison introduced a bill (S. 1428) providing (amongst other things beneficial to the counties of Iowa) for the location of such indemnity scrip, on any public lands subject to entry, of the United States, in any state or territory, which bill is pending in the senate; therefore,

Be it resolved by the General Assembly of the State of Iowa:

That our senators be instructed and our representatives in congress be requested to use all proper and lawful means in their power to secure the passage of both said bills (H. R. 4505 and S. 1428) or by the enactment in some other bill, of provision substantially as therein contained.
